**John Brydige Dies at His Home in Renfrew**

Father of Bill Brydige was Well-Known and Popular in the North in Earlier Days. Had Interests at One Time in Porcupine.

John Brydige, (father of Bill Brydige, the well-known hockey player who was for years the mainstay of the Iroquois Falls team) died suddenly at his home in Renfrew on Saturday morning last, July 28th. The late John Brydige in earlier years was well known in the North Land having resided at Halleybury and also spent some time in Porcupine where he had at one time some mining interests.

Word from Renfrew this week says that the late John Brydige had been living retired in Renfrew, residing alone since his wife's death some three years ago. Relatives living next door missed him but thought that he had gone to Ottawa for a doctor's examination as he had not been in the best of health recently. On visiting the house, however, they found Mr. Brydige dead. Apparently he had passed away from a heart attack.

The late John Brydige was for several years a prominent businessman, and was held in high regard by all who knew him. He was friendly and genial and a man who had a wide circle of friends.

The late Mr. Brydige was born in Fernleigh, England, 78 years ago, a son of the late Mr. and Mrs. John Brydige, and came to Canada with his parents when he was 14 years of age. He married Elizabeth Burwell in Horton township, and the couple moved to the Northern Ontario mining country, where they lived at the time of the Halleybury fire. Mr. Brydige, however, spent most of his married life in Renfrew and was at the time of his death a member of the Renfrew Masonic lodge and of St. Paul's Anglican church choir.

There are left to mourn his loss two sons, Bill Brydige, well-known defenceman of the New York Americans, and Jack, of New Liskeard; one daughter, Mrs. Betty Hayes, of Paris, Idaho; a brother, Harry Brydige, of Renfrew, and two sisters, Mrs. Thomas Sibary, of Renfrew, and Mrs. Julia Seguin.

The funeral took place on Monday of this week at Renfrew and was very largely attended, the number of citizens of the town and district and those from distant points showing the esteem in which the deceased was held.

**To Take Services at the United Church in August**

Rev. Douglas Woodhouse, of Iroquois Falls, will have charge of the services at the United Church, Timmins, the first three Sundays in August. On the fourth Sunday in August (Aug. 27) Rev. Dr. Fraser, of the United Church, South Porcupine, will preach in the morning and Mr. Jackson will preach at the evening service.

Rev. Bruce Millar, minister of the Timmins United Church, and Mrs. Millar, left to-day (Thursday) for Echo Bay, Muskoka for a month's holiday. Rev. Mr. Millar, who is recuperating from a recent operation for appendicitis, is making excellent progress to complete recovery and before his return at the end of this month will no doubt be fully restored to his usual good health and strength.

**Coupons to be Presented at Bucovetsky's by Aug. 11**

Elsewhere in this issue will be found announcement of the continuance of the sale, at Sam Bucovetsky's Store, Timmins. The advertisement contains a coupon that is worth 25 cents to anyone purchasing two or more shirts on special sale, or for any purchase of \$2.00 or over. It should be noted that these coupons must be presented on or before August 11th. It may be added that the sooner the coupon is presented the sooner the customer has the advantage of the value of the coupon. In any event the coupons must be presented not later than Saturday of next week, Aug. 11th.

**Resident of Timmins Twenty-two Years**

Peter J. Miettinen Passed Away on Friday Last. Funeral Services on Sunday Afternoon.

On Friday last Peter J. Miettinen, for twenty-two years a resident of Timmins, passed away, aged 46 years. Death was due to silicosis, the late Mr. Miettinen having to leave mining work some four years ago, though being seriously ill only for some four months past.

The late Peter J. Miettinen was well known in the town and district and held the high regard of all as a good citizen. He was one of the early residents of Timmins and for a good many years was one of the shift bosses at the Hollinger Mine. A widow and one son, Ralph Miettinen, survive and to these and the other near relatives and friends the sincere sympathy of all will be extended in their bereavement.

The funeral took place on Sunday afternoon at 4 o'clock from his late residence, 60 Fifth avenue, the services being conducted by Rev. Mr. Leiman, pastor of the Finnish United Church, Timmins. There was a large attendance at the funeral and many beautiful floral offerings including floral tributes from the following:—Staff of the Hollinger Mine, A. W. Young and family, Shift Bosses Hollinger Mines, Mr. and Mrs. W. Trethowan, Miss Helmi Miettinen, Hulda and Kusto Leino, Mr. and Mrs. A. Mattson, Arvo Lepisto, Mariette Kempfi, Nestor Riihinen and family, John Eskelin and family, Aino and John Valve, Aino and William Trudegen, Mr. and Mrs. A. Huhtala, Dr. and Mrs. A. P. Brennan.

 Here is Zina Bokareva, attractive 14-year-old Russian entertainer, who, despite her youth, has developed into one of the best liked stars of the Soviet radio firmament. She also is a favorite on the stage.

**Electric Line Track Being Taken up at New Liskeard**

Some excitement and objection is being reported from New Liskeard where men are busy this week tearing up the electric car line track in the town. It is understood that hereafter the street cars will not run to New Liskeard but will only ply between Cobalt and Halleybury. Last year there was talk of discontinuing the street cars running between the three towns but the matter was otherwise adjusted. For years past it has been claimed that the service was losing money. The car line is owned and operated by the Nipissing Central Railway, a subsidiary of the T. & N. O. Railway.

Rumors were said to be rife in New Liskeard this week while the work of taking up the rails was being carried on. The Nipissing Central car service gradually retreated southward as the work of tearing up the rails proceeded. One report had it that a deputation was being organized to go to Toronto to ask the provincial authorities to arrange to have the town still linked with Halleybury and Cobalt by the electric route, while others were founded on the possibility of a bus service being substituted for the railway that has connected the three towns for more than a quarter of a century.

No official announcement of any change in the schedules was forthcoming from the Nipissing Central Railway officials, nor was there any word regarding the future of the road, according to the despatches from New Liskeard. Early Monday morning a gang of workmen started lifting rails and ties at the terminus here and by quitting time tonight this task had been carried more than a quarter of a mile south. The rails are to come up for a mile and it was stated the work will occupy three or four days. Meantime, the cars are still operating within the municipal boundary, stopping at a point just beyond where the men are engaged.

Some years ago, the proposal was advanced that the Nipissing Central substitute buses for its cars, but nothing was done and now it is reported that private interests are seeking to obtain a franchise for a road service. If the electric line goes out of business, should a deputation go to the city it is stated the Government will be urged to replace the rails as the Lake Shore road is paved and so retain the street cars, which would operate to the boundary of New Liskeard temporarily. The Nipissing Central employs about 16 men, most of them living in North Cobalt.

**Attractive Wedding at St. Anthony's Church Here**

There was a very attractive wedding at St. Anthony's church, Timmins, on Saturday afternoon, July 21st, when Miss Marjorie Mackie, North Bay, daughter of Mrs. Ann Mackie and the late Mr. Mackie, and John Jarvis, son of Mrs. Nelson Jarvis, North Bay, and the late Mr. Jarvis, were united in the holy bonds of matrimony by Rev. Fr. C. E. Theriault.

The attendants at the wedding were Mrs. Ethel Perry, of Toronto, and Mr. Leslie Mackie, of Timmins.

There was a reception at the Pacific hotel, Timmins, after the ceremony, large numbers of the friends of the happy couple gathering there to extend best wishes. There were many beautiful and valuable wedding gifts, expressive of the esteem in which the couple are held in wide circles, among the presents being an unusually beautiful silver tea service presented by the employees of the Timmins Garage.

The groom is the manager of the Timmins Garage and during the time he has been in Timmins he has made wide circles of friends. Prior to her marriage, the bride was on the staff of the Bell Telephone Co. at North Bay and was among the popular young people of that city. Mr. and Mrs. Jarvis have taken up residence in Timmins after a wedding trip to the South.

St. Mary's Journal-Argus:—It is said that radio sets and not individuals are to be licensed. Any system would be better than the present one under which so many radio owners escape the tax, while others, more conscientious, continue to pay.

**Kiwanis to Meet on Tuesday Next Week**

Civic Holiday on Monday Changes Club Meeting Day. Very Interesting Meeting of Kiwanis on Monday at Golf Clubhouse.

On account of the alterations being made at the Empire hotel, the regular meeting place of the Timmins Kiwanis Club, the meeting of the club on Monday was held at the club house of the Timmins Golf Club. President Vince Woodbury was in the chair and the meeting proved a very interesting one. The meal served by Mrs. Starling was an excellent one, and the appreciation of the club was evident. Kiwanian Bert Cooke gave an interesting talk on Canadian affairs, giving the members of the club much to consider. He gave some quotations that were especially provocative of thought, among others being a reference from a recent book by A. W. Solloway who expressed the idea that political divisions were such in Canada that a national coalition government was worth serious consideration as fitted to deal effectively with the questions before the Government.

A vote of thanks was carried unanimously, expressing the thanks of the club to Mr. Knox for his kindness in making the use of the club house avail-

able to the club when a place for the luncheon was necessary on short notice.

A brief but most interesting talk was given by Kiwanian Reg Smith on a recent fishing trip to Raddison Lake. The trip had been made by plane and Mr. Smith made it very plain that the trip was worth while for anyone. He touched on some of the special items of interest on the trip making special reference to the big trees that would be seen, trees of a size seldom seen in this North. The view of the country

and especially of the lakes was a special feature of the trip. Then as to the fishing—that was worthy a talk all by itself. For the fish alone, or any of the other features alone, he recommended a trip to Raddison Lake by the excellent air service of the Algoma Air Transport.

On account of the regular meeting day next week falling on a holiday, civic holiday, the meeting of the Kiwanis Club next week will be held on Tuesday, Aug. 7th, at the club house, at the regular luncheon hour.

**Boxing Bouts at the Arena on Friday last**

Main Bout a Disappointment as Stopped in Second Round When Kingdem Falls and Injures Ankle. Five Other Bouts.

The boxing programme at the skating arena on Friday evening drew only a fair crowd.

The main bout—a fight between Roy Hamilton, local boxer, and Frenchy Kingdom, of Saginaw, Mich., ended somewhat dramatically, if unsatisfactorily, in the second round when Kingdom fell and sprained his ankle. It was a disappointment to the crowd for they had been yelling for slaughter during the preliminaries and in the main bout of the evening they hoped for lots of action. At first the accident had the appearance of a knockout and the crowd went wild for a minute or so. Then rumor had it that Kingdom had broken his leg in the fall, but this was evidently not the case as might be noted by anyone who noted the way he kept shaking the leg in the air to attract the referee's attention to the injury. Seen later in the evening in the dressing room, he was able to hobble around without support.

Bill Stevens, Kirkland Lake, and Farmer Neale, Timmins, in an eight 2-minute round battle, started off slow, with Neale clinching frequently. The Farmer lacked the training and experience of Stevens. Though he worked cautiously, he took a good beating, especially during the seventh and eighth, when he attempted to rush Stevens. During the last round Stevens had Neale very groggy but when he tried to finish him off, Neale clinched and saved himself. Stevens got the decision.

The third bout, six 2-minute rounds, between Young Dubeau, Timmins, and Tony Rose, Cochrane, gave the crowd some satisfaction. Rose carried the fight to Dubeau right from the start. Clinching kept the referee busy, most of it by Rose, nevertheless he proved he could take it. Dubeau made Rose's nose bleed freely during the first round. This bothered Rose a lot throughout the other rounds—some how Dubeau connected with that nose too often for Rose's comfort, so the latter retaliated in the sixth and gave Dubeau one. After Dubeau was announced as the winner, he hugged Rose

a couple of times to show he appreciated a game fighter. The fans also appreciated Rose's gameness.

Forky Tomick, Schumacher, won from Kid Loughran, Timmins, in a four 2-minute round contest. This fight was slowed up continually by Loughran clinching. He took a couple of nine counts in the third round and two more in the fourth. It began to be a habit until the bell ended the fight.

Some fast, hard-hitting, during the battle between Young Dempsey and Robitaille gave the fans some fun. These youngsters stepped around lively, and their foot-work was good to watch. No decision.

Carol Van Winden, Canadian lightweight champion, Ottawa, and Alex Toslock, Montreal, put on a wrestling act which failed to go over very well. During the entire bout the crowd booed and cat-called. The usual hero and villain idea was acted throughout.

**COURT CASES OVER PLATFORM CROWDING AT KAPUSKASING**

There were some rather unusual cases at Kapuskasing recently when the Canadian National Railways found it necessary to prosecute some people for blocking the station platform at Kapuskasing. It appears that crowds go to the station every time the trains come in, which is now only six times a week. Sometimes the crowds are so large that people have difficulty in getting off the trains or getting to the trains. Requests by the officials for people to keep back have been scorned or worse and at last losing patience the authorities made a few test cases. Magistrate Tucker suspended sentence in each of the cases, but warned the men concerned that they had really no right at all on the station property and if they went there they must behave themselves and not endanger the lives and comfort of others. Also they must obey the requests of the officials and generally play the game fairly. Such cases as these are rare, though sometimes it appears that the patience of the authorities stands a lot. The magistrate noted that further cases would not be dealt with so leniently after the warning given.

Mr. and Mrs. Sol Sky are away on their vacation, the World's Fair at Chicago being among the points of interest to be visited.
