

Northern Golf Championship Won by Bill Edward, Sudbury

Exciting Finish in Championship Event at Northern Ontario Golf Association Tournament at Sudbury Last Week. Hedley Moore Only Timmings Player in Championship Group. Geo. Lake, Winner of First Flight Event. Other Particulars of Northern Golf Event.

There were nine clubs of the North represented at the annual tournament of the Northern Ontario Golf Association held at Sudbury on Thursday, Friday and Saturday of last week. The clubs represented were Timmings, Cochrane, Iroquois Falls, Kirkland Lake, Halleybury, New Liskeard, North Bay, Idylwyde and Sudbury.

Winner of Championship

Playing a brilliant game, Bill Edward, of Sudbury Golf Club, won from Charlie Langlois, of Idylwyde, in the championship final. In referring to the final battle The Sudbury Star said: "Edward won by one up in a contest that was kept all through. The large gallery saw the pair all even at the 9th hole for the first round of the course and it was nip and tuck from there to the 18th. On the 8th hole of the second round of the course, Edward was off the green 20 feet from the cup for his putt while Langlois was only three feet from the flag. In a magnificent play, Edward holed out to even the score for the hole with a birdie. On the 9th hole of the second round and the final of the match, Edward was 100 yards out for his approach shot and placed the ball four feet from the cup for the putt which gave him the title. The incident was breath-taking.

Winner First Flight

The winner of the first flight was George Lake, of Timmings, who defeated Bill Regan, of Sudbury, one up in the final of this competition.

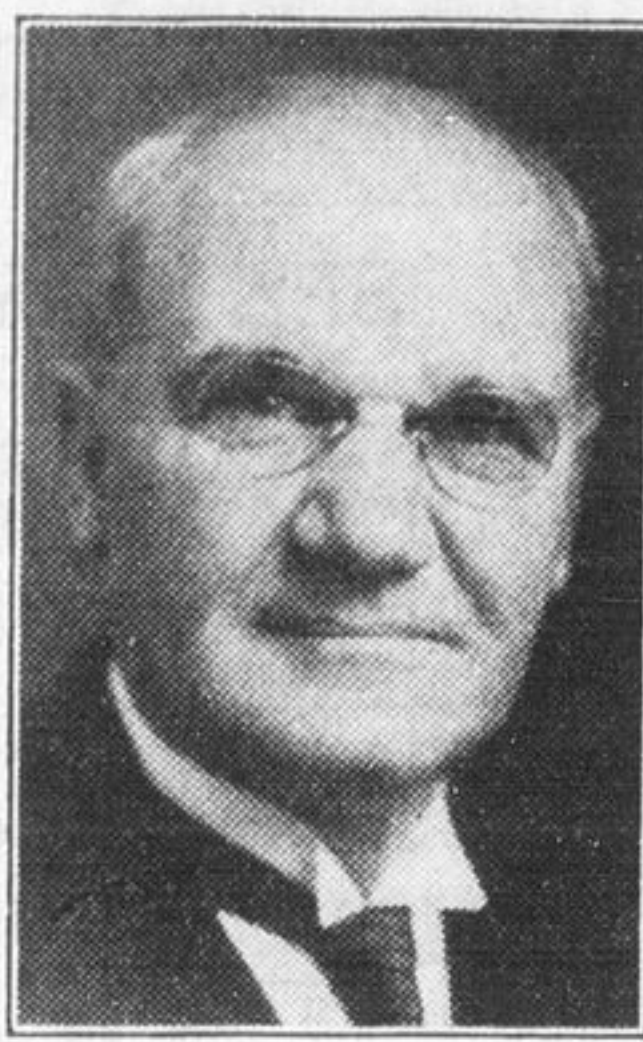

In the second flight the winner proved to be Bill Hiscock, of Montclair, his final opponent being J. Wiggins, of Idylwyde and the result three up and two to play.

Open Air Concert by the Band To-Night

If Weather Favourable the Band will Present a Programme of Interesting Selections at the Band Stand.

This (Thursday) evening the Timmings Citizens' Band, under the leadership of Bandmaster F. J. Wolno, will give an open-air band concert at the band stand on Spruce street, near the T. & N. O. station. The event, of course, is contingent on the weather being favourable. The last two band concerts planned to be given at the band stand had to be deferred on account of rain or other form of unfavourable weather. It is hoped, however, that the weather this evening will allow the giving of the concert in the usual way. There has been a first-class programme prepared for the occasion with a number of interesting selections by the band. This open air concert is sure to be enjoyed by the music-lovers of the town. The Timmings Citizens' Band is making steady progress under the leadership of Bandmaster Wolno.

Kirkland Kiwanis to be Here Next Week

Luncheon at Golf Club with Golf After Meeting. Visitors Bringing Golf Trophy With Them.

The Timmings Kiwanis held their regular weekly luncheon at the Golf Club house on Monday and the meeting was an interesting one. The Attendance Committee had charge of the programme and there was no regular special speaker but club affairs were considered and discussed.

The Attendance Committee has worked out a plan for a very interesting attendance competition to start the first week in September. The club is divided into teams for this competition and an interesting and helpful contest is assured.

The feature for next week is to be a visit to the Timmings club by twelve or fifteen Kirkland Lake Kiwanis members. They will be here for a luncheon Wednesday, August 22nd at the Golf Club house at 1 p.m. There will be golf after the luncheon. The Kirkland Lake Kiwanis say they are bringing a trophy with them to be played for. The local Kiwanis say they will not be able to take the trophy back. "Wait and see!" is the Kirkland answer.

Fined \$25. and Costs for "Leaving Scene"

Man who Did Not Return to Scene of Accident Given Penalty. Other Cases at Police Court This Week.

At police court this week J. Vaino was fined \$25.00 and costs for failing to return to the scene of an accident. He struck a car on Second avenue and caused some damage, but did not think that he needed to return as he felt sure some one would get his number. Sgt. Salley got the number all right and had Vaino in court to impress the lesson on him and others that all should return to the scene of an accident in which they are concerned. This is for the general protection of the public, and especially necessary in case some person is injured and may need attention.

Another part of the law that the police are anxious to impress upon all is the section against being drunk in charge of a car. Vernon Johnston pleaded guilty to being drunk in charge of a car and was given the usual term of ten days. The police had two doctors examine this man when he was arrested so that there would be no question in the case.

Two were fined \$10.00 and costs each for speeding. There were two reminders to next week on reckless driving charges. A man who failed to stop at an intersection was fined \$2.00 and costs.

There were nine ordinary everyday beer and wine drunks paying \$10.00 and costs each, while two others took thirty days each at Halleybury. A fine of \$50.00 and costs was paid by still another man for being drunk, this being his second registered offence.

A charge of illegal possession of liquor was withdrawn against one of the drunks, the seal of the bottle being unbroken and the liquor being legally purchased and being on its way from one legal place to another.

A charge of obtaining goods by fraud was dismissed, the complainant being shown that it was a civil action that he should have started. The goods were secured to be given as wedding presents.

A man accused of issuing one of those "bouncing" cheques was dismissed, the information laid being faulty.

An employer was ordered to pay wages in a case brought to court. James Romain charged Stanley McGee and James Crawford with assault, and McGee had a counter charge against Romain. There has been considerable trouble between these parties recently, the police being called in more than once. The trouble seemed to arise over the question as to who should boss the house where Romain's sister lived. From the dispute the assault cases developed. The magistrate settled the matter by binding over each of the three men to keep the peace for a year.

In the Juvenile Court this week there was only one case that of a young girl accused of assaulting another girl. The accused girl admitted striking the other girl, and was allowed to go on promising the magistrate not to do it again.

Caddies' Tournery at Timmings Golf Course

O. Larose Wins Qualifying Round with a Score of 97. Finals on Friday Morning of This Week.

The feature at the Timmings golf course this week is a caddies' tournament, the caddies giving an exhibition of how golf should be played, experience in observing the game as played by others giving them a big advantage when they take it up themselves.

O. Larose won the qualifying round with a score of 97. The finals in the caddies' tournament will be played to-morrow (Friday).

Legion to Open New Quarters on Monday

Premises Situated at Corner of First Avenue and Balsam Street. Admirationly Suited for Club Purposes. Will be Open Every Day and Evening.

For quite a considerable time the question of quarters for the Timmings branch of the Canadian Legion has been one of much concern to the officers and members. It has been felt that by having a club room of its own closer touch could be made with the members. The procedure of the branch in the past had been to have only two meetings a month and this fact with the constant changing of shifts at the mines was not conducive to the welfare of the branch. At times only a very small percentage of members was able to attend owing to this method of employment.

During the summer recess the officers of the branch took this question up in a thorough manner and after much thought it was decided to rent premises that would be suitable for all purposes.

Another point to which the officers gave much consideration was in regard to permanent quarters. This in regard to a lot on Cedar street north was purchased at a very reasonable figure. It measures about 90 ft. by 40 ft. and is an ideal location for such premises. A committee was named to secure the finances and erect the building. The members of this committee are as follows:—Messrs A. Neame, F. A. Burt, Geo. S. Drew, W. S. Jamieson, W. O. Langdon, representing the branch; Mr. Langford, McIntyre Mine; Gordon Irving, Hollinger Mine; Mr. Lightbody, Dome Mines. It is said that the finances have been guaranteed, and the committee have been asked to proceed with the erection of the Legion Memorial hall for the Porcupine.

In view of these facts a club room been rented in the meantime. The premises are ideal and are situated at the corner of First avenue and Balsam street south. There are five fairly good sized rooms and a full basement. There will be reading room, card room, small kitchen, etc. These club rooms will be ready for occupation on Monday evening next. All members are asked to pay the club a visit and to use it as often as possible. It will be open during the day and also every evening of the week.

It is expected that a license under the new beer and wine regulations will be granted to the Legion for these premises, and if this is received there are comfortable rooms on the premises which may be utilized as the members' beverage rooms.

Much credit should be extended to the officers of the local branch of the Legion in securing this long felt need for the members and ex-servicemen.

Funeral of Mrs. Salvador on Friday of Last Week

Mrs. Salvador, for eighteen years a resident of Timmings, who died at her home at 117 Cedar street north, on Tuesday of last week, was buried on Friday last. Service was conducted at the home by the minister in charge of the Baptist church here. The funeral was largely attended and there were many beautiful floral tokens. Death was due to heart trouble and pneumonia.

The late Mrs. Salvador came to Timmings in 1916. She is survived by her husband and three children, Mrs. P. Gentile, Mrs. Armour (Carleton Place) and Wm. Salvador.

Lacrosse League in Schumacher is Continuing to Attract General Notice and Interest. Game for To-night Postponed.

The Schumacher lacrosse league is in full swing, the Beavers leading with two victories to their credit. On Monday they defeated the Wolverines, 2 to 1, in a loosely-played game. Phillips tallied twice for the winners and Bilenny, after passing up several opportunities, finally netted the lone counter for the Wolverines.

On Thursday, Aug. 8th, the Black Hawks and Wolverines fought to a 3 to 3 tie. The Wolverines took the lead early in the game, but the Black Hawks came back with a vengeance to tie the score.

The game scheduled for this (Thursday) evening, Aug. 16th, will be postponed until next Tuesday, Aug. 21st, on account of the McIntyre baseball game being played to-day on the McIntyre grounds in the finals of the Temiskaming Baseball League series.

DEATH OF MOTHER OF JAMES PAUL AT AGE OF 90 YEARS

Mr. and Mrs. James Paul and son, Chief Ralph Paul, made a motor trip at the week-end to attend the funeral of Mr. James Paul's mother at Bourget, near Ottawa. Making the trip by motor was the only way they could reach Bourget in time for the funeral.

The late Mrs. Paul had reached the great age of 90 years at the time of her death. She had been blind for 19 years, but otherwise was in full possession of her faculties and enjoyed fairly good health to the time of her death.

Len Wadsworth Lost Title by Split Decision in Final

Timmings Lad Representing Hamilton Boxers has Tough Break at Empire Games at London, England. Judges Divided in Decision. Referee Favors Len's Opponent. Critics Not Pleased with Verdict.

Hollinger First Aid Team Stands Third

High Place Taken by Hollinger Team in the Dominion-wide Competition for the Coderre Trophy This Year.

Word has been received by the Hollinger Mines First Aid team that they were placed third this year in the annual competition for the Coderre mines trophy for first aid work. The Hollinger team was only one point behind the runners-up in the contest, and only three points behind the winner. As the Coderre trophy is open for competition by first aid teams in all the mines in the Dominion and is always closely competed for by all the crack teams out West, the Hollinger First Aid team is to be congratulated on the excellent showing made in the contest. Their standing this year gives promise of the Hollinger First Aid team eventually winning the Coderre trophy and taking it away from the West for the first time. The Coderre trophy is one that all first aid teams desire to win and the Hollinger team but is not only set its mind on the trophy but is also apparently well on the way to actually winning it by good work.

Len Wadsworth Lost Title

Len Wadsworth, son of Mr. and Mrs. N. E. Wadsworth, Timmings, who was a Hamilton representative at the Empire Games at London, England, lost out in the middleweight boxing final on Friday evening last. Although he missed the Empire title in his class he has added to his high reputation as a clean and able man in the ring. The judges were divided in their opinion, one being for Len, and the other for his opponent. The referee's vote was against Len. Taking the decision at its face value, Len has made a fine showing. He had to take on three bouts on Friday last, disposing of the first two by knockouts, and losing the final only by a split decision. No one need be ashamed of that record. On the other hand The Toronto Globe says that the decision was very unpopular, the critics holding that Len had won the fight on points.

The following is the report of the final as written by Thomas B. Champion, Canadian Press staff writer, and sent by cable from Wembley, England, to The Mail and Empire:—

Losses by Split Decision "Len Wadsworth, of Hamilton, Ont., the most spectacular fighting man in the tournament was without a British Empire Games title to-night because of a wobbly split decision that most critics regarded with frank distaste. An English boxer officially outpointed the Canadian in the middle-weight final to climax a rare clean-up in the ring by the home forces.

"Wadsworth was the last Canadian boxer to go down to defeat before the British sweep which landed six titles. Australia and South Africa won one each. The Canadian star and a brilliant Welsh lightweight were the only fighters sent into the ring three times to-night and they both lost the third time out.

The handsome, dark-haired Hamilton youth smashed two opponents to the floor on his way to the final. For sheer polish and punching potency the crowd saw nothing to compare with the Canadian. They didn't expect to see him beaten.

"In the final Wadsworth faced Shawyer, of England, a long-range boxer who obviously feared the consequences if the Canadian got to close quarters. During most of the second round he did everything but fight, holding repeatedly as Wadsworth forced the pace, trying for a knockout with his stinging right.

"The Briton hung on so desperately that Wadsworth was able to do little damage. In the second round he broke two fingers on his right hand with a punch that landed high on Shawyer's head, and for the rest of the fight had to be content to box the Briton.

McIntyre Wins First of the Championship Series, 4-1

Another Record Crowd at Ball Game Yesterday. A Kerkland Lake Yesterday's Battle Pleased the Fans. Good Stuff, Especially to the Seventh when it was a 1-1 Tie.

McIntyre grabbed themselves a chunk of the championship series yesterday when they turned back the Kirkland Lake maroon-shirted squad, 4-1. The Macs displayed a fine brand of ball that pleased the thousands of fans in the grandstands. Once again, as it was when the Macs met Southampton, the grounds were packed to the fullest capacity. It was a great ball game until the seventh when the Macs almost blasted Hackett from the box. Three hits and three walks accounted for the three runs that broke up the ball game. Malloy was sent in when the bases were loaded in the seventh but he failed to come through with the hit that everyone seemed to expect.

A bad error in the third for the Macs almost proved fatal but they pulled off a double play to save themselves. A bunted fly slipped out of Wood's hands for an error and to make things worse Quinn grabbed the loose ball and threw it over Monaghan's head at second.

A bad decision by Umpire Teich in the third was withdrawn to the satisfaction of both sides. Price had hit the ball but it touched him and rolled fair. He should have been out but he was called safe. After a lot of chattering around the ump's, Price was called back to bat over again. This time he sent out a single to centre. Another decision made by Scully in the seventh was just a little bit sour. Lafamme stealing second was caught at least three feet before he hit the base but he was called safe. Maybe the ump's saw it different out there.

Two long hits featured the batting yesterday, one by Timmings and one by Quinn; both were three-baggers to left field. The fielding stars were possibly Giovannelli and Lafamme. Lafamme was deadly when he threw the

ball in from left field. Where he gets all the power in his leg, nobody knows. Wood as usual was the better chucker, having ten strike-outs for himself while Hackett had to be content with five. Hackett also issued five passes to Wood's nil.

The two same teams with the exception of the pitchers meet again today in the second tilt of the series. O'Donnell or Chambers or both may be seen for the Macs, while it's practically a certainty that Kirkland will use Curry, their star heater. The game is scheduled to start at five sharp and it should be a humdinger because when Kirkland is down they fight hard. With the championship in the balance they have to win here to-day to get an even break for the continuation of the series in Kirkland.

The play by play is:

First Innings Kirkland Lake—Price singled to second base. On Quinn's error Baldwin was safe at first and Price went on to third. Jubenville was safe when the play was made to try and catch Price at the plate. With one run in, Wood tightened up and struck out Timmings, Little and Lafamme in that order. 1 run, 1 hit, 1 error.

McIntyre—Thomas fled to Lafamme. Monaghan singled to centre. Cowden fled to left field and Lafamme had the ball back before Monaghan could move. Cybolsky was safe at first and Monaghan went to third on Little's error. Angrignon was out 'third to first. 0 runs, 1 hit, 1 error.

Second Innings Kirkland Lake—Giovannelli was out at first. Demers fanned and Hackett was out at first. 0 runs, 0 hits, 0 errors.

McIntyre—Quinn smashed out a three-bagger to left field. Gilbert (Continued on Page Six)

Properties in Arrears Three Years for Taxes to be Sold

Council Moves for Tax Sale This Year. Properties Owned by Those on Relief Not to be Included. Parking By-law Changed to 45-Minute Limit. Resolution to Government Against Stopping of Relief Road Work. Other Council Business.

The regular meeting of the town council was held last Thursday night. In the absence of Mayor R. Richardson who is on holiday, Acting Mayor Moise Maltais was in the chair. Councillors Laprairie, Chateaubert, Bartleman, Paquette and Belec were present.

The first question of the evening, after several relief cases had been heard and some other matters brought to attention, was a petition signed by all except two of the merchants in the parking area asking for a change in the parking by-law recently passed. It was pointed out in the petition that a 20-minute limit was too short. It didn't give the shoppers time enough to do their shopping. The petition was supported by Barney Sky and Frank Ellies. A parking limit of 45 minutes between the hours of 10 a.m. and 6 p.m. every day except Sundays and holidays was asked. After some discussion, it was moved by Councillor Bartleman, seconded by Councillor Paquette, and carried, "that the parking by-law be amended, changing the hours to 10 a.m. to 6 p.m., except on Sundays and holidays, and the time allowed to 45 minutes, instead of 20 minutes." Councillor Laprairie was not enthusiastic for the change, saying that in places he had visited the limit was 20 minutes and seemed to work all right.

Councillor Bartleman brought up a case where it was alleged that the town clerk had used abusive language in talking to a ratepayer. This ratepayer had spoken to the clerk about a tax bill and was told that he would have to see the tax collector. The story proceeded that the ratepayer had started to say that "Mr. Bartleman had told him that"—but he was interrupted with the words that "Mr. Bartleman hadn't a blankety-blank thing to do with the books. Councillor Bar-

le said that he was not objecting so much on his own account as because he did not think ratepayers should be subjected to such talk, and he asked if the clerk had used the language ascribed to him. Mr. Montgomery replied that he had certainly not made the statement charged to him and had not used the bad language. "I am not in the habit of using such language in dealing with ratepayers," added the clerk. A man who had been present when the ratepayer spoke to the clerk said there had been no abusive language used by Mr. Montgomery, and the matter was accordingly dropped.

R. Paul, who has been acting chief of police for the past few months and has been very satisfactory to the public in that position, made formal application to be appointed as police chief. The application was referred to the police committee.

A petition with seventeen signatures requested a crossing over the T. & N. O. railway on First avenue. Acting Mayor Maltais suggested that as the T. & N. O. had just put in two crossings for the town this year already, it might be well to consider before asking for more. "We've got to please the people, not the T. & N. O.," said Councillor Bartleman. The council members are to look over the site where the crossing is requested.

An application for permit to install a boiler in a store on Third avenue was referred to the fire and light committee.

A copy of a resolution from Guelph council was read, referring to the recent action of the Ontario Government in releasing all District Officers of Health. The Guelph resolution pointed out the value and necessity of the District Officers of Health, and asked the
