Funeral of Geo. Vary Resident 22 Years

Past Master of Golden Beaver Lodge Buried with Masonic Honours. One of the Early Residents Passes.

George Vary, well-known and highly esteemed in Timmins and the North where he had spent a great many years, passed away on Sunday morning, Aug. 19th, at an early hour. He had been in ill health for some years past, suffering from rheumatism but only recently was his condition critical.

The late George Vary was born in Dalesville, Quebec, and at the time of death was 67 years of age. He had followed mining from early manhood and after some years in the United States he came to Cobalt in the early days of that camp. From Cobalt the family moved to Timmins in 1912. The late Mr. Vary was with the McIntyre mine for a number of years, then going to the Porcupine Crown where he remained until his health failed some years ago.

The late Mr. Vary was married some 41 years ago in Michigan, and he is survived by his widow and two daughters and one son. The latter is Ronald Vary, mill superintendent of the Buffalo-Ankerite Mine. The daughters are Mrs. Thomas Blackman, of Timmins, and Mrs. Fred Bailey, of Kapuskasing. To these and to the other near relatives and friends the sincerest sympathy of all is extended at this time.

The late George Vary was prominent in fraternal, church and other circles and he leaves behind him large numbers of friends and acquaintances who will deeply regret his death. He was of friendly and genial disposition and won the high regard of all who knew him. He was especially prominent in Masonic circles and was honoured by life membership in both Cobalt and Timmins Masonic lodges. He was a Past Master of Golden Beaver Lodge, A. F. & A. M., Timmins, being the second to hold that office in the commencing years of the lodge.

The funeral was held on Tuesday afternoon, Aug. 21st, and was with full Masonic honours. There was a Masonic service at the house and then service at the United Church, Timmins conducted by Rev. Dr. Fraser, United Church minister, South Porcupine. The impressive Masonic service was completed at the graveside. The pallbearers were six Masonic Past Masters—J. E. Gurnell, W. R. Rinn, J. Morrison, C. P. Ramsay, W. Ramsay, and R. Richards. All but W. Ramsay are Past Masters of the Timmins lodge.

There was a large attendance at the funeral, numerous friends and acquaintances being present to pay the last sad token of respect and to show sympathy for those bereaved. The floral offerings were many and beautiful, and included tributes from the following: "Mother and Family," Past Masters Golden Beaver Lodge A. F. & A. M., Silver Lodge A. F. & A. M. Ex-Chief H. Jones Back from Visit to England

H. Jones, chief of police of Timmins for three years until his displacement under the present council, returned this week from a three months' visit to his homeland, England. He reports a very pleasant holiday and much of interest in the trip. In England Mr. Jones found the depression being routed by the courage and faith of the people and conditions generally back to fairly normal.

While at Blackpool, England, Mr. Jones had the pleasure of meeting Mrs. J. K. Moore, formerly of Timmins. Mrs. Moore was delighted to talk about old times in the Porcupine camp and to meet someone who knew her old friends here. Mrs. Moore was one of the early residents of Timmins and was very popular and much in demand as a soloist. Her daughter, May, a young girl at the time that the family left Timmins, is now a young lady, while the other three girls are also growing beyond childhood days. Miss May is well-known as a dancer, especially in Highland dances. Mr. Jones has a number of pictures that he took of the Moore family, showing the girls in Highland costume. Another acquaintance that Mr. Jones made was that of Sir Harry Lauder. One of the pictures that Mr. Jones brought home with him was that of a group including himself, Sir Harry Lauder and the Moore family.

The Sudbury Star last week says: "Mr. and Mrs. S. Yawney and two children, Mayme and Billy, have left on a two weeks' motor trip to Kirkland Lake and Timmins."

Re-opening of Juvenile Dancing School, Sept. 10th

Miss Margaret Easton will re-open her Juvenile Dancing School on Sept. 10th and will again take up the work of giving class and private lessons in dancing in all branches. Previous to the summer vacation Miss Easton had a large number taking private lessons. Those who know her talent as a dancer will not be ready to believe that she needs any improvement in the art, but Miss Easton took advantage of the summer vacation time to take what may be aptly termed a post-graduate course in dancing from the noted dancing teacher Da Costa, of Toronto, and so is better equipped than ever to carry on the work here as dancing teacher. Those who have children interested in dancing will accordingly be pleased to read the announcement elsewhere in this issue of the re-opening on Sept. 10th of Miss Margaret Easton's Juvenile Dancing School.

Threatening Fires Soon Extinguished

More Good Fire Brigade Work Saves Danger of Serious Loss on Two Occasions in Past Week. Fire Yesterday Afternoon.

There were three fire calls during the past few days and two of them looked as if they might prove serious fires, but good work on the part of Chief Borland and his brigade soon averted this danger in each case. There was a fire yesterday at 6 Hemlock street, the residence of J. Berini. A shed at the back of the house was on fire and going strongly before it was noticed, the back of the house also catching fire from the burning shed. The alarm was sent in at 3:40 p.m. by telephone and also by box call from box 27. The fire brigade made the usual prompt response and fought the blaze with their usual efficiency under the direction of Chief Borland. When the fire was first discovered it had a good grip and looked as if it might prove a serious affair. Chief Borland and his men, however, soon had their usual effective fire-fighting equipment at work and the blaze was extinguished but not before it had caused several hundred dollars' worth of damage. There was a large amount of smoke and that and the alarm brought a large crowd to the scene. The efficiency of the fire-fighters drew favourable comment from many of those present. The fire originated through boys playing in the shed.

The other threatening fire was on August 20th at 10:15 a.m. This call came in from Kingston hotel by phone. The fire was in the kitchen and had started from the grease vent pipe in the kitchen becoming overheated and taking fire. For a time this fire looked dangerous, but by the use of the big chemical tanks and one water line the blaze was eventually extinguished. The damage was about \$400.00, covered by insurance.

The other fire call during the week was on Tuesday, August 21st, at 9:10 a.m., being a phone call to No. 9 Columbus avenue, where stovepipes were on fire. No damage of any importance resulted from this fire.
