

Tenders Wanted for Construction of Canadian Legion Hall

Contractors are invited to tender on the construction of a Hall for the Canadian Legion to be built on Cedar Street, Timmins, Ontario.

Plans and specifications may be obtained from the Architect, Arch. Gillies, Timmins, on Monday, Sept. 3rd, 1934.

The lowest or any tender not necessarily accepted.

All tenders are to be handed in to Mr. Austin Neame, President, Branch 88, Canadian Legion.

Several Marriages at South Porcupine

Other Items from South Porcupine and the Dome. Particulars of the Death of Redvers Dixon, Former Mining Recorder.

South Porcupine, Ont., Aug. 29th, 1934. Special to The Advance.

Mrs. S. Kennedy, with Miss Pearl and cousin, Margaret, are on vacation in Ottawa. Miss Connie Carlson is taking temporary charge of Miss Kennedy's office while she is away.

Mr. and Mrs. LaForest and Pat and Ray are away on a week's vacation to Vinton, Quebec, visiting at the home of Mrs. LaForest's mother.

Mr. Mervin O'Connor, of Ottawa, is visiting Mr. W. C. Dillon and family.

At the local police court here on Tuesday three drunks went to jail—no money to pay the fines. A man charged with being drunk in charge of a car got ten days in jail without the option of a fine. One reckless driving charge was adjourned. Also one case of assault against a Schumacher man.

Married.—By Father Gelinus at the R.C. Church on August 25th—Nikola Bucar to Dorothy Bibich.

Married.—On August 11th by Father Gelinus—Edmund Curby to Corinne Gannon.

We were sorry to learn that Dr. W. McLaren has been quite ill with bronchial trouble in the Presbyterian hospital. At present writing his condition is much improved. His brother Mr. Robert McLaren, of Ottawa, has just returned home, after having been called here on account of the seriousness of the doctor's illness.

Those flying to Sudbury this last week by the Algoma Air Route were: Mr. G. Michaelson, Mrs. R. Nelson; Mrs. C. Clement, Mr. and Mrs. L. Bailey and son; Messrs Blair, Bertrand and Webb.

Died.—On August 15th, Mrs. John Wilken, resident here for three years, of heart failure; aged 48. Mrs. Wilken was of Finnish origin and was buried in Timmins on August 18th.

Our sympathies are extended this week to Mrs. Jack Porter who found, awaiting her on her return from a fortnight's holiday, a cablegram announcing the death of her father, in England.

Mrs. Jamieson, of Owen Sound, is visiting her daughter, Mrs. W. Honer, at Dome Mines.

Mrs. Alex Owen and grandson, Douglas, of the Alex Mine, are visiting at the home of Mrs. W. W. Wilson this week.

Friends of Mr. and Mrs. Alf Honey, of Schumacher, will be interested to know that they are leaving on Thursday for an extended visit to England.

Bear and Cubs Seen on South End Road

Frost Hits South End Gardens in August This Year. Dome F.C. has Successful Season. Other News from South Porcupine and Dome.

South Porcupine, Ont., August 29th, 1934. Special to The Advance.

After spending two weeks in Western Ontario where the temperature tempted us to go round on the beach of Lake Erie with as little clothing as the law allows, it was distinctly a shock to come back on Sunday and view our treasured nasturtiums, and vegetable marrows and tomatoes, a blackened wreckage with the frosts of the past week. We heard at Temagami that tourists had "scraped the frost off the top of their cars" the previous night; and hated to believe it, but alas! we found it all too true. It is indeed discouraging (for lack of a better word) to work all spring in the gardens, and hope for a reward in the fall, to find that frosts in August have rendered one's work all in vain. However, there's nothing we can do about it, except resolve that next year we'll have a little more sense, but, of course, June will find us again busy with the old hoe and the old optimism!

On looking round, we see that cement sidewalks have appeared as if by magic on all the principal streets of our little town—and on some of the less important—five new buildings are in course of construction, the new Anglican rectory is almost finished, and a large hole on the site of the old King George hotel, (surrounded when we saw it, by interested onlookers) is in process of excavation. Upon enquiry we find that Mr. Louis Cecconi has bought the site, and will erect thereon an apartment building, 48 feet by 60, which will certainly be an improvement to that corner.

The fifth drive which will complete the fifty dollar objective which the A.Y.P.A. are making toward the rectory building fund will be made to-night (Wednesday) at the home of Mrs. Dan Hughes, Dome Mines. It will take the form of a "court whist." The Young People wish it to be known that they are very grateful to the various church members who have so generously offered the use of their homes for this purpose. As the bridges, etc., seem to be so popular they may be continued at intervals during the coming season. These energetic young people are holding a dance at the high school on Monday, Labour Day. Al Pierini and his Vagabond Kings are providing the music. They are looking forward to being well supported as it is the first big undertaking of the A.Y.P.A. The proceeds will also go toward the rectory building fund.

We are exceedingly glad to note that a beginning is being made to re-organize the Girl Guides here. This will supply a need which only mothers of growing girls will fully appreciate. Clean, wholesome interest and fun outside of school work must be given to our future women if we want the race to improve. At present, with the exception of two small groups of C.G.I.T. girls there is nothing in the town for girls to offset counter attractions of a less desirable character.

Miss W. Naish has started things at the Dome School which has been granted to the use of the G.G.'s two evenings a week. The third meeting was held on Monday. Captain Cranston from Timmins was present and talked to the girls. She expressed her delight at finding such a bright and promising company. The girls, under the tutelage of the Misses W. and Ruby Naish, Miss Ruth Armstrong, and Miss L. Owens (all old-time Guides) are quickly learning the laws, etc., for the Tenderfoot Test. If any town girls would like to join the company any one of the leaders mentioned would be glad to have their names and they could probably arrange taxi conveyance which would prove considerably cheaper if a large number of girls would promise to attend each week. Nominations were given for Captain and Lieutenants to be presented to the Divisional Commissioner (Mrs. Tomney) whom the Guides hope will visit them in the near future.

Dome Football team were successful in the first of two games against McIntyre for the "Boxer Cup". The game was played at McIntyre. Dome winning with a score of 3-1. The return game will be played at Dome on Wednesday next. Goals to count on these two games. The Dome boys played superior football right through and deserved to win. They were awarded a penalty in the second half but W. Rogers missed, shooting wide. The players found difficulty in keeping their footing as the grass was damp and very slippery. Crawford played one of his best games of the year as centre half. McWhinney struck his head against the goalpost, but soon resumed play after attention. The game on Wednesday completes the series of games for this year, Dome winning the league and the Byrne Cup. There are several cups in their possession which are not being played for this year.

The trophy presented by Mr. J. H. Stovel to the school boys was again won by Dome this year; Dome, Dome Extension, and Town boys competing for same. The senior club has kindly given a set of medals to be competed for by the school boys but unless the weather gets a little warmer they will not be played for until next year.

When Mrs. McDowell, Mrs. C. McInnis, and Misses D. and B. Couch were motoring to Timmins last Saturday, a bear and two cubs walked across the road about 100 feet ahead of their car. They came from the vicinity of the "dump", on the right hand side of the road before one gets to the Rea Hill, and calmly proceeded to the opposite bushes, taking things quite leisurely. At first the occupants of the car were undecided as to what the three objects might be, but on closer inspection all

exclaimed simultaneously "It's a bear!" It is quite a long time since bears were seen on the Timmins road.

Mrs. Ed Harrison is in Toronto on a visit to relatives.

Mrs. Martin Shaw is again back in town after being away a month visiting her parents.

Miss Helen Michaelson is visiting her parents at the Dome this week, from Toronto.

Mr. Maxwell-Smith and family have returned from their vacation. The Dominion Fire Chiefs' Convention at London, which both Mr. and Mrs. Smith attended, was a very great success this year. It was held in the Hotel London, one of the most modern and up-to-date hotels in Western Ontario. After the convention sessions all the guests were lavishly and wonderfully entertained by the entertainment committee sponsored by the London Fire Chief and the Mayor and Corporation of the city. Tours of inspection of the various places of interest were made and all the guests entertained on the first day at a luncheon at Port Stanley, at which Mayor Wenige presided. Next evening a wonderful banquet was tendered them in the Crystal Room of the hotel, and souvenirs given to each guest. The mayor welcomed the guests and Col. Walter Brown, Professor at Western University, with J. J. McHale, Esq., of the Kiwanis, gave very interesting talks. The ladies next day were taken over Kellogg's factory, also McCormick's, where both candy-making and biscuit-making were in full swing. Clever papers were read at this convention, of interest to firemen and concerning fire department work, and a wonderful display of the latest fire-fighting equipment was shown in the armories; an interesting item being the display by the Windsor Fire Department of the resuscitation squad at work on victims of gas asphyxiation or drowning. It appears that in the older centres it is customary to call the fire departments in cases of drowning. The attendance covered representatives from fire departments all over the Dominion from Vancouver on extreme west, and Chief Churchill, of Halifax, from extreme east and Max Smith from extreme north this year. It may be interesting to note that Maxwell Smith, of South Porcupine, was elected District Vice-President for Northern Ontario at this convention. The only thing that marred the trip was hearing that Mr. Free Thompson (secretary for Temiskaming Association) had had an accident with his car on the way down (at Erindale).

—Car rather badly wrecked but fortunately only slight injuries to the occupants. Mr. Jack Matheson of Kirkland Lake, J. Thibeault, of Rouyn and A. Douglas of Liskeard (all fire chiefs) were with him in the car.

The annual show of the Iroquois Falls and District Horticultural Society will be held in the town hall, Iroquois Falls, on Thursday, Sept. 6th.

The annual show of the Iroquois Falls and District Horticultural Society will be held in the town hall, Iroquois Falls, on Thursday, Sept. 6th.

Good Explanation Causes Dismissal

Original Excuse for Throwing Glass Results in Dismissal of Assault Charge. Several Young Women Fined.

It looked at first as if a man accused of assault at Tuesday's police court would be severely dealt with, but that was before he told his own story. He was accused of a particularly bad form of assault. According to the evidence he had deliberately thrown a heavy glass at a stranger. The glass just missed the other man and smashed to atoms against the wall. The man who thought the glass was thrown at him informed the police and the charge followed. The accused had been in trouble before and, of course, that did not help him. But his explanation did. He said that it all happened in a beverage room. He said that he did not have anything against the other gentleman, did not even know him, and did not aim the glass at him. Instead it was this way:—Some time ago finding the trouble that liquor had caused him, the accused had sworn off drinking altogether, intending never again even to take a drink of beer. Yet he had gone into a beverage room the other night and drank a couple of glasses of beer. All of a sudden he realized what he had done. He had broken the pledge he made himself. And was he mad? "I finished the glass I was drinking," he told the court, "and then I hurled the cursed thing from me. That is the end of drinking beer for me again." After hearing this explanation there was nothing left to the magistrate but to dismiss the charge.

The Timmins police are starting to clean up the disorderly houses in town. There were six young women in court this week charged with being inmates of disorderly houses. All of them pleaded guilty and each was fined \$25 and costs. The names were—Margorie and Maud Checkley, Germaine Gauthier and Yvett Morin, and Helen Dupont and Margaret Therien.

The police are still after the reckless drivers and those falling to return to the scene of an accident. On a charge of reckless driving Mathew Nemicko, 6 Kirby avenue, was fined \$50.00 and costs. This man ran into one of the town trucks, a man on the truck being thrown to the ground and sustaining a fractured skull that is still keeping him in the hospital though he is getting better. Nemicko did not have a proper permit to drive, using a beginner's license, though not having the required skilled chauffeur with him in the car. The magistrate found Nemicko had been going at too great a speed and that otherwise he had not used proper care. In fact he needed considerable tuition in driving before being safe with a car.

Mark Sanford charged with failing to return to the scene of an accident was remanded to next week.

A man who was accused of breaking up another man's home by luring his wife away added to this injury last week. It is said, when he visited the husband's place and threatened to beat him up. A charge of trespass was

laid against the intruder. The case was adjourned to next week.

A man accused of stealing a canoe was dismissed.

A charge of fraud against a local man was withdrawn the matter being adjusted apparently in the meantime.

A charge against A. L. Wickstead, of the Drinkwater Pit area, was adjourned to Sept. 4th. Provincial Officer Pretorius and another officer found the accused working around a still in the bush, with mash, etc., all ready, and a charge of breach of the Excise Act was the result.

A Master and Servant Act case was adjourned to next week.

Two men who were accused of annoying people in Moneta by knocking at the doors of houses at unfavourable hours of the late night and morning were charged under the town by-law forbidding disorderly conduct. The case was adjourned for a week, the men being out on \$50.00 bail each. It is said that the men made the mistake of knocking at doors where families are respectable, though the houses at some past times may have had other kinds of tenants.

One reckless driving charge brought a \$100.00 fine and costs, while a similar charge was withdrawn.

L. Lepage, Wilcox street, was fined \$100.00 and costs for having illicit liquor.

For liquor in a public place Omer Perron was fined \$100.00 and costs.

For failing to stop at intersections three driver were each fined \$2.00 and costs.

In an assault case the complainant did not appear so the charge was dismissed.

Six common drunks paid \$10.00 and costs each.

Town of Timmins Market

to open
Saturday, Sept. 1st
at Timmins Athletic Grounds
Corner Pine St. and Second Ave.

KIRKLAND LAKE TO HOLD ITS FIRST FALL FAIR, LABOR DAY

The first fall fair for the Kirkland Lake district is to be held on Labor Day, Monday next, Sept. 3rd at Culver Park, near Swastika. The Kirkland Lake fall fair is advertised as open to all Northern Ontario. There is considerable good farming land not far from Kirkland Lake with special mar-

ket garden territory. In the line of vegetables and flowers the Kirkland Lake fair should do especially well.

Mrs. M. Lamore and daughter, Bernice, of Timmins, left recently, accompanied by Mrs. T. W. Smith, South Porcupine, to visit Mrs. Lamore's daughters, Miss Phyllis Charbott, of Montreal, and Mrs. G. Gauthier, of Cornwall.

Important Reductions in Commercial and Domestic Rates

In July 1930, our Company through its Optional Residential Rate, offered our Domestic Customers who wished to make fuller use of the benefits of electrical service, greatly reduced rates which have enabled them to make large savings.

In November 1933, the Company again, through its Optional Commercial Rate, offered our Commercial Customers greatly reduced rates which have enabled them also to make large savings.

Once more, in accordance with our policy of passing on to our Customers the benefits of increased business, we now extend to both our Commercial and Domestic Customers, having standard rates, the opportunity of enjoying still further important savings.

NEW OPTIONAL COMMERCIAL RATE	NEW OPTIONAL DOMESTIC RATE
Fixed Charge \$1.35 per month Plus 2.7c per K.W.H. for the first 100 hours use of connected load. Plus .9c per K.W.H. for all additional use. Plus taxes.	Fixed Charge 54c per month Plus 2.7c per K.W.H. for the first 100 K.W.H. Plus .9c per K.W.H. for all additional use. Plus taxes.

The taxes at the present time, mean an increase of approximately 11 p.c. on the above rate.

These reductions will become effective on all accounts rendered after the end of the year.

The above rates are net after deducting the usual discount for prompt payment.

These reductions are entirely voluntary on the Company's part, and will enable our Customers to make fuller use of electricity, and at the same time save money.

We also hope that with increased usage of electricity we will be able to make still further reductions in our rates from time to time.

If you desire to take advantage of these reduced rates, the new Contracts will be available in a short time and if you will communicate with any of our offices, we will be pleased to give you full information regarding them.
