

Rev. Wm. R. Tindle to Leave Monteith

Has Been Appointed Vicar at St. Ambrose's Church, Baysville, Lake of Bays, Muskoka District.

South Porcupine, Ont., Sept. 11th, 1934. Special to The Advance. The Rev. William Rutherford Tindle, who has been rector of St. Mary's Anglican Church, Monteith, for the past four years, is leaving at the end of the month to take up new duties in the Diocese of Algoma. He has been appointed as Vicar of St. Ambrose's Church, Baysville, Lake of Bays, in the Muskoka district, about twelve miles from Bracebridge.

While here in the North, he has often taken the services at St. Paul's Anglican Church, South Porcupine, and by his untiring efforts and service in the interests of the Church of England, has made many lasting friends among our congregation.

We wish him well in his new parish which will offer much greater scope for his undoubted ability, while regretting his departure from Monteith and the North. His farewell to South Porcupine will take place next Sunday evening (Sept. 16th) when in the absence of Archdeacon Woodall he will take the service in St. Paul's Church.

Tag Day for Blind at South Porcupine

Excellent Results of Tag Day to Help Blind at South End and Dome. Other Interesting Items from South Porcupine and Dome.

South Porcupine, Ont., Sept. 12th, 1934. Special to The Advance. An inquest was held in the town hall on Tuesday afternoon with Coroner F. C. Evans conducting the enquiry into the death of Otto Rantakongas, a Finn, aged 34 years, who was killed at the Dome Mines on September 5th. Evidence showed that the man, who was a scaler, had been employed at that kind of work for four months, and knew his job, and was considered a capable man at the work. Scrolling means getting down loose rock on roof of slope which may be dangerous after blasting. Dr. Kinsman gave evidence that he was called to the scene of the accident, and found the man dead. Death must have been instantaneous as he was completely covered by fallen rock—a slab about 10 by 8 feet having pinned the man down and only his

foot being visible. The jury, with Mr. G. Cross as foreman, returned the following verdict:—"We, your jury, find that Otto Rantakongas came to his death Sept. 5th, 1934, in slope No. 1167, Dome Mines, by a fall of rock which was accidental. We find cause of death was accidental while performing his duty."

Fire Chief Borland Expresses Thanks

Grateful to Hosts of Friends and to the Organizations and Individuals who Rallied Round Him Recently.

The following letter has been received from Fire Chief Borland, for nearly eighteen years the efficient and successful head of the Timmins Fire Department.
Timmins, Ont. Sept. 12th, 1934. To the Citizens of Timmins and District.
Dear Friends—I would like to express my very sincere thanks to the people of Timmins and district and the many organizations and individuals who recently showed such interest and appreciation and gave so much effort to the attempt to secure fair play for me. As I have given my best to the service of the town and district in the past seventeen years, I have no regrets, but the appreciation and kindness shown me on every hand by the business men and citizens generally has been a comfort and an inspiration to me during recent weeks. To the Timmins board of trade, the Canadian Legion, the Cochrane District Firemen's Association, the Temiskaming Firemen's Association, the Dominion Fire Chiefs' Association, the boys of the Timmins Fire Dept., the 1538 ratepayers and citizens who signed the recent petition to the town council expressing appreciation of my services as fire chief and asking that I be continued in that position, and especially to the leaders in the recent activities in my behalf, I am grateful, indeed. For over seventeen years I have worked with all my ability for the protection of the town from fire, and as a citizen I have endeavoured at all times to work in the best interests of the town and its people, and to see such appreciation and kindly feeling on the part of so many is certainly gratifying. My friends, one and all, I thank you very sincerely.
Yours truly,
ALEX BORLAND Sr.

Joe Nurkin Facing Number of Charges

Arrested Here on Charge of Misappropriation of Funds, Also Accused of Hold-up at Kirkland, and Theft Charge Here.

Joe Nurkin, well known in Timmins and district, and who made himself prominent last winter by his activities in the red movement in lumber camps, was arrested Tuesday evening at a service station in town and is facing a number of charges. Constable Gullane noticed the car at the service station and saw it was one in which the Kirkland Lake police said two wanted men were travelling. He brought the men to the station for questioning and found that they were wanted all right. Joe Nurkin was wanted on a warrant charging him with illegally converting to his own use money belonging to Rudolph & McChesney for whom he worked for a time. The Kirkland Lake police also wanted him, believing he was one of the two men who held up a Kirkland Lake man a few days ago, hitting him with a car crank and robbing him of the few dollars he had with him. The Kirkland people had the number of the car which is the same number as that in which Nurkin and a man named Ivanoff were travelling. Ivanoff said he had simply given Nurkin a ride from Kirkland Lake, but the police had other information. When the car was searched, a portable typewriter, a cheque protector and some cheque forms were found. Mr. McChesney identified these as stolen that evening from his office. Nurkin is said to have had a key to the office and gone into the office to take the goods while the other man waited outside in the car. Police found that the service station had cashed what seemed to be a \$25.00 cheque on the McChesney firm, but which is alleged to be a forgery. Other signed cheques of the same kind were found in the car. On Wednesday the two men were taken to Kirkland Lake to face trial for the hold-up. They will be returned here this week and will likely face several charges. Nurkin has the charge of misappropriation of funds to answer to, while the service station has laid a charge against him for passing forged paper. He had \$21.00 on him when arrested.

Injuries Sustained by Boy on Bicycle

Jimmie Stingle the thirteen-year-old son of Mrs. G. Stingle, Timmins, was struck by a car on Wilson avenue last Friday while riding his bicycle on Wilson avenue. The wheel was badly smashed and it was feared that the lad was seriously injured. There were reports that his spine had been broken, but fortunately these rumours were not founded on fact. The boy was hurried to St. Mary's hospital, where it was found that although badly bruised about the back and suffering painful injuries, the lad was not seriously hurt and will not suffer any permanent hurt through the accident. He is now able to be at home again though still under the doctor's care. The driver of the car was placed under arrest and charged with being drunk in charge of a car, being sentenced to ten days at Halleybury in police court here on Tuesday.

Ladies' Aid Holding a Tea and Sale of Cooking

The Ladies' Aid of the United Church announce a tea and sale of home cooking to be held in the basement of the United Church, Timmins, on Saturday of this week, Sept. 15th, from 3 to 6 p.m. Events by the Ladies' Aid are always successful and enjoyable and they are particularly expert in the presentation of enjoyable teas while their home cooking has been noted for years in this district. Some Good Talent at Legion Smoker

Orchestra Selection Much Appreciated. Some Exceptionally Fine Vocal Numbers. A Very Happy Event.

The Canadian Legion opened in a most auspicious way on Monday evening of this week, the event being a smoking concert with refreshments in the shape of biscuits and cheese being served. There was a very good attendance.
One thing was very apparent to all,—this being that the summer holidays had done everyone a lot of good.
With Comrade Jenkins in the chair the event opened with all singing "O, Canada." President Austin Neame then addressed the gathering on some very timely topics and this short address, emphasized the fact that the Timmins branch will be much in the limelight this coming season.
With the Legion pianist, assisted by Al Perini's orchestra, the crowd lustily sang the old-war-time songs. This was a big feature.
Al Perini and his Vagabond Kings in full force then rendered some popular music in great way. The same aggregation gave several other selections during the evening and their generous manner was much appreciated and enjoyed by all. Some very special solos were sung by various comrades. The Legion is extremely lucky to have an old comrade back again in the person of Comrade Spacey. His fine deep voice was heard to advantage in "The Trumpeter," the encore being equally as well received.
Comrade A. Bellamy, always popular as in splendid form, his choice of "Old Man River," proving a big hit. "Smilin' Through" was his second hit.
One of the newer members here in the Legion ranks, Comrade Taylor, who possesses a very pleasing voice, and easy style of singing, got a great hand after his rendition of "Mother Machree." Being prevailed upon to sing again, Comrade Taylor sang "The Old-Fashioned Town."
Jimmie Gells, another old favourite as usual got the audience going with his fine voice in "The Road to Mandalay." The same singer obliged also with an old Scotch song as an encore.
Comrade Weir sang two popular numbers which caught on. The gathering showed in no uncertain way that this class of song—the old-time favourite—has the best of appeal.
Comrade Harry Nicholls was the comedy man of the night. Nuf said, Harry!
Comrade W. A. Devine was the busy man at the piano.
"Billy" Brown, popular pianist, "the personality boy," gave a couple of his impressions, these being loudly applauded.
Gene Colombo, and his violin, made a change in the variety of the programme. He as usual played in fine manner and those in attendance much enjoyed this feature.
It was a big night, and all attending are hoping for many more of a similar kind in the months to come.

More than 4,000 at the Funeral of Bishop Scollard

More than 4,000 persons gathered at North Bay on Tuesday of this week in tribute to Bishop D. J. Scollard, of the Roman Catholic Diocese of Sault Ste. Marie who was buried there. The bishop, known and loved throughout the district, died last Friday from heart disease.
The funeral service was held at the Cathedral of St. Mary's-on-the-Lake over which Bishop Scollard had officiated for many years. It was packed to the doors and loud speakers permitted a large number to follow the services outside the church.
Solemn requiem high mass was sung by Mgr. Andre Cassulo, apostolic delegate to Canada and Newfoundland, assisted by members of the Roman Catholic hierarchy from many parts of Ontario.
More than 300 priests from the Sault Ste. Marie and other neighbouring dioceses filled a large part of the church.
Hon. R. J. Manion, Minister of Railways and Canals, represented Prime Minister R. B. Bennett and the Dominion government, and Hon. Peter Heenan represented Premier Mitchell F. Hepburn and the Ontario administration.
INTERESTING TIME AT THE CERCLE CANADIAN FRIDAY
There was an interesting evening at the Cercle Canadien (Canadian Club) on Friday evening when their new quarters were formally opened. Jos. A. Bradette, M.P., and J. A. Clermont, Cochrane and John Rowlandson, M.P.P. Porcupine Junction, were among the speakers from outside places. The evening is reported as a most interesting and successful one with a large attendance present.
