Emphasizes the Value of the T. & N. O. to the North

The value of the T. & N. O. Railway to the North is emphasized last week in an editorial article in The Halleyburian. The Halleyburian newspaper suggests that the new commissioners to be appointed, no matter who they may be, are not likely to make any radical changes in the conduct of the road or to adopt any policy detrimental to the North. It is to be hoped that this proves the fact. The Halleyburian suggests that the importance of the T. & N. O. is so closely bound up with the progress of the North that no political party should interfere with the good work of the T. & N. O. At the same time there are many in the North who fear from recent affairs that the T. & N. O. is in danger from political propaganda. Any injury to the T. & N. O. will be harmful to the North, all right. That is generally recognized. It ought to be just as generally recognized that any injury to the North will react with much force on the province as a whole.

In its editorial article on the T. & N. O. investigation and the probable aftermath, The Halleyburian says:—

"With the investigation into the affairs of the Temiskaming and Northern Ontario Railway about completed, and with lengthy and detailed reports of the proceedings widely published, there has, up to the present, been no startling revelations, no disclosures that would lead one to believe that there had been anything worse than poor judgment at times and nothing to show that there had ever been any serious mismanagement of the railway.

"It has been shown that, while the railway has almost always shown a surplus of earnings over ordinary expenditures, there has been no interest paid on the original capital outlay, but that was well known before the investigation. That there has been no direct return on the first investment is nothing to the discredit of the T. & N. O. It was started as a colonization road by far-sighted men in authority many years ago, and both political parties have taken to themselves credit throughout the years for its inception and operation.

"Compared to other railways in Canada and in different countries, it has a good record on the earnings standpoint, and what it has done for the opening and development of the North cannot be estimated.

Largest Funeral Procession Ever Seen in South Porcupine

Funeral of Fedrica Guniero and Egidio Baggio Held on Sunday. Death of Margaret Kathleen Turner. Funeral of Wm. Douglas Morgan. Many Deaths of South Porcupine People Recently.

South Porcupine, Ont., Sept. 19th, 1934. Special to The Advance.

Details of the funeral of Bill (William Douglas) Morgan have just been sent to us, and we feel sure that friends here will be interested, although rather late in publishing. The funeral service was held in Toronto on Monday, Sept. 18th, at 2:30 p.m. The service was conducted by the Rev. John Inkster, of Knox Church (a personal friend of the family and of Bill). The pallbearers were the three brothers, Jack, Jim and George Morgan, and three boy friends, Eric Hall, Ross Wylie and Norman McDermid. The body was then taken to Hamilton to the home of Mrs. Wm. Morgan (grandmother), 393 Main street, from which point the funeral took place on Tuesday, to Hamilton cemetery, Dr. Inkster officiating. The pallbearers to the cemetery were his three brothers and three cousins, Roy Rich (of Toronto), Reg. Gardner and Percy Wadland (of Hamilton). The flowers sent were most beautiful, and so very numerous that we are just giving the names of those who sent from the North. Baskets, wreaths and sprays of flowers were sent from the following: Baskets—Mr. and Mrs. Wm. Fairhurst, South Porcupine Lodge 506, A.F. & A.M., Mr. and Mrs. R. Watts (Timmins). Wreaths—Mrs. S. The death of little Margaret Kathleen Turner, daughter of Mr. and Mrs. Ralph Turner, of Whitney township, took place in the Presbyterian hospital on Sept. 13th. Our sympathies are extended to the bereaved family who are still anxiously concerned over the illness of another little child—a boy of 6 in hospital from the same disease.

The funeral of the two victims of the level crossing accident—Pedrico Guniero and Egidio (or John) Baggio—took place from the R. C. Church here on Sunday afternoon. The longest procession of cars we have ever witnessed at a funeral followed the cortege to the church and after to the Timmins cemetery. The Rev. Father Gelinus read the "Libera" service on Sunday, the funeral mass being sung here on Monday morning. Over 130 cars were counted in the procession, and the number of people attending the service was so great that many stood from the steps to the sidewalk—the church could accommodate no more.

Stops National Leaguers

MELVIN HARDER of the Cleveland Indians, is the pitcher who stopped the National Leaguers in their tracks in the All-Star game at New York this summer, allowing but one hit in more than five innings. Harder still is a youngster, being less than 25 years of age. His principal stock in trade is a sharply breaking curve ball.

South Porcupine, Ont., Sept. 19th, 1934. Special to The Advance.

South Porcupine goes on building. Four new houses with cement basements are being built on the Klinga townsite. A building which may be occupied by a barber is completed on Bruce avenue opposite the post office. The basement is almost completed on the hotel on the old "King George" corner, and Mr. George Hendry is excavating basements for two new houses on the highway in the Huot division. We are growing!!!

Mr. and Mrs. Thomas Farrell, of Bloor avenue, with Dorothy, and Mr. L. Dean, have left for a two-weeks' vacation in Shawville.

The Girl Guides will now meet in the Dome schoolhouse on Friday evening, instead of Monday.

The trophy for lacrosse, presented by Mr. H. Wilson, of Toronto, has been won by the South Porcupine lacrosse team. Congratulations.

Thirty-four enthusiastic Scouts and Cubs left here on Saturday morning for the Jamboree at Kirkland Lake. Some of the Cubs went by rail, some were driven down by Mr. F. C. Evans, and the Scouts had chartered a bus. They had intended to camp there, but owing to the dampness of the ground they camped instead inside the Odd-fellows' hall. Scouts and Cubs from Iroquois Falls, Cochrane, Kirkland Lake and South Porcupine competed for the trophies, and South Porcupine Scouts gained second place—Iroquois Falls winning the trophy; but our own little South Porcupine Cubs came first, and won—and they came home bursting with pride. Messrs Andrew and Lemmon were in charge.

Mrs. J. Costello, who has been visiting her son, Mr. Jack Costello, here, and Mrs. Dan Costello have returned to their home in Killaloe.

Reeve C. V. Gallagher, who has been in Toronto on business for some weeks, returned to town on Sunday.

Mr. and Mrs. Stan Pearce, who have been vacationing in the New England States, at Boston, Old Orchard and Rye Beach, returned on Monday. We are sorry to report that Mrs. Pearce received news on Tuesday morning of the death of her mother, Mrs. Elizabeth Dupuis, of Port Severn, near Waubesa, Ont. The late Mrs. Dupuis was 79 years of age, and had been in poor health for some months.

Mrs. Burton, of the Dome, is visiting in Kapuskasing for a few days. While there she will be the guest of Mrs. S. King, who is well known to many South Porcupine residents.

Miss Margaret Lloyd, accompanied by Mrs. S. Lloyd and Florence, left on Saturday for Stratford where Margaret will enter Normal School.

Miss T. C. McCrae, who has been visiting at the home of her brother, Mr. J. McCrae, Dome Mines, left this week for her home in New York.

Doublesteyne, Mrs. R. Perosini and infant. The baby—only a month old was the pilot's (Mr. Schneider) youngest passenger, and stood the trip well. The youngest passenger carried by Mr. Ed. Ahr at any time was a ten-day-old baby some time ago—between Bruce Mines and Sault Ste. Marie.

At the meeting on Tuesday night of the O.E.S. Chapter it was decided to hold a card party on October 2nd in the Masonic hall, at the conclusion of which the lovely chair and silver tea service on exhibition in Marshall-Eccleston's window, will be drawn for.

Next Wednesday (Sept. 26th) the United Church will hold a tea and sale of home baking in the church under the auspices of the Ladies' Guild.

Mrs. F. Purdy, B.A., principal of our high school, has given us the names of the following students who are the winners of proficiency prizes for the school year 1933-34. These will be presented at the annual commencement exercises to be held some time in December. Form I, Betty Jordan, (Lower School), average 93 p.c. Form II, Catherine Foster, (Lower School), average 89 p.c. Form III, Betty Gallagher, 7 first-class honours, one second honour, and one credit standing. This scholarship is of the value of \$100.00 and will help Harry along in the university studies which he contemplates. Congratulations.

Christ Church, Ivy, Ont., was the scene of a pretty wedding when Helen Elsie, daughter of Mr. and Mrs. George L. Davis, became the bride of Elwyn S. Smythe, of South Porcupine, son of Mr. and Mrs. W. J. Smythe, of Stroud, Ont. The Rev. F. V. Abbott officiated. The bride, who was unattended, was given in marriage by her father and was attired in a gown of midnight blue chiffon velvet with a small matching turban and carried a bouquet of Ophelia roses and forget-me-nots. Miss Gertrude Lennox played the wedding music and the church was prettily decorated with flowers and ferns for the occasion. A reception was held after the ceremony at the home of the bride's parents. Mr. and Mrs. Smythe are spending the honeymoon in New York, and on their return will live in South Porcupine in the home on Main street recently purchased by Mr. Smythe. Miss Verne Smythe, of the Presbyterian hospital staff, was present at the wedding.

Big Strike Made on Claims in Northwestern Quebec

Spectacular gold showings are reported from Northwestern Quebec where a strike made by W. E. Edmonds, of Timmins, and formerly of Halleybur, has created much interest. The big showings of gold were uncovered by Mr. Edmonds on claims in Tiblemont and Chibougamau. Free gold the size of wheat grains may be seen in a hundred places according to reports from the district. The vein is four feet wide and has been stripped for about 800 feet. The property comprises 14 claims in Tiblemont and 10 claims in Chibougamau. Nine samples taken for assay gave an average of \$116.63. The property is now under the charge of the Chibougamau-Tiblemont Syndicate sponsored by Toronto interests.

The recent discovery was made on the claims in Tiblemont township northeast of Fish Lake. The syndicate also has 200 acres on the southwest side of Fish Lake at what is known as the Point, adjoining Tiblemont Extension Syndicate, and one block of 400 acres in Levy township, northwest of Noranda option and the Consolidated Chibougamau, now under option to Consolidated Smelters.

At present there are three crews of men working on the Chibougamau-Tiblemont Syndicate property.
