Death Friday Last of Hjalmar Makela

Resident in Timmins for Many Years and Employed at Hollinger Mine. Funeral Took Place on Sunday.

Wide circles of friends regretted to learn of the death on Friday last at St. Mary's hospital of Hjalmar Makela for many years a resident of Timmins. The late Mr. Makela was 53 years of age at the time of death and was a native of Finland. He had been in Canada many years, living at Timmins for a number of years past, being employed at the Hollinger Consolidated Gold Mines.

The late Mr. Makela had been ill since last spring and his death was not altogether unexpected, though coming as a shock to relatives and friends. He is survived by a wife and two children.

The funeral was held on Sunday afternoon at 3 p.m., and was largely attended. Service was held in the Polish hall, Rev. Mr. Leaman of the Finnish United Church conducting the services. Interment was made in the Protestant cemetery at Timmins. Among the many beautiful floral tokens were the floral tributes from the following:—Mrs. Makela and family, Vilppie Makela, Vuokko Makela, Consumers' Co-operative Society Limited, Board of Directors of Consumers' Co-operative Society Limited; Theresa, Babe, Mr. and Mrs. Jean Pare; Filna and Jhan West, Kalle and Vilma Haapanen, Mr. and Mrs. Riihimen, Mr. and Mrs. Heino, Mr. and Mrs. Lehtinen, Ralph and Hilda Miettinen, Hanna and Jack Tolonen; Kai, Aune and Paavo Lahter; Ioja Linda and Walto Maki; Aino and Eino Bask; Sylvia and Jimmy Howlett.

North Should Have Place on Ontario Athletic Commission

Dean Kester Points out the Notable Place Taken by the North in Amateur Sport and Urges Representation of North on Commission. Act should be Changed if Necessary. In Fairness to North and to Amateur Sport.

The Advance is very pleased to publish the following letter from Dean Kester, who has always taken a keen and helpful interest in amateur sport and given generous support to the North's part in sport. The letter takes up a point that deserves the notice of all interested in amateur sport. The point made by Mr. Kester—that the North should have representation on the Ontario Athletic Commission—can scarcely be over-emphasized. It is equally to the advantage of amateur sport in general and sport in the North. In proportion to population and in view of the difficulties natural to the situation, the North has given more support to amateur sport than most other parts of the province. On the other hand amateur sport in the North has been unnecessarily handicapped because of lack of representation on the Ontario Commission. This is known to all who have taken active part in amateur sports in this North. Mr. Kester gives an able review of the part taken by the North in amateur sports and the letter throughout deserves the attention and consideration of all in both North and South who would wish to see amateur sport in the province prosper and progress.

Timmins, Sept. 24th, 1934.
 To the Editor of The Advance, Timmins.

Re Ontario Athletic Commission
 Dear Sir:—Recent newspaper reports state that the personnel of the commission has been changed. The commission is composed of five persons appointed by the Lieutenant-Governor in Council and apparently there are now no vacancies.

There is no representation from Northern Ontario—all the personnel having been chosen from Southern Ontario. This appears to be unfair to the North which for years has endeavoured to assist, promote and encourage

amateur sport under great handicaps and difficult circumstances. The object of the commission is to assist, promote and encourage amateur sport and recreation in schools, community centres and through associations of amateur sportsmen and I am sure you will find that Northern sportsmen have tried to do this for many years.

It is perhaps superfluous to mention the records of Northern Ontario hockey teams—Sault Ste. Marie Greyhounds, Sudbury Wolves, North Bay Junior Trappers, Iroquois Falls Junior and Senior teams, New Liskeard Juniors, South Porcupine and Timmins Allan Cup contestants, and Sudbury Junior Dominion champions as well as other Northern Ontario hockey teams including those of the old Mines League of Cobalt, all of which have produced some of the finest hockey in the province and from them have gone some of the best of professional players of today and yesterday. The record of the Northern Ontario Hockey Association is an admirable one and is deserving of more attention and consideration than it has received to date.

In baseball we have only to look at the McIntyre of Schumacher and the Frood of Sudbury—both champions at various times.

In soccer we have the Dome, Timmins and McIntyre and the Frood of Sudbury—the latter Dominion finalists recently with Verdun of Montreal.

Sudbury has today perhaps the greatest marathon runner on the continent in Dave Komonen whose record is a credit to Canada.

Len Wadsworth, the Hamilton boxer, is a Timmins boy who recently went to the Empire Games in England.

Roy Hamilton, a Timmins lad, a few years ago fought for the amateur lightweight championship of Canada at Winnipeg and recently gave Bobby Lawrence the Canadian professional lightweight champion a run for his money.

In the North you will find some of the finest badminton courts in Canada sponsored by excellent clubs.

For years the largest curling bonspiels in Toronto and Winnipeg have been represented by rinks from Northern Ontario where there are some of the best clubs in the province.

Boxing and wrestling and other sports are flourishing in the North and individual champions and championship teams and clubs are being developed and yet Northern Ontario is overlooked entirely in the naming of the new Ontario Athletic Commission. No attempt has been made here to enumerate the athletic record of the North—only a few examples have been mentioned; there are many more which could be spoken of.

Northern Ontario is entitled to representation on the commission and if the personnel is now complete the Athletic Commission Act should be amended at the next session of the Legislature to increase the membership to six to permit the naming of a member from the North.

This letter is not written in a spirit of criticism but in the interest of amateur sport and recreation in Ontario.

Yours very truly,
 DEAN KESTER

Liberals Ready for Dominion Election

Officers Elected for Organization for the Approaching Federal Contest. Dean Kester President.

A rally of the Liberals of the town of Timmins was called for Thursday evening last at the Moose hall to organize for the coming federal election and to arrange for the delegates to attend the convention at Cochrane on Wednesday of this week for the naming of the Liberal candidate for the Dominion in this riding.

There were about 200 present at the meeting on Thursday evening last and the business of the meeting was soon concluded. Arrangements were made for cars to take the delegates to Cochrane for the convention yesterday, the cars being asked to assemble at the athletic grounds and proceed from there to Cochrane.

For the federal election campaign and for affairs in connection with the Dominion sphere the following organization was elected:—

President—Dean Kester.
 Vice-president—D. Laprairie.
 Secretary—W. Blais.
 Executive—M. Lortie, Claude Desaulniers, Alex Belec, H. Jeffrey, A. J. Dooley, Len Cousins.

The above organization is for Federal affairs and does not affect the existing organization for provincial matters. The ridings in provincial and Dominion are different, and apparently the Liberals have separate organizations for the two. The officers of the Timmins Liberal Association for provincial affairs includes:—Dayton Ostrosser, president; Nap Caron, first vice-president; Dean Kester, second vice-president; A. W. Lang, treasurer; S. C. Piatius, secretary; Thos. Villeneuve, J. E. Morin, members of the executive, along with the above officers.

Port Arthur News-Chronicle:—A. U. S. publisher home from Europe says there are two classes of people, or nations, those who do not want war and those who can't fight. The prediction of ten years more "peace" is still good.

Pretty Wedding at United Church Here

Miss Audrey MacMillan, of Timmins, and Mr. John Edward Newell United in Marriage on Thursday Last.

A very pretty wedding took place in the United Church, Timmins, on Thursday, Sept. 20th, when Audrey Isabel MacMillan, the second eldest daughter of Mr. and Mrs. W. J. MacMillan, of Timmins, and Mr. John Edward Newell, son of Mrs. Newell and the late Mr. Newell of Sudbury, were joined in holy matrimony.

The bride was given away by her father, Mr. W. J. MacMillan, and was attended by her sisters, Miss Ruth MacMillan, as bridesmaid, and Miss Janet MacMillan as flower girl.

The groom was attended by his brother, Mr. Cyril Newell.

Rev. Bruce Millar, minister of the Timmins United Church, officiated.

There was a large attendance of relatives and friends at the church for the occasion. Messrs Chas. Bagnell and P. H. Laporte were ushers for the occasion.

Miss Theresa DeMille played the organ and Mrs. Gay sang during the signing of the register.

The bride wore a white taffeta dress with veil of loom silk and carried a bouquet of roses and lilies-of-the-valley.

The bridesmaid wore a dress of flowered organdie and carried a bouquet of flowers.

The flower girl wore a dress of light organdie and carried a bouquet of mixed flowers.

The wedding breakfast at the home of the bride's parents, Mr. and Mrs. MacMillan, Cambrai avenue, was attended by the bridal party and a few close friends of the couple.

After the breakfast a reception was held in the Hollinger Recreation hall, where some hundred and fifty friends gathered and enjoyed the evening. Round and square dancing was featured. The music for the occasion was supplied by Mrs. C. Wilkins and W. A. Devine at the piano, and Messrs Nashman, Kleen and Boyd, on the violin.

Mr. Nashman delighted the gathering with two violin solos. The singing of Miss Peggy Shaw drew a hearty encore. The groom sang "The Rosary" before the close of the evening. A dainty lunch was served about midnight.

The young couple were the recipients of many beautiful and valuable presents, including cheques, as well as telegrams of good wishes. Hosts of friends will join in extending to Mr. and Mrs. Newell the very best wishes.

Among the out-of-town guests for the wedding and reception were:—Mr. and Mrs. Chas. Bagnell, Bowmanville; Mr. and Mrs. J. Gordon, Cochrane; Mr. and Mrs. Harper, Cochrane; Mrs. Bert Tibbles, Englehart.

Yours truly,
 HARRY NICHOLS

The Midland Free Press deplores the unusually large number of accidents in this part of the province this summer. "If this rate keeps up Canada will become a nation of cripples and mental defectives," it suggests.

I.O.D.E. Tea and Sale of Home Cooking, Sept. 29th

Announcement has been made by Timmins Golden Chapter I.O.D.E. in regard to the tea and sale of home cooking at the home of Mrs. I. K. Pierce 61 Birch street south, on Saturday of this week, Sept. 29th, commencing at 2.30 p.m.

The I.O.D.E. has won an enviable reputation for making a success of any events undertaken and the tea and sale of home cooking on Saturday of this week will be found to be of the greatest interest and pleasure to all attending. A special note should be made of the event and the date.

Adding New Boxes Timmins Post Office

Expected to be in Place Permanently in Couple of Weeks. Now in Use in the Lobby Near West Door.

Another evidence of the growth of Timmins is the fact that this week there are 310 new boxes added to the former large array at the local post office. When the new post office was built some years ago it was believed to be large enough for all future needs and the boxes available in the first layout sufficient for any growth of the town. This has not proved to be the case, however, the growth of the town being greater than any expectations. The 310 boxes received are being used this week, Postmaster E. H. King having them erected in temporary form at the west side of the lobby. This necessitates the blocking of the west door of the post office but this is only temporary. The new boxes are being placed alongside the other boxes at the north-east side, the space to accommodate the new boxes being taken from the working space. The necessary screen is being made and new floor laid to accommodate the new array of boxes. It is expected that the work will be completed and the new boxes all in their permanent place in a couple of weeks.

D. C. Barr, Wins Wage Case on Appeal on Tuesday

Recently there was a wage case before Magistrate Atkinson, H. Erickson asking for over \$80.00 in wages that he claimed to be due him from D. C. Barr. Mr. Barr deposited \$55.00 in court, as the limit possible due to the plaintiff. Mr. Barr said that the man had offered to work for board on the farm, but that he took him on and was giving him enough for clothes, tobacco, incidentals, etc. The plaintiff denied that he had ever agreed to work for his board. The magistrate awarded the amount claimed in wages. Mr. Barr appealed the case and the appeal was decided by Judge Caron on Tuesday of this week. The judgment was in favour of Mr. Barr and the man was only allowed the \$55.00 which Mr. Barr had been willing to pay at the start. J. T. Jackson represented Mr. Barr and S. A. Caldbick appeared for Mr. Erickson.

SERIES OF INFORMAL DANCES AT RIVERSIDE PAVILION

Announcement is made by the management of the Riverside Pavilion of an informal dance to be given at the pavilion on Friday evening, Oct. 12th, for the business men of the town and district and their friends. This will be the first of a series of monthly dances to be held this fall and winter. Invitations will be mailed soon for these dance events.

All Revolvers Must be Duly Registered

After January 1st, 1935, there will be a fine of \$50.00 for Anyone Having an Unregistered Pistol or Revolver.

After January 1, 1935, any person found to be in possession of a pistol or revolver when its ownership has not been recorded with the police authorities, will be liable to a fine of \$50 or 20 days in jail, or both.

This amendment to the Criminal Code was passed at the last session of Parliament along with many others designed to discourage the carrying of firearms.

Notice appeared in the current issue of the Canada Gazette proclaiming this section of the amending act as from the first day of the new year. After that date any person owning a pistol or revolver will be required to register with an officer of the Royal Canadian Mounted Police or law officer.

The new law does not apply to shot-guns.

VALUE OF THE ADVERTISING FOUND IN THE SALES MADE

In sending The Advance an order for the insertion of an advertisement of beautiful registered German Shepherd male puppies for sale, Harry Brown, Gravenhurst, Ont., notes the value of advertising on previous occasion in The Advance. "Your paper brought sales," he writes. The proof of the advertising is in the sales made.

A FURTHER STEP on the Road to Recovery

A Statement by the Prime Minister of Canada

THE Dominion of Canada will offer for public subscription within the next few days the 1934 Refunding Loan. It is an undertaking of such significance to every citizen that I think it fitting to present this brief explanation of its close relation to the welfare and continued progress of our country.

The 1934 Loan is not an incidental effort. It is a part—and an essential part—of the great debt conversion programme in which Canada has been engaged since 1931, and by which we are refunding at maturity the large sums borrowed for wartime purposes. The national importance of this programme—and of the 1934 Loan as part of it—cannot be over-emphasized. It is important from three aspects: 1—National Credit; 2—National Economy; 3—National Recovery. I shall deal with each of these in turn.

1. National Credit

National credit means to a nation what an honest reputation means to a man. Its maintenance is a primary essential and necessitates that each obligation be met, fully and promptly, as it comes due. Our debt conversion programme is then, in the first instance, our method of meeting our obligations and thus maintaining our credit.

By this programme Canada has already refunded \$158,000,000 of maturing wartime debt, and completion of the 1934 Loan will bring the refunded total to over one billion dollars. As a result, Canada's credit stands notably high, both at home and in the great money markets of the world.

Striking evidence of our high credit standing was given within the last few months when Canada secured immediate over-subscription of a long-term loan in London at a price to yield the investor less than 3½% and, in New York, obtained a one-year Loan of \$50,000,000 bearing interest at 2 per cent. And there is equally striking evidence at the present moment in the fact that every internal issue of Dominion of Canada Bonds now outstanding is selling today at substantially above its issue price. The twelve-year 4% Bonds of the 1933 Refunding Loan, issued at 96½, are now selling at 104 to yield approximately 3½%.

2. National Economy

The debt conversion programme, in the second place, is providing substantial savings in public interest charges. The debt which we are refunding was incurred with interest rates at artificially high wartime peaks. Refunding is now being accomplished with interest rates throughout the world moving steadily downward toward more normal levels—an encouraging world movement which is essential to business recovery. By refunding under these conditions Canada has already obtained a reduction of the previous interest charges amounting to more than \$9,000,000 per annum, and completion of the 1934 Loan will provide a further saving of over \$5,000,000 per annum.

The annual saving of over \$14,000,000 thus secured has a direct cash benefit to every tax-payer. This saving has much more than offset the interest charges on the debt which has been incurred to meet the extraordinary burden of unemployment relief. It has, to a considerable extent, offset the heavy burdens which the depression period has imposed with respect to railway and other current requirements. It will also pave the way to tax reductions with the return to better times.

3. National Recovery

The debt conversion which Canada has achieved since 1931, by thus maintaining national credit and securing national economy, has been a major factor in our progress toward business recovery.

A year ago, preliminary to the 1933 Refunding Loan, I took occasion to express the belief that Canada had passed the low point of depression and was definitely upon the road to recovery. Today, our progress toward recovery is a matter of established fact. Since the low point of February 1933, the trend of business has been moving steadily upward in an improvement so marked and so consistently sustained that we need no longer doubt its reality.

The facts of business recovery are written beyond dispute in our statistical records. The most significant indices relate to physical volume of business, industrial production, carloadings, electric power production, employment and prices. Here is the record in each case:

	During Past Year*	Since Low Point of Depression, February 1933
Physical volume of business...	13.8%	42.8%
Industrial Production.....	15.7%	56.9%
Carloadings.....	10.3%	29.4%
Electric Power Production....	12.4%	32.7%
Employment.....	14.7%	17.1%
Wholesale Prices.....	4.0%	13.7%
Farm Products Prices.....	7.7%	43.3%

*In the case of carloadings, employment and prices, the latest figures available are those for August; in other cases, those for July.

Our external trade figures are equally encouraging. During the first eight months of the present year, exports of Canadian products increased approximately \$99,000,000, or 32.7% over the same period last year. The corresponding increase for imports has been slightly under \$93,000,000, or 33.2%.

A Further Step

Anyone who reflects upon these three aspects of credit, economy and recovery will at once appreciate that the debt conversion programme is vitally important to every Canadian and that, consequently, the success of the 1934 Loan is the personal concern of every man and woman in the Dominion.

The 1934 Loan is a further step in a great national undertaking; its success means a further step on the road to recovery. I know that I need not stress the attractiveness of the Loan as the soundest possible investment, for that will be universally recognized. I do, however, earnestly call upon my fellow Canadians to support this Loan to the limit of their abilities as an opportunity to promote our national welfare. I know of no way in which the individual citizen can render greater service to himself and to his country.

R. B. Bennett
 PRIME MINISTER OF CANADA

DOMINION OF CANADA 1934 REFUNDING LOAN
