Much of Interest at Meeting of Kiwanis

Howard Smith, M.E., of Butte, Montana, Guest Speaker for the Monday Campaign Planned for Milk Fund.

The regular weekly luncheon of the Timmings Kiwanis Club was held on Monday at the Golf Club house and proved especially interesting. President Vince Woodbury occupied the chair in his usual genial way.

Kiwanian Harry Jones had been listed to give an address on his recent trip to England but this feature was postponed to next week, when the talk on the trip will be accompanied by the showing of a number of interesting photographs, many of which will have special appeal to members of the club dealing with people and places with which they are well acquainted.

The visitors for the day included:—John Knox, general manager of the Hollinger Consolidated Gold Mines, Ltd.; Norman King, brother of Kiwanian E. H. King; U. S. Annett, manager of the C.I.L., and past president of the Noranda Kiwanis Club.

The guest speaker for the day was Howard Smith, M.E., of Butte, Montana. He was introduced by John Knox, Mr. Smith, who is the executive head of the leading mine at Butte, Montana, gave very able and graphic description of world conditions, and conditions in general in the United States. His address was a most interesting and informative one and was greatly appreciated by the members present. On behalf of the club Past President Dr. Moore moved a vote of thanks to the speaker for the day and this was carried with enthusiasm.

It is the intention of the Kiwanis Club to put on a campaign to raise funds for the milk fund and for other purposes of the club.

Kiwanian Arch Gillies reported on the securing of the new Legion building in which to hold the club luncheons just as soon as the building is completed. The building is now under construction and the Legion expects to have it ready for use by Nov. 11th.

During the meeting the gathering was favoured with two delightful songs by Norman King.

Community singing and other features of the meeting were also enjoyed.

St. Thomas Times-Journal:—Will the gentleman who told us to try snuffing a strong salt brine up our nostrils to relieve hay fever kindly meet us at the end of the Fort Stanley pier tomorrow at midnight, or go down himself in the meantime and save us the trouble?

Many New Buildings in South Porcupine This Year

A reader of The Advance says that he can count twenty-three new buildings in the town from the window of his boarding house. All these buildings have been erected since the snow left the past spring. Next summer he believes there will be double as many new buildings being erected. "Don't ever think that the Dome is the only mine at South Porcupine," he says, "because there are three or four more around. Look eastward from the Hollinger for the next big mine is my advance." This gentleman represents the optimism expressed now by most of the people of South Porcupine. Looking into the matter it would appear that they have full grounds for optimism. Certainly not in the past twenty years has there been a time when there was cause for more optimism at South Porcupine than at the present time. Never has the town looked better than it does to-day. The finances of the township are in good shape and the tax rate was materially reduced this year. With the opening of the Foley-O'Brien property practically in the town and with a number of other properties starting in the district nearby, everything looks well for the future of the town of South Porcupine and both town and people seem prepared for progress and development.

Dionne Quintuplets Show Gain in Their New Home

A despatch from Callander says that on the second day of residence in the new Dafoe hospital built especially for the Dionne quintuplets, the five little sisters all showed gains in weight. Saturday's loss, blamed by Dr. A. R. Dafoe, physician in charge of the 118-days old babies, on handling during their transfer to the new quarters, was made up.

The hospital was equipped Sunday with a gate. Dr. Dafoe has expressed the need for everything from cooking utensils to tables for the babies and magazines for the staff, as the building is furnished only with the barest necessities as yet. But among the most important articles, the first to be added, was the gate, designed to keep motorists and pedestrians from the fragile children.

Annette, the second heaviest child, had a slight fever. Her sisters were all normal. Dr. Dafoe reported, though the intestinal toxæmia was not totally cleared up. Cecile scored the largest gain, adding one ounce to bring her to seven pounds, nine and one half ounces. She is the third heaviest.

For the first time since radium treatment was applied to the thigh of

Baby Marie on Aug. 5, Dr. A. R. Dafoe on Monday announced the naevus type of tumor that afflicted the tiniest of the 119-day-old quintuplets was harmless.

It has shown no growth since the treatment given by Dr. Howard Kelly and his son, Dr. Edmund Kelly, specialists from Johns Hopkins hospital, Baltimore. The growth now appears dead, said Dr. Dafoe.

Seventeen weeks old on Monday, of this weeks, the quintuplets, after trying days of intestinal toxæmia, threats in the district of a whooping cough epidemic and a hurried transfer to their new hospital home, were described by their physician as "peppy."

Stella Brown Buried at South Porcupine

Young Girl Fatally Injured in Accident Last Week Mourned by Large Numbers in South Porcupine.

South Porcupine, Ont., Sept. 26th, 1934. Special to The Advance.

Little Stella Brown, fourteen-year-old victim of the highway accident of Sept. 17th, was laid to rest on Thursday last in the South Porcupine cemetery.

The United Church was filled with sympathizing friends and neighbours, all of whom felt very keenly for the heartbroken parents and relatives in the tragedy which had robbed them of a beloved child.

Her second-form classmates, girls of her own age, formed the choir, and lining the church on either side were all the pupils from the high school with the principal and teachers. Dr. Fraser conducted the simple service. The hymns, "Rock of Ages" and "Abide with Me" were sung (Mary MacIntosh, a high school pupil playing the organ) and Dr. Fraser spoke briefly upon the theme "She, being dead, yet speaketh."

Dwelling upon the sweetness of the young life snatched away, he said that her memory among them would be a lovely thing to remember, and he also spoke of the penalty of "speed" in this modern age. He concluded by reading the poem, "The Reaper and the Flowers."

Six of her schoolmates acted as pallbearers:—Arnold Coats, Rudolph Bespalko, Arthur Moyle, Omer Clusiau, Preston Hamilton and Woodrow Wilson. Flowers were banked in profusion round the casket, testifying to the sympathy of the community, the lilies of the valley sent by her inseparable companion and friend, Viola Laffin, being in her hands.

Those sending tributes were:—Pillow from the family; wreaths—from Tisdale High School Board, Mr. and Mrs. Daher, Timmings, Mr. and Mrs. Spadafore; baskets—Messrs Richardson, Wilkinson and Schultz, Mr. and Mrs. Gooding and family, Hubert Doran, Mr. and Mrs. J. Gibson and family, Miss McPhail and Miss Lucas; sprays—The Students of South Porcupine High School, Mr. and Mrs. B. Laffin, Betty and Carol Ferguson, Mrs. F. H. Hall, Mr. Alex Munroe and family, Kirkland Lake, Mrs. Alexander and Jean, Mr. and Mrs. Firth and family, Mr. and Mrs. J. Dogue, Mr. and Mrs. Gibson

Leaves St. Paul's

DEAN W. R. INGE

(famous as the "Gloomy Dean") preached his last sermon as Dean of St. Paul's Cathedral, London, England, on Sunday, Sept. 9th. He is retiring on Tuesday, Oct. 2nd.

and Donald, Mr. and Mrs. Ed Rapsey and family, Mr. and Mrs. E. H. Baker (Timmings), Mrs. J. Burns and family, Mrs. T. Smith, Mr. and Mrs. Talento and Terry, Mr. and Mrs. Lafurgy and family, Mr. and Mrs. Harry Johnstone and Barbara, Mrs. Boyko, Lillian and Violet Dillon, Marion Gibson and Catherine McPhail, Norma McPhail and Rose Gibson (Toronto), Betha Londry, Irene Varker, Evelyn Spadafore, Helen Lafurgy and Juanita Fortune, Jean Gallai, Eileen and Kathleen Lowry, Mr. and Mrs. S. Sky, Mr. and Mrs. F. C. Evans and family, Mr. and Mrs. H. C. Kaufman, Mr. and Mrs. J. R. Andrews and family, Sarah and Walter Firth, Alma Schmeizel, Sybil, Fred and Billy Ostrom, Mr. and Mrs. J. D. Thomson, United Church Sunday School, Mr. and Mrs. F. Purdy, Mrs. Martin and family, Mr. and Mrs. F. Laforest and family, Northern Telephone Co., Stan and Mrs. McQuarrie, Mr. and Mrs. S. Miller, B. Blood, I. Smith and C. Pierce, H. Hall, Miss Shaw and Miss Burns, Mr. and Mrs. H. Blood and Wometta, Senior C.G.I.T., Telephone Operators Northern Telephone Co., Dr. and Mrs. Somerville, Mr. and Mrs. L. McQuarrie, Anglican Young People's Association, Feldman Bros. and staff, Mr. and Mrs. W. W. Wilson, Bird Smith, Mr. and Mrs. Adolph Carlson, Mr. and Mrs. Bert Smith.

New Chemical Truck at South Porcupine

Built up by Eveready Garage of Schumacher. Excellent Work. Verdict of Jury in Crossing Fatality.

South Porcupine, Ont., Sept. 26th, 1934. Special to The Advance.

A very pleasant evening was spent last Friday in the Rebekah hall at cards. Euchre only was played and the prizes went to Mrs. Blood (1st), Mrs. Curtis (2nd) and Mrs. Anthony (consolation). Mr. Wm. Miller took 1st honors for men with Mrs. Libby playing as a man, second.

We are sorry to record that Mr. and Mrs. Harry Truelufe, of the Dome, who are real old-timers here, having lived in South Porcupine for twenty years, are leaving on Thursday to take up residence elsewhere. For a time they will reside in Toronto, after which they may go to England on a visit. Mr. Truelufe's health is the reason for this decision. Accompanying them will be their son, Leonard and Mrs. Truelufe.

On Tuesday a farewell party was given by the Rebekah ladies for Mrs. Truelufe at the home of Mrs. Curtis, Dome Extension. It was given as a whist party and a very nice lunch was served. Those winning prizes were: 1st, Mrs. Pyke; Mrs. Farrell, 2nd; Mrs. A. Hogg won first prize with Mr. F. Millions, 2nd. A very nice leather purse was presented to Mrs. Truelufe, as a token of affection and goodwill from those present. We join with them in wishing Mr. and Mrs. Truelufe all happiness and success in their new home and ventures.

At police court here on Tuesday a man charged with assaulting his wife got 30 days in jail. For having liquor a man's car was confiscated for a time and a fine of \$300.00 inflicted or 3 months in jail. He went to jail. Two drunks paid fines while two went to jail for 30 days. One case of reckless driving was dismissed. For assault a man had the alternative of a fine of \$35.00 and costs or 30 days. He took the thirty days.

Born to Mr. and Mrs. W. Walker, of South Porcupine, on September 15th—a daughter.

Born—on Sept. 23rd, to Mr. and Mrs. A. Young, of South Porcupine—a son. Mr. K. Kilborne was a visitor in town this week-end from Kirkland Lake.

Mrs. Esselstine is back from Niagara Falls and Mrs. Gingras from Stratford.

Mr. Clark, of Barrie, has taken up residence in town.

Mrs. Walter Lemmon and small son have arrived back in town, and have taken up residence on Golden avenue.

Miss Minnie A. Bedford, A.T.C.M., and Miss Myrtle Ames, R.N., of Fort William, are expected to arrive in town on Thursday, as guests of the former's sister, Mrs. Williams, of Commercial avenue.

Mrs. W. W. Wilson has moved from her home on Commercial and is again taking up residence over the barber's shop on Main street.

Mr. and Mrs. Harvey Starr, of Peterborough were in town last week visiting the former's sister, Mrs. E. Roy, who entertained a number of their old

friends in their honor at her home. They left to return home last Tuesday.

South End Fire Department are very pleased with and proud of their new chemical fire truck which has been delivered this week. The truck has two twenty-gallon soda and acid tanks and can carry about 800 feet of fire-hose in addition to several smaller extinguishers and fire-fighting equipment. The building up of the fire truck from a Chevrolet chassis is the work of the Eveready garage of Schumacher under the direction of Mr. Percy Richards. The finish and workmanship is of high standard. The fire department think it is a fine job.

An inquest was held under Coroner Frank C. Evans at the town hall on Friday to enquire into the deaths of two men who were killed at the level crossing at Hoyle on September 12th, 1934. Mr. Skinner acted as foreman of the jury. Witnesses testified to the train having whistled at the crossing, that proper signs were placed at five hundred feet with checkerboard signs and bush is cleared for this distance. The consensus of witnesses and evidence proved that the driver of the car was not noticing the signs and when he saw the train approaching too quickly to stop so took a chance on getting over before the train, with fatal consequences. Everything possible was done before and after the accident by the witnesses, and the jury returned the following verdict:—"We your jury, summoned to enquire into the death

of Federico Gumiero and John Baggio, find that deceased men came to their deaths by being struck by the engine of train 52 on September 12th, 1934, at 1.35 p.m. at a level crossing situated in the Townships of Hoyle and Matheson; John Baggio, driver of the car dying in the Presbyterian hospital South Porcupine, September 13th, at 6.00 p.m. and Fred Gumiero being instantly killed. We also find that John Baggio, driver of the car, did not take proper precautions and care when approaching the crossing, and no responsibility is attached to the train crew or the T. & N. O. Railway."

Toronto Globe:—Recently twenty-five Russian parachute jumpers leaped together from a large Soviet aeroplane flying over Moscow. All landed safely.

Ottawa Journal:—An escaped prisoner was found asleep in a cellar beside a case of whiskey and half a loaf. It is not known what he intended to do with all the bread.

Simcoe Reformer:—Premier Bennett has sailed for Europe and will represent Canada at the League of Nations Assembly at Geneva. He will also take a few weeks of well-earned rest prior to returning to Canada. Regardless of party considerations, none will gain-say that the premier has proved himself an indefatigable and earnest worker in the administration of Canada's national business. In doing so, he has sacrificed his health. Canadians generally will hope that he may benefit by this respite and may return to office, fit and invigorated.

DEDICATE RESTORED OLD FORT NIAGARA ON OLD SITE

This layout shows views of the restored Old Fort Niagara, on Lake Ontario, at the mouth of the Niagara River which is being dedicated with a dramatic re-enactment of the stirring events from its three centuries of romantic history under three flags. Representatives of four nations—England, United States, Canada and France, are taking part in the ceremonies.
