

# Legion's Fifth Field Day for Pupils of District Schools

Annual Event to be Held at the Athletic Grounds, Timmins, on Saturday of This Week, Sept. 29th, Commencing at 9.30 a.m. Outline of Programme for the Occasion.

Programmes have been issued for the fifth annual field day for the school children of the district as arranged and conducted by the Timmins branch No. 88, Canadian Legion, B.E.S.L. The event is to be held on the athletic grounds, Timmins, on Saturday of this week, Sept. 29th, commencing at 9.30 a.m. The annual field day for the schools put on by the Legion has always been a notable and useful success. This year it promises to be even more important than usual.

The programmes this year are printed on cardboard stock and serve the purpose of both programmes and tickets of admission. The charge for the programme and admission is the nominal one of 25 cents. In addition each programme is numbered and there are to be prizes of \$10.00 and \$5.00 for the fortunate holders of numbers to be selected.

On the first page of the programme is given a list of the officials in charge of the field day. These include:— General manager—Jas. Cowan. Juvenile starter—Mr. Gauthier, Timmins High School. Senior starter—A. C. Brown. Assistant starter—James Campbell. Finishing judges—A. Neame and H. Jones.

On the back page of the programme is a scoring chart for the school sports, allowing the scoring for each event for each school represented. Each school is given a number and the schools and their numbers are given on the card as follows:—Timmins Central School, No. 1; Moneta, 2; Mattagami, 3; St. Anthony's, 4; Holy Family School, 5; St. Charles School, 6; Junior High School, 7; Junior Technical School, 8; Schumacher, 9; Schumacher High School, 10; South Porcupine Central, 11; South Porcupine Continuation, 12; Dome School, 13.

50 yards dash—Girls under 13. 50 yards dash—Girls under 14. 50 yards dash—Girls under 15. 75 yards dash—Girls under 16. Girls' relay race—220 yards. Four girls to a team. Girls under 16 to run 70 yards; under 15 to run 60 yards; under 14 to run 50 yards; and under 13 to run 40 yards.

**Awarding of Points**  
Each school is to enter all events under the designated number given. Points are awarded in the events as follows:—first, 3 points; second, 2 points; third, 1 point. There are two Canadian Legion Shields, one for the school scoring most points for boys, and one for the school scoring most points in girls' events.

**Open Programme**  
In addition to the programme for the schools, there is a senior or open programme of events as follows:— 100 yards dash, first and second prizes. Running high jump, first and second. 220 yards dash, first and second. Running broad jump, first and second. 440 yards dash, first and second. Ladies' Auxiliary balloon race, first and second. Veterans' sack race, first and second. Pole vault, first and second. Half mile race, first and second. Veterans' wheelbarrow race, first and second. One mile race, first and second. Relay race, 1 mile; 4 men to a team; for the Sinclair trophy; winning team receives small cup for each member. Tug-of-war; no cleats and no spikes; for the Ennis trophy; prizes for winning team.

For the various events there are attractive prizes.

**Whist Drive on Monday**  
**Auspices Ladies' Auxiliary**  
Announcement is made this week of a whist drive, under the auspices of the Ladies' Auxiliary of the Canadian Legion, to be held in the Oddfellows' hall, Timmins, on Monday evening, Oct. 1st, commencing at 8 o'clock sharp. There will be 24 hands. Refreshments will be served during the evening. The Ladies' Auxiliary have a well-known high reputation for events of this kind and all who like cards and a pleasant social time will note the date and the place, Monday, Oct. 1st, at Oddfellows' hall.

Toronto Mail and Empire:—If the crew of the Morro Castle had been as well coached before the disaster as after it, many lives would have been saved.

## Events at Churches at South Porcupine

Thanksgiving Services United Church Oct. 14th. Opening New Rectory Anglican Church, Other South Porcupine News.

South Porcupine, Ont., Sept. 26th, 1934. Special to The Advance.  
The C.G.I.T. are commencing activities for the winter season. The Senior and Junior groups met jointly on Monday under the direction of Miss Smith. Deaconesses of Timmins. Election of officers for the coming session will be held on Monday week.

Archdeacon Woodall has returned from attending the Church of England Synod in Montreal. During his stay he acted on the Electoral College for appointing the new Primate of Canada—Archbishop Owen of Toronto.

As soon as the rectory is finished the ladies of the church (St. Paul's) intend holding a tea to celebrate the installation of Archdeacon and Mrs. Woodall therein. At present their plans are to hold it in the rectory next Wednesday (October 3rd). Notices will be given of this.

Next Sunday (Sept. 30th) the Harvest Festival services will be held in the church, Archdeacon Woodall officiating.

Mrs. W. H. Johns, president of the Women's Auxiliary for the Diocese of Moosonee, left on Monday to attend the Dominion annual meeting of the W.A. to be held this week in Edmonton, Alberta.

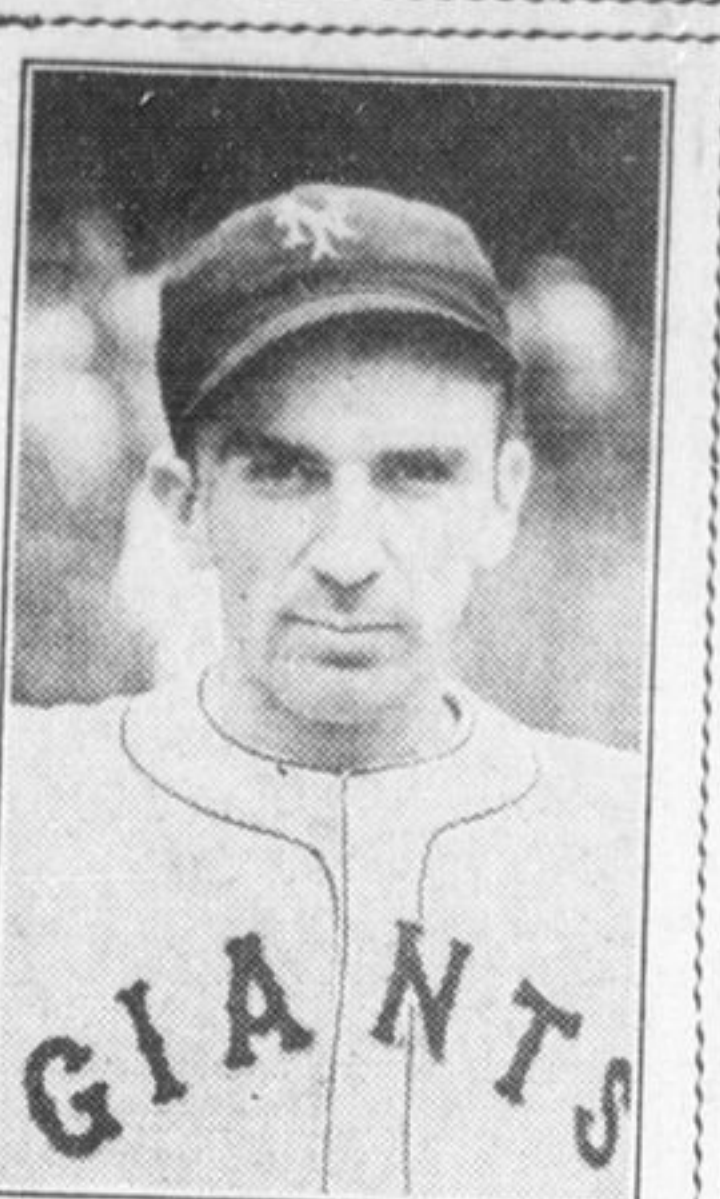

Mrs. H. M. Martin and daughter, Betty, left on Tuesday by motor for Montreal, en route to England by the S.S. Ascania which sails on Friday. They will visit Dr. and Mrs. Barry in Toronto for a day before going on to Montreal. We wish them both a happy holiday in the Old Land which Mrs. Martin has not seen for twenty years. Many friends entertain at bridges and teas for them both last week. They intend paying an extended visit for over a year. Bon voyage.

This Sunday is Rally Day for the United Church. A special children's service (for parents also) is being held in the morning at 11 and a pageant under the auspices of Mrs. Purdy will be staged by the Sunday School girls of town and Dome. This will be given in costume, the title being "Sunday School Visitors from Far Places."

Mrs. Ship and little daughter arrived a week ago and have taken up residence in the manse.

Our university students left this week, some to continue their studies, and some to begin. Earle Hamilton and K. Gallagher both went on Monday to Toronto as third-year students. A. Frumkin is, taking second-year science in Toronto, and Harry Verner is a freshman. As Queen's University first-year students Rosalind Cantor and Joyce Patterson left for Kingston. T. J. Wright also left for St. Michael's College, Toronto this week. Mr. and Mrs. E. J. Varette, of Iron

CARL HUBBELL left-handed pitcher for the New York Giants, is one of the men in whom the Giants have put their hopes for lifting the forthcoming World Series. Carl pitched two games in the 1933 series and won them both.

quois Falls, were visiting Mrs. McCaffrey at the Dome over the week-end.

Mrs. W. Litchfield, of Utterson, has been visiting her sister, Mrs. Cyril Newell, of the Ankerite Mine.

The O.E.S. Chapter had as visitors on Monday night at a special meeting, Mrs. Myrtle Bibby, Worthy Grand Matron of Ontario, from Hamilton, and Mrs. Viola McClung, Grand Conduress from Brantford. While in town they were guests for the afternoon and for dinner of Mrs. F. H. Hall, of the Dome Mines.

Mrs. Ellis Wright, of Comaugh Hill, has her mother and father from Gananoque visiting this week.

We offer our sympathies to Mr. Frank Reynolds this week who is mourning the death of his father in England. Mr. Reynolds left last week for Montreal, intending to go back to England to see his father who was very ill. Upon reaching the boat he received a cable saying that his father had passed away. Mr. Reynolds thereupon returned to South Porcupine on Monday.

Married—At the manse, South Porcupine on Sept. 17th, Guy Hammond of Matheson, Ont., to Nora Hobin, of Sudbury, Ontario.

Thanksgiving services will be held in the United Church at South Porcupine on October 14th.

North Bay Nugget:—The textile strike situation must be much worse than it appears at first glance. Primo Carnera is reported to be wearing shorts.

## Dr. Simpson Visits at South Porcupine

New Minister of Education Gives Interesting Address to Pupils at South Porcupine. Dr. Simpson Visits Schools in Area.

South Porcupine, Ont., Sept. 26th, 1934. Special to The Advance.  
Our distinguished guests—Dr. Simpson, Minister of Education, with Mrs. and Miss Simpson—were entertained on Tuesday at the home of Mr. and Mrs. Stovell at the Dome. A tour of our schools followed—first, the Dome school then the public school in town, and lastly the high school. At the latter, Mr. Purdy and his assistants had arranged the auditorium so that all the high school pupils and the two public school classes might be present.

Dr. and Mrs. Simpson, with Miss Simpson, Mayor and Mrs. Richardson, of Timmins, Mr. Elborne, (public school inspector), and the public school board, were received first upstairs where they saw the pupils in their classrooms.

Then the pupils, who last year distinguished themselves, were introduced to the guests—Betsy Jordan, as first form prize winner; Catherine Foster for second form; Betty Gallagher for third form; and Mary King as elocution prize winner for Northern Ontario.

All then were marched to the auditorium where "O. Canada" was sung. Mary King gave the address of welcome to the guests, and Marie St. Paul then presented Mrs. and Miss Simpson with bouquets of beautiful sweet peas grown in the garden of Mrs. Jordan at the Dome. There were graciously received—Mr. Purdy explaining that had they known that Mrs. Richardson was coming they would have had a bouquet for her also.

Dr. Simpson then addressed the children. He said he appreciated the kindness and hospitality which had been extended to him here. While the pupils might not be greatly interested in all the plans of the Dept. of Education he knew that these particular changes would appeal to them:—After this year there will be no more July exams. They will be moved forward so that the year's work will be completed before the end of June. Thus there will be no interference with parents' plans for holidays, and the results will be known earlier. A change is contemplated in the exams themselves. While it is not as yet possible to eliminate completely the examination system it may be possible to do away with the departmental exams. To some extent. The principal and teachers should be more capable of determining a child's progress from his year's work than from an examination paper. But the time for this is not quite ripe.

In conclusion Dr. Simpson made use of a happy phrase that we, as proud possessors of excellent schools can appreciate. He said, "I congratulate you teachers and pupils in having a successful, happy school-home."

## Pretended Peace Scheme Only More Red Propaganda

Circular letters headed "Anti-War, Anti-Fascist Committee, Timmins, Ont." have been sent out in town addressed to "All Intellectuals, Political Groups, Churches, Clubs, and Individuals," calling a meeting to plan against the danger of war and fascism. The same sort of circulars have been issued at Toronto, Rouyn, Sudbury and other places, the whole thing being only another phase of the red or communist activity. In Rouyn effort was made to enlist the interest of clergymen and others but those behind the movement were discovered and it was found to be simply another trick to try and attract attention to the red element. In Timmins some of the clergy were approached recently by these professed peace pleaders, but a little questioning drew forth the fact that those inspiring the scheme were alien agitators. Apparently the communist will do anything to attract attention even going the lengths of travelling so far from their own practices as to preach peace. Reference is made in the circular letter to a peace meeting in Toronto next month. This meeting is simply another gathering of the red element. The matter is drawn to public attention so that people may not be deceived by this "peace" talk. All loyal citizens are in favour of peace, and because of this those behind the "anti-war, anti-fascism" circular may have hoped to have deceived the public. It may be taken as a fact, however, that the alleged peace circular is no more and no less than just another red scheme, talk of peace being made a political football, just as the same game has been tried with labour and other matters. The best plan is to disregard the circular as the other propaganda has been disregarded.

## Another New Company in the Temagami Gold Area

Announcement is made of the formation of the Stillar-Temagami Gold Mines, Ltd., to acquire and operate a group of 18 claims in Vogt Township, on Austin Bay, a new section of the Temagami. The location is about ten miles from the Afton property being worked by Smelters, and is about 20 miles from the Manitoba Eastern-Cunipitau area in Temagami.

A. E. Stillar, who made the discovery, has had a small party on the property since June. It is announced that there is an ore zone ranging from 50 to 100 feet wide, with length proven about 1,200 feet, and apparently open at both ends. Several cross pits have been put down through rather heavy overburden, and while grab sample assays have ranged up to \$20.30 a ton in gold only one channel assay has been taken. It showed about \$7 ore over 16 feet.

# Dollar Days

During the next few days we are going to sell a quantity of merchandise at One Dollar. Space does not permit us to list all the specials, so it will pay you to watch our windows daily or better still to come in and see the racks of specials

**Dresses**

## Good Showing Made in West Shiningtree

Lake Caswell Mines Locates More Veins, Shiningtree on the Route of Proposed Road from Timmins.  
Shiningtree and West Shiningtree are not as much heard from as some other camps, but if the road from Sudbury to Timmins were completed they would have much more chance. Both Shiningtree and West Shiningtree are on the proposed route of the road asked for. Both Shiningtree and West Shiningtree are promising mining areas, in which many old-timers have great faith. Development is what they need and the proposed Sudbury-Timmins road would aid development. Here is a despatch in regard to one West Shiningtree property:—  
Lake Caswell Mines, Ltd., in the West Shiningtree gold area has a crew of 27 men working on its property, the majority engaged in surface exploration. F. J. Sullivan, manager, stated in an interview yesterday, Mr. Sullivan stated that since the Lake Caswell took over and resumed operations at the old Canadian Champion Reef mine a number of important discoveries have been made. The shaft has been dewatered and underground workings are now ready for examination. It is the intention, he stated, to do as much surface exploration work as possible before winter to determine more fully the number and extent of veins on surface. This work will be followed by more intensive development underground.

Mr. Sullivan stated that three new veins have been located recently and traced to the point where they dip into the lake. The veins are parallel to each other about 30 yards apart and located between the Nos. 107 and 113 veins, found in earlier operations. One of the new veins shows a width of 12 feet and the others show varying widths. Stripping and trenching is being done and samples taken for assay. It is the intention, the manager stated, to correlate the various surface finds and when underground work is resumed, later in the year, to drive a crosscut

towards the new finds and open them up at depth.  
According to work done underground in earlier operations Lake Caswell has the makings of a producer, Mr. Sullivan stated. On the 200 foot level the vein shows values of \$15.40, with other sections running \$11 per ton, and the shaft returning assays of \$7.40 per ton, all values based on gold at \$20.67 per ounce.  
In addition to the active campaign at Lake Caswell, Mr. Sullivan stated that large development programmes are under way at Neville Canadian Gold Mines, whose property adjoins Lake Caswell; White Rock and Harvey Kirkland, plan to start work immediately on their merged properties while Churchill Gold Mines, a short distance to the northwest is sinking its shaft for more extensive underground work and also is producing with a 10 ton mill.  
The various companies are negotiating for power and it is expected that a transmission line will be run into the area in the not distant future.

## GROSS EARNINGS FOR AUGUST OF NORTHERN CANADA POWER

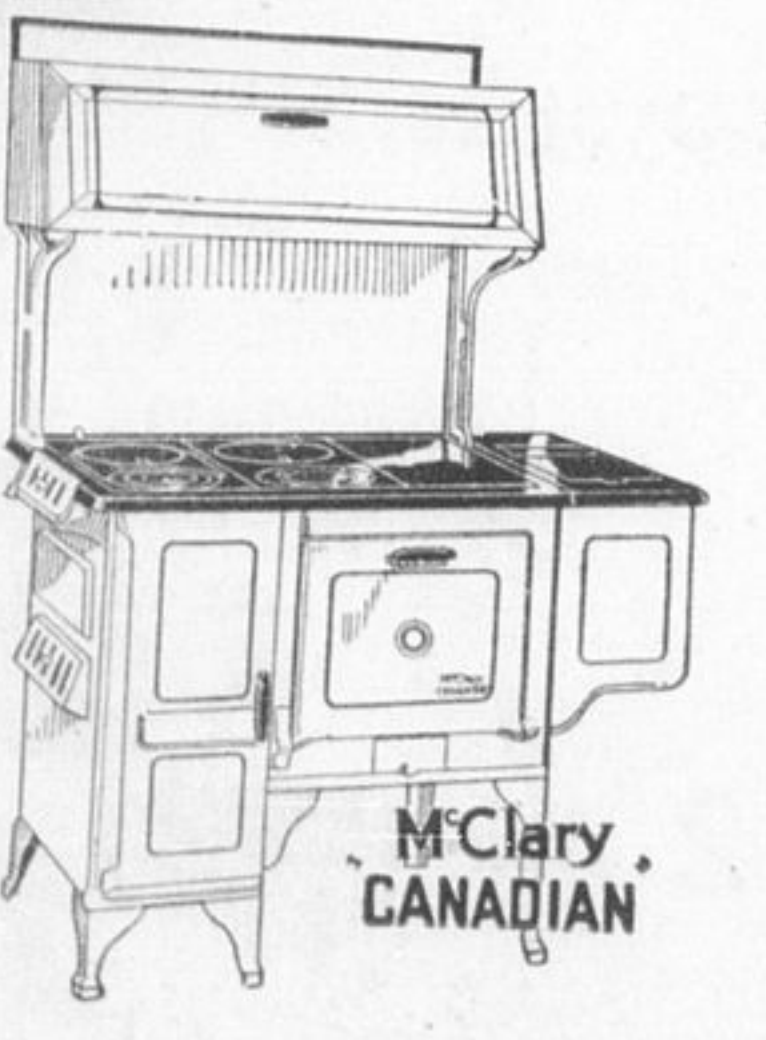

Gross earnings for August by Canadian Northern Power Corp. at \$350,198 marked a new high, and were \$46,404 or 5 per cent. higher than the gross for August, 1933. Operating expenses, due to purchase of power and increased taxes and maintenance, amounted to \$125,956, an increase of \$33,648, leaving net at \$224,242, an increase of \$12,756.  
For the eight months ending Aug. 31, gross totalled \$2,693,557, against \$2,390,995, an increase of \$302,562. Operating expenses were \$174,337 higher leaving net at \$1,787,968, an increase of \$128,255.  
Power output for August amounted to 45,979,107 k.w.h., compared with 36,732,590 k.w.h., an increase of 15 per cent., bringing the total output for the eight months to 345,045,763 k.w.h., an increase of 35,487,293 k.w.h. over the corresponding period of last year. During August, 190 new customers were added to the system, bringing the total to 14,043 against a total at the end of August last year of 12,955.
