Gold Points Way to Canada's Prosperity. Value of Gold Production is Now Approaching \$100,000,000 a Year. Some Interesting Statistics and Opinions. From the statistical departments of one of the Montreal brokerage firms there comes a review of the present gold situation as it affects Canada. While the review is optimistic, it is not more so than the facts seem to warrant.

Visitor From Bombay JOHN L. CHIDSEY, managing director of the Ford Co. in India. Home on Visit, Speaks Interestingly of Bombay and India generally.

Moving Forward in Colonization Plans. Province of Quebec Leading in Comprehensive Scheme to Put Young Men Back on the Farms. Too often when some subject is mentioned in the newspapers or on the platform there is a tendency to say, "Oh, that does not touch our particular interests."

Skeet SHOOTING. 3. HOW TO LAY OUT THE FIELD. NO insurmountable problem faces you when you come to consider laying out your Skeet field. Any piece of waste land will answer the purpose.

Beer Rooms Not Working Well in Pembroke Either. Whether the fault rested in the fact that proper arrangements were not made for inspection and control before the beverage rooms were allowed to open, or whether the trouble goes deeper than that and may be found in the fact that the people in general are not ready for this form of legislation, may be open to question.
