

Reeve Gallagher and Major Mac Lang on T.&N.O. Board

Other Members of New Commission Include Premier Hepburn, Armand Racine and A. G. Slaght. All Serving at Present Without Remuneration. First Meeting of New Commission Likely on Monday of Next Week.

Announcement was made on Saturday last at Toronto by Premier Hepburn that affairs of the Temiskaming and Northern Ontario Railway will be administered temporarily by a commission of five members headed by Premier Hepburn himself. The premier suggested that he was acting at present on the commission chiefly for the purpose of thoroughly posting himself on the affairs of the railway so that he would be able to answer all queries in the legislature when that body assembles. The premier indicated that he and Mr. Slaght would resign as soon as the re-organization was complete. The chief problem, he said, was the appointment of a general manager to succeed Geo. W. Lee, the former chairman of the commission and the general manager.

Premier Hepburn further gave the information that the Government had accepted the resignation of Lieut.-Col. L. T. Martin, of Ottawa, from the vice-chairmanship of the commission, while Chairman Geo. W. Lee and Commissioner J. T. MacLaren had been out by revoking the order-in-council by which they were appointed.

The new commissioners for the present are to serve without remuneration.

The new commission includes:—

Premier Hepburn.

Arthur G. Slaght, Toronto lawyer, prominent for years as an Ontario Liberal. Mr. Slaght was formerly in law practice in the North. He ran some years ago as Liberal candidate for Temiskaming in a Dominion election. He has much general knowledge of the North and has many friends here.

Armand Racine, the Windsor lawyer who conducted the recent enquiry into the affairs of the T. & N. O.

Charles V. Gallagher, of South Porcupine, reeve of Tisdale township, and prominent in public life in the North for very many years. He was a candidate for the Liberal party in this riding in the Dominion election of 1925, but is more widely known for his able and public-spirited service to the people of the township of Tisdale and the North generally. He is personally popular with all classes and parties and his appointment will prove a very popular one in the North.

Major Mac Lang is another North Land man to be appointed to the commission. He knows the land and people thoroughly. He has been prominent in the Liberal party for a life-time. He was member for this riding in the legislature for several terms and also served one term at Ottawa, being the Liberal member for Temiskaming. The North will readily approve this appointment.

Meeting of Mining Institute Saturday

Dr. J. T. McIntyre to be the Speaker at Meeting in the Masonic Hall Saturday Evening of This Week.

A meeting of the Porcupine branch of the Canadian Institute of Mining and Metallurgy will be held in the Masonic hall at Timmins, on Saturday, October 27th, at 8 p.m. The meeting will be addressed by Dr. J. T. McIntyre, Ph.D., of Cambridge, England, who will describe a journey by air from London to the Cape, as well as comment on deep-level mining problems.

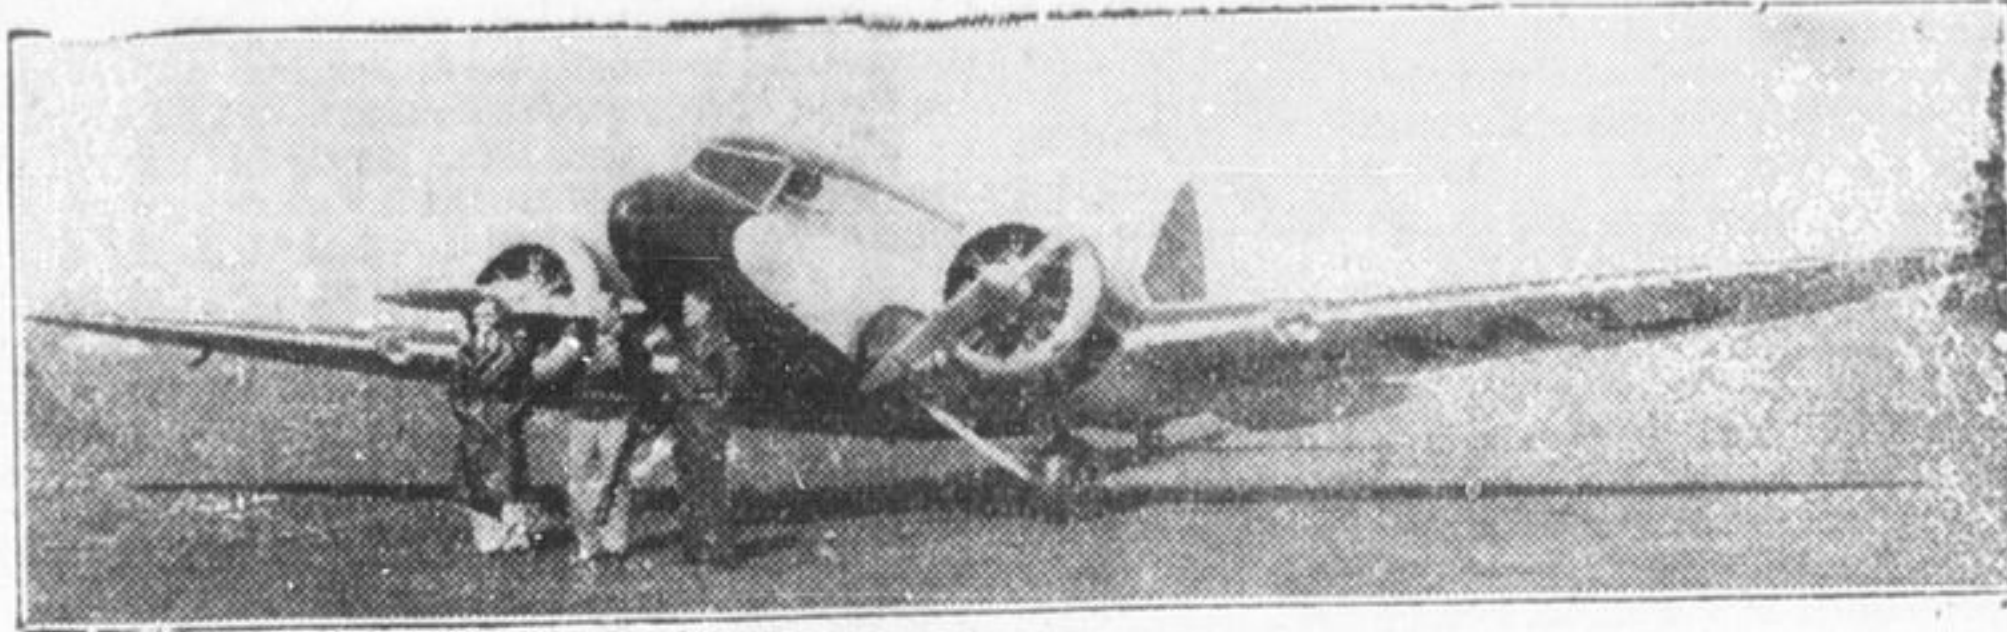

All members are specially asked to attend and to bring any friends interested. Dr. McIntyre was awarded a Sir James Caird travelling scholarship and is proceeding on a journey to inspect important mines in Canada and the United States.

Annual High School Exercises on Oct. 26

Principal Fyfe, of Queen's University, to be Special Speaker at Event at Timmins High School Friday of This Week.

The annual commencement exercises of the Timmins High and Vocational School will be held at the school auditorium (Friday) evening, Oct. 26th. In addition to the usual features for the occasion there will be an address by Principal Fyfe, of Queen's University, Kingston. Principal Fyfe is a speaker of marked talent and is known widely as an educationalist of marked distinction. His address will be one that none interested in education should miss. Principal Fyfe this week is on a tour of the North, meeting Queen's graduates at the several centres of this part of the North.

The itinerary as given for Principal Fyfe is as follows:—At Noranda on Tuesday, Oct. 23rd. At Kirkland Lake, Wednesday (yesterday), Oct. 24th. At Timmins on Thursday, Oct. 25th, there will be a gathering of graduates of Queen's University. Friday, Oct. 26th, Principal Fyfe will address the High and Vocational School pupils in the afternoon, and in the evening he will be the guest speaker at the school commencement exercises.

ONE OF BRITAIN'S ENTRIES IN LONDON-MELBOURNE AIR RACE

Here is an Airspeed Viceroy plane which was built for Captain T. Neville Stack, famous British aviator who entered the London-Melbourne air race. Standing in front of the speedy machine are Sydney L. Turner, Captain Neville Stack and J. P. Gordon-MacArthur, engineer, pilot and radio operator respectively.

Sentences Imposed at Cochrane Court

One Man Given Four Months for Wilfully Obstructing the Police. Incidents in Trouble in the North.

As incidents in the present trouble in the North due to the efforts of the alien communists who are encouraged by the apparent fear in which they are held by the provincial authorities in Toronto, three men were faced with charges at police court in Cochrane on Monday of this week. The three men were concerned in a clash with police on October 7th.

The hearing of the cases occupied all afternoon and part of the evening. Crown-Attorney Caldbick appeared for the prosecution, while the accused had secured A. C. Brown for defence counsel.

Emery Godin, charged with resisting arrest was sentenced to three months hard labour.

Alfred Smith, charged with assaulting an officer, was sentenced to one month hard labour.

Adrien Caron, charged with wilfully obstructing police, was sentenced to four months' hard labour.

The clash occurred at Mace near the Quebec boundary on the Canadian National Railways. Godin was alleged to have resisted Sergeant Roy Elliott who attempted to arrest him. He pleaded not guilty but was convicted on the evidence presented.

Smith was accused of assaulting Inspector Creasy of the provincial police and Constable Stringer. He also pleaded not guilty but was convicted. Smith police said was one of a number of men who fled before a police officer and who threw stones at the officers. Constable Stringer identified Smith, as the man he saw toss a stone.

Magistrate Tucker said he considered Caron's act the most serious. The accused was alleged to have obstructed Sergeant Elliott as the officer attempted to arrest Godin. Although he pleaded not guilty, Caron also was convicted on the evidence submitted to the court.

Won Big Air Race

British Airmen win Race to Australia. C. W. A. Scott British flier, who with T. Campbell Black, won the 11,300 mile London-to-Melbourne air race in the record time of 70 hours, 59 minutes, 50 seconds.

Planned Forgery in Jail at Haileybury

Young Man Just Completing Term for Passing "Rubber" Cheques at Timmins Gets Three Months at South End Court.

A young man named Hill whose home is said to be at Cobalt got into trouble at Timmins last month through cashing "rubber" cheques and was sent to Haileybury jail for a month. A man named Hodoken was also in Haileybury jail and apparently must have told Hill that he had \$265.00 on deposit at a South Porcupine bank. At any rate Hill turned up at the bank at 6:30 a.m. with a cheque in Hodoken's name. As will be seen by this issue, the bank remembered Hodoken and protected his money.

The outcome was that Hill pleaded guilty to forging Hodoken's name and was sent back to Haileybury this time for three months. One of the points of special interest in the case is that Hill apparently planned the crime while in jail at Haileybury or at least made use of information coming to him while he was in jail. The trouble, of course, is not that jail is the wrong place for him. It is when he gets out of jail that it costs other people. This young man passed a number of worthless cheques while in Timmins and apparently was no sooner out of jail than he was attempting to secure money from others by other ways than lawful work.

TEN PRISONERS LEFT HERE FOR HAILEYBURY YESTERDAY

There were no less than ten prisoners leaving Timmins yesterday for terms at Haileybury. These included: Eustache Montford, committed for trial on nine charges of gross indecency; Mrs. M. Barrette given three months as the keeper of a disorderly house; one speeder unable to raise a \$100.00 fine and costs; several others who could not get together the necessary money for the fine of \$10.00 and costs; and some others. There were also four from Tisdale going down at the same time. Bergt. M. Salley took the Timmins prisoners down.

Campaign for Funds for the Children's Aid Starts Oct. 31

Membership Campaign to Raise Funds for the Worthy Cause of the Youngsters. Whole District to be Canvassed. First Public Appeal in Three Years. Support of All Asked to Carry on Good Work.

A membership drive to secure funds for the carrying on of the good work of the District of Cochrane Children's Aid Society will be started on Wednesday of next week and will continue for three days. Effort has been made by the executive of the District C.A.S. to have the whole district covered. Canvassers have been secured for Schumacher and South Porcupine, while Timmins will be thoroughly covered by an able and earnest band of canvassers. In the Timmins canvass the following societies and organizations are giving their able support as in past years:—Ladies of St. Anthony's Church, Ladies of the Church of the Nativity, Ladies of the United Church, Ladies of the Hebrew Congregation, Eastern Star, Daughters of the Empire, Ladies of the Moose and other societies and individuals. The canvass will be made from door to door and the whole town given opportunity to subscribe to the carrying on of the work and the need for financing will be found in an advertisement elsewhere in this issue. This advt. is donated by a friend of the youngsters to help along the campaign. All are asked to be ready for the canvassers, give them a genial welcome, and make as large a contribution as possible to the support of the Children's Aid Society and the Children's Shelter.

Chief of Police Paul Married Here This Week

Best wishes from wide circles of friends will be extended to Chief of Police R. Paul and his bride on the occasion of their marriage this week. On Wednesday morning, Oct. 24th, at St. Anthony's church, Timmins, Ralph Paul, son of Mr. and Mrs. Jas. Paul, of Timmins, and Miss Mary Monica McDonough, were united in the holy bonds of matrimony. Rev. Fr. Pare officiating. Chief Paul has been a resident of Timmins the greater part of his life and has won wide circles of friends by his good citizenship. His keen attention to duty and his talent at the work have won him rapid promotion. The bride is equally popular and esteemed and is widely known, being for some time past on the staff of the Northern Telephone exchange.

The Oshawa Times predicts that the beverage rooms will prove the strongest ally the prohibition forces ever had.

Cochrane Wins from Timmins H.S. Team

Local Rugby Team, Handicapped by Crippled Players, Loses to Cochrane High School Yesterday.

Cochrane High School defeated Timmins High School yesterday, the game being played in mud, snow, rain and sleet and on a very poorly laid out field. Badly crippled by injuries the Timmins team went out and fought hard but the sting of their defeat here last week made Cochrane play wide-open football to turn back Timmins 12-8. Finkleman was out and is out for the rest of the season because of the concussion he got last Saturday. Everard was also missing from lineup and this left another weak spot in the team.

Cochrane counted all their points in the first half and after Timmins had taken the lead they started to tally a mess of singles that gave them the lead. A safety touch and an unconverted touch gave Cochrane the lead 10-2 at the end of the first quarter.

Three singles in the second half gave Cochrane an enviable lead. Timmins did not add to their total till late in the second half when Frank Everard got a touchdown on a nice line-back and it was converted. The final score was 13-8 and when play stopped it looked as if the Timmins team were going to score again but the whistle saved the game for Cochrane.

Outstanding on the Cochrane team was Stevens, lanky Indian half-back, who scored their touchdown and was at all times dangerous. The Timmins stars were harder to pick because they all played a real good game but Frank Everard was a little better than the rest. Hogarth played a nice game, his first in senior company.

Cochrane—Snape, Hurd, insides, Day and Hanecek; middles, Mond and F. Konopelky; outsides, Zuch and Patapchuk; quarter, Fasano; halves, Penny, Pickering and Stevens; flying wing, Bulik; alternates, Pilm, A. Konopelky, Fink, A. Bulik, Snaps and Carrer.

Timmins—Snape, Beaulieu; insides, McPhail and Bartko; middles, Craft and Hogarth; ends, Andruschuk and Beredini; halves, F. Everard, Chisholm and Villeneuve; quarter, Mitchell; flying wing, McKenna; alternates, Millette, Denisovitch and Sauve.

PLANTING MANY TREES ON THE STREETS IN TIMMINS

A large number of trees are being planted at the side of the streets in town just at present, the work being done by private enterprise. The trees will improve the appearance of the streets considerably. One local citizen has purchased 25 trees to put before his properties in town.

U. S. Commission Begins Enquiry into Teck-Hughes

A despatch this week from Washington, D. C., says that the United States securities and exchange commission reported on Tuesday that it had opened an investigation into the stock of Teck-Hughes Gold Mining Company.

After a sharp break in the stock on the Toronto exchange an open inquiry was instituted last week into Canadian transactions. The stock is held both in Canada and the United States, and is traded on the New York Curb Exchange.

Officials declined to say what had caused them to start an investigation.

Second Inoculation on Thursday and Friday

Some weeks ago The Advance called attention to the fact that there was free inoculation against diphtheria at the children's clinic here for children of pre-school age. A large number of mothers have taken advantage of this opportunity to give their children protection for life against the danger of diphtheria. This is exactly what the proper administration of the toxoid will do. The inoculation includes three treatments of toxoid. One of these has been already given. The next is to be on Thursday and Friday of this week. Mothers who had had their children given the first treatment some weeks ago should not forget the second treatment for pre-school children will be given at the children's clinic room today (Thursday) or to-morrow (Friday). All mothers of pre-school children who have had their children take the first treatment should make a special note of the second inoculation this week.

Enumerators List Over 9000 Voters in Town of Timmins

Work Said to Have Been Unusually Well Done by Enumerators Appointed Under Dominion Franchise Act. Timmins the Only Town in Riding Enumerated Under Urban Plan. Court of Revision Dates to be Announced. Lists Now Open to Public.

Over \$230 Netted by the V.O.N. Tag Day

Efficient Lady Taggers Gathered in Nice Amount for Victorian Order of Nurses on Saturday of Last Week.

The tag day on Saturday last for the Victorian Order of Nurses, Timmins branch, netted over \$230.00 (\$230.44 to be exact). Despite the weather the group of ladies who generously carried out this work of tagging kept faithfully and effectively at the tag-selling all day and as a result of their efforts the local branch of the V.O.N. will have funds to carry on the good work of the Victorian Order. Although the amount is a few dollars less than last year this was not due to any lack of effort or of skill on the part of the ladies carrying on the tagging but was the effect of other causes, and particularly the fact that the tag day was held later in the season than last year. The local committee of the V.O.N. are particularly grateful to the ladies who did the tagging and have asked The Advance to express the appreciation the committee feels for the generous support of the public.

Shriners' Dance at Timmins on Friday

Notable Event Here on Friday Evening of This Week. Noted Shriners' Orchestra from Toronto. Three Special Artists.

Those who have received one of the invitations from the Porcupine and Iroquois Falls District Shrine Club to the dance to be held in the Riverside pavilion on Friday (to-morrow) evening, October 26th, certainly consider themselves fortunate. The event promises to be one of the outstanding dance events of the season. One of the special features for the occasion will be the famous Shriners' orchestra of Rameses Temple, Toronto. Accompanying the Shriners' orchestra will be three artists of unusual merit as entertainers. These are:—Beth Watson, Canada's youngest girl piper Hornpipe, Scottish, Irish and tap dancer; Ruth Wilson, acrobatic and tap dancer; Joyce Brown, comic dancer and tap dancer. Dancing will be from 9:30 to 2 o'clock. A buffet luncheon will be served. Shriners are asked to wear the fez for the occasion. Invitation cards are to be presented at the door.

Present indications suggest that the Shriners' dance at the Riverside pavilion will attract a crowd from all over the district. The Shriners' orchestra alone is worth the admission fee, while any of the three charming young ladies is equally worth while as an entertainment for the evening.

Father and Son Banquet at Golden Beaver Lodge

Announcement has been made to members of the lodge that on Friday evening, Nov. 2nd, a Father and Son banquet will be held in the Masonic hall, Timmins, for the members and visitors of Golden Beaver Lodge, A. F. & A. M. Dinner will be served at 7 p.m. The speakers for the evening will be:—Wor. Bro. Dr. Harper, Bro. A. Gillies, Bro. Rev. Bruce Millar.

MODERN CONVEYANCE INVADERS ANCIENT HUNT

The Farley Hill Beagles at Hook Commons, Basingstoke, have gone in for modern transportation in a big way. It used to be considered the proper thing to go to the meet on all-fours, but now the hounds prefer to travel by trailer, with netting over the top as a safeguard against falling out.

RAMSAY MACDONALD BACK IN HARNESS
Our interesting photograph was taken shortly after Ramsay Macdonald (right) had returned to London following an extended holiday in Canada and Newfoundland. Fully recovered from his strenuous efforts during the past three years, Britain's Prime Minister son got back to work at 10 Downing Street, where many problems awaited his attention.

Wild Goose had Ring from Department at Washington

Messrs Gordon Thompson and T. J. Shields are back from a trip to the Moosonee area where they went for the duck hunting. They have been hunting for four years and this year was the first time they ever got a bird with a ring on it. This year, however, they brought down a bird with a ring, and it wasn't a Jack Miner ring either that the bird had on. It was a ring numbered 723550 and marked as from the Biological Survey Department at Washington, D.C., U.S.A. The Indians told Messrs Thompson and Shields that about 1 out of every 500 geese have a Jack Miner tag or ring, but the Indians never saw a Biological Survey Dept. ring and were much interested in it. Other hunters in the Timmins district say they never saw any of the Biological Survey tags though they have seen many of Jack Miner's. Messrs Thompson and Shields were pleased to get the uncommon ring and

Important Business for Legion Meeting Monday

There will be a general meeting of the Canadian Legion on Monday evening in the Oddfellows' hall and in view of the fact that there are several items of very important business, a particularly large attendance is desired. All members are urgently requested to attend.

One of the matters to be dealt with on Monday evening is the question of final arrangements for the Armistice Day service on Sunday, Nov. 11th.

Barrie Examiner:—Apparently there is a bit of money left in Canada yet. The Dominion refunding loan was over subscribed by \$33,000,000.
