

To the Electors of the Township of Tisdale

In expressing appreciation to the rate-payers of the township for re-election to the council for 1935, I will only say that in the coming year I will endeavour to serve the best interests of the municipality as in the past.

South Porcupine People Enjoy Pleasing Concert

St. Paul's A. Y. P. A. and Timmins A. Y. P. A. Join in Programme. Other Items from South Porcupine and the Dome.

South Porcupine.—Dec. 5th, 1934. Special to The Porcupine Advance. Quite a fair number of people attended the concert in the parish hall on Tuesday evening, put on by St. Paul's A. Y. P. A. The proceeds are to go towards the building fund.

The main object of the concert was to give their own people an idea of the playlet which won for them the championship for the district and which was arranged for so quickly that they had no chance to put it on here before.

This play, entitled "Two Can Live," was given at the beginning of the programme and had only four in the cast. It was quite well done—very short—but the characters well-chosen, and fairly humorous. Two down-and-out lawyers have agreed to fire their stenographer, each leaving the unpleasant task to the other. The toss of a coin makes the single chap the victim, and the married one fades out of the picture. The stenographer imagines that her employer is proposing marriage, instead of dismissal, and finally lands him—and after all—if two can live as cheaply as one, and apparently one is living on nothing, we presume she was right. Which reminds us of an old story the answer to "Two can live as cheaply as one." One what?, and who wants to live cheaply anyway?!

Harry Martin as one of the lawyers was quite notable and at ease, and did his job with a fair amount of conviction. Bill Hall, as the other lawyer, was also good in his part, and fell into the role of employer-lover quite naturally. Miss Iris Donaldson, as the visiting stenographer, filled the bill very nicely, and Miss Lily Brown had the "star" part and made the most of it. These four young actors deserve a word of encouragement. For a first attempt it was excellent, and no prompter's voice was heard all through the play. It was short, of course, but it went over very well.

The programme was rounded out by music. A quartette led by Mr. E. Andrews with Mrs. E. Andrews, Mrs. Reynolds and Mr. Walker, gave "The Keel Row," and "Who Will O'er the Downs with Me," were received with great applause by the well-filled hall. Later they gave "Good Night Beloved." The voices blended well together. Mrs. E. Andrews, who is a newcomer to the town sang in a very sweet voice, "Mountain Lovers," and gave as encore "The Lilac Tree." Mr. Andrews sang "The Tinker's Song." G. Newman recited "In Trouble Again" and Mrs. Christie, whom everyone is glad

to welcome back to our musical circle again, was warmly applauded in "I Love You Truly." She gave an encore.

The Timmins A.Y.P.A. then presented their play, "Auntie," which was also given a good reception. This was also a play with four characters, and one impersonation, and was a difficult thing to do, but the Timmins young people tackled it well, and must have been gratified at the reception given them by South End folks.

We hope to see more plays presented by our young people in the future. This first effort has been so well received that they should take it as an encouraging sign.

The election is over, and the results seem to give satisfaction everywhere. Congratulations to Reeve Gallagher on again being elected as reeve of this township. Mr. Gallagher needs no eulogies from us. His work in the past speaks for itself; his interests are with us; we know that the township affairs are in better shape than ever before; and we also know that the tax rate this year was lowered, and a very great deal of credit is due Mr. Gallagher for that; we also have his word after election that he will continue to direct affairs of municipal state with as much interest as ever, and that means "Gallagher Efficiency."

Dr. Harper is welcomed by both ends of the township. He is new to us as a municipal expert but we know that the vote alone given to him proves his popularity. He heads the poll for councillor.

Mr. Cooke from Schumacher came next on the list of elected councillors. South Porcupine has reason to feel that the affairs of this end of the township are quite safe in his capable hands. Mr. Cooke has served with efficiency and capability in our interests for two years, and we can also rest assured that in this his third year of office, he will justify our confidence in him.

Mr. George Helmer, is new to this Council but not new to the duties of councillor. He has served on two previous occasions on the council of Tisdale. We heartily congratulate Mr. Helmer on his success in making the grade. To a very great extent South Porcupine owes much of its farming and cleared land at the north end of the town to Mr. Helmer and his efforts. From small beginnings he has accomplished wonders and by his own hard work has established a dairy farm that is a credit to any community. And if his milk hadn't been good he wouldn't have got so many votes. We can rely confidently on Mr. Helmer making as good a job of our business as he has made of his own.

Mr. Wm. McInnis is the fourth member of the 1935 council. He acted on the council last year, and we hope that his success for this year will be equal to last. Mr. McInnis lives in Gillies Lake, or the Rochester townsite, and is quite popular there.

Mr. David Kerr, who did not quite succeed in being elected, deserves from us a hearty vote of thanks for his past services to the township of Tisdale. On looking up his past records we find that he has worked in our interests since 1924 when he first was elected as councillor. For two years he sat on the council and in 1926 was made reeve of the township, a position that he filled with efficiency and capability. The next year he ran for reeve but was defeated. In 1928 he headed the list for councillor and was elected in 1929 and 1930 by acclamation. For 1931 he was again elected. In 1932 he ran against Gallagher and was defeated. In 1933 and 1934 he was elected again as councillor. This year, as the voting shows, he just missed out. But

Red Leader Killed

SERGIE M. KIROFF

Said to have been groomed as successor to Stalin as head of Soviet Russia. Sergie Kiroff, little-known but influential leader in the Soviet was assassinated "by an enemy of the working class." It is reported from Moscow that 10 army leaders have been executed for taking part in a counter revolutionary plot. Kiroff's assassin was captured after he attempted suicide.

It is a well-known axiom that it is impossible to please all of the people all the time, so we extend our thanks for past services and hope that he will stage a comeback in the future.

Only about 50 per cent of the total electorate voted at this election. Strangely enough the man of foreign birth who has earned his right to vote and has taken out citizenship papers values his rights so much that he never misses voting at any election, but our own Canadian-born and British-born leave the duties of the franchise too often to somebody else to look after. In Australia (we believe) the franchise must be exercised unless good cause is shown, or a fine inflicted. We may be wrong, of course, but if that law were enforced in Canada, thinking people would have no cause to regret (after selection has been made) the way the ship of state is engineered, and many matters would right themselves.

Our best wishes are extended to the reeve and councillors of the township of Tisdale for 1935.

Only one case was brought up this week in police court. For reckless driving a man was fined \$25 and costs.

Mr. W. Buttrick has secured the position of rink attendant for this season and is busy trying to make ice. He is succeeding better this week as the weather man is helping him. Just as soon as possible the rink will be open for business.

Mr. J. Trueblood returned on Monday from a vacation in Toronto.

Mrs. Naish has opened her new store in Boundary Lane.

Mrs. J. Thomas left for Toronto on Wednesday.

Don't forget to note the earlier time for posting letters etc. The train goes out at 12:53 p.m. now.

Sudbury Star.—It is reported Premier Hepburn will not call a session of the Ontario Legislature before March, despite the fact that it was elected last June. It is not a good thing to have a government carrying on purely on its own responsibility and by order-in-council for so lengthy a period. It is noteworthy that the British parliament came to an end last week and that a new session commenced this week.
