

Toronto Train to Make Run in 2½ Hours Less

CAPTAIN PERISHES DESPITE HEROISM AS SHIP FOUNDERS

Death won a bitter struggle at Portuguese Cove, Nova Scotia, when Captain Duncan Milne of the freighter Kenkerry plunged to his death in boiling seas from the slender life-line after the other 28 men from the ship had safely reached shore. He was last to leave his ship. Above is the broken vessel, her stern pounded away, lying helpless on the rocks at Black Rock Point. Below are rescuers and rescued: LEFT to RIGHT, Fred Purcell, Bresnan Purcell, Ernest Purcell and Ray Purcell, four brothers who made themselves heroes in the rescue; G. H. Douglas, 3rd engineer, and H. Maber, chief mate of the Kenkerry.

C.N.R. to Change Time of No. 47 on Feb. 3rd

To Gain 1 Hour and 35 Minutes between Toronto and North Bay and Nearly an Hour Between North Bay and Timmins. Scheduled to Start Feb. 3rd.

Official announcement from W. S. Thompson of Canadian National Railway last night indicates that the Toronto-Timmins rail service is to be improved to the extent of a two and a half hour faster run between the two points. In order to accomplish this many important C.N.R. train schedules had to be altered and the "Continental Limited" re-routed.

Inquiry at the T. & N. O. station here revealed that the T. & N. O. officials at North Bay have made no announcement yet, though the change in C.N.R. schedule goes into effect on Feb. 3rd.

Toronto, Jan. 22—In accordance with the demand for faster train service to northern and northwestern Ontario, Canadian National Railways announce the re-arrangement of train service affecting train No. 47, to North Bay, train No. 3 "The Continental Limited" to Winnipeg and Vancouver, and train No. 45, operating to Orillia and Midland, with connection to Collingwood and Meaford. All changes will be effective on Sunday, February 3.

Train No. 47, which at present leaves Toronto at 9:35 p.m., daily, operating via Newmarket, Orillia, and Gravenhurst to North Bay and Cochrane, will on February 3, leave Toronto at 11:10 p.m., and operate via Beaverton and Gravenhurst, arriving at North Bay at its present time of 6:30 a.m., thereby tightening the running time by one hour and 35 minutes between Toronto and North Bay. There will be a further reduction of running time north of North Bay, the schedule between Toronto and Timmins being tightened by two hours and 31 minutes. At the present time train No. 47 runs through the Toronto stations of Parkdale and St. Clair Avenue. Under the new arrangement it will operate through the

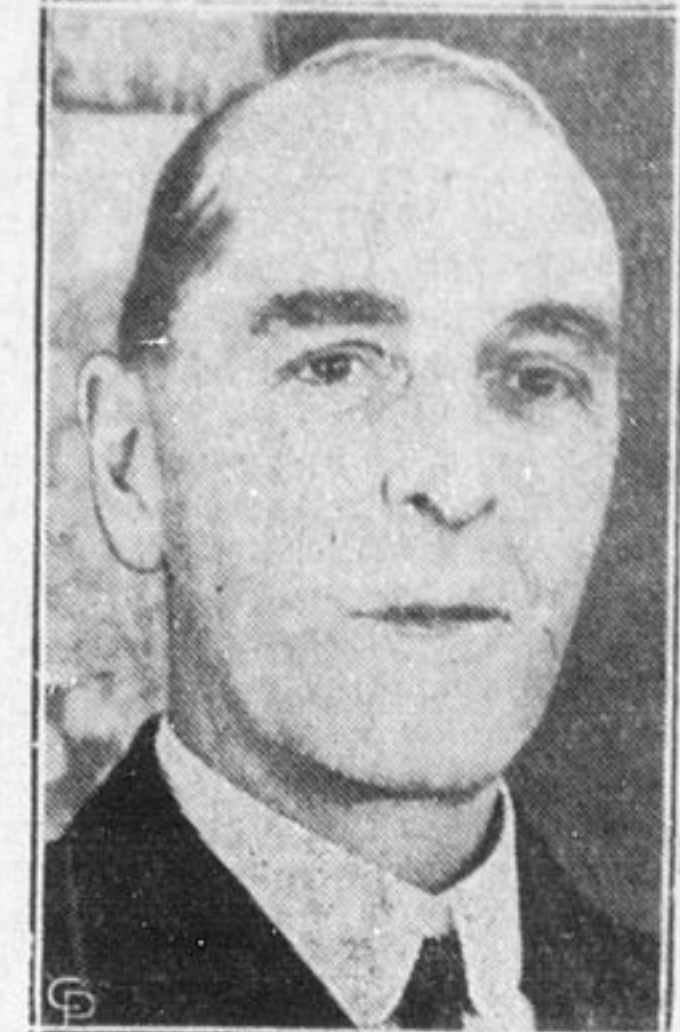

Don Station, although no stop will be made.

Thus the new service will give a fast and convenient night service from Toronto to North Bay and points on the Temiskaming and Northern Ontario Railway, Train No. 3, "The Continental Limited" leaving Toronto daily at 10:50 p.m., and now operating via Beaverton, will on February 3, leave Toronto at 10:30 p.m. and will operate via Newmarket and Orillia to Washago, thence over the regular route, arriving at Washago at the regular time of 1:14 a.m. This train, at present operating through the Toronto Don suburban station, will, upon its re-arranged schedule operate through Parkdale and St. Clair Avenue stations and will make stops at these points. Under this new arrangement passengers for Parry Sound, Sudbury, Winnipeg and Western Canada will have a through transcontinental train service of the highest order, which was not previously available.

Passengers from points on the line between Parkdale and Washago desiring to proceed to North Bay and stations on the Temiskaming and Northern Ontario Railway, will be able to use train No. 3, to Washago and then connect with train No. 47 to North Bay.

Train No. 45, operating from Toronto to Orillia and Midland, which at present leaves Toronto at 5:35 p.m., arriving Orillia 8:32 p.m., and Midland 9:40 p.m., daily except Sunday, effective February 3, will leave Toronto at 7:45 p.m., arriving Orillia 10:42 p.m. and Midland 11:50 p.m. There will be no change in route but the change in schedule will afford a later departure out of Toronto for local points to, and including, Orillia. Train No. 45 has a connection at Allandale for Collingwood and Meaford, which will be adjusted to provide arrival at Collingwood at 11:00 p.m. and Meaford 11:50 p.m.

High Commissioner

SIR FRANCES FLOOD

Ready now for active work is Sir Frances Flood, new British high commissioner to Canada, shown here in Canadian government photo from "Earncliffe," his official Ottawa residence.

United States Considers Another Reciprocity Pact

Announcement of an intention of the Government of the United States to negotiate trade agreement with Canada, was conveyed to the House of Commons Monday afternoon by Prime Minister R. B. Bennett. He read the following statement:

"The Secretary of State of the United States of America has made this afternoon the following announcement at Washington.

"Pursuant to Section 4 of an Act of Congress approved June 12, 1934, entitled 'an Act to amend the Tariff Act of 1930,' and executive order No. 6750 of June 27, 1934, I hereby give notice of an intention to negotiate a trade agreement with the Government of Canada."

First Smoker in the Legion's Clubhouse

Event on Saturday Night will be One of Enjoyment, "Cream of Male Talent" to be Heard.

The first smoker for the members and personal friends of the Canadian Legion will be held in the new clubhouse on Cedar street, South, on Saturday evening of this week.

The committee in charge state that this one is to be a record-breaker. In fact as the correspondent of The Advance was informed and as stated in the advertisement elsewhere in this issue, "The Cream of Male Talent" will feature the event. Outside of that The Advance can give no further details.

Taking past smokers of the Legion into consideration it can be safely predicted that those who attend the Legion Clubhouse on Saturday evening will have an enjoyable time. Cheese, crackers and smokes will be provided.

There will be no charge, so all members are asked to come along, bring a friend, sign the book, then enjoy yourself.

Timmins Men on Committee of the Zionist Organization

With some 300 delegates from all parts of Canada applauding and cheering A. J. Freiman, of Ottawa, was re-elected president of the Zionist organization of Canada for the fifteenth successive year, when the convention met in Toronto this week.

Mrs. A. J. Freiman was re-elected head of the Hadassah organization in Canada. Mrs. Freiman is a sister of Mrs. A. J. Shragge of Timmins.

Two Timmins men, S. Bucovetsky and C. Abrams were elected to the National Council of the Zionist organization from Canada as representatives from Ontario.

Burns Anniversary Event Friday Night

Castle Douglas Camp, Sons of Scotland, have Pleasing Programme for Burns Night, Jan. 25th.

In Monday's issue The Advance published the full programme of toasts and responses and musical and literary numbers for the Burns anniversary event to be held in the Oddfellows hall, Timmins, on Friday evening of this week, Jan. 25th, commencing at 8 p.m. The event is under the auspices of Camp Castle Douglas Sons of Scotland, and previous successful events under the same auspices indicate that Friday evening's Burns Supper will be a very enjoyable and interesting one. Among those proposing and responding to the toasts of the evening are:—Mayor R. Richardson, W. H. Wilson, Wm. McHugh, Dr. J. B. McClinton, A. Campbell, G. A. Macdonald, D. Mackie, Wm. Wren, R. Gray, Mrs. Sturatt. "The Immortal Memory" will be given by Rev. Bruce Millar. T. Arnott will give the "Address to the Haggis." There will be solos by Mrs. J. McConnell, Wilson Thompson, Mrs. H. McCulloch, Jas. Cowan, Jas. Geils, Mrs. P. Hunter, Mrs. Smith. Violin selections by David Gordon and a recitation by Mrs. Campbell will also be features of the programme. A number of choruses will add further interest to the evening. Others taking part include:—J. McConnell, chairman; J. Roberts, toastmaster; Wm. Allan, croupier; J. McLellan and H. O'Neil, pipers; Miss Adamson, Highland dancer; W. A. Devine, accompanist; J. Roberts, and J. McConnell, M.C.'s for dance.

After the banquet and programme there will be a dance in the hall to conclude the event.

Chas. Holley Again on Timmins Police Force

Chas. Holley, who has recently been on the Noranda police force under Chief Wilfrid Perrault, but who was for two years or more a member of the Timmins police force, is back again as a member of the Timmins police. He took up his duties last night. For several months last year he was sergeant on the local force and did exceptionally good work in that capacity. Constable Holley is popular in town and will be welcomed back here by hosts of friends.

Mrs. T. Roydon, of Kirkland Lake, is the guest of relatives and friends in Timmins.

Councillor Chateauvert Withdraws Resignation

Another Fireman and Another Policeman Added. New Chassis may be Bought for Fire Truck. Unemployed May get Work on Road on Feb. 1. Other Council Business.

On Feb. 1st, 50 Timmins unemployed will go to work on the Swastika-Matachewan road according to a letter received by the Timmins council yesterday.

Councillor Chateauvert withdrew his resignation.

Another fireman and another policeman will be added to the payroll.

It is likely that within the next day or so arrangements will have been made for the purchase of a new chassis for the smaller fire truck.

100 Men Provided For

Those were the most important matters dealt with by the Timmins council on Wednesday afternoon. The notice from the Northern Development Dept. concerning the use of Timmins unemployed on the Swastika-Matachewan road comes as the result of prolonged letter writing by order of the council. The letter from B. H. Clark of the Toronto office stated that they hoped to be ready to take 50 Timmins unemployed by Feb. 1st. On Feb. 15th they will take another 50 but the original ones employed must leave the camp for two weeks, after which they will be taken back on again.

The mayor asked the clerk to find out about transportation when replying to the letter. He will telephone the acting district engineer, A. T. Haymer at Matheson, asking if the government would pay the men's fare to Swastika and return every two weeks. Councillor Caron remarked that a man would not have much money left after paying his transportation both ways.

Premier M. F. Hepburn acknowledged two letters from the municipality, and Hon. Peter Heenan one.

Present Unemployed List

Another delegation from the "Timmins Unemployed Association" was present and the mayor stated that their proposals would be brought up at a special meeting to be held on Tuesday at seven o'clock. The association will receive their answer on Wednesday, he said. Their spokesman brought with him a list of the members of the association showing how long each had been resident in town but hesitated to present it to the council. "Won't that lead to discrimination?" he asked.

"I don't see why it should," replied the mayor.

"Regardless of whether they are foreign-born or not, they will get fair treatment here," said Councillor Bartleman when the leader suggested that the foreign-born members might be subjected to deportation.

So the list was handed over and a copy will probably be given to the government employment office here for (Continued on Page Eight)

Allowance of Food Larger in Timmins

Changes Forecast by Minister of Welfare and Municipal Affairs, in the amount of food provided for relief cases will probably not have any effect on the situation here, it is thought.

Changes forecast by Hon. David Croll, Minister of Welfare and Municipal Affairs, in the amount of food provided for relief cases will probably not have any effect on the situation here, it is thought. At present Timmins supplies a larger weekly allowance of food than most other centres, particularly those in southern Ontario.

It is regarded as doubtful whether the government could insist on absolute uniformity throughout the province in the matter of food allowances. Timmins will in all probability continue to dispense food at the present rate, even though the new government "standard" should be considerably lower.

The Semi-Weekly Smile

Someone has sent this one in, marked: "With the compliments of Mr. Hepburn"— "You promised me a job, sir." "But there are no jobs open." "Well, you said you'd give me a job though." "Tell you what I'll do: I'll appoint a commission to investigate why there are no jobs, and you can work on that."

Thirty-Seven Below the Lowest Official Mark

Last Night Colder than Tuesday Evening According to Government Recording. Some Very Low Temperatures Reported in Town and District.

Last night set up a low temperature record for Timmins this winter but the "lows" do not show that it has been as cold as most people thought it was. Reports from various parts of the town indicate much lower figures than the official Hollinger thermometer. Last night the accurate instrument at the mine plunged to 37 degrees below zero and that is the coldest record this year.

Yesterday's maximum was 20 degrees below zero. On Tuesday night the minimum registered was 22 below and the maximum during the day 11 below.

Last night's minimum was within one degree of the coldest day last winter, February 6th, when 38 below was touched at the mine. Reports from outlying districts are apparently much exaggerated, though doubtless there are many places in the district colder than the Hollinger property.

For instance, it was coolly reported to The Advance that the mercury touched 73 below zero at the river near the mill in Iroquois Falls. It was said that it was 63 below at Twin Falls and 46 below at the Iroquois Falls station last night.

Others had it 53 below down near the river here on Tuesday night and 60 below at Cochrane. Certainly some of the thermometers on Third Avenue and Pine Street registered from 32 to 35 below both Tuesday and last night.

Temperatures this morning in northern Ontario were all sub-zero and there is a difference of 30 degrees between the two ends of the T. & N. O.

At North Bay it was just 10 below zero at about nine o'clock, while at Cochrane it was 40 below. Intermediate points varied between the two extremes.

Don't miss a copy of the paper. Help The Advance to help the people and to keep The Advance, advancing.

Many thanks!

Timmins Drops Out of N.O.H.A. Competition

Attendance and Game Last Night the Final Deciding Factors. Senior Hockey Over for This Season. Gate Last Night Netted only \$12.70.

After last night's performance at the hockey rink, the Timmins senior N.O.H.A. club definitely suspended operations for the season, leaving the field clear now for South Porcupine, Kirkland Lake and Noranda in the northern group.

\$12.70 from the gate was crowning disappointment to the executive and management. Lack of players, lack of public interest in a Timmins team and general lack of support are the three big reasons that the Timmins club gives as forcing the team to retire.

The fans that did turn up must have had a hunch that it was the last time they would see the Gold Diggers in uniform. They stayed to the last.

The club may lose a little money this year, especially if they pay Kirkland Lake their expenses up here for the

game they played. But the bills will all be paid as soon as possible.

A week ago it looked as if the team could not hang on much longer. Last night proved that only too clearly.

Next year, what will happen? It is unlikely that any of the present executives will act unless conditions change a great deal and either public or private support is forthcoming. The officials are disillusioned and generally disgusted with the way things have gone this year. Where's the big trouble?

N.O.H.A. officials were notified this morning of the Timmins club's action in withdrawing from the league.

W. M. Whyte will be the guest speaker at the Kiwanis luncheon on Monday and will give an address on Robert Burns, the great Scottish poet.

President Addresses Zionist Convention

Meeting in convention in Toronto, Zionists of Canada, and several notable visitors from the United States, reaffirmed their faith in Great Britain as supporter of the Zionist movement throughout the world. Under the presidency of Mr. A. J. Freiman of Ottawa, the convention made many resolutions for the coming year. Members of the Ontario cabinet addressed the group and Mr. Freiman is shown here with Ontario Attorney-General Arthur Roebuck who in his address said he hoped Canada would become the mecca of all oppressed people. Mr. Freiman painted a gloomy picture of the present European scene.
