

VICTORIA set for WINTER GOLF FESTIVAL

Golf on sun-shine flooded courses over fairways and greens as springy and smooth as in summer, but with a minimum of rough, is the lure for the seventh annual renewal of the Empress Midwinter Golf tournament to be played over the scenic and championship links of the Oak Bay course at Victoria, B.C., February 18-23.

The lure of midwinter golf brings the ardent golfer from all parts of Canada and the United States, not to mention Europe, to compete in this now famous tournament, inaugurated seven years ago by the Empress Hotel, Victoria and the Canadian Pacific Railway with a view to telling the world that Canada has in its courses on Vancouver Island, weather conditions that rival those farther south in winter time. There is no lack of prizes, and some of them rank high in the world of golf trophies.

The E. W. Beatty Trophy still remains the chief award, but the prize list has been augmented greatly. The Victoria Chamber of Commerce set up its fine cup as the reward for an open amateur championship — the Beatty Cup being for handicap play in men's and women's divisions; the late Jack Watson, noted British Columbia sportsman, added his cup for inter-district team matches played for by four-men teams, and the Victoria Rotary club put up a handsome rose bowl to reward the fair golfer who turned in the best golf

qualifying score, and the Victoria Golf Club and Royal Colwood Golf Club also have been helpful in increasing the array of silver ware to more than fifty fine pieces. For 1935, the sea-girt, short and tricky Oak Bay course of the Victoria Golf Club has been chosen as the scene of the 7th Empress tournament, with dates February 18-23 inclusive. Lay-Out shows the first Green; the E. W. Beatty Cup; the Oak Bay Club House, and the Empress Hotel.

Another Big Score at South Porcupine

Timmins Juniors Lose Out to the South End Juniors with the Score 10 to 1. Porkies Scored at Will.

South Porcupine, Feb. 2nd, 1935. Special to The Advance.

Porcupine Juniors added another win to their string of victories by ignominiously defeating the Junior sextette from Timmins 10 goals to one. The Junior Porkies scored at will and whenever the spirit moved them, out-playing the poorly organized Timmins team on all sides. The locals showed the results of good coaching and the reward of unselfish combination play. Miller and Hanneberry getting four goals and one combination play and were rewarded by six goals and six assists between them, Hanneberry getting five goals and one assist and Miller two goals and five assists. Richardson netted two of the remaining goals, Doran and Maki getting one apiece.

It was a poor game from a spectator's point as the teams were unevenly matched as the one-sided score indicates. Myers in the local goal was good and the other stand-outs were Hanneberry, Miller, Fetterly and Doran.

The game was handled by O. Proulx. South Porcupine—Goal, Myers; defence, Scantland and Fetterly and Pelkie; forwards, Miller, Hanneberry, Doran; alternates, Bucknam, Richardson, Maki.

Timmins—Goal, Barbaric; defence, Gauthier, Delmonte; forwards, Villeneuve, Walsh, Gillan; alternates, Kennedy, Renaud, Richard, Ellis.

Cobalt-New Liskeard Bus Service May Start Feb. 10

The Haileyburian on Thursday last had the following:—"Latest reports this week are to the effect that the new buses which will replace the present service on the Nipissing Central Railway between Cobalt and New Liskeard, passing through Haileybury, will arrive next week. No official announcement is forthcoming yet, however, either from the railway or McIsaac & Kennedy, who will operate the bus service and who have had three machines on order for some weeks past. So far as could be learned, if the buses arrive at the expected time, the service will be commenced the following week, that of February 10th. The schedule suggested when the bus service was first footed was an hourly trip each way between the three towns. Buses would leave Cobalt and New Liskeard shortly after the hour, meeting in Haileybury about the half hour. This would be a better service than the 90-minute one in force on the railway for the past year or two, but it is expected that the fares will be somewhat higher. The change will necessitate a re-arrangement of the hours at the Haileybury High School, which were made to conform to the car service for the benefit of students living outside the town. It is stated that an official announcement will be made before the change goes into effect."

Death Takes Mother of South Porcupine People

From Campbell's Bay, Quebec, comes a despatch telling of the death of Mrs. Frank Hearty, mother of Mrs. Thos. Cahill, Miss Clare Hearty, Andrew and Merrill Hearty, South Porcupine.

The funeral of Mrs. Hearty was held at Campbell's Bay on Thursday of last week, Jan. 31st. The funeral was very largely attended, large numbers of relatives and friends paying their last tributes of affection and esteem. The funeral took place from the family residence on Leslie street, Campbell's Bay, to St. John the Evangelist Roman Catholic church, where requiem high mass was chanted by Captain the Rev. Father W. L. Murray, M.C., parish priest, assisted by Rev. Father J. L. Sullivan, parish priest of Bristol, curate, St. Ann's Church, Calumet Island.

Mrs. Hearty died Tuesday following a stroke two weeks ago. Although in ill-health for some time, her death came as a shock to her many friends. She was born in North Onslow, Que., 61 years ago, a daughter of the late Mr. and Mrs. John O'Donnell. Following her marriage in 1885 to the late Frank Hearty, they took up residence in Campbell's Bay, where Mr. Hearty was a blacksmith until his death, six years ago.

Chief survivors are, four daughters, Mrs. Thomas Cahill and Miss Clara Hearty, South Porcupine, Ont.; Marguerite and Callista Hearty, Campbell's Bay; four sons, John and Wilfred Hearty, Campbell's Bay; Andrew and Merrill Hearty, South Porcupine, Ont., and three brothers, Charles and Maurice O'Donnell, North Onslow, Que., and Jack O'Donnell, Arnprior, Ont., and three sisters, Mrs. Joseph Cain, Campbell's Bay; Miss Bridget O'Donnell, Ottawa, Ont., and Miss Margaret O'Donnell, North Onslow, Que.

Acting as pallbearers were Peter J. Mousseau, G. Allan Smith, E. Cain, George M. Smith, James Quinn and George Cahill.

The many floral and spiritual offerings and messages of sympathy received by the family testified to the high regard in which Mrs. Hearty was held.

50,000 Cattle Perish in Southern Cold Wave

About fifty thousand cattle perished when a sudden cold wave swept over three counties in southern Texas. Tractor crews hauled the corpses into piles and burned them with oil. This view shows a part of the cattle on the coast of the Gulf of Mexico near Beaumont, Tex.

It is Optional to Believe This or Not, But Here it is

This is from The Hanover Post and there is no question of the veracity of that newspaper in suggesting that readers are free to believe or disbelieve. No doubt The Post was sure of its facts, but "believe it or not" is preferred so that there may be no undue strain on readers. "The birth and raising to normalcy of the Dionne quintuplets of Callander, Northern Ontario, has been responsible for the searching of records to find if there were other births that would match this unusual occurrence. However, the Ontario quintuplets can claim one record. There have been many multiple births, ranging from two to six, but in no other case have five children survived. If the young girls are successfully reared to a more mature age, they will be the only ones in the world, and, if they are placed on public exhibition, onlookers will see something they have never seen before or may never see again.

man gave birth to 62 children, which is believed to be a record.

"The wife of a Scotch weaver is reputed to have had about 60 children, of whom 46 boys and four girls survived and grew to be men and women.

"A Russian peasant named Wasilef had 87 children in the 18th century. His first wife gave birth to four sets of quadruplets, seven of triplets and sixteen of twins. His second wife, who survived him, had two sets of triplets and six of twins.

"Toronto is having a 'baby race' of its own at the present time. A prominent citizen of that city provided in his will that the estate, which is valued at about \$500,000, shall go to the woman who bears the most children in the ten years beginning in October, 1926. The present leader in the 'race' has had eleven children during the past eight years and is confident that she will be declared winner when the time expires in October, 1936. The runner-up has given birth to nine children so far since 1926, both women having given birth to a child within three days of each other a couple of weeks ago, and she expresses every hope that she will beat her rival and win the big money award. All told she has had 22 children, but only nine since 1926.

"The will is a most eccentric one, and there is much to be said in favour of a move to have its validity tested at once in the courts of law rather than wait until the ten years expire and some woman lays claim to the fortune.

It is bad enough to offer such a prize to the mother giving birth to the most children in a ten-year period, but if it were later found that the will is invalid it will be a cruel blow to the woman who has raised the largest family."

New Councillor Given Acclamation at Haileybury

The Haileyburian last week says:—"W. G. Cooper is the new town councillor who will make up the seventh member to sit on the board for 1935. He was elected by acclamation on Friday last when nominations were held for the third time and the council is now complete for the year. At the inaugural meeting early in the month Councillor R. F. Richardson resigned his seat and the nomination last week was made necessary. Mr. Cooper is a newcomer to municipal affairs, although an old resident of Haileybury. He is a building contractor and carpenter and is well known to the majority of local residents. There were only two names placed in nomination on Friday, that of Mr. Cooper and J. B. E. Proulx of the Haileybury Bakery. The latter did not qualify. It had been anticipated that there would be no necessity for an election to fill the vacancy, since the new council had already got a start on the year's work and there appeared to be no question of particular moment."

Interesting Events at South Porcupine

Change in Waiting Room for Bus Service. Crummet Tea and Whist by Ladies of the Sewing Circle.

South Porcupine, Ont., Feb. 2nd, 1935. Special to The Advance.

Miss Bess Hendry left on the noon train on Saturday for Toronto, where she will spend two weeks on holiday.

Born—At the Presbyterian hospital, South Porcupine, on Thursday, Jan. 31, to Mr. and Mrs. Don Wright (nee Martha Michaelson)—a daughter (still-born).

The first home basketball game in the interscholastic series is scheduled for Wednesday next (Feb. 6th), in the High School auditorium at 7:30 p.m. All interested in children's sport will enjoy the game. As Dakon and Cunningham has dissolved partnership the South End to Timmins and Dome buses now start from the Central hotel, instead of Cunningham's Livery. The waiting-room in the hotel which is on Bruce avenue, opposite the post office.

A very enjoyable afternoon and evening was spent at the Parish hall on Wednesday last when the ladies of the Sewing Circle put on a crummet tea and whist drive. In the evening a fair crowd assembled for whist and all had a very good time. The prizes were very nice and were won by—1st, for ladies, Mrs. G. Helmer; 2nd, Mrs. A. Ewing; 3rd, Mrs. A. McGinn. For gents—Mrs. Hegdes (playing as man), 1st; 2nd, Jim Baker; 3rd, Mrs. Smith.

Mr. and Mrs. Torve Ihander who lived in South Porcupine previous to going back to Finland, have again taken up residence in town from Rouyn. We are glad to report the little daughter of Mr. and Mrs. Andrew Hartley as being on the road to recovery, after serious illness. A number of our fellow townsmen and women spent a most enjoyable evening at bridge on Friday night at the home of Mr. and Mrs. Bert Cooke, of Schumacher. The affair was sponsored by the ladies of St. Paul's (South Porcupine) Women's Auxiliary, and Mrs. Cooke kindly gave her home for the party. Schumacher and South End bridge fans met, and a thoroughly pleasant evening was enjoyed by all. Moreover, although the ladies of Schumacher gained the prizes, the men of South Porcupine took home the honours. Mr. Vic Evans gaining first and Mr. W. G. Skinner second prize. A delicious lunch was served, and a gratifying amount given to the funds.

Keep in mind the Valentine dance or frolic that the A.Y.P.A. are putting on in the High School on Tuesday, Feb. 12th. It is to be a big affair, we hear. Last Wednesday the Young People's Society of the United Church invited the Young People of the Anglican Church. A lunch was served and a pleasant social time enjoyed. This was a friendly gesture which was much appreciated.

Memorial Tablet to Miss Annie Bradley

Missionary Teacher's Memory Honoured at her Home Town of Haileybury. Tablet Unveiled.

The Advance last week made brief reference to the unveiling of a memorial tablet in honour of Miss Annie Bradley, missionary teacher, who lost her life last year in an auto accident in Portuguese West Africa. Miss Bradley had many friends and acquaintances in Timmins and these will no doubt be interested in the following more extended account of the unveiling of the memorial tablet, as given by The Haileyburian last week:—"Unveiling of Tablet to the Memory of Miss Bradley

"An interesting and impressive ceremony took place in the Haileybury United Church on Sunday morning last, when a tablet was unveiled in memory of the late Miss Annie Bradley, who lost her life in a motor accident last fall while serving as a missionary teacher in Portuguese West Africa. As it was also Communion Sunday in the church, there was a good attendance and the unveiling of the memorial tablet after the opening part of the service.

"After paying a sincere tribute to the memory of Miss Bradley, Rev. W. A. Beecroft, B.A., B.D., pastor of the church, read the inscription on the memorial and Mrs. Beecroft withdrew the veil displaying a dignified, rectangular tablet with the following words: "In loving memory of Annie Bradley, Missionary in Angola, West Africa, July 29, 1927, to October 27, 1934. Well done thou good and faithful servant; enter into the joy of the Lord. Erected by her friends."

"The tablet, which is of repousse brass, was made by Mr. B. W. Hartley, who is a well-known local artist and who spent a great deal of time on it after securing the material from England. It is rectangular in form with the upper part forming a perfect Gothic arch, ornamented with two Roses of Passion flowers. The whole is conventionally treated and the lettering is of Sixteenth Century style, with the design including the "Tree of Life." It is said to be one of the first repousse tablets erected in this country and the work of Mr. Hartley is being highly commended.

"The erection of the tablet is a fitting tribute to the memory of Miss Bradley, who for many years was a faithful worker in the church in Haileybury. Her death last year was a great shock not only to her parents and brother here, but to the whole community."

Brantford Expositor:—Mussolini has replaced six members of his Cabinet, but still sticks to the seven portfolios which he holds himself. It Duce manifestly believes that it is good policy not to have to drum up others when he wants a Cabinet majority.

BE BEAUTIFUL By ELSIE PIERCE FAMOUS BEAUTY EXPERT

MARION NIXON'S skin is smooth, fine of texture and her beauty enhanced by artistic make-up. Note arched brows and perfect lip makeup. COARSE TEXTURED SKIN A BANE TO BEAUTY

Next to wrinkles (which to most women denotes approaching age) and next to pimples (which, curiously enough youth seems to suffer from) coarse skin seems to be the bane of the masses. It is not confined to any age, although as one grows older the pores naturally tend to become enlarged. Recently I overheard a man say "so much leather." Which wasn't a very elegant compliment to a certain lady's skin—but then the skin wasn't very beautiful either. Members of the same family seem to have the same type of skin texture, that is very fine-grained or coarse. But lest you hasten to blame the fates and cry "it's inherited and there isn't much to do about it, let me explain that there is a good deal that can be accomplished toward refining the skin that is naturally large-pored. Most children are born with "baby" skin—pores so fine the naked eye can not see them and one would never know they're supposed to be there. Then along about the adolescent period the gaping pores suddenly appear. "In the family" is just one reason for enlarged pores. Impaired digestion is another cause. Constipation is beauty's curse and people who suffer from it very often have coarse-grained skin. Poor circulation is closely related to
