South End-Schumacher Fire Brigades Meeting

Fire Alarm Stops Joint Meeting for Short Time, but Gathering Soon Renewed. Other Items of Interest from South Porcupine and Dome.

South Porcupine, Ont., March 2nd, 1935. Special To The Advance.

South Porcupine fire department went out to a joint meeting and banquet with Schumacher fire department on Wednesday night. Many representatives of the mines, and the school boards and also members of the township council were also present. While the social part of the evening was being enjoyed, the fire alarm had to call the boys to a fire near the old Schumacher shaft. With the two brigades on hand there was no lack of firemen for this fire which was quickly under control—then back to the banquet—to complete an enjoyable evening.

The annual meeting of the South Porcupine Fire Department was held on Thursday, Feb. 28th. Routine business was gone through, the annual report and financial statement presented. Officers were elected as follows:—Chief, Maxwell Smith; captain, Geo. R. Stirling; lieutenants, W. G. Skinner and W. Deacon. Out of a number of applications Mr. W. Roach was elected to fill a vacancy in the brigade.

Miss Bandy, of the High School staff, of Cochrane, escorted the basketball team here on Friday; while in South End she was entertained to a very nice bridge party at the home of Miss McFhall and Miss Lucas, of our own High School staff.

After the basketball game at the High School on Friday the teams were entertained at the home of our basketball captain, Catherine Foster, of Bloor avenue.

Mrs. Shipway (nee Elsie Rumble) and little daughter, of Matheson, spent a few days last week at the home of Mrs. Wm. Bannerman at Pottsville.

Mr. Don Miller, who has been in St. Mary's hospital for a minor operation,

was able to return to his duties as Golden City school principal last Monday.

A nice whist party was given on Thursday night last at the home of Mrs. Curtis, of Dome Extension. Mrs. Webb won first prize, Mrs. Jay, second, with Mr. Spitz coming third. A lovely lunch was served and a happy evening enjoyed by all.

We are sorry to learn that Capt. Johns, of Connaught Hill, is on the sick list this week.

Mr. Chamberlain, of Noranda, is in town as an addition to next year's hockey strength.

Miss S. Ackerland, of Haileybury, was the guest of Mrs. A. Whittam, of Commercial avenue, last week.

The Badminton club is now fully organized and going strong. Thirty-six members have registered, which is about as many as can be comfortably accommodated by the club at the Dome community hall. After Thursday night's games a meeting was held at which Mr. Jack McCurdie was elected president (and instructor); Mr. Fred Mason, vice-president; and Mr. Russell Vokes, secretary-treasurer.

Miss Connie Carlson, of the Dome, who has been quite sick, is now, we are glad to note, quite recovered.

Mr. and Mrs. Duffresne, of North Bay, are the guests of Mr. Phil Duffresne, of Connaught Hill this week.

We are sorry to note that Mrs. John Costain is on the sick list again this week. We hope to hear of her return to health again soon.

The A.Y.P.A. held an interesting meeting in the parish hall on Wednesday, when Mrs. Schofield, of Timmins, who was resident at one time among the Indians of Whitefish Lake, gave a most interesting talk on the Indian life—notably her own experiences as a

school teacher among them. The A.Y.P.A. were intensely interested and one of the most agreeable evenings was spent. Snaps were also handed round, illustrating the speaker's talk, further adding to the interest of the meeting.

Mrs. Harper—to aid the Building Fund of St. Paul's Rectory—gave a benefit bridge at her home on Bruce avenue on Friday night. A nice sum was realized for the fund, and the guests thoroughly enjoyed a pleasant evening. Mrs. J. Alexander won first prize for ladies, with Mrs. F. H. Hall second. Playing as a man Mrs. Christie took first honours with Mr. W. G. Skinner coming second.

The basketball game between South End and Cochrane on Friday night resulted in another win for South Porcupine, 54-14. George Kaufman refereed the game. South End—News-ham Hanberry, centre; Betty Jordan, sub.; Emily Cole, Bethea Londry, basket side centre; Beulah Raynor, basket sub.

Great Interest in Schumacher Lions

Toronto and Sudbury to be Represented at Formal Inaugural Meet in April.

A meeting of the Schumacher Lions' Club was held on Wednesday last, Feb. 27th, with the president, Dr. Weston, in the chair.

James G. Hawkins was welcomed to the club as a new member. The chairman of the Membership Committee, W. C. Arnott, reported that he had contacted many prospective new members.

C. Abrams, in a brief speech, gave his impressions of his recent trip to Montreal and Toronto. His address was much appreciated by the members present.

A letter was read from the Sudbury Lions declaring their desire to be present at the Charter Meeting of the Schumacher Lions' Club. This Charter Meeting will be held during April. It is expected that a large delegation will travel to Schumacher from Toronto and other points south for this formal inaugural meeting of the new service club at Schumacher.

Ambitious plans are under way for the lines of usefulness of the Schumacher Lions and if these are carried through as expected and intended there will be great benefit resulting for Schumacher and its people.

LADIES' GUILD TEA AND SALE OF HOME BAKING, MARCH 5TH

The Ladies' Guild of St. Matthew's church are holding a tea and sale of home baking on Tuesday (to-morrow) afternoon, March 5th, at the home of Mrs. S. Habib, 5 Third avenue, from 3 to 6 p.m.

Makes Legal Oath

MRS. E. SEYFFERT

Who tells in a sworn statement how Fruit-a-tives brought her lasting recovery from chronic constipation. Mrs. Seyffert, who resides at 70 Seaton Street, Toronto, is so happy to be well again that she has given a statement of her experience and made it under oath before a notary to convince you of its absolute truth. Mrs. Seyffert says,—"A bad injury I received at childbirth resulted in continued constipation. For years I felt run down, lacked all vitality. My complexion was yellow. I started taking Fruit-a-tives and now I am up at 6:30 a.m. every morning doing my own housework. My complexion is clear and I am quite regular."

Copy of Mrs. Seyffert's complete sworn statement will be sent on request. Write Fruitives Limited, Ottawa, Canada. FRUIT-A-TIVES—25c and 50c EVERYWHERE

Primer A.—Doreen Hocking, Helen Andsten, Pauline Lively, Babra Rayner, Jackie Phillips, Tony Fasan, Richard Barnes, Lorna Henry, Jimmie McDonnell, Esther Collins, Billy Longworth, Mona Richardson, Mary Kemsley, Kathleen Rickward, Gerald Kellstrom, Phyllis Lively, Jimmie Andrews, Lilybel Kellow, Dorothy Mitchell, Mary Letterman (absent).

Plan Hydro Electric Power for the Patricia District

The Hydro-Electric Power Commission is completing arrangements for the commencement of operations for a generating station at Rat Rapids, Albany River. Chairman Lyon announced last week.

This development is designed to serve under the contract with Central Patricia and Pickle Crow mining properties.

It is the most northerly development operated by the commission, and the initial capacity will be 1,200 horsepower with a potential output of between 4,000 and 5,000 horsepower. Both mines are equipped and ready to take power.

Mail and Empire—Hereafter there will be no limit to the amount of liquor that may be carried into provincial parks. The amount that can be carried outside depends a good deal upon the constitution and experience of those carrying it.

Brownie Activities of First Dome Pack

Fourteen Brownies Complete Their Second Class Tests. What Second Class Test Work Comprises.

The regular weekly meeting of the First Dome Mines Brownie Pack was held as usual on Tuesday, February 26, in the Pack Room. A full attendance of twenty-five was recorded.

The ceremonial "Fairy Ring" and Brownie songs opened the meeting. The Elves Six won the attendance marks for February, and now they are in the lead, to win the prize for regular attendance, which is a framed autographed picture of the Chief Guide. Brown Owl again commended the Pack on the improved appearance of their finger nails and neatly tied neckerchiefs.

The meeting was outstanding, as fourteen Brownies completed their Second Class Test—Shirley and Eleanor Burke, Maureen Thomas, Joe Countryman, Grace Pirie, Francis Harvey, Louise Kellow, Elaine Letterman, Jean Munro, Joyce Ams, Elsa McDonnell, Viola Lalonde, Grace Richmond, and Florence Connelly.

Second Class Test work includes:—1. Intelligence—Know composition of the Union Jack, and correct way to fly it. Tie the following knots and know their uses:—reef knot; sheetbend; round turn and two half hitches. Do up a parcel neatly. Observe and describe something belonging to outside world, chosen by herself; sky, animal, plant, etc. 2. Handcraft—Make useful article using hemming stitch. Sew buttons securely and neatly, on actual garments. 3. Physical Health—Know how and why, she should keep nails cut and clean, teeth clean, and why breathe through nose. Hep around figure of eight course. Throw ball ten yards with right hand, and left. Throw a ball so that a girl six yards away catches it four times out of six. 4. Service—Lay a table properly for dinner.

After awarding the tests, games were played, and then a short practice in semaphore signalling, using the first circle.

A Brownie story and "Grand Howl" closed the meeting.

Rotary Magazine—Money may not buy happiness but with it you can be unhappy in comfort.

New \$100,000 Theatre to be Built at Kirkland Lake

A new theatre in Kirkland Lake, construction of which will begin on June 1st, is announced by a subsidiary of Famous Players Corporation, which owns the two existing theatres there. The total that will be spent on the new building and renovations is nearly \$100,000.

The new house will give Kirkland Lake a total seating accommodation for nearly 2,200 talkie fans and during a week's operation of the theatres, there will be a choice of eight feature pictures, including those from United States, England, France and the U.S.S.R.

First run pictures which usually play Kirkland Lake before they get their opening in Toronto and Montreal, will be shown at the Capitol, where the programme will be changed twice a week. Those that aren't quite headliners, but the usual run-of-the-studios go to the Strand where programmes change three times weekly. Westerns, British, Russian and re-runs will be at the new theatre, the Uptown, which will be located at the western extremity of the business section.

All three theatres are to operate continuously from 1 to 11 p.m.

Plans for Financing the Kittson-Hazelton Mines

The Kittson-Hazelton Gold Mines, which was formed to take over the properties formerly owned by the Kittson Cobalt and the Hazelton Porcupine, is now making arrangements for funds to proceed with the active development of its holdings. Considerable development has been completed at the Kittson mine and the present operators plan to sample the workings, do further development, and possibly install a mill to recover the gold, copper, cobalt and silver values which are reported to have been evidenced. Surface work and diamond drilling has been completed on the Hazelton property in the Porcupine area.

Shares issued for the two properties amount to 1,700,000 out of a total capitalization of 3,500,000 shares. A public offering is now being made of 500,000 shares.

Northern News—An insurance company holds that serving beer in beverage rooms is a more than normally hazardous occupation. And so is drinking it in Kirkland Lake, twice a month. You risk being crushed to death.

Death on Thursday of Mrs. E. MacMillan

To be Buried at Prince Albert, Saskatchewan. Wife of "Red" MacMillan, of McIntyre.

Mrs. Eldridge MacMillan passed away in St. Mary's hospital on Thursday morning after a short illness. No funeral service was held here but the body was shipped to Prince Albert, Saskatchewan, her former home.

She was just 28 years old and was the wife of the well-known "Red" MacMillan, catcher for the McIntyre baseball team.

Yes, It's True

That The Porcupine Advance is owned by an individual. It's his property and he must pay the bills and assume all responsibilities. On the other hand, it is also true that somehow or other the public looks upon the community newspaper as being partly their property. The community expects its public institutions to be defended, to be favorably reported, to be kept in good report throughout the district and the province. Churches, societies and organizations look for and expect their activities to be reported in their home paper. And the home paper does all these things—likes to do them. This being so, it is only human that the owner of, and those who are employed at, the local newspaper office should expect that all these various interests would return the compliment through giving it printing orders. If all the printing requirements of Timmins were to be printed in town The Porcupine Advance would have to nearly double its present staff.
