Annual Report Ontario Prospectors' Association

Annual Meeting to be Held on March 26th, at Toronto. Annual Dinner, March 27th. Excellent Work Accomplished in 1934.

The annual report of the Ontario Prospectors' and Developers' Association is to hand and it is a very satisfactory one, showing much accomplished with comparatively small outlay.

The annual business meeting of the association will be held in the Crystal Ball Room, King Edward Hotel, at 8:00 p.m. sharp, on Tuesday, March 26th, 1935.

The dinner will take place in the Crystal Ball Room, King Edward Hotel, on Wednesday, March 27th, at 7:00 p.m. Refreshments will be served before the dinner by the president in the Blue Reception Room at 6:30.

The annual report of the association speaks for itself. Here it is:— Toronto, Ont., March 4th, 1935 To the Members Ontario Prospectors and Developers Association.

Another year of useful service and concrete accomplishment has passed for your association since the last annual report was sent out on February 28th, 1934.

The new regulations governing the health and sanitation of the men in small camps engaged in mining development and prospecting were finally put into force on April 17th, 1934.

Your association was also instrumental in having passed an amendment to the Mines Act by which anyone staking a group of claims will be entitled to all the ground within his outside lines, and does away entirely with inside fractions in any group of claims properly staked.

Your president and secretary spent ten days in Ottawa on the gold tax and feel that their efforts were in part responsible for having the burden of this tax taken off the shoulders of those mines which depended on the increased price of gold to make profits.

Since the change of government, your association has made contact with the new administration and explained the point of view of the prospector and developer.

We have especially urged that steps be taken to prevent blanketing by those who call themselves prospectors, but do nothing but follow the real prospector and put up stakes around as much ground as possible and then sit in comfort in town and watch the other fellow develop the country.

You will all remember that this organization was formed originally to oppose changes in the Professional Engineers Act, which changes would have curtailed our right to work our own claims and mining properties unless we hired a professional engineer to supervise the operations.

mourners what to wear—entertained at a "swan dance" to celebrate his then momentarily expected end.

Dr. H. J. Cody, president University of Toronto, Senator Raoul Dandurand, Hon. Athanasie David, Quebec's provincial secretary, Mayor Camille Houde of Montreal and others have received decorations from the French Government.

Hon. Mitchell Hepburn is quoted as saying that Ontario needs about fifteen million dollars of new revenue to balance its budget.

An ex-convict in Chicago, after living for years in "flap-houses," died recently leaving an estate of more than \$100,000.

Sir Malcolm Campbell, famous auto racer now at Daytona Beach, Florida, is quite ill with a severe cold.

The trial of Bruno Richard Hauptmann cost the State of New Jersey approximately \$130,000.

Science marches on. Snowmobiles and snowplanes are becoming common, so youthful Eddie Boulter and Earl Bates of Theodore, Sask., evolved a "snowbarrow" to haul wood.

Regret at the illness of Prime Minister R. B. Bennett and hopes for "a speedy and complete recovery," coupled with an offer to co-operate with the Government during his absence were expressed in the House of Commons this week by Liberal Leader MacKenzie King.

Canadian industry will have a period of three months in which to adjust itself before the federal eight-hour day and 48-hour week legislation becomes effective.

Possibility of a strike on April 1st of more than 500,000 United States coal miners to-day was in the minds of both operators and employe representatives as they gathered to resume wage negotiations at Washington this week.

A call to youth to join in solving present-day difficulties by correcting the existing system in a practical way, step by step, was made by Hon. H. H. Stevens in an address at Ottawa on Tuesday.

A group of friends and admirers of W. J. Stewart, C.B.E., former mayor of Toronto on Saturday launched plans for a dinner in his honour at the King Edward Hotel on the evening of Monday, March 25.

H. G. Wells, the British author, said at Washington on Tuesday he had solved the mystery of why his ship met strong headwinds while crossing the Atlantic.

A sudden storm broke over a sleepy legislature at Toronto on Tuesday night and brought a division on a motion of George Henry, Opposition leader, to adjourn the House.

Attack on the timber administration of William Finlayson, K.C., minister of lands and forests in the former Henry Cabinet, is reported to be planned by the Hepburn Government, and may be launched, it is said, just as soon as the Legislature air is clear of Hydro.

In spite of denials issued by Hon. Duncan Marshall of reports that a further shake-up is planned in the staff at the O.A.C., it was authoritatively stated at Guelph that five research workers in the chemistry department have already received notice of dismissal.

A bill appropriating \$100,000 to prevent epidemics of babies was approved by the Oklahoma House on Tuesday. It was a printer's error. The money will be spent to combat rabies.

The State Coach, weighing nearly three tons, which has not been used since the Coronation, will be in the King's Silver Jubilee celebrations, and is now being overhauled and made ready for Captain Fitzroy's drive from the Palace at Westminster to St. Paul's Cathedral for the Thanksgiving service.

A despatch from Sault Ste. Marie on Tuesday says:—A pair of false teeth staged an exciting hold-up of the C.P.R. passenger train here yesterday afternoon.

LOCALS

Born—On March 2, 1935, to Mr. and Mrs. D. Browne—a daughter (Gloria Irene).

Mr. and Mrs. Arthur Blackmore, of Hamilton, were Timmins visitors last week-end.

Mrs. Geo. Doner, who was operated on at St. Mary's hospital on Monday of this week, is making excellent progress to recovery.

P. T. Moisey is making excellent progress to recovery from his recent attack of appendicitis. He was able to be uptown last week for an hour or so each day this week.

One chimney fire since Monday has been the only alarm turned in at the fire hall. It was a chimney fire at 272 Cedar street south at 7 a.m. on Wednesday.

H. J. O'Neill, who has been ill for some time, is now able to be out again and although not at work steadily, he is well on the way to complete recovery.

Capt. Morris, Senior Chaplain of the Navy League of Canada, who was in the Porcupine camp for some days past on the annual campaign for support for the Navy League left this week after a successful campaign here.

The second bridge tournament of the Porcupine Badminton Club got under way on Tuesday evening, when there were nearly as many members enrolled as there were in the previous games.

Mr. and Mrs. F. J. Malone, who have been visiting for the past three weeks with the former's mother and sister, Mrs. P. J. Malone and Mrs. Ed Keelan, Schumacher, left on Sunday for Arthur, Ontario, where they will spend a few days before returning to their home in Saskatoon, Sask.

There are always interesting North Land items in The New Liskeard Speaker. One of these told of Maudie Gurevitch going down from Kirkland Lake to Englehart to spend the week-end with his parents.

New Bank of Canada Bills Reach Timmins

A few "baby" bank notes began circulating in Timmins on Monday when the Bank of Nova Scotia released their new fives and tens, but the real flood came yesterday when the same bank began issuing the new Bank of Canada ones and twos.

Bank tellers are agreed that it's not going to be a nice job with two different sizes of bills in the cash drawer. Already they are figuring out ways and means of keeping them separated.

Most Timmins citizens on seeing the small notes for the first time expressed surprise that they were in circulation so quickly. The Bank of Canada began operations on Monday of this week.

Notes of the chartered banks bear engravings of their general managers and presidents on the faces and facsimiles of their officers' signatures.

The backs of the Bank of Nova Scotia five is green with a design in figures. The tens show the shield of the bank on the face and on the reverse a mining scene and a sailing ship.

The fives show red and yellow rays on the face and on the back in green a map of Canada. The tens are the same except in colouring, and are bright orange on the reverse.

face and on the back in green a map of Canada. The tens are the same except in colouring, and are bright orange on the reverse.

ALBERT JOLICOEUR'S FATHER BURIED AT OTTAWA, MARCH 9

The following is from Monday's Ottawa Journal:— Final tribute to the memory of Cleophas Jolicoeur, life-long resident of Ottawa, was paid at his funeral held Saturday morning from his late home, 228 St. Andrew street, to the Basilica where requiem high mass was chanted by Rev. Canon O. Lalonde.

Chief mourners and survivors are his widow, two daughters, Mrs. Alfred Dugal and Miss R. Jolicoeur; eight sons, Hector, Oswald, Philias, Arthur, Eugene, and Rene Jolicoeur, of Ottawa; Albert Jolicoeur, Timmins, and Leon Jolicoeur, Detroit; one brother, Teles-

A SONG FOR MARCH SEVENTEENTH

St. Patrick was a gentleman, and he came from decent people; In Dublin town he built a church and on it put a steeple; His father was a Wollaghan, his mother an O'Grady; His aunt she was a Kinaghan, and his wife a widow Brady.

Och! Antrim hills are mighty high and so's the hill of Howth too; But we all do know a mountain that is higher than them both too; 'Twas on the top of that high mount St. Patrick preached a sermon; He drove the frogs into the bogs, and banished all the vermin.

No wonder that we Irish lads are all so blythe and frisky; St. Patrick was the very man that taught us to drink whiskey; Och! to be sure, he had the knack and understood distillin'; For his mother kept a shebeen shop, near the town of Enniskillen. —FROM AN OLD CHANTY.

HEMORRHOIDS OR "PILES" are promptly and thoroughly relieved by the use of Dr. CHASE'S OINTMENT
