

Timmins Juniors Win From Monteith Academy 8-4

Tie Game End of Second Closes Easy Local Win

Tony Delmonte Gets Three for Timmins, Woodward Two and One Assist for Losers. Small Crowd Turns Out to See Fast Hockey.

A plucky little hockey team from the Northern Academy at Monteith went down to defeat 8-4 here last night when the Timmins Juniors went into action for the last time of the season. The Academy boys were a better team in some ways but they did not have the individual playing ability the locals possessed. It was a clean game and a close one up until after the middle of the last period when a few trips that did not look accidental forced Referee Norm Malloy to break an almost clean record and send men from both teams to the penalty box.

The brand of hockey played was far from being ideal but it was good enough to be interesting and kept the small crowd excited most of the way through. If there were any stars to be picked, Woodward for the Academy and Villeneuve and Tony Delmonte for Timmins were as good as any on the ice. Woodward was out of his weight class and was knocked out once as he struck the Timmins defence hard but came back into the game later with his usual tenacity.

Wallingford and Mullen paired up well as Timmins' defence and show promise of becoming very useful players for next season. Kennedy was not up to his usual form but made somewhat of a comeback in the last period. Kupluk on the Academy's defence proved himself a fast and dangerous man when up past centre ice and also a stalwart at the blue line.

Timmins Takes First Plays
Timmins took the play for the first part of the game and it was not until nearly half way through that the Monteith boys got properly accustomed to the ice. Woodward did the scoring after Wilson carried the puck down past the Timmins blue line.

Two minutes later Villeneuve evened the score on a backhand shot from well out in form. Academy had just about cleared after a Timmins attack when Villeneuve picked up a loose puck and without hesitating to get into position, let loose a low shot that completely fooled the alert Aitken. Three minutes later Kennedy took an Academy pass at centre ice and swooped in on top of the goalie to put Timmins one up.

Villeneuve's second goal was an easy one. He stole a pass inside the Academy blue line and was in through defence with it before the visitors could get organized. Monteith tried to rally before the end of the period but could not do any very effective work.

Monteith Rallies in Second
Hongisto, Woodward and Wilson opened the second for Monteith with a determined series of rushes, but it was not until six minutes after play began that Academy was able to score. Then it was Aho who got the goal on a well-timed pass from Woodward. At the time the score was made Mullen was on the ice on the first penalty of the game.

Four minutes later Woodward tied the score after taking the puck through the whole Timmins team.

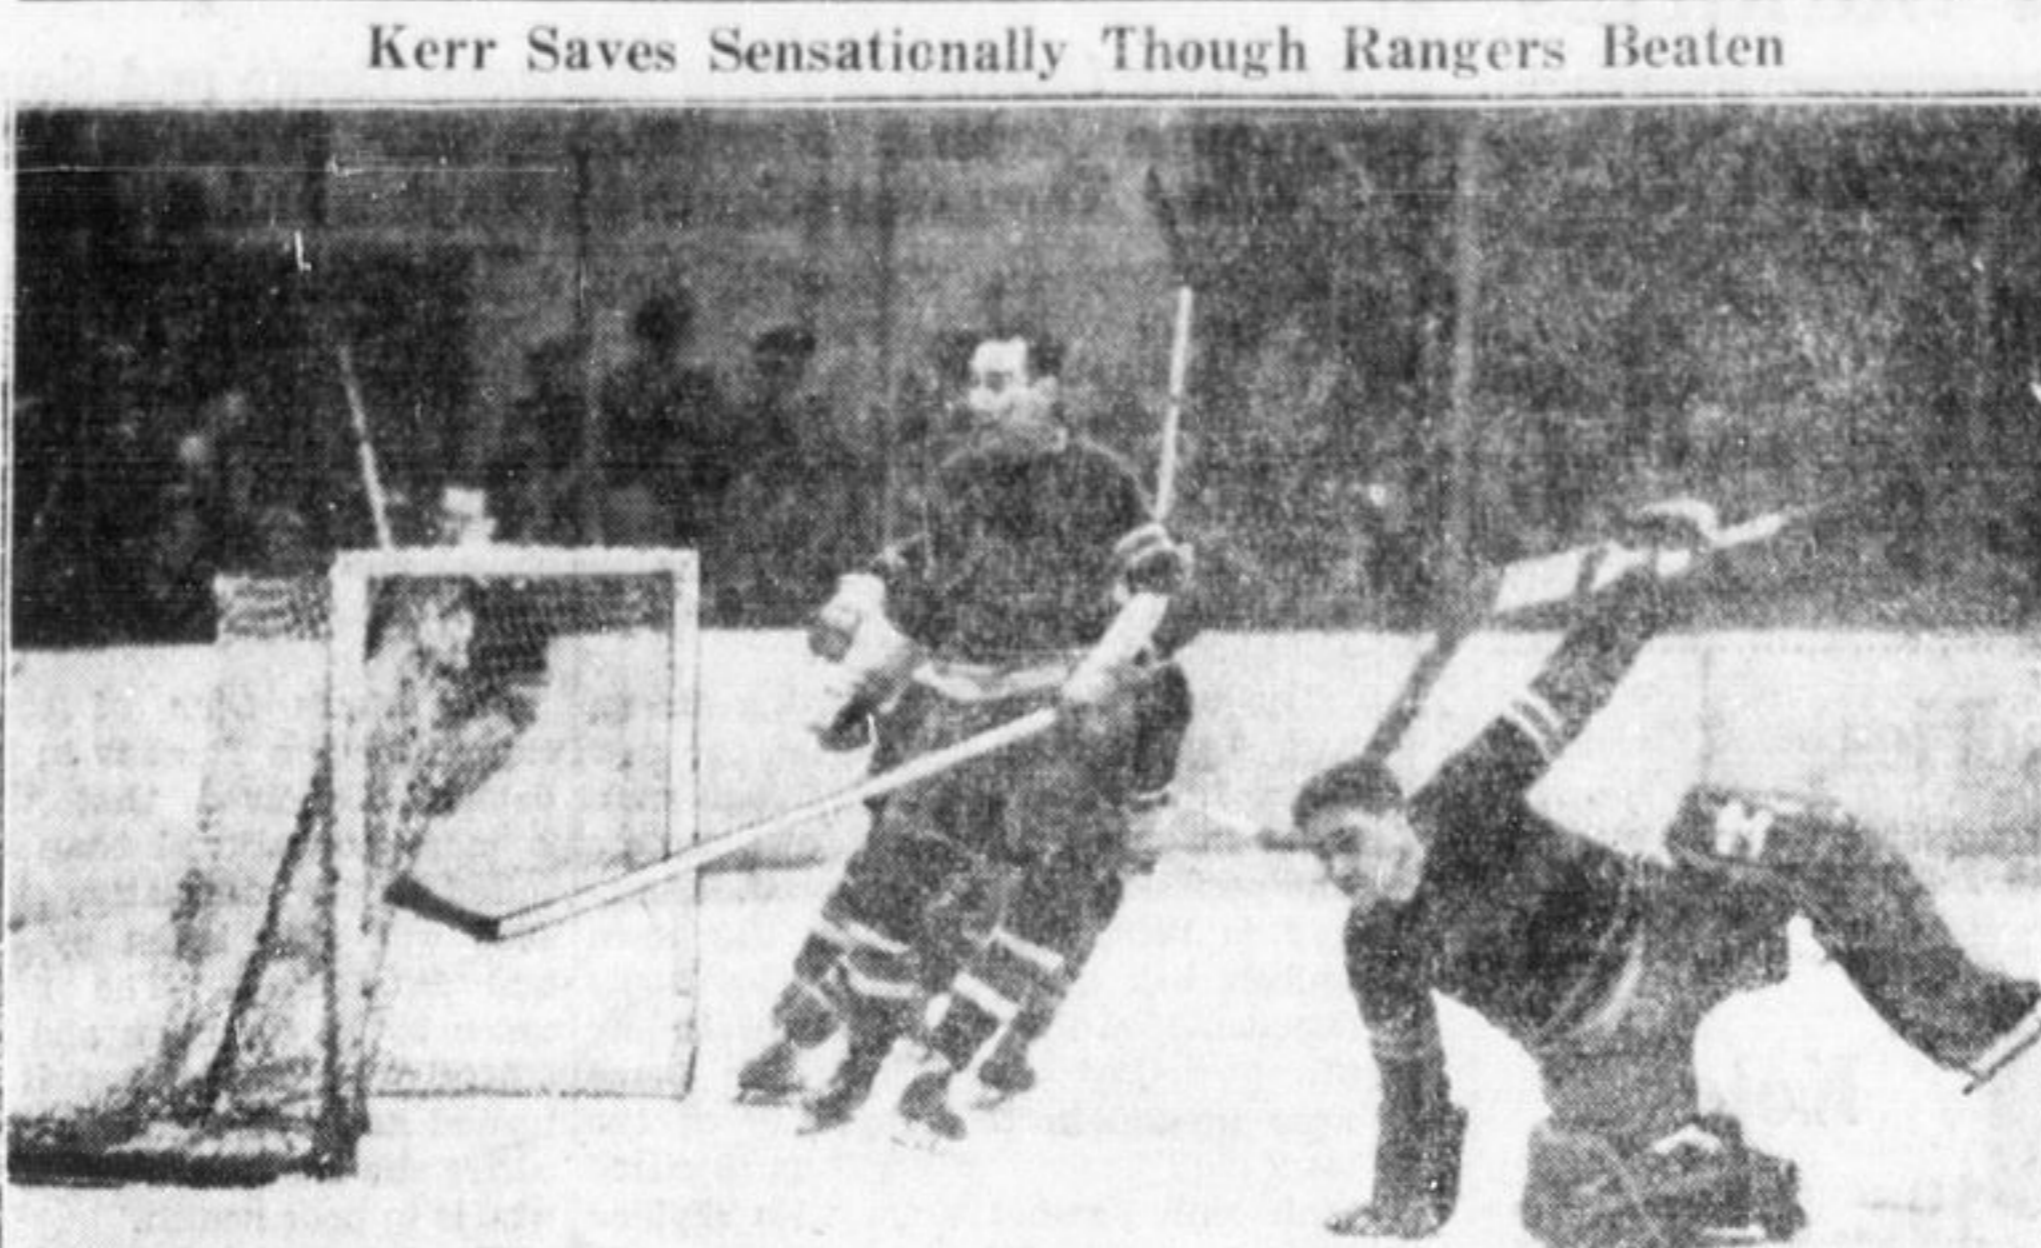

Toward the close of the period, four of the Timmins team, Joe and Tony Delmonte, Guinard and Mullen, went in to worry Aitken in the Academy net. While they were there, leaving only one man on defence, Kupluk broke away and gave Academy a one goal lead. Tony Delmonte forced a tie again on a lone rush just before the bell rang.

Juniors Score Four Times
Monteith did no scoring in the third period and Timmins took full advantage of all the chances they had to score. Kennedy started the scoring bee on a nice looking rush. He and Renaud combined to give the locals a two goal lead a few minutes later. The two Delmontes teamed up shortly afterwards to put Timmins still farther ahead. Then the game began to get a little rougher. Checking was closer and scrappier and at times the game degenerated into shindy. Joe Delmonte drew the first penalty and he was followed closely by Aho. While Delmonte was off, Monteith pressed hard and Everard was forced to do some nice net minding. Both Lavallee and Woodward had nice open shots at him.

With both teams at full strength, Tony Delmonte scored the final goal of the game on a solo play that took him from one end of the ice to the other. Guinard drew a penalty for the remainder of the game for tripping. Gillan went to the box for tripping. Before Monteith had any chance to take advantage of their two man majority, the final bell rang.

The Teams
Timmins—Goal, Everard; defence, Wallingford, Mullen; wings, Renaud, Kennedy; centre, Villeneuve; alternates Joe Delmonte, Tony Delmonte, Gillan, Guinard.
Northern Academy—Goal, Aitken; defence, Brown, Kupluk; wings, Iekie, Hongisto; centre, Woodward; alternates, Lanthier, Wilson, Lavallee, Aho. Referee—Norm Malloy.

Kerr Saves Sensationally Though Rangers Beaten

Though they fought themselves into a 3-3 tie on Montreal ice in the second game of their two-game series, New York's blue-clad Rangers were unable to overcome the one-goal lead the powerful Maroons had gained on New York ice and went down five goals to four on the round. The series selected a finalist for Stanley Cup honours, and Maroons now go on against Toronto Maple Leafs, who bested Boston for the N.H.L. championship. Desperate in their efforts to score, the Rangers threw three, four and five man rushes up the ice, leaving Goalie Dave Kerr to protect the nets alone. Here he is dropping to the ice as he staves off a maroon-clad wave heading goal-wards. His style of play brings him far out of the nets when opposing attackers are coming in.

Now in the Finals Commercial League

Power Dropped Four Points to the Fruit Men. T. & N. O. Takes Three Points from Advance.

The fight is on for the silverware of the Commercial bowling league and Friday last saw only two teams in the melee at the finish.

The Power dropped all four points to Gambles, while the T. & N. O. gained three from The Advance.

The railroaders dropped the first game by 86 pins while the printers were short-handed and took dummy's score. The second was close with teams at full strength and the printers lost out by twelve pins. In the third stanza the railroaders romped home like the Bluebird.

The first game between Gambles and the Power was close, only twelve pins separating them, and then Gambles went out wide open in the next two games to get four points.

Tomorrow finds the printers opposed to the electricians while the fruiterers spread banana peels over the T. & N. O. rails.

Honours go to five best bowlers last week:—G. Eddy, P. Nicolson and H. Horester, Gambles, 739, 690 and 679; B. McQuarrie, Power, 706, and F. Hornby, Advance 601.

Kelly the Hero

REGIS "PEP" KELLY
Hero of the N.H.L. championship series in his first year of pro hockey—that's "Pep" Kelly, little Irish right-winger of the Toronto Maple Leafs who scored one goal against Boston to tie up the fourth game after the Bruins had held a one-goal margin until only two minutes remained, and then flipped in the winning tally after less than two minutes of overtime had been played. Kelly jumped from junior ranks to the Leafs this season. He has played on two previous championship teams, Newmarket two years ago and St. Michael's College, Toronto last year, both Canadian junior champions.

What, Bill? Only 414?
It's good to see Jack back into harness again.
That was some fight between Eddy and McQuarrie throughout the game, and finished with the former getting a tie.
Too bad, Walter, after rolling 244 to have your side-kick get two duck eggs at the end and lose the game by 12 pins.
That's a nice muzzle that railroader wore!
No use, Alfie! When they won't talk, you can't make them!
What will the game between the fruiterers and the railroaders be like tomorrow?
Look out, boys the black crow has returned from Toronto.

Announce Results in Bridge Olympic

International Championships go to Germany and Greece. Winners in Ontario and Dominion.

International contract championships in the fourth world bridge Olympic went to Germany and Greece, a final tabulation of results disclosed at New York on Tuesday night.

Canadian winners, by provinces, except for Nova Scotia, whose results still are in the hands of the judges, were announced simultaneously with those for 60 other countries represented in the mammoth tournament.

The Olympic was played the night of February 1—for the best scores in 15 prepared hands—and more than 150,000 players in 1,100 communities participated.

Frau C. von Kamensky and Dr. L. L. von Barkow, of Dresden, Germany, won the world north-south title, while Mme. Fopy Lotou and Stephen Zotos, of Athens, Greece, ranked highest for the east-west position.

The Canadian winners were as follows:

Alberta—North-south, Mr. and Mrs. Alan H. Nash, Edmonton; east-west, Dr. W. G. Saunders and L. S. Willmore, High River, British Columbia—North-south, Charles C. Cooper and Daisy E. Cooper, Victoria; east-west, Mrs. Mary Ridewood and Mrs. Helen A. Martin, Victoria, Manitoba—North-south, N. Dalman and K. S. Veinon, Winnipeg; east-west, A. J. MacCrea and J. W. Boissonault, Winnipeg—New Brunswick—North-south, C. F. Purdy and Henry Friel, Moncton; east-west, Mrs. G. W. Haddison and Mrs. W. D. Allanach, Moncton. Ontario—North-south, R. E. Horner and A. Harris, Ottawa; east-west, Al Griffith and Albert Smith, Toronto. Quebec—North-south, A. S. Vesey and M. Laliberte, Montreal; east-cois Sammut, Montreal. Saskatchewan—North-south, A. Harris and R. Parkinson, Saskatoon; east-west, Mrs. B. Fortigal and Mrs. S. Lexier, Regina. No results were announced for Prince Edward Island.

In the "British America" division the winners were M. M. Albury and Mrs. Clifton Pinder, Nassau, Bahamas, for the north-south hand, and Mr. and Mrs. N. N. Ashenheim, St. Andrew, Jamaica, for the east-west hand.

Close to 150,000 Fans See Recent Big League Games

Nearly 150,000 hockey fans have paid admissions to see the Stanley Cup play-downs so far this season. It was announced this week. The figures include gates for the Boston-Toronto series, the Maroons-Chicago, Rangers-Canadians and Rangers-Maroon games.

Montreal--Halifax Meet for East's Title

Toronto Eliminated Last Night at Montreal Forum. Port Arthur Bearcats are Western Champions.

Toronto and Montreal met last night in the Ontario-Quebec final and the Royals won a close game at 4-1. The Montreal team now go on out to Halifax to meet the Halifax Wolverines in the Eastern finals.

Ontario-Quebec playdowns. First the Royals handed Toronto a surprise by beating them 5-2 on Montreal ice, then the Royals themselves got a nasty jolt when Toronto trimmed them 5-2 in Toronto. Last night's game was played in Montreal.

Port Arthur Bearcats, senior amateur champions of the Western Canada hockey leagues of the C.A.H.A. have a lay over until the Eastern finals are completed. The Thunder Bay team will then get to Halifax to meet the winners of the Halifax-Montreal series for the Allan Cup, emblematic of the amateur championship of the world. The finals are scheduled to begin on April 10.

From Kayak Sailing to Back-Stopping

This Eskimo boy with sporting blood finds he can "no catchum seal" at this time of year so he decides to "catchum baseball." He is a rookie catcher (perhaps) of the Wakeham Bay Sealers in the Eskimo league. They are not expected to displace St. Louis Cards as world series heroes this year. The team has no high-falutin' ideas about expensive training camps, down south, their idea of south being limited to somewhere north of the international boundary.

Pleasant Whist Party at I.O.O.F. Hall Tuesday

Tuesday night's whist drive under the auspices of the I.O.O.F. at their own hall was a well attended and popular affair. After 15 tables competing had finished playing, light refreshments were served.

Prize winners were—C. Brown, C. Everett, Mrs. J. Sears and Mrs. Breman.

Women Oxonians Prepare for Boat Race Feud with Cambridge

Interest throughout England is once again centred on the Oxford-Cam bridge rowing tussle, as varsity crews from both universities prepare to take the water in their annual brush. Not as widely known, but still stiffly contested is the other inter-varsity race when the women representing each college match their strength. Here are the Oxford ladies shown on the Thames during a workout.

Big Jack Medica Makes New World Swim Record

Husky Jack Medica, University of Washington star swimmer, continued along his record-battering course by breaking the world mark for the 1,500-metre free-style swim last week at Cambridge, when he defended the first of his three National Collegiate championships in the Harvard pool.

Medica flipped up and down the 25-yard pool 65 times, and when he passed under the finish line three clocks timed him in 18 minutes 59.3 seconds, almost 8 seconds faster than the former mark set by Arne Borg of Sweden in 1933.

Washington's super-swimmer, is 6 feet tall, and the length of his body separated him from his greatest rival, Jimmy Gilhula of Southern California, who placed second, in the official time of 18:59.4.

Sudbury Juniors in Memorial Cup Finals

Saskatoon and Winnipeg Play Second of Western Finals To-night, Monarch Have One Goal Lead.

With Sudbury Cubs still riding high, wide and handsome for the Memorial Cup, amateur championship hockey in Canada for the 1934-1935 season is drawing quickly to a close. Sudbury took Ottawa Rideaus in two straight games, the first at Toronto on Saturday 3-0 and the second in Ottawa on Monday night 7-4. They have a little lay over now until the Winnipeg Monarchs and Saskatoon Wesleys get through their two out of three series at Winnipeg.

Winnipeg and Saskatoon are apparently more evenly matched than were Sudbury and Ottawa. The first game of the Western finals played Tuesday night was 5-4 for Winnipeg. The second and perhaps deciding game will be played at Winnipeg to-night. If a third is necessary, it is scheduled for Saturday night.

So the Cub-Wolves are now back in their "native" city keeping in shape for the coming encounter for the world's junior hockey championship. The Cubs have gone a long way on the road to that cup the team was organized to take and the dopsters who think they know say that the Memorial Cup is as good as in Sudbury right now.
