Nichols. Response was made by Mrs. E. Lory in pleasing way.
The toast to the guests was made by Chaplain Bro. C. W. Trevena, and responded to by W. H. Wilson and G. Kinsey.
After the banquet there was a very enjoyable programme and social evening. For the latter W. A. Jenkin was M.C. The programme included—Song, by Mrs. J. Gregson; community singing led by Mayor R. Richardson, with W. H. Wilson at the piano; song, "Trees," by W. A. Jenkin. The excellent programme was followed by dancing and games, including musical chairs.

A special feature of the evening was the presentation to Lodge Goldfields Sons of England No. 387, Timmins, of the trophy for the largest number of initiations of members in lodges of less than 100 members. In responding to this presentation the president said he hoped the Timmins lodge would retain the trophy until the membership passed the 100 mark, when there would be a still more valuable trophy in competition. The presentation of the trophy was made by Bro. J. Goode, District Deputy, Supreme Lodge.
The Kiwanis Club was heartily thanked for the loan of the illuminated picture of King George.
The evening was brought to a close by the "Home Waltz," and "God Save the King." The prize winners were Mrs. McCann and G. Douglas.

Pageant Presented by Junior Children

Mission Band Groups Prepare Scrap Books and Puzzles for Hospital Cheer in District.

On Wednesday afternoon the Golden Keys and Playmasters Clubs for Junior and primary children met in a Mission Band concert at the United church. A program of Easter and missionary songs and exercises was presented for the entertainment of parents and friends. Later, refreshments were served, and games enjoyed by the children.

The Mission Bands have enjoyed stories from "Rays of Light," written by Mrs. Crignon Gardner and presented in pageant form the story of the missionary project in Japan, China and India. Scrap books and puzzles have been prepared for hospital cheer locally, and at Matheson and Hearst. A group of volunteer helpers within the church has given leadership in these weekly meetings.

LARGE CONGREGATIONS AT ST. MATTHEW'S CHURCH HERE

Easter services at St. Matthew's Anglican church brought out larger congregations than in previous years. Special Easter music and lilies on the altar and in the chancel marked the Easter season.

Big Church Attendance at South End for Easter

Fred Laforest Injured while Working under his car. C. G.I.T. Girls Visit Timmins. Police Court Cases. Other South Porcupine and District News.

South Porcupine, Ont., Wednesday, April 24th. Special to The Advance.
Friends of Mr. and Mrs. Bannerman and Mr. Rumble, Golden City, will be sorry to learn that Mr. Skipway (husband of Elsie Rumble) died in the Matheson hospital on Easter Monday. The young man was living on a farm six miles from Matheson and was taken into the hospital on Thursday with appendicitis. He was operated on on Friday, but failed to rally on Monday. The funeral takes place today (Wednesday) at Matheson. Our sympathies are extended to the young widow and small daughter.

The Chief of Police would like us to remind all dog owners that dog licenses must be paid before April 29th, or the law will be enforced.

The Boy Scouts will be round on Friday in the two trucks loaned by the Township for the old clothing bundles you have, of course, got all ready for them to collect. This clothing is to be distributed locally as far as Cochrane to needy people, settlers and others. This is their "good turn" for others. On Sunday they will have church parade—the Catholic Scouts with a leader to St. Joachim's R.C. Church in the morning, and the Protestants all together to the Anglican Church in the evening. They are also preparing to have one big day on May 6th—the Jubilee celebration. We understand that the Dome Scouts are to light a huge bonfire at Dome Extension at the same time that South End Scouts light one on the ball grounds here, and simultaneously a royal salute of twenty-one rockets will be fired by both troops.

Miss Verne Laforest left on Tuesday to take two patients to the Ottawa Civic hospital.
Mrs. J. Hogg, of Toronto, is the guest of Mrs. T. Gibbons this week. Mrs. Hogg is intending to stay in South Porcupine for some time. She owns and operates a beauty parlour in Toronto and is thinking of opening a branch here.

Miss Thomasina Boyle and friend, Miss G. Bucknam, of North Bay, spent the Easter vacation with Miss K. Reynolds.
Miss Marion Gibson spent a few days with friends in New Liskeard last week.

Mr. and Mrs. Fraser, of Sudbury, have taken up residence on Commercial avenue.
The Rebekahs Past Grands' Club held a very enjoyable whist drive last Wednesday at the home of Mrs. Anthony, Rea avenue. Accommodation was made for seven tables of guests and a happy evening spent. A very delicious lunch was served later in the evening. The first prize was won by Mrs. Tom Gibbons; second by Mrs. B. Curtis, third, by Mrs. J. Costain; and Mrs. Fulton of Hearst won a special prize for sitting longest at one table.

Mrs. Brinton spent Easter with her daughter, Mrs. F. Brown, at Smooth Rock Falls. Miss Mary Brown returned with her on Tuesday.
Mr. Ralph Richardson spent Easter with his parents in Cobalt.
Miss Lynch left on Thursday to spend the Easter vacation with her parents in Orillia; Miss Donlevy left for Kirkland Lake, and Miss O. Walker for Calabogie. The other public school teachers are spending the holiday here in South Porcupine.
Miss Shaw is on vacation in Kirkland Lake.
Mrs. Fulton and daughter, Jean, of Hearst are spending the week with Mrs. Starling.
The lantern slides which have been a feature of the Baptist Mission, will now be shown every Friday evening, instead of Tuesday, through the summer.

A record is, we believe, set this Easter for church attendance in South Porcupine. At the Anglican Church three services were held, and the church was filled to capacity for each. At the United Church evening service several who came late could not be seated. At St. Joachim's R. C. Church the children, under the direction of Miss T. Burns, took over the Easter music in the morning with Edith Rapsey at the organ. A two-part Mass (E. Marzo) was sung, and the rendition was exceptional. The soloists—Miss Rapsey and Valerie Besette were heard to advantage, and other parts were taken by Evelyn Spadafora, Pat Laforest and Jean Gallat. A trio of boy voices (Harry Cootie, Everett Edwards and Walter Razcinski) was also part of the service. At the United Church in the evening the Easter Day cantata was wonderfully well rendered, George Woods, Jerry Trueblood taking solo parts, with Mrs. Webb and Miss M. Carne taking the duets.
Mrs. Matt Donovan, with small son, Bernard and Mr. Jack Bray, are the guests of Mrs. W. W. Wilson this week. Mrs. Bray whose home is at Gunat Gold Mine, Beresford Lake, Manitoba, is here to see her father, Mr. Jack Bray, who was removed to the Presbyterian hospital last week suffering from pneumonia. His condition today is reported as favorable.
Born—On Monday, April 22nd, to Mr. and Mrs. R. Langdon—a daughter, Miss Violet Cripps, of Schumacher, granddaughter of Mr. W. P. Olten, is in the Presbyterian hospital here, for appendix operation.
The Catholic Women's League are giving a special treat this afternoon to the fourteen little girls who did the Irish dances in the St. Patrick's play Theatrical Art.

on March 17th. They are attending the theatre matinee to see "Bright Eyes," and after the theatre will repair to the home of Mrs. Cronk for ice-cream and cake!
The Dome Football team and committee held a banquet in the Empress hotel on Saturday night, afterwards attending a special football dance arranged at the Dome Community hall. A delightful time was in order on both occasions.
Miss Smythe left on Sunday for Toronto, accompanying a patient to hospital.
Mrs. Covey and daughter, Clara, are spending the week in Cobalt.
Donald Hardy of Timmins, is spending the Easter vacation with his cousins, Buddy and Stephen Evans.
Don't forget the tea that the United Church Guild are putting in, on Friday afternoon in the church. There will also be home baking and hand needlework.

Mr. Fred Laforest had a narrow escape from serious injury on Tuesday. He was working underneath his car, when the car slipped and the car fell. Fortunately he was in a position where he did not get the full force of the drop or he would have been killed. A visit to the doctor found a broken rib, but no more serious hurt.
At the Easter tea, held in the Dome Community hall on Saturday afternoon, the attendance was gratifying to the Women's Auxiliary of the Anglican Church. Much had been done to make the affair as Easter-like as possible with flowers, etc. The door-prize (a flowering plant) was won by Miss Anna Sullivan. The cooked chicken was won by Mrs. W. H. Johns.
Mr. and Mrs. Spence have moved into the Gibson block.

The Y. P. S. of the United Church are putting on their play "Introducing Susan" in the High school on Friday, May 3rd. On the previous Wednesday (May 1st) a special children's matinee special "Indian Evening" at the C. G. is to be given at 4.15 p.m.
The C. G. I. T. girls were invited to a I. T. headquarters in Timmins on Tuesday night. A dozen of the girls from here went and spent a happy evening. After the "Indian lunch," Shirley Coffey and Jean Andrews, with Joyce Coffey, played an instrumental trio, (violins and piano), and later in the evening Betty MacIntosh and Jean Andrews played a piano duet. Lantern slides on Indian life and mission work among the Hindus were shown, and interesting handwork from India was on exhibition.

The Girl Guides met on Tuesday at headquarters and after regular business decided to go "tracking" on Friday. Six guides will set the track while the others follow. At the end of the trail hot chocolate and grilled bacon will await them. Next Tuesday they have invited the Timmins Guides over for a social evening.
Mrs. J. Andrews returned from Ottawa on Thursday evening.
Please remember the Rebekah May Day card party—they intend making this a big affair.

At the local police court on Tuesday the case concerning the burglary at the Consumers' Co-operative Store came up for hearing. Two boys were arraigned before Magistrate Atkinson and the stolen "evidence" was there too—cigarettes, canned goods—chocolate chiefly. One boy's father said at first that he preferred his boy's case to be heard in Cochrane, but later sentence was given here. The second delinquent had been in similar trouble some time ago and was allowed out on suspended sentence, and this influenced the decision of the judge that he be sent down for two months' hard labour. The lad is only seventeen. The other boy, also young, is on suspended sentence for two years. The magistrate reprimanded the father of one boy, when he replied that the only comment he wished to make was that "the open window was a temptation." "An open window should not be a temptation for theft," said the magistrate. In the evidence, the boy to go down, was the actual thief, while the other stood guard. The stolen goods were hidden in shavings in a shed.

A regular council meeting was held on Tuesday (Monday being a holiday) with all councillors and receive present. Much correspondence was dealt with. A donation is to be made to the Porcupine District Pipe Band. Seeds for gardens and land for those unemployed who wish to grow their own vegetables are to be given by the government through the township. The cemetery is to be looked after during the summer by a capable man, and no doubt will repay the cost of care, as last year's cultivation and attention made such a big improvement to our local cemetery on the Timmins road. We are also given to understand that it may be possible shortly to have the burial plots properly deeded to families. A lane near Helmer's farm is to be rooked. Permission was granted to the Legion to hold a tag-day on May 4th and 6th. Thirty-five more men were put on relief and other cases dealt with. Proper Jubilee celebration was talked over. South End may have a float for the Timmins parade, and a fire brigade float. Two township trucks are to be loaned to the Boy Scouts on Friday for collection of clothing for the needy.
Miss Mary King left on Sunday to take part in a dramatic competition in Toronto, sponsored by the Versa-speaking committee of the O. E. A.

Life Underwriters Meeting at Timmins

E. C. Ward, Formerly of This District, Guest Speaker Here on Friday Last.

Life insurance underwriting, as a derelict Association was told by E. C. Ward, vice-president for Ontario of the Life Underwriters Association of Canada. Mr. Ward, as a former resident of the North, was able to speak to the local body on Friday in an authoritative manner, for he is familiar with the problems they meet.
One of the primary reasons for the association's existence is the protection of the public from unscrupulous or fraudulent insurance writing. Several cases of this have been uncovered in the North in recent years but through the organized activities of all the bona-fide underwriters, the practice has become almost non-existent.
Ways and means of serving the public better are other chief topics at meetings. Mr. Ward offered several suggestions that have worked out well in other centres. Individual problems of people who buy insurance and how they can best be met were discussed and some real progress made toward their solution.
An outline of the Timmins association's activities was given by the president, Jack Brady. A brief discussion of the coming "life insurance week" was held. The meeting took place in the London Life offices.

Mr. DePencier and Mr. Stovel, of the Dome Mines, are in Toronto.

The annual banquet of the Timmins lodge of the Sons of England was held in the Oddfellows hall on Tuesday evening and proved a very happy occasion. The menu provided for the occasion by Mrs. Sheppard was especially good and won general favour. There was a good attendance, about 80 sitting down to the banquet.
