

King George V Silver Jubilee Cancer Fund for Canada

The Silver Jubilee Cancer Fund, under royal favour, is to combat the evil of cancer, to commemorate the 25th anniversary of His Majesty's accession to the throne. The fund will give assistance anywhere in Canada to battle the cancer scourge which is at present the cause of more deaths and more suffering than any other disease. The fund is for Canadian research and action, and all the proceeds will be spent in the Dominion.

The Canadian Legion and other patriotic bodies here are sponsoring a Tag Day on May 4th and 6th to provide the Porcupine's contribution to this worthy cause. Those whose names appear on this page are by their example of early contribution to the fund urging others to donate to the cause. The sponsors named on this page have each contributed \$1.00 or more and will receive an acknowledgment card from Lady Bessborough, Government House, Ottawa.
