Large Pile of Clothing Gathered by Boy Scouts

Settlers of District and Others in Need of Clothing will Benefit from Good Deed of Scouts on Saturday and Generosity of the People of Town.

A pile of old clothes about 18 feet long, eight feet wide and four feet deep was the result of the Boy Scouts campaign to collect clothes for settlers and the less fortunate of the town. The citizens of Timmins "came across" wonderfully when Scouts called at the homes on Saturday. The co-operation will mean a great deal of happiness for a large number of people who would otherwise be ill clad. Suits, shirts, socks, shoes, underclothing, dress coats, sweaters and all manner of clothing is now piled up in the fire hall awaiting distribution.

All six troops of Timmins Scouts pitched in and helped the campaign to its successful conclusion. They enjoyed doing the work and from their reports, it may be judged that Timmins people thoroughly enjoyed helping the cause along. The good that will be done through the practical value of clothes, there's something about being respectably dressed that aids any man to face the world with a stauncher heart. And there are hundreds of settlers in the Porcupine who are in grave need of this sort of help.

Timmins Boy Scouts Light Beacon Fire

Beacon near Gillies Lake One of Series from Coast to Coast in Honour of the King's Anniversary.

One of a series of beacon fires, lighted by Boy Scouts from coast to coast, brightened the sky to the north of Timmins on Monday night. Just as dusk settled after a perfect spring day, the large fire on top of a rock outcrop out past Gillies lake gave the sign that the Timmins Scouts were carrying out the wish of headquarters that every community where Scouts are active should light a beacon in honour of the King.

The beacon fire was not the only thing that brightened the sky on Monday night. There were plenty of fireworks too. Powerful rockets burst into luminous colour in almost all parts of the sky. Roman candles made brilliant reflections in the lake and the noise of firecrackers lasted far into the night.

Scouts also set off a salute of 21 rockets in honour of the King, just before the beacon was lighted.

Traffic on the streets at night was particularly heavy as thousands of Timmins people in holiday spirit enjoyed the balmy, summer-like air. Celebrations were many; music for dancing and the noise of happy celebrations sounded in many a Timmins home.

A large number of both his and his family's friends attended the services at the church and at the graveside. The Timmins Oddfellows Lodge were in charge of the funeral and a good proportion of the members were present to pay their last respects.

The Silver Jubilee was very fittingly observed by the schools, business people and residents on Monday, the perfect weather making the ideal for such an occasion. Seldom, if ever, were so many people seen at any one time, as on Monday. At 8:30 a.m. in the public school there was a picture, "Royal Remembrance," by the senior pupils and by ten o'clock the school ground and streets were lined with people, waiting for the parade to commence. The parade left the school grounds headed by C. W. Arnott's car, the girls, the new fire truck appropriately decorated, the Tisdale band; then the Schumacher Cadets who looked very smart in their uniforms, and were led by Carl Hannah on a mount; the Croatian National Society; Slovak Canadian Society; Feldman's, with a float representing a home and lawn; the Lions Club, the old fire truck; and, of special note, was a replica of the "covered wagon" days. The covered wagon had two children drawing it. There were several well decorated bicycles and tricycles, a pony cart and children. The parade went down Fourth to Vipond road, up Second to fire hall, and down First avenue and up Second to Pine, and back to the school grounds, where Mr. Blake, principal of the high school, gave an address appropriate for the day. Then sports took up the remainder of the morning. The winners in the sports were:— 50-yard dash, boys 6 years and under, 1st, Standley Cattan; 2nd, Elwood Small. At six-thirty p.m. the crowds again assembled in the school grounds where community singing was enjoyed, led by Mr. Boyce and Miss Lang, of the public school staff. Later a large bonfire was lit and an abundance of fire crackers were put off by the men in charge. A booth was on the grounds, which added to the children's pleasure. At nine o'clock jitney dancing was enjoyed in the school. This ended a memorable day in the lives of the residents, paying such tribute to our Sovereign, King George the Fifth.

Address by the King at London on Monday

His Majesty Re-dedicates Himself to the Service of the People. Greatly Touched by Tributes.

King George V was greatly touched by the tributes of affection shown him on Monday on the occasion of the silver jubilee of his reign. Many in Timmins and district heard the King's address by radio. At times he found difficulty in conquering his emotion to speak his heart to his people.

The text of the address follows: At the close of this memorable day I must speak to my people everywhere. Yet how can I express what is in my heart. As I passed this morning through cheering multitudes to and from St. Paul's Cathedral, as I thought there of all that these 25 years had brought to me and my country and my Empire how could I fail to be most deeply moved?

Words cannot express my thoughts and feelings. I can only say to you, my very dear people, that the Queen and I thank you from the depth of our hearts for all the loyalty and, may I say, the love with which this day and always you have surrounded us. I dedicate myself anew to your service for the years that may still be given to me. I look back on the past with thankfulness to God. My people and I have come through great trials and difficulties together. They are not over. In the midst of these days of rejoicing I grieve to think of the numbers of my people who still are without work.

We owe to them and not least to those suffering from any form of disablement all the sympathy and help we can give to them. I hope that during this jubilee year all who can will do their utmost to find them work and bring them hope. Other anxieties may be in store, but I am persuaded that with God's help they may all be overcome if we meet them with confidence, courage and unity, so I look forward to the future with faith and hope.

It is to the young that the future belongs. I trust that through the fund inaugurated through my dear son, the Prince of Wales, to commemorate this year, many of them throughout this country may be helped in body, mind and character to become useful citizens. To the children I would like to send a special message. Let me say this to each of those whom my words may reach: "The King is speaking to you. I ask you to remember that in you, to come you will be citizens of a great Empire. As you grow up always keep this thought before you, and when the time comes be ready and proud to give to your country the service of your work, your mind and your heart." I have been greatly touched by all of the greetings which have come to me to-day from my Dominions and colonies, from India and from this home country. My heart goes out to all who may

Another "Battle of Music" at Pavilion

Orchestras to Compete on Grand Opening Night of the Riverside Pavilion on May 24th.

The summer season is about to open at the Riverside Pavilion and a very exciting programme is being arranged for the first night. No expense is being spared to make it one of the gala events of the year. The date set for the opening is May 24th.

Plans are under way to stage a "battle of music." The idea was begun here last year and it proved so popular that the management of the pavilion have decided to have another such event and from all reports, it should live up to its name. Last year no winner was declared, the matter being left to public opinion, but this year there are to be judges to pick the winner. Two or three orchestras are likely to take part. Al Pierini and his Vagabond Kings are a certainty. Gordon Archibald and his band are also expected to enter. The Club Royal orchestra, under the direction of Jimmy McFadden may be contestants as well. A slight admission is to be charged and it will be well within the reach of all.
