

Timmins United Downs Dome in P.D.F.L. Opener 1-0

Jones Scores Lone Goal for Crack Local Outfit

Dome Has Tough Luck at Net When Old Time Rivals Meet at Ball Park. Welsh Forced from Game with Injured Knee at Half Time.

A 1-0 victory for Timmins United over Dome opened the P.D.F.L. schedule on Saturday evening when a crowd of supporters nearly 400 strong got a really big surprise.

The Dome really had the better team, yet it wasn't entirely luck that gave Timmins the scoring edge. Dome had their combination down pat and there was rarely a pass that went seriously astray. Had it not been for the effective work of the backs, Dome would undoubtedly have made much of their scoring opportunities. Timmins forwards were brilliant at times and their long open passes took the ball down to the Dome goal mouth at a surprising speed. The locals put in the best part of their game right after the opening whistle. Johnston had the first shot at Baxter in the Dome net and within a few seconds McCurdie had a similar chance at Gaw.

Play About Equal

Right up until Timmins scored, it was just about equal play. A fast pace kept the ball going from one end of the field to the other and gave everybody plenty to do. Jones for Timmins and Galbraith for Dome had shots that looked like sure goals. Jackson and Johnston combined well but the ball went wide on Johnston's kick.

The play on which Timmins scored was one of the prettiest of the game. Nee threw in to Jackson, who booted one accurately to Jones. Jones headed the ball in so that Baxter didn't have a chance.

After that Dome went to work hard and the combination plays began to show up. Galbraith and Woodley, and Chambers and McCurdie looked particularly well together. The Dome pressure began to tell towards the end of the half and Timmins were just about all in. Welsh twisted his knee badly in attempting to get the ball out toward centre and had to be taken from the game.

Second Half Slower

With Campbell substituting for Welsh

In the second half, Timmins United began much the same way as they had in the first. Jackson and Johnston went in close and Johnston kicked a wicked waist high one to Baxter who made a good save.

After that effort, the game was mostly Dome's, although occasionally Timmins was able to break away on a fast play. With their backs well up and Barnes doing very effective work in keeping the ball where the forwards could use it to best advantage, Dome went into the Timmins goal time and time again. Some of the failure to score on Dome's part was undoubtedly due to poor shooting, but at other times it seemed as if the Timmins team just couldn't do wrong. Once McWhinnie crossed the goal mouth and robbed Chambers just after the ball had left his boot at the right height to look like a sure goal.

Tough Luck at Net

Woodley had possibly the toughest luck at the goal of anyone on either team, though McCurdie, Chambers and Galbraith had their share of the bad luck too.

Toward the end of the game, play slowed down to almost half the opening pace and the Timmins players in particular looked pretty well all in. The whistle blew just as Timmins was getting clear of Dome's final effort to make it a tie.

The Teams

Timmins United—goal, Gaw; backs, McWhinnie, Welsh; halves, Nee, Boyd, Campbell; forwards, Jackson, Zlatoff, Johnson, Jones, Hunter.

Dome—goal, Baxter; backs, Barnes, Lone; halves, Munroe, Crawford, Cockburn; forwards, Stanlake, Galbraith, Chambers, Woodley, McCurdie; substitutes, Painter, Foster.

Referee—Pat Larmer. The Porcupine District Pipe Band added a great deal to the occasion with their fine new uniforms and good Scottish music. They played before the game and at half time.

and is still good for a few more thousand yards. North Bay feels pretty good about it, naturally, and Mr. Gabarino has intimated that he'll at least want to keep in shape.

Girls Still Asking Help

Is the Worker's Sports Association entry in the Porcupine Ladies' Softball Association going to be only one from Timmins this year? At present it looks very much as if it might, unless the girls get backing from someone.

One scheme that has been advanced, and which it is understood may be tried this week, is that a number of merchants in town be asked if they wish to supply one uniform for a member of the team—a sort of a representative Timmins business team. If necessary, the uniform could bear on the back the name of the donating firm.

It may sound silly to some that uniforms are the big cause of worry in the team but it's said that to outfit a team properly costs some where about \$100. Hundreds aren't easily picked up these days even in gold camps.

Anyway, the idea is the only feasible one left, the girls believe and they should have no trouble in getting their outfits if they go the right way about it. Certainly there's no money to be made in the game in this part of the country. Gates are disappointingly low, even for the high class of ball they play.

They at Least Keep at it

The wee squabble within the ranks of the Northern Ontario Women's Softball Association is still going on. Sudbury is still complaining about Kirkland Lake not having come through with a share of the gate receipts from last year's finals. If they'd even gone to the trouble of sending a representative to the annual meeting of the N.O. W.S.A. in North Bay a few weeks ago, they might have a little more reason to kick. As it is now, it sounds just a little out of tune.

Visitors

Visitors in town last week: Len Godin, Spider McKinnon and some others of the N.O.H.A. near-championship hockey team. May be they'd like to come back home for a season or so of the fastest game.

So Cold It's Hardly Wet

Gillies lake and the Mattagami river had a fair quota of swimmers on the 24th and the following warm days. The water was cold, it's true, but the sun was good and those who took the odd quick dip seemed greatly refreshed, to say the least.

Thos. Sawyer, of Timmins

It's not advised as the safest thing to do, but the other day some youthful golfers were having quite a time practicing drives in the ball park. At least one of the lads appeared to be enjoying himself. He'd tee up and drive in the general direction of a group of lads at the other end of the park. Where the others' sport came in was chasing the ball and throwing it back to the ardent driver. Sounds like a real Tom Sawyer trick.

Real Asset to North Bay Sport

Henri Gabarino, who played with the M.A.A.A. Winged Wheelers in 1931 when Warren Stevens put the forward pass into Canadian football with great gusto, is now in North Bay where he has been moved by his firm. He played last year with Ottawa Rough Riders

Fifty Take Part in First Golf of Year

Match on Saturday was the 'Town' versus the 'Mines.' Official Opening to be on June 8th.

The first golf match of the year, played on Saturday at the Timmins Golf Club, brought more than 50 representatives of "Town" and "Mines" out for a real afternoon's sport.

Although the official opening is not until June 8th, the links are now in good shape and are being used at every opportunity. The remodelling of the clubhouse and the present lack of accommodation has been responsible for the late official opening, but in the meantime, matches are being arranged each week. This Saturday it's to be the Captain's team against one chosen by the Vice-Captain. Members wishing to take part are asked to sign the notice appearing on the club's bulletin board.

The greens committee reports that all green rules are now being enforced regarding Friday afternoon, Saturday afternoon and Sunday morning play.

Disappearing Ball Nuisance

A considerable amount of annoyance has been caused golfers during the past week or so by boys who make a habit of hanging around the course. Balls have mysteriously disappeared after being driven over the rise near No. 1 hole too often for it to be possible that they all rolled off the course or became lost. Some lads have been legging it away rather hastily after the disappearances. Police have been notified that all is not well at the golf course and it is expected that it may be necessary to make some prosecutions before the thing is properly cleared up. One case is already in the hands of police.

Parents of boys who hang around the golf course without having a reasonable excuse for doing so would be well advised to keep them away, officials of the club say. Members of the golf club have already been warned that buying "found" balls from boys only encourages them to go to greater lengths in getting them.

Whist Drive Last Week Auspices Women of Moose

The whist drive sponsored by the Women of the Moose at the Moose hall on Wednesday evening last was a real success. The delicious refreshments for which the events are well known were a popular feature.

Prize winners were Mrs. Hass, Mrs. T. Lebrun and Mrs. Brudeau for the ladies and Mrs. L. H. Hawking, V. Charre and Mr. Lebrun for the men. Robert Hardy was master of ceremonies.

North Bay Nugget:—The trout season opened Wednesday. But evidently the trout had been informed. They failed to put in an appearance.

Shoot Last Week was Good Despite Cold

Membership Steadily Increasing as Season Progresses at Timmins Gun Club.

Although Wednesday evening was cool, a number of the more hardy enthusiasts in the Timmins Gun Club turned out at the regular meeting place near the compressor house to knock off clay pigeons. The membership is growing steadily and with the next warm Wednesday evening it is expected that a record number will be on hand.

Scores made last week were:—

	Birds	Hits
H. Herman	25	11
L. O'Donnell	25	7
J. Dalton	50	20
P. Boudreau	25	7
Dr. L. Hudson	50	35
Chas. Brown	50	28
Frank Dufce	25	7
P. Robinson	25	12
K. Fitzpatrick	50	30
P. Aylett	25	7
Chas. Surman	25	11

Anyone who wishes to go up to the club's shoot on Wednesday evenings is quite welcome, officials of the club say.

Troop of Boy Scouts for Central School

E. J. Transom, Principal of the School, Ready to Help in Organization of Troop.

A seventh troop of Boy Scouts will be organized soon in Timmins, it is reported by officials this week. Central Public School boys will have the opportunity of joining the movement if present plans are followed.

E. J. Transom, principal of the school, has been interested in Scouts for the past few months and is now ready to help in the organization of a troop from the boy of his school. Moneta and Mattagami are already active in the movement.

Timmins—McIntyre Soccer To-morrow

Second Game of Season in Timmins Should be Interesting. McIntyre Has New Players.

Timmins and McIntyre football teams meet to-morrow night here to see which one of the three district teams is to have the "first matches of the season" honours. After the Timmins United victory on Saturday over the Dome, it is expected that to-morrow night's game will be a close one and a good one to watch. McIntyre have been signing some

new players lately and it's possible that some of them may be seen in action at the ball park Tuesday. The game starts at six o'clock.

North Bay Nugget:—Mae West seems to get as much publicity as the five Diones. Still, there is more of Mae than of the quintuplets.

PAY YOUR Taxes Now and Avoid Penalty

May 31st is the last day on which the first instalment of Taxes for 1935 may be paid without penalty. After that date a penalty of 5 per cent. will be added to all unpaid taxes.

Town of Timmins

Battle of Music at Riverside Pavilion

Opening of Season at Popular Dance Hall on Friday Evening Last Week.

The summer season at the Riverside pavilion was given a great opening on Friday evening when the hall was well filled with a happy crowd of dancers. With all the windows in the place wide open, the hall was pleasantly cool for dancing and the fine music supplied by the two orchestras made the affair a complete success.

Six attractive prizes were given during the dance. In the first spot dance, Miss Padgett and E. Carey won two "butterfly" electric lamps; in the second spot dance, Miss Fifi Erlsson and L. Warner were the lucky ones. Door prizes, bridge lamps, were won by Mrs. Dunbar and John Sharp.

Balloons, favours for all, and little wasted time between dances, helped toward the success of the evening.

Music by Al Pierini and his Vagabond Kings, with Bud Fisher and "Babe" Jackininski as guest vocalists, was well applauded. Gordon Archibald and his boys were the other half of the "battle of music" and were highly complimented on their offerings. Tommy Stephens

and Fred Darling were vocalists for Gordon Archibald.

Sunday midnight dances at the pavilion were begun this week-end and will be continued throughout the summer months, it is announced by the management. Regular dance nights during the week for the summer season have not yet been fixed.

Would be Well to Keep Boys Away from the Golf Course

Complaints come from the golf course recently in regard to boys stealing balls from the course. There have been a number of cases recently where the lads have been practically caught in the act, and to avoid future court cases and other trouble for the boys it might be well to take two special ways to stop the game which is not good for either the boys or the golfers. One way is for all to refuse to buy balls from boys. If the thefts did not bring in money the boys would not trouble to do the stealing. The other method, and the more important one from the standpoint of the good of the boys, is for the parents to see that their lads are not hanging around the golf course, or anywhere else where they have no business to be. If parents knew where their boys were and saw to it that the lads were not in improper places, it would be much to the advantage of the boys, the parents and the community.

Your opportunity to meet and consult the Tip Top Tailors'

STYLIST

Mr. Chas. A. Rafelman who will be at our store TUESDAY and WEDNESDAY May 28th and 29th

MEN! This is important!

Mr. Chas. A. Rafelman, the Tip Top Tailors' Stylist, will visit our store, where he may be consulted without obligation by men of this town on any questions of style, fabric or color pertaining to a well-dressed appearance.

The benefit of Mr. Rafelman's experience is of course given without obligation and is offered as just one more reason why you should come to our store, at least to compare, before you order Spring and Summer clothes anywhere.

More woollens than ever make up the Tip Top Spring and Summer range—more styles—better tailoring and finish—yet the price remains \$25.75 for your unrestricted choice.

turn your present car in on a new PONTIAC

OWNING a Pontiac is much easier than you think. Three factors make it so: (1) generous allowance on your present car; (2) the low price of the new Six; (3) the low financing rates of G.M.A.C.

If your present car is aging to a point where expensive overhauling may be necessary, why not turn it in on a 1935 Pontiac Six or Straight Eight? You will save money in the long run. Certainly you will enjoy what you may be missing now . . . dependability, economy, performance, comfort . . . in fact all the advantages of motoring exclusive in a modern automobile. There's a smart new Pontiac at our showrooms ready for you to look at, ride in and drive. Will you come in and try it out?
