Softball League Opens; Dome, Friedman's Win

Big Turnout to See the Game Back on the Map in the Porcupine. Fire Chief Borland, Councillor McDermott and Sid McCoy Officially Openers.

Softball came back into the Porcupine as a major attraction this week-end when 400 people turned out at the cyanide diamond to see Dome take the opener from McIntyre, 13-9, and Friedman's win a hard-fought game from Hollinger, 9-6.

With Fire Chief Alex Borland on the pitcher's mound, S. R. McCoy behind the bat and Councillor Wm. McDermott, at bat, the official ceremony was soon over. The Chief put a strike over the pan, the councillor socked it and Mr. McCoy caught the foul fly.

Bad innings were a common fault in both games, with totals like five, six and nine runs coming across the plate before a side was retired.

Walsh Scores First McIntyre went to bat first and Walsh took a walk. Godin went out on a grounder from Cattarello to Binch, Hix struck out. Peacock drove in Walsh for the first score of the game. Eckert retired his side.

Dome got two in their first inning when some fumbles were costly to the Macs. Thomas singled, Maki advanced him with another and both got in on errors in the infield. Michaelson put a fly to Walsh, McCann made first on an error and Buckman put his side down.

The Macs scored one in the second when Bowen bunted, made second on Goldthorpe's hit, and home when Walsh drove one that just slipped out of Thomas' hands and away back into centre field. Dome failed to score in their half.

The third was the Macs' big time. Godin started the party with a single and made third when Hix put one past third. Both got home on an overthrow to second. Eckert walked, made second on Stewart's grounder near third and the bases were loaded by Bowen with a hot one out to first. Goldthorpe smashed out a two-bagger to right field and an overthrow to second scored two runs. Goldthorpe stole home.

Nine Runs in One Inning A grand total of nine runs came the way of the Dome as 13 men faced Peacock before the side was retired. Maki led off and accepted a walk. Michaelson went down, but McCann's grounder was missed and he made second, putting Maki on third. Binch gave a high fly to Griffin. With two men down it didn't look as if much could be done, but the Macs went to pieces pretty badly and Buckman got to first on Griffin's error as Maki and McCann came in. Hanneberry made a two-bagger with a long hit to left field and when Bruno reached second on Walsh's misplay at short stop, two more runs came in. Cattarello's liner to Goldthorpe was too hot for him and the bases got heavy again. Thomas drove to centre field and a couple more crossed the plate. Hanneberry and Cattarello got home on a mised fly by Stewart. Maki and Michaelson walked and made the circuit before Binch was caught out by Godin.

The fourth was tame on both sides. Hix made a three-bagger and came in as Eckert went out at first. Dome failed to register although McCaffrey got a two-bagger.

Neither team scored in the fifth and the Dome raised their tally in the sixth as Thomas and Maki scored, making the totals 13 for Dome and 9 for McIntyre. The game ended just like that.

Second Game Better The second game was a better display of ball than the first by quite a long way. Hollinger was late in turning up at the diamond but when they did get their team assembled it proved to be a good aggregation. It wasn't quite good enough, however, to take the powerful Friedman gang into camp. First inning for Friedman's was what gave them their victory and if it hadn't been for a good second for Hollinger, they would have been sadly swamped.

Again errors were costly and hits were few and far between. Tommy Thompson led off for the Hollinger and accepted a walk from Cox. He made

second on Davis' badly-handled grounder and home on a passed ball.

Pace, first man up for Friedman's, tripled; Morin and Studor followed with doubles. O'Connor struck out. Fox took a walk. Giallonardi bunted. Wilson made a two-sacker. White a three, before the side was out.

The second was Friedman's turn to go to pieces and five McIntyre runs came across the plate. Heavyssedge got on base on an error at second, Maynard and Stewart walked. Wild pitches and an odd steal made the scoring easy. Thompson was forced out at second but Davis got in. Marks cleared the bases with the only homer of the day to make the total of five runs collected in the inning.

Hollinger didn't do any more scoring after that and Friedman's went out into the lead in the fourth as Studor scored. Pace and Morin accounted for two more in the sixth.

South End Girls Quit Local Softball Loop

Schedule Drawn but No Dates Ready Yet. Hope Games at Ball Park. to Play all Timmins

South Porcupine girls' softball team has dropped out of the Porcupine league, leaving three teams, Schumacher, W.S.A. Timmins and Empires in the loop.

A schedule has been drawn but dates are still blank until it can be found what nights the ball park is available. The girls don't want to use the cyanide if they can help it. Difficulty of collecting gates is the reason and the girls need every little bit of what gates they can get to keep the sport alive here.

South Porcupine W.S.A.'s withdrawal from the league was a surprise to the executive and no reasons have been given yet as to why they decided not to enter.

The last three groups mentioned were composed of men, owing to the fact that not enough of the ladies' section of the club turned out for the opening.

KIWANIS CLUB VS MINES WEDNESDAY GOLF MATCH

The Kiwanis-Mines golf match will be held at the Timmins Golf Club Wednesday afternoon, play to begin promptly at 4.45. Dinner will be served at the clubhouse at 7.00 o'clock.

James Ross, of Saskatoon, is visiting his brother, Geo. Ross, in Timmins now.

SPORT ORE

From All Levels

Where's the Cup? Softball teams in this part of the North used to play for a cup. In fact, Moneta was supposed to have won it last year. But they didn't get it and in response to an inquiry as to what happened to the thing anyway, it's found that the cup probably still resides in Iroquois Falls, where it was taken a couple of years ago by a stellar organization from the paper town who cleaned up the best Porcupine could offer. It would be nice to have it back here but how could it be got?

Moneta Becomes Lawrences Moneta, last year's champions, have definitely been taken in charge by U. Lawrence, and the name will be officially changed to "Lawrences" immediately, the new manager told Sportore the other day. Of course he thinks they're the coming champs.

These Porkies Are Good Porcupine's baseball entry was just what Ike Solomon predicted—a pleasant surprise. In a very short time they mustered a team, mainly from amongst the employees of the Dome that stacked up very well indeed against the powerful McIntyre machine that's been going so well for some time now. Everybody liked the looks of Cox on the mound, and although he doesn't seem to have quite the finish that Woods has, he went through the whole nine innings, even after taking a hard pitched ball on the right shoulder. There were a couple of plays in the game that weren't so good, but give the boys a little longer to get into shape and they'll turn out senior brand ball that will be on a par with the best Valley can offer. Hollinger just might step in there and show them all up. They go into action against Abitibi on Wednesday in the Falls and with what additions they've made recently it should be a swell team the big mine turns out.

Sing Sing Star Causes Furore The North has escaped one problem that's worrying the baseball moguls of the United States. Alabama Pitts, who was doing a five-year stretch at Sing Sing, made a real name for himself on the prison baseball team. He got an "unconditional" release from his alma mater the other day and had an offer to join Albany in the International league. Baseball higher-ups objected. Should they open the gates of the great game of professional baseball to ex-convicts? seems to be puzzling them a whole lot. Should permission be refused Alabama to play with Albany, it would appear that Sing Sing's efforts to restore criminally-minded people to good honest Americans through the sponsoring of sport have not the approval of those people who have such good things to say for games as a method of keeping American youth on the right path. But Alabama isn't worrying. He's got offers from the House of David, no less, and from Dayton.

Soccer Deserves More Support The football teams of the Porcupine are getting just fair crowds to watch a brand of soccer that's among the best in Canada. That seems peculiar, for soccer is one game whose rules really don't make a great deal of difference to the spectator. Play is rarely stopped and the few simple things that are usually the reason for stoppages are easily learned. Immense crowds of Canadians go out to watch Canadian rugby-football games and it's very doubtful if 25 per cent. of them know what it's all about. It might be said that the game never was played here very much, but then the same is true of Russia before the revolution. Now they get crowds of 80,000 to watch the Soviets clean up on the Turks. And the 420,000 others that want to go can't get in. The reason, says a recent book written by a U.P. correspondent who lived in Moscow for 10 years, is that soccer is "the only pure entertainment left." It's true that in Timmins there are plenty of other attractions but soccer should rank among the first. One game will convince anybody.

Empires Choose Captain "Empires" is the name that has been accepted for the Timmins entry in the Porcupine Ladies Softball league this year. The girls have been out practising something like four times a week and they're in high hopes of turning out a better team than the fireball had last year. Most of the players will be the same and even Mrs. Eva Thompson, who announced her retirement from the game last year, couldn't resist the temptation to play again. She's captain of the Empires and her team mates agree it's a well deserved honour.

Hollinger-Porkies Match on Thursday Timmins Baseball Fans Get Unexpected Chance to See Team In Action for First Time.

Timmins baseball fans will get an opportunity to see the Hollinger team in action on Wednesday when the game against Porcupine will be played at the McIntyre diamond instead of the incomplete South Porcupine one.

It's said that the Hollinger have got some real material on hand now and with the appearance the Porkies made last Wednesday, it should be a real battle.

As usual, the kids get in free if they sit in the bleachers.

Uniteds Crack Badly to Lose Game This Season

Charlie Dawson of McIntyre Scores Only Goal for Timmins in Saturday Fixture at McIntyre Park. R. Dunstan Scores Twice and Searle Accounts for Other.

McIntyre won Saturday's soccer game from Timmins United easily with the score at 3-1 when full time was called, and the Macs claim the first victory over Uniteds.

Despite the fact that they are credited with a point, the goal was not scored by a Timmins man. It was probably the highlight of the game, near the end of the first half, when Charlie Dawson kicked toward his own net as Izatt was checking him. What Dawson had expected was that Brockbank would remain where he was standing in the mouth of the McIntyre net. Brockbank didn't and when Dawson just tapped the ball toward him so as to get it cleared quickly, it had rolled over the goal line before Brockbank could realize what was happening.

Timmins Backs Worked Hard The game as a whole was not, from the spectators' point of view, an exhibition of good soccer.

McIntyre took the play at the kickoff and Searle had the first shot on the goal but was wide. Welsh and McWhinnie found themselves in a tough position to clear and the Macs pressed their advantage. Rodgers had two shots, both of which were high.

R. Dunstan scored two of the Macs' goals, one on a penalty kick and the other early in the second half on a pretty play.

Searle Gets First It was Nee who finally cleared the ball and Timmins forward lines did get a little break. It was short-lived and Bannerman cleared out to Charlie Dawson at right half. Dawson kicked a high one that landed right at the Timmins net where Searle was able to get his toe to it and kick it hard to the top for the first goal of the game.

Trevor Johnson had the first real try for Timmins on a pass from Izatt, but the kick was just about a foot over the top of the bar. "Hands" in the Timmins goal area a few plays later gave Izatt a penalty kick. It was high.

McWhinnie in Net The ball went into Timmins territory before the backs were ready for it. Rodgers drew the goalie and shot, but McWhinnie got into the goal mouth and stopped it. R. Dunstan kicked the penalty that followed and Gaw made a real try to save. The ball slipped off the end of his fingers and trickled into the net for the Macs second score.

Just after the Charlie Dawson episode that gave Timmins their one and only goal, the half ended.

Second Opens Fast McIntyre opened the second half in much the same manner as the first and R. Dunstan made a beautiful score. He avoided both backs and went right in on top so that Gaw didn't have a chance.

Timmins halves got the ball up the field for a few minutes but Bannerman and Hampton were too good for the forwards and kept the goal clear.

Morrison at centre half for the Macs did a nice solo and had a clear field to the net when he was tripped. Dunstan took the penalty kick and Hughie Gaw made a spectacular save.

Rougher at End Toward the end the game got a bit rougher and despite the good work of Zatlief at forward and Nee at half, the team couldn't pull well enough to make a score. Just before the final whistle blew Zatlief was called for "hands" in the goal area and Henry took the penalty kick. His shot was high.

The Teams McIntyre: Goal, Brockbank; backs, Bannerman, Hampton; halves, Chas. Dawson, Morrison, J. Dawson; forwards, E. Dunstan, R. Dunstan, Searle, Henry, Rodgers; substitutes, Bennett, Randall.

Timmins United: Goal Gaw; backs, McWhinnie, Welsh; halves, Nee, Boyd.

Campbell; forwards, Zatlief, Jones, Izatt, Hunter, Trevor Johnson; substitutes, McConnelly, Turley. Referee: Pat Larmer; linesmen, Ozzie Lloyd, Sandy Bannerman.

First Dickson Cup at McIntyre Park

Timmins Not in Dominion Cup Events in Porcupine. Dome Gets Bye in Dickson Cup Play.

Dates for Dominion Cup and Dickson cup games were announced on Saturday by the P.D.F.L. executive. First of the soccer meets for possession of the Dickson cup, emblematic of the district championship, is between McIntyre and Timmins on Thursday night. McIntyre and Dome play home and home games to see who will represent the Porcupine in the play with the winners of the Kirkland Lake-Noranda games. Sudbury come north to meet the winner of that series and the rest of them are in Toronto.

Here is what the next two weeks will bring: Thursday, June 13: McIntyre vs. Timmins (Dickson Cup). Tuesday, June 18th: Timmins vs. McIntyre (Dickson Cup). Thursday, June 20th: McIntyre vs. Dome (Dominion Cup). Saturday, June 22nd: Timmins vs. Dome (League game). Tuesday, June 25th: Dome vs. McIntyre (Dominion Cup). Thursday, June 27th: McIntyre vs. Timmins (League game). In the Dickson Cup Dome drew a bye and will meet the winner of the McIntyre-Timmins series at a later date.

Mrs. C. Rutherford Wins Golf on Friday

C.L.G.U. Spoons Presented After Hidden Hole Competition at Timmins Golf Club.

Winners of the hidden hole competition in the ladies' section of the Timmins Golf Club on Friday afternoon were: First flight, Mrs. C. Rutherford; second flight, Mrs. Yorke; Mrs. Delahunt won the nine-hole competition that was played at the same time.

At a short meeting held afterwards, Mrs. Knox presented the C.L.G.U. award to Mrs. H. Robinson who won the spoon in the silver division. Mrs. C. Rutherford and Mrs. R. E. Dye won spoons in the bronze division.

Any members who do not wish to play golf on Friday afternoon may always be sure of a good game of bridge at the clubhouse in which good prizes are offered. It was announced last week. This Friday's competition is to be in the form of a two-ball foursome. It is hoped that there will be a larger turnout than last Friday. Members wishing to enter should sign the bulletin board in the ladies' section as soon as possible.
