## Hollinger Takes Slow Game from Abitibi: 12-8

### Lloyd Chambers and Reg. Dorey Divide Pitching Honours for Holly. Abitibi Uses Three Hurlers, but Fail to Stem Tide of Runs.

With two pitchers on the mound for the first time this year, Hollinger won a slow game from Abitibi 12-8 yesterday afternoon in a blazing hot sun that took the life out of not only the ball players, but the spectators as well. Lloyd Chambers and Reg. Dorey divided the game in the pitcher's box for Holly and McArthur, Laroque and Lefevre did the work for Abitibi.

It was Chambers' first appearance of the season, and though he only made one strike-out, he walked only one man and allowed just three hits until the fifth when he weakened a bit and three more found safe territory. Dorey, who has done duty in centre field and regularly plays first for Holly, turned in a nice three innings on the mound. He played last year with the champion Napanee outfit and his southpaw hurling may make quite an impression on even the stronger teams of the T.B.L. He allowed one hit in three innings and three more in the last. His strike-outs and walks balanced at four.

Yesterday was the first time Abitibi has met any other team than McIntyre.

**Holly All the Way**

It was Holly's ball game all the way and at the end of the third, had the papermakers blanked 8-0. Dorey and Monaghan walked in the first and Smith was hit by a pitched ball. Monaghan came in after Coleman's high fly to centre field was caught by Wilkes and Wagor drove in Monaghan and Smith. Laroque was a bit slow on the pick up, made second on a wild pitch, third on a passed ball, and stole home. Chambers walked, and both he and Lyle, who got on base on a fielder's choice, were driven in by Roumaldi, who doubled to left field. Dominic tripled to centre field, scoring Roumaldi, and he came in himself when Dorey went out at first.

**Abitibi Gets Two Double Plays**

Two double plays by the Abitibi team, who did some smart fielding all through the fixture, made the fans sit up. In the second Dominic was on second and Dorey on first when Smith hit to Johnson at third. Johnson touched Dominic out and threw to Yurnchuk at second to put out Dorey. In the fourth, Smith hit but when Coleman came to bat, he hit to Laroque at short, who touched second to put out Smith and got the ball to Gratton at first in time to get Coleman.

**Visitors Get Four**

Yurnchuk was the first Abitibi batter to score. He socked out a three-bagger to left field and scored on Laroque's fielder's choice. Roumaldi's throw to home in an attempt to catch Yurnchuk was judged a little slow. The papermakers added three in the fifth when Wilkes, Johnson and Laroque all hit. Osborne drove in Laroque, Wilkes came in on Roumaldi's error and Johnson scored when Yurnchuk gave a fielder's choice.

In their half of the sixth, McIntyre added one when Monaghan hit and was scored by Coleman who hit a three-bagger. Two more came in in the seventh as Lyles walked and came in as Roumaldi's drive to right field was mishandled. Roumaldi scored on the same play. In the eighth Smith walked, stole second, made third on a wild pitch and home on Coleman's bunt.

It looked as if Abitibi might possibly catch up in the ninth, as the Holly lads started to get careless. Wilkes and Johnson singled, Osborne tripled, and all three scored on errors. Yurnchuk walked and came in as Laroque went out at first. Then Holly settled down a bit and Roumaldi made a nice pick

## Friedman's Beaten by McIntyre 11-8

### Schumacher Now Only Unbeaten Team in Porcupine Men's Softball League.

Friedman's softball team were toppled from their perch at the top of the men's league yesterday afternoon when McIntyre took them into camp 11-8. Before the game McIntyre was standing fifth in the league. Now they're tied with Dome for third place. Schumacher is now the only unbeaten team.

Yesterday's was a close game right to the end, and it had a whirlwind finish. Two Friedman base runners were disposed of in a double play engineered by George Walsh, Goldthorpe and Joe Block, and Friedman's chances of tying the game at the seventh were lost. Jim Walsh for McIntyre pitched a real game and had good backing as well.

Four McIntyre runs came in the first inning, Bowen, Eckert, Goldthorpe and George Walsh crossing the plate. Only two Friedman men came in, Paice and Wilson.

Godin added one for the Macs in the second and O'Connor and Grant tallied for the department store. George Walsh's run in the third was the last McIntyre score for three innings but Friedman got three as Dainton, O'Connor and Giallonardo came in in the fourth. In the fifth Studor ended the scoring for Friedmans.

Five runs in the sixth gave the Macs the edge they needed. Auger, Jim Walsh, Block, Godin and Eckert were the scorers.

McIntyre—Bowen, Eckert, Stewart, Goldthorpe, George Walsh, Auger, Jim Walsh, Block, Godin.

Friedmans—Paice, Wilson, Studor, Morin, Dainton, O'Connor, Grant, Giallonardo, Murtagh, Thompson.

Pembroke Standard-Observer:—Is there any other country, other than an Anglo Saxon, where it would be safe to call the Prime Minister a liar? Suppose an Italian subject called Mussolini that, or a German used the same language to Hitler, or a Russian spoke in this way to Stalin, what would then happen? This man Evans might well appreciate the liberty he enjoys, but perhaps we permit too much of it.

Later in the afternoon there were sports and other amusements, with all enjoying the baseball, softball and other features.

**Firemen's Events**

Timmins firemen and members of the Timmins Achilles Club brought home 17 cups from the big day in Cochrane on July 1st, six of them won by Doug Brown and four by Lloyd Chisholm. Weather was just about ideal

## Coast Natators Made Good Showing

This team of Vancouver swimmers with Mary McConkey of Edmonton, gave fine performances in the national championship meet at Winnipeg. Photographed in Edmonton, Mary McConkey is shown, LEFT FRONT with Marion Moffatt, RIGHT, holder of the Dominion 300 yards free style record and former holder of the 220 yards mark. At the back, LEFT to RIGHT are Bobby Hooper, holder of the 300 and the 100 yards junior salt water records; Vic Curran, holder of many B.C. records, who placed third in the western Canada mile championship; Ellie Cline, 100 yards sprinter, in backstroke and mile style.

## Timmins Prominent at Cochrane Event Monday

### Large Crowd from Porcupine Camp at Cochrane Silver Jubilee Event on July 1st. People from This District Figured in Prize List. Timmins Citizens' Band and Porcupine Pipe Band Provide Music.

Cochrane's celebration of the twenty-fifth anniversary of the founding of the town proved a notable occasion on Monday of this week. There was an unusually large attendance from all over the district, Timmins, Schumacher, South Porcupine, Matheson, Ansonville, Froquois Falls, Kapuskasing and other towns in the district being well represented.

The sports opened with a notable programme in the morning at the swimming pool at the Memorial park. There were very pleasing aquatic sports of all kinds, most of the prizes being won by Cochrane people, who are noted for their cleverness in aquatic sports. There was also a football game in the morning, with other games and sports.

**Grand Parade**

At one o'clock there was a grand parade, including bands, fire brigades, floats, etc. This parade was headed by the mayor and councillors, and included a group of veterans from Cochrane and other sections of the district, and headed by Sheriff Jack Mackay. Prominent in the parade and popular in favour was the Porcupine Pipe Band led by Drum-Major Cotcher. The pipers, resplendent in their handsome costumes, won very popular favour. Among the several fire brigades (the Cochrane District Firemen's Association holding their annual tournament on the occasion) the Timmins Citizens' Band, under the leadership of F. J. Wolno, made hosts of friends by their able playing. The Timmins Fire Brigade looked especially smart and effective in their uniforms and captured first prize for the best brigade on parade. The stores and residences in Cochrane were all decorated for the occasion and this added to the general pleasure of the day.

**Firemen's Tourney**

There were six brigades for the firemen's tournament—Timmins, Schumacher, Ansonville, Montrock, Iroquois Falls and Kapuskasing. On account of the tournament being held at Cochrane, the Cochrane brigade did not compete. The following are the results of the firemen's events.

**Ladder Race**

Iroquois Falls, first, time 17 and 3-5 seconds; second, Ansonville, 18 and 2-5 seconds; third, Kapuskasing, 20 seconds; Schumacher, 20 1-2 seconds; Timmins, 29 seconds; Montrock was disqualified on the fact that some of the rules were broken.

**Wagon Race**

Iroquois Falls, first, 48 seconds; Timmins second, 49 and 1-4; Ansonville third, 53; Schumacher fourth, 53 and 2-5; Kapuskasing, 55.

**Fire Chief's Race**—First, Belanger, of Ansonville; second, Deputy Chief W. Stanley, Timmins.

**Firemen's 100 yds.**—First, Doug Brown, Timmins; second, Lloyd Chisholm, Timmins.

**Best-dressed brigade on parade**—Timmins, first.

**Representatives From Timmins**

The following were the firemen, paid and volunteer, making up the Timmins brigade for the Cochrane event:—Deputy Chief W. Stanley, Jack McKinnon, M. Daber, Albert Cooper, Stan Pritchard, R. Neable, J. Desormeau, O. Chenier, W. Asta, F. Cullhane, F. Redden, J. Joalin, A. W. Leach, A. Saint, F. Eckert, W. Martin, Doug, Brown, Lloyd Chisholm.

**Legion Also a Winner**

The Legion Tug-of-War team from Timmins Branch 88 were the winners of the contest held in Cochrane on July 1st between the Legion branches of the district.

Sergeant-at-Arms George Nippers brought the trophy back with him and the fine silver cup will be given a place of honour in the Legion hall.

**Notes**

Reference to the visit of the Timmins Gun Club to Cochrane on July 1st will be found elsewhere in this issue.

There were five buses from Timmins to Cochrane on Sunday for the opening of the Memorial park, and an equal number from Timmins for the July 1st event. Others went to Cochrane by train, truck and car.

A report of the two-hour band concert with which the Timmins Citizens' Band opened the elegant new bandstand at Cochrane will be found elsewhere in this issue.

A midway show set up on the street did a thriving business at Cochrane on Monday.

There was never a big day where better order was observed than at Cochrane July 1st. The Cochrane police and Provincial Police Sgt. Elliot and his men deserve full credit for this.

Good meals were served at Cochrane by the United Church for the occasion, while the hotels and cafes were all good and their prices reasonable.

"Dad, why do they call the front row of a theatre the baldhead row?"

"It must be because the people who sit there have bought their tickets from scalpers, son."

## Timmins Club Loses Out by Eight Point Margin

### Week-end Tourney Here Brought Out Large Galleries to See Smart Play in Annual Northern Ontario Tennis Championship Event.

Kapusaskasing took back the Northern Ontario Tennis Championship trophy with them after the week-end tournament played at McIntyre and Timmins Tennis club courts. The Timmins club had held it last year but were beaten out this year by 8 points. Total points at the end of the tourney showed Kapuskasing 41, Timmins 33. Of the other competing clubs, only Smooth Rock Falls placed, and that was in the ladies' doubles.

Perfect weather for tennis made the annual event a real success, and large galleries turned out to see some excellent play. Last of the finals was played at 6.30 Monday evening, and shortly after that, presentation of the cups was made at the Gordon Block.

In the evening, the players were

guests of the McIntyre Tennis club at a dance in the Badminton Club, Schumacher. Jimmy Ormiston's orchestra supplied the music.

Mixed doubles in the tourney went to Timmins, Miss Pearl Grant and Mac Hurrell coming through without a loss. Len Hodnett of Kapuskasing but formerly of Timmins took the men's singles from Walter Ramsay, who, playing his first tournament, gave the former Manitoba champion a real battle for the honours.

The Timmins club, with J. M. Lorraine and Bill Dunn came through in the men's doubles in what was one of the best matches of the day. Ladies' singles went to Kapuskasing, and ladies' doubles to Smooth Rock Falls.

## Dome Picnic for the Children Big Event

### Porcupine Pipe Band One of the Special Features of the Annual Picnic at Dome Mines.

South Porcupine, Ont., July 3rd, 1935. Special to The Advance.

The annual picnic for the children of Dome Mines employees was, as usual, a tremendous success. It was glorious weather for a picnic, and all the children who assembled on the ball grounds at the Dome had the time of their lives. The day was enlivened by the presence of the Porcupine Pipe Band. Over 155 gallons of ice cream were consumed and 6 large barrels of lemonade. It seems barely possible, but it is true that the supply fell short of the demand.

Prizes were given to all children under six, and a bag of peanuts and candy to every child present. The older children competed for nice prizes in sporting events the results being as follows:—

**Timmins Gun Club at District Gun Event**

Timmins Gun Club didn't do as well as expected at the district meet in Cochrane on July 1st, since a number of the men who were expected to shoot were not able to get there in time. Car trouble on the journey to the district town held them up until evening.

Harry Herman and Chas. Surman did bring back prizes in the individual shoot. Cochrane won the trophy in the team competition.

Those who shot for Timmins were: Harry Herman, Chas. Surman, Bill Booth, Frank McGraw and W. Jones.

**In Timmins with Petition re Trans-Canada Highway**

A. J. Grant and Arthur Simpson, of the Chapeau board of trade, were in Timmins on Saturday with a petition circulated all over the North condemning the proposed route of the trans-Canada highway by way of the rocky shore of Lake Superior and urging instead the central route, this route going from Iron Bridge to Chapleau and Oba and joining the highway from Hearst. Mr. Grant said that Chapleau was not concerned as to whether the part of the route from Iron Bridge to Oba were called the trans-Canada highway, so long as this was built. He felt that there was much logic in insisting that the Ferguson highway be considered the trans-Canada highway on account of its large population and the astonishing wealth of the country. He had been all over this part of the North and was astonished at the progress and possibilities. The mayor and councillors here signed the petition as has been the case with all the places visited, the petition now representing 250,000 people.

Three minutes after receiving a warning letter a darky appeared at the ticket window of the railroad station. The following conversation ensued: "Cap'n, suh, when do de fastest train leab dis town?" "Sorry, uncle, but the fastest train left five minutes ago."

"Dat's all right, boss; I see in a hurry; jus' you sell me a ticket and tell me which track she lef' on."

**British Southpaw Halts Helen's Climb**

Helen Willis-Moody's dream of a comeback to the tennis heights was abruptly shattered when she met Kathleen Stammers, left-handed British star in the semi-finals for the Kent County championship. Helen was beaten 6-0 and 6-4, looking like a very tired player instead of a prospective champion. Miss Stammers, the southpaw who halted her latest climb, is shown in action above. She is one of England's ranking women players.
