

McINTYRE WINS PLACE IN CUP PLAYDOWNS

McIntyre Wins Noranda Fixture 5-0; Round 10-3

Game Played on Quagmire-like Field Delayed Till Late Evening. Mair Scores First on Penalty Kick. Superior Combination Wins for Yellow Shirts.

By Wm. Millsen Noranda, Que., July 8.—(Special to The Advance).

McIntyre qualified to meet Falconbridge in the next round of the Dominion Cup by defeating Noranda in the second game at the Noranda athletic grounds this week-end by 5-0, thus winning the round by 10-3.

Superior combination and a better understanding of one another's play enabled the visitors to control the game all through with their forwards constantly dangerous and the play being carried to the Noranda half for most of the time. The game was delayed until 6.30 in the evening owing to the heavy rain which fell for several hours, making the pitch like a quagmire. Rain was still falling when the play started.

At half time McIntyre led by 2-0, scoring their first goal 3 minutes from the start on a penalty being given against McDonald, the Noranda left back. Mair took the kick and placed the ball out of reach of Subden.

E. Dunstan Scores Second The second was scored by E. Dunstan from a centre by Rodgers about 10 minutes from the interval.

On resuming, the McIntyre kept up the pressure and Subden, the Noranda goalie, made several fine saves in masterly fashion, one particularly sensational one from Hendry. After 15 minutes Searle scored with a fast low drive in the corner of the net. Subden was seriously hurt in attempting to save, injuring his ribs again and having to be carried off.

With ten minutes to go Rodgers beat Doyon from close in making the count four and just before the whistle blew for time E. Dunstan drove one in from a fine centre put across by Rodgers. The Noranda eleven played doggedly but their forwards were held in check by the sound defence of McAdam and Hampton. Now and again a break-away would see them in the vicinity of the McIntyre goal with McKendrie, Fernie and Nagi trying desperately to get through. The two Noranda wingers Caisley and Calderwood were held by

the McIntyre backs, though Caisley got in one or two nice runs with good centres.

The combination of the visitors was remarkable in view of the muddy ground and all their goals came as the result of the combined work of the forward line. It is hard to single out any of the players for special mention as they all played good football under harrowing conditions. The home team were obviously handicapped by the heavy ground and played much below their form of the previous week at Timmins.

The Teams McIntyre: Brockbank, McAdam, Hampton, C. Dawson, Mair, Morrison, E. Dunstan, R. Dunstan, Searle, Hendry and Rodgers. Subs: J. Dawson and Bannerman.

Noranda: Subden, Binnie, McDonald, Muir, McMillan, Curry, Calderwood, Fernie, Nagi, McKendrie, and Caisley. J. Kirkwood referee.

Cloudburst Causes Damage at Sudbury

Railway Service Disrupted by Cloudburst. Four Inches of Water Fell in Two Hours.

Word from Sudbury this morning says that one of the worst cloudbursts ever known in the Sudbury district occurred Saturday night. The chief damage was done by washouts on the Canadian National Railway. Motor traffic was at a standstill and communication in the Sudbury district were disrupted. "Four inches of water," says one despatch, "fell between Sudbury and Wainwright, 15 miles east, in two hours. The trunk highway and all roads out of Coniston were blocked by washouts. The washouts on the Toronto line of the G.N.R. occurred within the town limits of Coniston. Trains were routed over the C.P.R. lines. Traffic was resumed Sunday night."

Young Boy Drowned in Mattagami River Friday

Roland L'Heureux, Seven-Year-Old Son of Mrs. L'Heureux, 96 Commercial Avenue, Falls from Pointer. Over Two Hours' Search Before Body Recovered.

Roland L'Heureux, seven years old, lost his life by drowning on Friday when he fell out of a boat at the Mattagami bridge.

Just a few minutes before ten o'clock a chum of Roland's who was nearby saw the little fellow topple out of the long yellow pointer in which he had been playing, into the swift flowing river. The lad did not rise to the surface, so his chum ran to the Ontario Forestry office a few doors away and called for help.

The rangers set to work immediately with drags and a call was put in for the fire department. Dragging continued all morning but the body could not be located. Finally, about 120, the body was brought to the surface, but by that time, there was no hope of artificial respiration. The current had

carried it down to the north side of the bridge in a curve of the stream.

Had Been Warned of Danger

Roland's mother, who lives at 96 Commercial avenue, told The Advance that the lad usually obeyed her well. She didn't know what could have possessed him to wander down nearly four blocks to where he was playing in the boat. She had expressly told him to stay around the house. She knew nothing of the accident until one of Roland's chums came to the door and blurted out the story of the drowning.

Mrs. L'Heureux's husband died more than a year ago, not long before the family came to Timmins. There are five other children, two boys and three girls.

The funeral service was held Saturday from St. Anthony's church to the Roman Catholic cemetery.

Radio Interference Car Here This Week

Checking-up on Static in Town and District and Planning to Remove Interference Wherever Possible.

A radio interference car from the Department of Marine at Ottawa is in Timmins at present checking up on various electrical devices and equipment that may be the cause of widespread "man-made static" in this locality.

The engineers in charge of the specially equipped vehicle will investigate any complaints made to them and will do everything in their power to have them corrected.

Likely Increase in Provincial Police

Force Claimed to be Under-staffed Especially in Northern Ontario.

According to despatches last week-end from Toronto Attorney-General Roebuck plans to increase the number of men on the provincial force. For some time past the complaint has come from several quarters that the Ontario provincial police force is undermanned and that something should be done about it. Hon. Mr. Roebuck intends to do something about it. The claim is that the provincial force should have some forty or fifty more men. In the North Land especially the need for more men is particularly apparent. It will be recalled that some months ago the force was reduced considerably on the plea of economy. Some forty or fifty men were dropped from the payroll. At the time it was pointed out that the drastic reduction in the number of men would seriously affect the efficiency of the force. This suggestion, however, did not meet with much notice at the time. There was to be a cut! That was all there was to it! Now, however, it is apparently recognized that the police of the provincial force have been unnecessarily handicapped through the lack of a sufficient number of men. At the next meeting of the Ontario Cabinet, it is understood, there will be authorization made for an increased number of men. The fifty discharged last year will not all be given back their places. Perhaps, some of them may be employed again, while the rest of the places open will be filled by the present administration.

Col. Lang to Remain as Head of T. & N. O. Railway

According to word from Toronto at the week-end, Col. Mac Lang will remain as chairman of the T. & N. O. Commission, which will be good news for the people of the North. Col. Lang has proved an able chairman and things are being conducted in just as good fashion as in the past under the chairmanship of Geo. W. Lee, Col. Lang's predecessor. Col. Lang is popular with railwaymen and public alike and there was general regret at the possibility that another change might further disjoint the service of the people by the railway. On account of the fact that Col. Lang was chosen as the candidate for Temiskaming South for the coming federal election and the further fact that Premier Hepburn has stated that Col. Lang must not stay with the railway if he runs as federal Liberal candidate, there has been some anxiety in the North in regard to the matter, most people being very anxious that Col. Lang continue as chairman of the railway.

Interviewed by newspapermen at Toronto last week Col. Lang refused to commit himself as to his intentions in the political line, but Premier Hepburn is quoted as saying definitely that Col. Lang will remain as head of the T. & N. O.

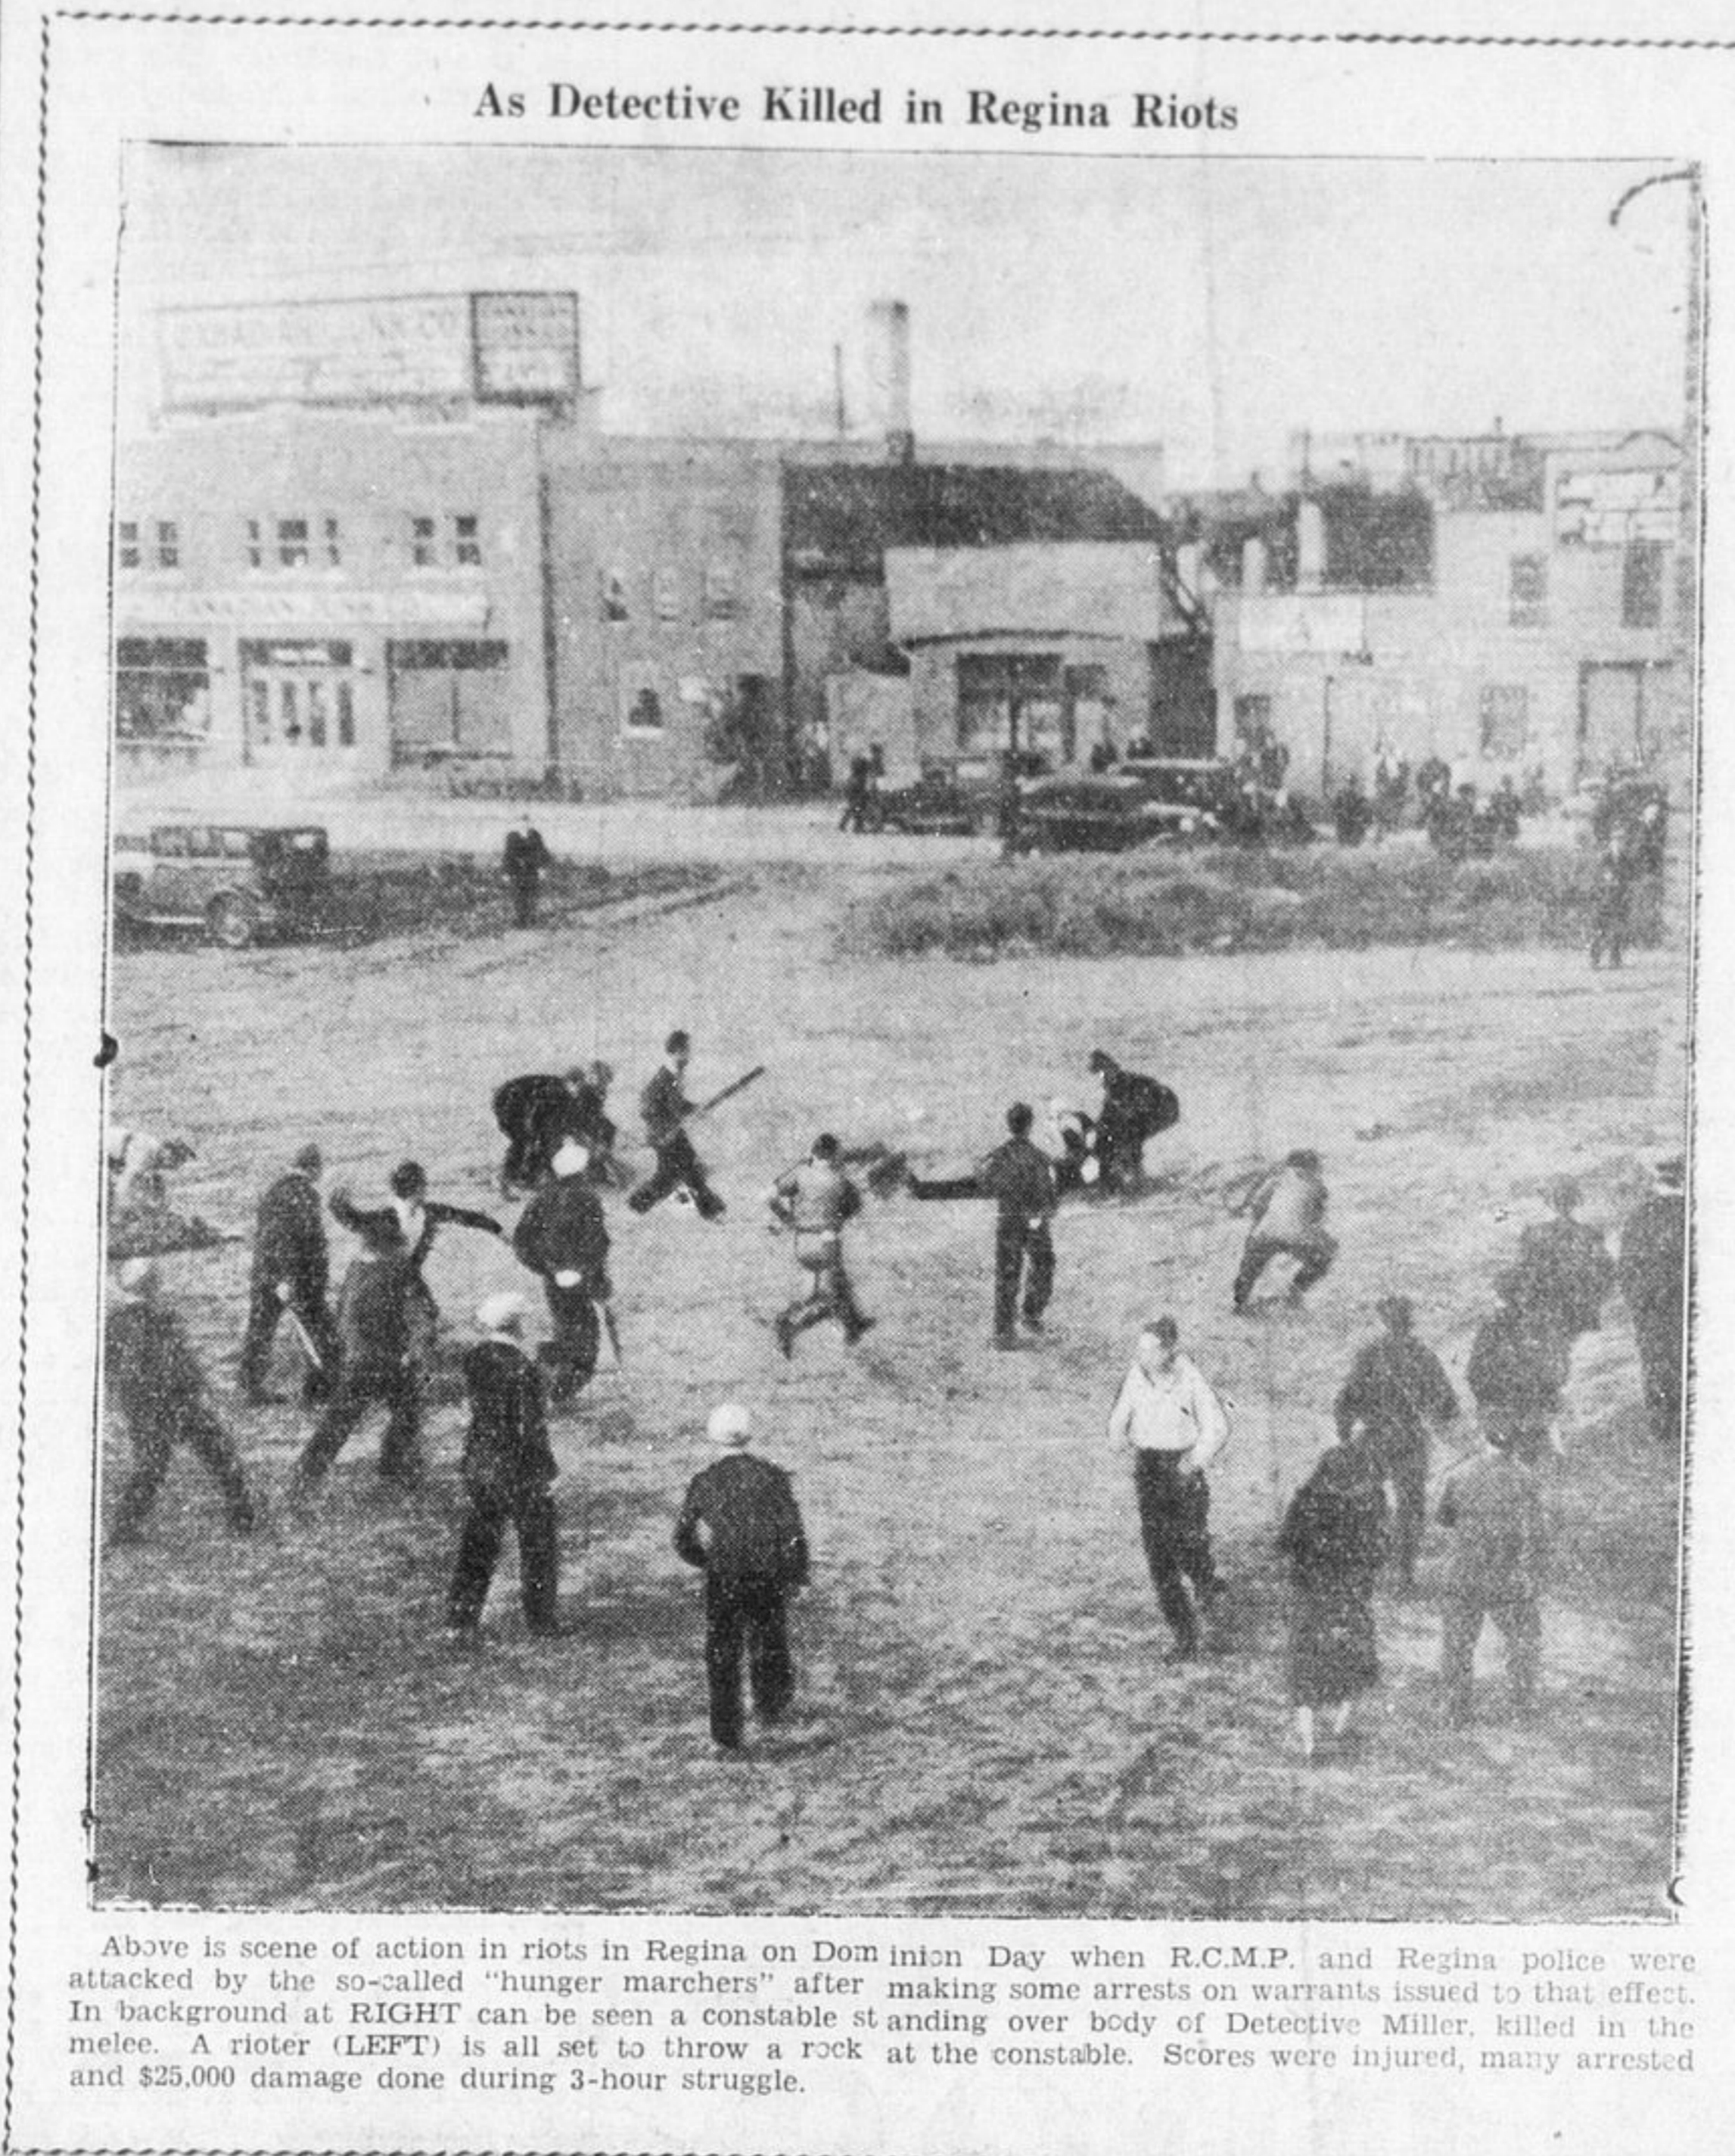

Short Circuit on Pole Causes Blaze

Alarm Turned in Sunday Evening for Unusual Fire on Balsam Street, North.

A lightning service short circuiting near the pole in front of 159 Balsam street north last night was the cause of a fire alarm turned in at 8.25 p.m. The arcing had done no damage when the fire department arrived, but it was necessary to cut the wires and telephone the power company, who replaced the line.

A practical joker telephoned the fire station at 12.20 p.m. on Friday to say that there was a fire at 33 1-2 Main avenue. When the department arrived, the occupants of the house knew nothing of any fire, nor could the call be traced. The offense is punishable by law and if the "joker" is found, he'll have plenty of fun in police court.

The only other call of the week was on Friday morning at 9.50 when the Forestry Department telephoned about the drowning of Roland L'Heureux. Response was immediate, but the body was not located for so many hours that resuscitation was impossible.

As Detective Killed in Regina Riots Above is scene of action in riots in Regina on Dominion Day when R.C.M.P. and Regina police were attacked by the so-called "hunger marchers" after making some arrests on warrants issued to that effect. In background at RIGHT can be seen a constable standing over body of Detective Miller, killed in the melee. A rioter (LEFT) is all set to throw a rock at the constable. Scores were injured, many arrested and \$25,000 damage done during 3-hour struggle.

Timmins Young Man to Face Serious Charges

Fred Kingsbury Found with Loaded Blackjack and Pocket for Same. Accused Also of Living on Avails of Immorality. Other Cases at Court This Week.

Fred Kingsbury was arrested last week at Schumacher and now faces several serious charges preferred by the Schumacher police. When the young man was first noticed by the Schumacher police it was believed that he was another of the Kingsbury brothers wanted by the Timmins police in connection with the alleged forgery of a government relief work pay cheque last year. Investigation by the Timmins and Tisdale police, however, while showing that the man arrested was not the one for whom search had been made by the Timmins police, resulted in serious charges being preferred by the Schumacher police against the young man. It was found that he and a companion had been stopping at a Schumacher hotel with two girls, the police alleging that the couples had falsely registered, and this charge will likely be pressed. The two young women in the case were placed under arrest and one of them told the police that she had been leading an immoral life, the proceeds going to Kingsbury, who brought Chinamen and others to their room. While Kingsbury was being searched, a blackjack was found in his possession. His explanation that he had picked this up on the road not knowing what it was or that it was illegal to have it in his possession, was much upset, as was also the prisoner, when police noted in searching him that there was a specially constructed blackjack pocket on the inside of his coat, the work apparently being home-made on his part. The Tisdale police as a consequence will add a charge of carrying illegal weapons against the young man. A small quantity of what appears to be narcotic drugs is also being investigated.

There are a number of other serious charges to be before the court to-morrow. The majority of these cases seem to be charges of fraud. C. R. Wilson, who has a lengthy record according to police information, and who was remanded last week, will be called upon to answer a number of charges of issuing fraudulent cheques. His plan is said to have been to rent a room at a hotel or rooming house and pay in advance by cheque, taking the balance in cash, and not returning for his room.

Another fraud charge is that against Charles Lachane, alias Charles Charlette, who is accused of securing groceries under a false name. A man named J. J. McGarry is out on \$100 bail on a fraud charge said to be connected with a cheque transaction.

Old Frame Freight Shed Burned at Toronto Sunday

Reports from Toronto this morning give some particulars of one of the most spectacular of recent fires in Toronto. The fire was at the old freight sheds of the C. N. R., frame structures extending from Simcoe to Peter streets, below Front street. Reports here yesterday, based on the incomplete and indefinite statements over the radio, gave rise as usual to wrong conceptions. It was believed by some that both the C.P.R. and C.N.R. freight sheds had been destroyed and that the loss ran into millions. The particulars by wire this morning show that it was the old frame freight sheds that were destroyed. The fire, however, was a spectacular one. It occurred early Sunday afternoon. Six freight cars in the railway yards were gutted, the wires say, before the combined efforts of all downtown firemen placed the blaze under control.

John D. Rockefeller, Sr., NINETY-SIX YEARS TO-DAY

John D. Rockefeller, Sr., is 96 years old, and the famous old financier is enjoying good health of mind, body and estate for one of his age. He says he expects to live to be 100 years old.

Twelve Injured Sunday in Railway Crash in West

Two Canadian Pacific Railway trains met in head-on collision near Craven, north of Regina, on Sunday, the result being the injury of 12 persons. Of this number five were passengers, the other seven being railway employees. It is understood that non of the twelve are fatally hurt while the injuries to the passengers are not thought to be serious.

Orangemen to Meet at Kirkland on 12th

Cochrane District Joining Temiskaming Orangemen in Staging Big Twelfth of July Event in Kirkland Lake.

Members of the Loyal Orange Lodge and others who wish to go to the big 12th of July celebration in Kirkland Lake should get in touch with J. T. Andrews, Master of the local lodge, at Luxton's cigar store as soon as possible. Bus transportation is being provided and it seems likely that a large party will leave Timmins at 7.30 p.m. on Friday.

Before Thursday it is likely that more definite arrangements will be made.

H. B. Poirier, of New York, was a visitor to Timmins last week.

Weatherman Says More Heat on Way

Sun Expected to be Shining Brightly To-morrow and Rain Over. "Wait and See."

More heat is on the way for this week, said the weatherman this morning. To-morrow should see the sun shining brightly all day again and the temperature rising once more.

It never did get very cool, even after the two rainstorms over the week-end. Thursday holds up the record for heat this year with a mean temperature of 79.5. Here are the figures since then: Thursday, max. 93, min. 66; Friday, max. 82, min. 60; Saturday, max. 64, min. 55; Sunday, max. 65, min. 57. Last night's minimum was 58 and this morning at eight o'clock the thermometer had risen to 64.

Rainfall on Saturday during the thunderstorm amounted to .05 inches but yesterday it rained almost continually from 5.30 a.m. to late at night, a total of .45 inches accumulated.

Funeral of Paul Pianosi to be Held This Afternoon

The death occurred on Saturday of Paul Pianosi, 87 years of age, who had been living with relatives at 161 Spruce street, south, for the past year or so. Mr. Pianosi has many relatives in the Porcupine district and his son, D. Pianosi, is proprietor of a Schumacher store. Though the elderly man had been in Canada 22 years, he had formerly lived in Windsor. He was born in Italy. Funeral services are being held this afternoon at 5.30 o'clock from the Church of the Nativity.

Total Number on Relief in Timmins in June, 797

There were 165 Heads of Families Receiving Relief, with 607 Dependents. Only 25 Single Persons Given Relief in June. In May There were 197 People on Relief.

The total number of people on relief during the month of June in Timmins was 797, it was learned this week at the town hall. The total was made up as follows: heads of families, 165; dependents, 607; single, 25. This number will drop slightly before the end of July. Relief Officer I. E. Dunn expects and during August there may be some improvement. Those who have been able to get along at all have been cut off relief during the past month, as a comparison with May shows, when there were a total of 967 people being looked after. There were 201 families, 741 dependents and 25 single persons.

Laidlaw Wins Geo. Lake Shield, 72-Hole Contest

Play in Club Championship Event Begins This Week. First Round to be Complete by July 14th.

- W. Laidlaw is the winner of the 72-hole medal play for the Geo. Lake Shield at the Timmins Golf Club for 1935. It was announced this morning when all the figures had been added up. Games in this big event have been going on for some weeks now, and were completed this week-end. Now play begins for the club championship, the Geo. Lake shield games having been a qualification round. First round in the new event must be complete by July 14th, second round by July 21st, third round by July 28th and last round by August 11th. Following is the list of the flights together with players' handicaps: Championship 10—W. Laidlaw vs. C. G. MacIntosh—26 18—J. E. Ashton vs. S. R. McCoy—18 22—A. W. Pickering vs. Dr. Taylor—18 12—T. Pare vs. S. A. Wootkey—16 25—E. H. Hill vs. J. W. Fogg—22 20—John Knox vs. W. Rinn—24 22—J. T. Jackson vs. Geo. Lake—12 16—S. A. Wootkey vs. F. Graham—18 First Flight 22—J. D. Brady vs. Dr. Kinsman—26 28—R. E. Dye vs. Dr. Forter—26 24—Geo. Adams vs. R. E. Delahunt—26 22—D. B. White vs. R. Eddy—20 28—J. G. Woolley vs. C. H. Kerr—28 26—Dr. Greig vs. J. W. Dougherty—26 28—J. M. Douglas vs. N. Ward—26 28—R. Hall vs. C. G. Kemsley—22 Second Flight 30—R. M. Asseltine vs. P. E. Cooper—20 26—Geo. Drew vs. J. Grady—26 20—W. S. Jamieson vs. G. S. Lowe—16 22—W. Widdifield vs. Dr. Moore—20 18—A. H. Munroe vs. J. Perry—20 18—H. Scarth vs. J. E. Sullivan—20 22—I. P. Whitney vs. V. Woodbury—20

Heiress in Court

MERRY FAHRNEY Money troubles and not the usual romantic complications brought Merry Fahrney-Parker-Pickering-Eisner of Oak Park, Ill., back into the headlines. The heiress to patent medicine millions sought to have voided documents which she signed waiving her share of the \$1,000,000 estate left by her late uncle. She told the court she had been induced to sign to obtain \$30,000 in cash of her.
