McIntyre, Moneta Win in Weekend Softball

Hollinger Looks Better as Moneta Takes One Run Victory. McIntyre Breaks Into Win Column and Forces Friedman's Into Third Place.

The weekend's first game when Moneta won from Hollinger, was no surprise to the fans or to the winner, but the marked improvement in the Hollinger outfit shows that they should soon be breaking into the win column. They've carried on gamely all season and came as close to winning yesterday as they ever have before. They never had a lead, but did manage to tie the score once at 5-4. Final score was 7 to 6.

McIntyre Up Again

Friedman's moved down to third place in the league standing as the result of the second game when McIntyre took a 9-7 win from them. The best Friedman was able to do was to tie the game up in the third and keep it that way through to the beginning of the sixth. The thunderstorm broke as Friedman's were having their last batting, and the game was called with two men down and one on base.

Both Games Good

Both games were good to watch, as the comparatively low scores indicate. In the first inning of the second game, Friedman's were unable to score, though they were left with two on base as Paice and Studor hit. Hicks, for the Macs got the first hit for his team with one away. He got to third on a wild pitch and a passed ball but was caught coming home when Peacock bunted. Peacock made the circuit as George Walsh's hit was misplayed at right field. The Macs were left with two on.

Friedman's get to work in earnest in the second.

Wilson hit, was forced to second as White accepted a stroll, and scored on a wild pitch. Thompson walked, and both runners scored as Paice drove out a double.

Bowen Drives in Two

In their half of the second, the Macs got four to put them two up. Auger walked, took second as Jimmy Walsh popped one to Wilson. Stewart walked. Bowen lifted the load by driving in Auger and Stewart. Peacock tripled and scored as George Walsh hit. Hicks and Goldthorpe were out at first.

In the third, Friedman's added two. Morin got on as Hicks missed a grounder, made third on Grant's hit and came in on Wilson's drive. Grant crossed the plate as Auger missed a throw in.

No scoring in the last of the third nor first of the fourth. The Macs added two in the last of the fourth when G. Stewart singled, made third as Wilson muffed Bowen's drive. Hicks fanned, and Peacock hit a fly to Thompson. Stewart scored after the catch. Walsh doubled, to bring in Bowen. Eckert popped to Giallanardo.

Grant's run for Friedman's in the fifth came as he hit, took second on a passed ball and came in as Giallanardo's fly was missed by Eckert. Wilson's foul fly had been caught by Hicks and White's by Auger. Thompson fanned.

Auger led off for the Macs in the last of the fifth, singled, came to third as Wilson threw wild on Bowen's grounder and home as Peacock drove a fly to Thompson. Hicks fanned, but George Walsh brought in Bowen with a double. Goldthorpe was left on as Eckert popped one to Giallanardo.

Dayton got the only one for Friedman's in the sixth as he hit a double, made third as Peacock missed Fox at first, and home as Studor went out at first. Morin's fly was caught by Jim Walsh and Grant's by Dayton.

Peacock was safe on first for the Macs in their last batting, and took second when he forced a throw to first that was wild, made third as George Walsh fanned, and scored after Goldthorpe's foul fly was caught by Morin. Eckert fanned.

Wilson looked at three balls and two strikes and finally accepted a walk, in Friedman's last batting, but he was out at second when White's grounder was picked up by George Walsh who threw to Goldthorpe. After the first part of the thunderstorm, Giallanardo fled out to Eckert.

Pitchers Equal

Jimmy Walsh and Walter Grant were well matched pitchers, though Walsh had much better support. Grant allowed eleven hits, struck out six batters and walked only two. Walsh allowed nine hits, struck out four and walked three. Friedman's had six errors to McIntyre's three.

McIntyre: J. Walsh, p; Auger, c; Peacock, lb; Goldthorpe, 3b; Hicks, 3b; G. Walsh, ss; Stewart, lf; Eckert, cf; Bowen, rf.

Friedman's—Grant, p; White, c; Mo-

rin, 1b; Studor, 2b; Wilson, 3b; Giallanardo, ss; Dayton, lf; Paice, Fox, cf; Thompson, Webb, rf.

Umpires: J. Scully, McMahon.

First Game Starts Fast

The first game, when Moneta took that one run victory over Hollinger, was fast, but got a little sloppy toward the end.

For three innings, not a Hollinger man got on base, and only five Moneta men turned the trick. In the first Ferrari was walked with only one down, but was left there as the next two were played out quickly. In the second Moneta got their first run. Barbary got on through an error and came in as Manzutti and Guolla hit.

Holly got one run up in the fourth as Butler and Kirkland walked and made the circuit before the side was retired. Moneta retaliated with four counters, McMahon scoring after a walk, Barbary and Guolla off hits, and Lukon on a right field error.

The nine lads tied it up in the first of the fifth when Copps scored from a walk, Butler from a hit and Kirkland from a walk. Webb's double was responsible for the scoring.

Leo Campbell got one for Moneta in the fifth off a bunt that went down the third base line. Barbary hit, and brought the total up to seven as he crossed the plate.

Kennedy got a two bagger to left field in the opening of the sixth and scored as Copps drove one to centre field. Butler walked, but the two runners were left on base. Moneta didn't increase their tally in their sixth at bat, and Holly failed to get one across in the seventh, though Kirkland and Webb got on.

Moneta: Campbell, p; Barbary, c; Ferrari, lb; Lukon, 2b; McMahon, 3b; Berardinelli, Guiddin, lf; Guolla, cf; Manzutti, rf.

Hollinger: Kennedy, p; Webb, c; Kirkland, lb; Copps, 2b; Reid, 3b; Marks, ss; Maynard lf; Butler, cf; Platt Heath, rf.

Umpires—Scully, Lukon.

Shooting is Popular Timmings Sport Now

Wednesday Night Gun Club Meets Attract More Members.

With the opening of the duck season just a little over a month and a half away, interest in the Timmings Gun Club is quickening with every passing week. Fourteen members turned out last Wednesday at the trap near the compressor house, and if the weather is fine, more are expected this week.

Scores are getting better as the shooters' arms get steadier and sighting becomes more practiced.

Following are last week's results:

Premier Announces his "No Work—No Relief" Plan

A despatch last week from Toronto says that a definite "no work—no relief" policy was laid down by Premier Mitchell F. Hepburn Thursday for cash relief workers, aimed directly at striking Windsor woodyard workers, but effective for the whole province.

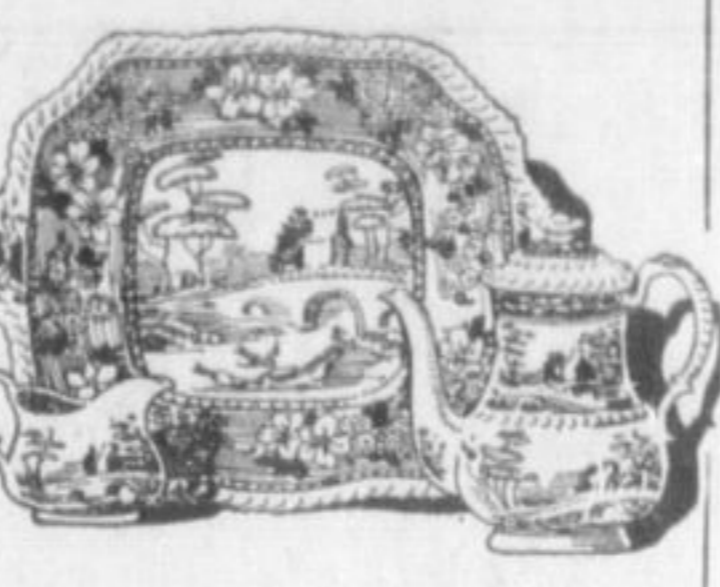

Immediately the interpretation was placed on the government order that no labour troubles would be permitted in the vast network of cash relief projects which Minister of Public Welfare David A. Croll has set up throughout the province, and to which the province is contributing upwards of \$8,000,000.

The premier charged that agitators were active in the border strike, and stated that while a man has the privilege of refusing work, it is a matter of government duty and policy to refuse assistance if he does so. On the Windsor project the workers are paid in cash at 50 cents an hour.

The premier who is acting as minister of welfare in charge of relief, stated that a firm hand in line with previous policies would be taken in the Windsor strike.

Entries Asked for Five-Man Football

Timmings United to Stage Series of Games in August for Everybody's Fun.

How about a fifteen minute game of football? The Timmings United club is giving everybody a chance to have some fun out of one of those five-men-to-a-side affairs. The date isn't set yet, but the club is taking entries from anybody and everybody.

The idea is to get as many good sports as there are in town together on the one day and run a series of short games, just for the fun of it. Each five-man team pays an entry fee of \$2.50 and the money goes to help along the local club, who, by the way, are still leading the Porcupine District Football Association.

All entries must be in by August 15th, and may be given to: Chief Borland, E. Tomlinson, R. Roy, A. Cory, A. Fedley, E. Lory, B. Jones, E. Thompson, J. Jago or A. Jennings.

Empires Lose First Game to Excelsiors on Friday

Empires softball team had their first defeat of the season in Schumacher on Friday night when the Excelsior girls took a 12-9 victory.

Excelsiors got to work in the first inning and before the Empires settled down to business, six runs came in. After that the Empires held well, but the lead was too big to overcome. W. S. A. go to Schumacher to-night and meet the Empires at the ball park here on Friday night.

Porkies Tied With Holly as Abitibi Loses Friday

Abitibi ball team took another one on the chin Friday afternoon when the Porkies went to the paper town for a 6-2 win. It was a good game all the way and when the two teams meet again to-night at South Porcupine, the result may be different, Abitibi says.

The result puts the Porkies on a par with Hollinger in the league standing, so to-night's game is an important one for the averages.

First Kiwanis Track and Field Meet Held

Good Beginning Made in Setting up Schoolboy Records Here. Open Events This Thursday.

Eighty boys took part in the Kiwanis Twilight meet on Thursday evening at the cyanide, when track and field events were all highly contested and brought out a good number of close finishes, not only in running, but in the jumps as well.

The high jumps were both good and the two best in each event had to jump for second place. Bernie Chenier and Joe Lucciantano were the winners in the 14-year class and Herb Hatton and Jack Lake made the 16-year-old class a good event.

The open hop, step and jump found the three Lake brothers fighting it out. Jack had the event until the last when Merton made 36 feet and 5 inches, Ronald was a close third.

No open track events were run because of the lack of entries but it is expected that the McIntyre and Timmings Achilles Club will take advantage of the opportunity this Thursday to try out in competition. Every amateur athlete in town is cordially welcomed by the Kiwanis club to take part in any open events.

Here are the winners in the Thursday meet: (Intermediate, under 14 years of age; senior, under 17 years of age; open, no age limit).

25 yard dash, boys 6 and 7: George Carron, Johnny Smith, Tommy Simpson.

Hop, step and jump, open: Merton Lake, Jack Lake, Ronald Lake, 36 feet 5 inches.

High jump, intermediate: Bernie Chenier, Joe Lucciantano, Chester Stenlick, 4 feet 2 inches.

50 yard dash, boys 10 and 11: Bertie Glaister, Goldie Bucivitch, Walter Robertson.

75 yard dash, boys 10 and 11 years: Reg Johnstone, Jack Desormeaux, Gerald Gauthier, 11 1-5 seconds.

100 yard dash, senior: Herb Hatton, Carl Horwitz, Jack Fisher, 12 1-5 seconds.

Running broad jump, boys under 11: Douglas Bellamy, Louis Roy, David Robertson, 10 feet 4 inches.

100 yard dash, boys 12 and 13: Joe Lucciantano, Robert Morin, Chester Stenlick, 13 3-5 seconds.

High Jump, senior: Herb Hatton, Jack Lake, Joe Delmonte, 4 feet 8 inches.

25 yard sack race, boys 6, 7 and 8: Gerry Chatsworth, Bertie Glaister, George Curran.

Running broad jump, intermediate: Robert Morin, Bernie Chenier, Stewart Bellamy, 12 feet, 2 inches.

220 yard dash, senior: Carl Horwitz, Herb Hatton, Jack Fisher, 30 1-5 seconds.

Refrigeration Engineer Instead of Electrician

In referring last Thursday to a case in which a local man is charged with fraud in obtaining \$75.00 for a new coil and compressor for an electric refrigerator, it being held now by the owner of the refrigerator that these new parts were not necessary and that he has not been able to secure the return of his \$75.00, The Advance referred to the accused as a "local electrician."

This was perhaps not quite fair to local electricians who say that the man charged is not an electrician. It is a fact that on his letterheads and billheads he does not claim to be an electrician but has called himself a "refrigeration engineer."

Local electricians feel that a hurried reading of the article in The Advance might give a wrong impression of the case, though the article made it quite clear that no fault was found with established firms whose record in the electrical line has been quite creditable.

The electricians in Timmings are trying to build up a high standard of ethics and the fairest possible treatment of the public in every way, and so The Advance is anxious that they should not have any unnecessary or undeserved reflection cast on them in any way. It is to be hoped that the case referred to, which will be before the court here on Tuesday, will clear up the situation in regard to electric refrigerator repairs and conditioning so that no reflection may remain on any worthy workmen.

Some "Hunger Marchers" Go Home but Others Go On

There is very general approval of Premier Hepburn's ultimatum to the "hunger marchers" and others of similar type that those able to work and not ready to do so shall no longer be given any relief. This was brought forth by the refusal of so many to assist in farm work despite the appeal of the farmers of the province for help. The farmers were particularly incensed by the fact that men refused work and persisted in their silly "march" to Ottawa, attempting to live off the farmers en route. There was also general approval for Premier Hepburn's firm stand in refusing all aid to the "hunger marchers."

The town of Pembroke, under government supervision, was ordered not to feed, house or otherwise help the paraders. Premier Hepburn offered transportation back to their homes for all the trekkers, the offer to be accepted at once, or they could take care of themselves. The trekkers at Kenora accepted the offer and are now going back home. The group that got as far as Oshawa last week refused the offer. In the North these misled trekkers this time received little sympathy and less cash in the North Land.

Only a few from this part of the North entered this parade this year and they have found the going very hard, all sympathy having been alienated by the gross folly shown.

Motor Mishaps on Saturday, Sunday

(Continued from Page One)

a number of abrasions on the arms and other minor injuries. While she escaped serious injury she is suffering from shock and is in bed as a result of the accident. Investigation was carried out to locate the driver of the truck or car that was responsible for the accident. It was found that the car wheels had been three-quarters of the way over the sidewalk in making the turn at Elm street and had run some distance on the walk. Those who had seen the accident said that the truck was one converted from a car and a good description of the car or truck was given. As a result of the investigation made and the information given the police by the two gentlemen who saw the accident, a charge of reckless driving was laid against Eddie Prevost, 173 Elm street, charging him with reckless driving. He will come up on this charge to-morrow.

Another accident in which injury was suffered occurred about 10:30 Sunday night. Sergt. Gagne of the Timmings police force who had been at Angliers with members of his family was returning home in their car and about two miles from Schumacher a passing car threw up a stone that went through the windshield of the car. Fortunately the windshield was made of the "shatterproof" type of glass or the injury caused might have been even more serious. The stone was about the size of a baseball and it hit the windshield with such force that pieces of glass were flung into Sergt. Gagne's face, some of the glass hitting him in the eye. Pieces of glass lodged in one eye and medical attention was necessary to remove them. Fortunately, the eye was not permanently injured, and fortunately also Sergt. Gagne did not lose control of the car despite the injuries suffered. He brought the car safely to a stop. No one else in the car suffered any injury from the unfortunate accident.

There were two other accidents during the week-end that resulted in serious damage to cars but fortunately did not entail any injury of any moment to drivers or passengers in the cars concerned. One of these accidents was a collision on Saturday about 2 o'clock between a truck owned by J. Laneville and driven by Eli Leblanc, Jr., and a car owned by W. T. Montgomery and driven by D. Marshall. The truck was going west on Kirby avenue and the Montgomery car was going south on Elm street. They met at the intersection, the Montgomery car turning over two or three times, and breaking

down a fence on a nearby lot before it came to a final stop. The truck was damaged in the collision, while the car is considered as a total loss. The driver of the car suffered from shock but was otherwise uninjured, the truck driver also escaping injury.

The other accident in which there was damage done but no injury to either of the drivers was on Saturday on the Hollinger flats when there was a collision between a car owned by Arthur Jones, 212 Birch street north, and one owned by Lloyd Groves and driven by Jos. Renault, of the St. Charles hotel. Both cars were very badly damaged, one car having two wheels torn off in the crash. Neither of the drivers suffered any material injury.

Kirkland Lake Club Invites Local Ladies

To-morrow morning, a group of ladies from the Timmings Golf Club will pay an inter-club visit to the Kirkland Lake club, where a ladies' field day has been arranged.

Among those who intend going to Kirkland are: Mrs. Darling, Mrs. Yorke, Mrs. Douglas, Mrs. Kester, Mrs. Pickering, Mrs. Robinson, Mrs. C. Rutherford, Mrs. Lake, Mrs. Todhunter, Mrs. J. Rutherford, Mrs. Dye, Mrs. Porter, Mrs. Leaman and Mrs. Rinn.

The first match at Kirkland is scheduled to begin at 10:30.

Miss Lorraine McMillan is spending a two-week vacation in Toronto, Wausaga Beach, Detroit and Windsor.
