Postpone Cornish Picnic on Account of the Rain

The annual picnic of the Cornish Social Club will be held at Golden City on Sunday, Aug. 4th. The picnic was postponed from last Sunday on account of the heavy rain. Buses will leave Dalton's on Third avenue at 10 a.m. sharp for Abram's field. A small fee is charged for each family to cover necessary expenses. Milk, sugar and tea provided; also ice-cream and soft drinks. A bus will leave Dwyer's at Schumacher at 9:45 a.m. for the convenience of Schumacher members of the Cornish Club. Each year the Cornish Social Club's annual picnic has been one of the big events of the summer season. This year it will be up to the old standards of interest and enjoyment. There will be the usual happy sports for children and grownups, with a nice array of prizes. All members of the Cornish Social Club may be assured of a very pleasant outing on Sunday.

Think Several Snakes Lett Show at South End

Another Snake Seen Last Week in the Vicinity. Picnic Planned for Monday. Geological Survey in Deloro. Other News of South Porcupine and Dome.

South Porcupine, Ont., July 30th, 1935. Special to The Advance. Monday, August 5th is a civic holiday for Tisdale. "Good citizens will govern themselves accordingly." Mrs. McIntosh, Betty and Bob have returned from their vacation. Mr. McIntosh is in Halleybury where his sister, Miss McIntosh, is seriously ill. A slight error in Christian names figured in this column on Monday. It is Mr. James Cattarello, not Mr. Dominic Cattarello, who has bought the Turcotte property. Mr. and Mrs. Frank Harvey, with Miss Elsie and Mr. Albert Harvey, and Miss Claire Marouck, all of Hamilton, are visitors at the home of Mr. and Mrs. T. Gibbons this week. Mrs. E. Roy, with Mrs. A. Lafin and children, spent the week-end camping in a cabin at Golden City. Mr. Jack Gallagher, of Toronto, son of Mr. Ted Gallagher, is visiting at the home of his uncle, Mr. C. V. Gallagher, for two or three weeks. Mr. and Mrs. Gus Knutson and family have returned to town from Quebec, and are contemplating building a home on Connaught Hill. Mrs. Charles Cooke, of the Paymaster Mine, left this week by motor for a vacation at her old home in Waterville, Quebec. Another snake, a smaller one, has been seen in the vicinity of the site of Wallace Bros. Shows. On Saturday Mr. Reed was walking past Broadway on Crawford when he saw the reptile wriggling out of a culvert. He ran to get a stick in order to kill it, but on returning it had slipped away out of sight. Rumour has it that quite a few snakes escaped—but let us hope it is only rumour. In the meantime most of us are giving this area a wide berth. A picnic is planned for Monday, Aug. 5th at the Feldman grounds at Golden City by St. Paul's Men's Club. We are told that transportation from the parish hall will be given to church members, starting at 1 p.m. A full programme of games, sports, etc., is planned, and a good time will be assured. Mrs. Moore and two children, of Dome Extension, and Miss Clarice Curtis are leaving on Saturday by motor for a month's holiday in North Bay and Campbell's Bay. Mr. Mike Cybulski, of the South End garage, left on Saturday for a motor tour to Toronto and other points. Miss Marjorie Ewing returned from Charlton on Saturday bringing with her as a guest her cousin, Miss Helen Miller. Miss Helen Spjuth is holidaying with the Hanseberry family in Noranda and

ends at their summer home on the Hunter property (formerly occupied by Mrs. Bruce). Mrs. Duncan McPhail, of Timmins, was a visitor with them over the week-end. Miss Shaw, our popular public school principal, is touring by motor through the New England States, up the coast to Nova Scotia, and will spend some days in St. John, New Brunswick, and Peggy's Cove, near Halifax, before returning. Mr. J. K. White, of Port Arthur, formerly of Winnipeg and London, Ont., is on the staff of Sky Bros. Miss Rose Dombrosky is spending a month's vacation at Barry's Lake near Embrooke. Miss Norah Scanlon, of North Bay, is visiting friends in Schumacher, and Mrs. Rayner of South Porcupine. George Frost, the man who was indicted for the robbery at the priests' house two weeks ago, came up for sentence on Tuesday, and has to do six months' hard labour in Burwash. We understand that the \$70 which was taken is almost a complete loss to Father Gelinat, only about \$3 (in coppers) having been recovered. Guilty of having liquor a man paid \$100 and costs, at the same court. A reckless driver paid \$10 and costs. One drunk—gone down for 30 days. For stealing a car R. Wolsey has a sentence of a month in jail. Several drunks paid fines. The whist drive, scheduled for last Thursday in the parish hall, was postponed to this Thursday, and will therefore take place at 8 p.m. sharp on Thursday (August 1st).

Businesses have sprung up—the camp boasts three grocery "stores." Trucks travel in and out along an ordinary bush road, taking the berries as quickly as possible to market or to the railway for shipment. Fifty cents a basket will buy all the berries that can be handled "on the spot," it's said, while they sell for a dollar wholesale elsewhere. Some are in there to scrape a living; some of the younger ones to make pocket money for the winter; some obviously for pleasure, for they travel in comparative luxury in well-fitted trailers. It's a great sight, they say, in the blueberry country this year.
