To Clear up Situation Between N.O.H.A. - O.H.A

A despatch this week from Sudbury says that with a view to clearing an unfavourable situation which exists between the N.O.H.A. and O.H.A., made that way by a number of incidents in the playdowns this spring, Rodger Mitchell, president of the northern body has instructed Secretary W. A. Thompson to communicate with all affiliated clubs with a questionaire regarding continuance of the N.O.H.A. under O.H.A. supervision.

The clubs will be asked to set a date of a meeting when matters pertaining to direct affiliation with the C.A.H.A will be aired.

Direct affiliation with the C.A.H.A. would place the N.O.H.A. on the same status as the Thunder Bay loop, giving them the authority to deal with their own problems and make their own decisions without interference of the O.H.A.
