Marriage To-day at Church of Nativity

Miss Winnifred Elston and Mr. Douglas Walker United in Marriage This Morning.

A pretty summer wedding took place this morning at nine o'clock at the Church of Nativity rectory when Winnifred, eldest daughter of Mr. and Mrs. Ralph Elston, 11 Maple street, south, became the bride of Mr. Douglas Walker, only son of Mr. and Mrs. Thomas Walker of Brussels, Ontario. Rev. Father McManus officiated at the ceremony that was performed before a number of the couple's friends and relatives.

The bride, who was given in marriage by her father, looked lovely in an ankle-length dress of periwinkle blue georgette, with long lace sleeves and back. Her hat was blue velvet caroline ribbon, and her shoes were of blue kid. She carried a bouquet of Johanna Hill roses, with lilies-of-the-valley and maiden hair fern, tied with yellow stain streamers.

The bridesmaid, Miss Kay W. Elston, of North Bay, cousin to the bride, was attractive in a jacket frock of shell pink crepe, embroidered in pastel shades, with white crepe tailored hat, white lace gloves and white kid shoes. Her bouquet was of pink Talisman roses, sweetpeas and fern, with a rose satin streamer.

Mr. Frank Powell attended the bridegroom. Wedding music was played by Miss Mary Sutherland.

The bridegroom's gift to the bride was a diamond pendant, to the bridesmaid, a bracelet, and to the groomsmen a pair of cuff links.

A reception was held at the home of the bride's parents this morning, where Mrs. Elston received. She was dressed in a navy blue figured ensemble of georgette. The house was a profusion of flowers, picked from the garden of the bride's parents. Following luncheon, Mr. and Mrs. Walker left by motor for Brussels, Toronto and United States points. For travelling the bride wore a rosewood colored suit with accessories to match.

The bride and groom received many gifts, including silver plate and furniture. The gift of the Marshall-Eccleston staff, Mr. Walker's business associates, was particularly beautiful. Many congratulatory telegrams were received during the morning.

Out of town guests were: Mr. and Mrs. Frank Elston, Misses Kay and Phyllis Elston, all of North Bay.

Popular Timmins Citizen Wedded at Toronto Recently

A pretty wedding took place at the residence of W. J. Elliott, Esq., K. C., and Mrs. Elliott, 57 Walmer road, Toronto, on August 10th, when Helen, eldest daughter of the late Mr. Charles Sandison and Mrs. Sandison of Dundee, Scotland, was married to Mr. Alexander Fisher Grant, of Timmins. The marriage was solemnized by the Rev. John G. Inkster, D.D., of Knox Presbyterian Church, Toronto.

On returning from their wedding trip on Wednesday, a reception was held at the home of Mr. and Mrs. Grant here, when a large number of their friends gathered to wish them happiness.

Will Rogers and Wiley Post Meet Death in Crash

Will Rogers, famous humorist, and Wiley Post, noted aviator, met death at Point Barrow, Alaska, on Thursday evening, when their airship crashed after some engine trouble. Both were smashed to death in the crash that demolished the machine. Airships, steamers and railway service are being used to bring the bodies of the two famous men home for burial.

LOCALS

Mrs. T. J. Lawlor returned Sunday from a short trip to Montreal.

C. O. Baker, C.N.R. and T. & N. O. agent, North Bay, is a visitor to town this week.

The Oddfellows, Rebekahs and their families enjoyed an outing and picnic at Child's Beach yesterday when large numbers of them gathered for a day of swimming and fun on the beach.

Kiwanis Sport Programme to be Held on Labour Day

Open and Age Limit Track and Field Events. Kiwanis Softball Final, Kirkland Lake Softball Team to Meet Local Nine, Lacrosse Tourney, to Make Big Holiday Programme Here.

Labour Day, September 2nd, will see the grand finale of the Kiwanis boys sport programme, when open and age limit track and field events will be held, along with a lacrosse tournament for boys under 20 of Timmins, Schumacher and South Porcupine, the final in the Kiwanis league softball and to top the day off, an exhibition softball game between Kaplans of Kirkland Lake and Friedman's of Timmins.

Kaplans were Ontario Intermediate champions in 1933 and last year played off with St. Catharines in the finals.

The summer swimming programme will finish in August 28th with the meet announced last week. Tickets will go on sale soon covering admission to the swimming meet, track and field events, lacrosse games and the softball games. The proceeds will be used to buy trophies for the various events.

River Rats Win Again
River Rats came up a step in the Kiwanis boys league last week when they defeated the Scorpions. Scorpions lost the game mainly through fielding errors. Both pitchers did well, but McLellan for the Scorpions had more trouble finding the plate than did Delmonte for the River Rats.

Friedman's Still Runners-up; Moneta Wins to Hold Place

Week-end Results Put McIntyre and Dome Down Further in Softball League Standing. Moneta Must Win Four to Have Chance of Beating out Friedmans.

Both Moneta and Friedmans bettered their chances of getting into the playoffs with Schumacher in the men's softball league over the week-end when both won their games. Friedmans took McIntyre 6-2, and Moneta won from Dome 9-5.

The result makes Dome's chances pretty slim, while Moneta still has a very good opportunity of fighting it out with Friedmans for second place. Friedmans have two games yet to play—one with the league-leading Schumacher outfit and the other with Hollinger. Dome has games with Schumacher, Hollinger, McIntyre, Moneta, and have to win every one of them to have a look in.

Dome and McIntyre are out—that's certain now. The first game, Friedmans-McIntyre, began well. Bowen scored for the Macs as Hicks hit, and Giallanardo tied it up when his team came to bat when Morin hit.

The Macs got into the lead again in the third and held it until the fourth, on a run from Bowen. That was their last tally and during the rest of the game only four men got on base safely.

Friedmans got one up in the fourth as O'Connor and Grant scored, got another in the fifth as O'Connor brought Morin across the plate, and two in the sixth, from Studor and Giallanardo on Morin's hit brought the total up to six.

McIntyre: Peacock, p; Hicks, c; Block, 1b; Auger, 2b; C. Stewart, 3b; Geo. Walsh, ss; Eckert, lf; Bowen, cf; Dutton, rf.

Friedmans: Ray, p; O'Connor, c; Morin, 1b; Studor, 2b; State, 3b; Giallanardo, ss; Dayton, lf; Fox, cf; Grant, rf.

Umpires: Campbell, Hickson.

SPORT-ORE
From All Levels

These Pro. Ball Players.
Next time, if any, the Lions and Kiwanis clubs meet in one of their professional-like softball games, the Kiwanis will play scrub ball, it has been learned on excellent authority. Every time a player of the opposing nine is put out, the team will change positions. Maybe there'll be some new talent discovered among the business and professional men of the town—and it should rule out this business of accusing the umpires of favoritism!

Tough Luck, Holly!
Hollinger, heaviest hitting team of the T. B. L. didn't even make the playoffs! The loss on Friday was a tough one, but the game that really beat them was the one lost to Abitibi on July 12. Toward the end Holly was playing much better ball than they did at the first of the season. Next year—with an odd addition here and there—the team should go a long way.

White at McIntyre
Yes, and Dan White, who played the fastest game last winter with Canada Life in Toronto, is at McIntyre, where he has been working for some time. He holds down second base on the Schumacher softball team.

A Tennis Opportunity
The attempt now being made by the Timmins Tennis Club to have a real Northern Ontario open tennis tournament should meet with the approval of tennis players throughout the T & N. O. district at least. It has long been a cry of theirs that the "Northern Ontario" championships held every year at Muskoka are not what they would appear to be from the name. The new tournament will be called the "New Ontario," logically enough. Even though it may not be as huge a success this year as it might be if plans had been laid earlier, it will give every tennis club in the North plenty of opportunity to get the ball rolling so that next year the thing may go on gathering popularity and importance. There's always a possibility of organizing a New Ontario Lawn Tennis Association too, similar to the golf association. This is a real opportunity for tennis enthusiasts in the North—let's hope they won't pass it up.
