

Squeeze Play Wins First Play-off Game for McIntyre

Porkies Lead Till Last of Ninth in 4-3 Game Yesterday

Two Down in Ninth as Eddie Angrignon Squeezes in Cybulski to Win Game for Macs. Porcupine Had Two Run Lead Going into Last Inning.

A squeeze play in the last of the ninth won the first of the T.B.L. play-offs for McIntyre last night, with the final score at 4-3.

Going into the last inning, Porkies had Macs down 3-1. With Malloy and Osborn on base and one down, Cybulski grove out a triple to centre field to tie the score. Eddie Angrignon stepped up to bat, and it looked very much as if an attempt was to be made to walk him deliberately. But Eddie reached out after a high, wide one, caught it on the end of the bat and laid it right down in front of the plate. Cy was half way in when the play came off. Schultz picked up the ball, saw Cybulski on the way back to third and threw to Hammill at first. Hammill caught, to put out Angrignon, but in the meantime Cy started for the plate. Hammill dropped the ball in the excitement, and Cybulski crossed the plate safe, to end the game.

No Score Till Fifth
It was a whirlwind finish to a real ball game. The Macs certainly had a lucky win, but they got it through superior maneuvering. Though Inky Wood fanned nine, the eight hits Porkies got off him came in the right places and the visitors didn't lose a chance to take advantage. Up to the end of the fourth, neither team had scored, though both had come within an ace of it. In the fourth itself, Inky pitched himself out of a deep hole when he forced Cox to drive to second base, with three on. In the first and second, Cox had got two on before retiring the side.

Not until the fifth, did the Macs break the string of zeros Wood had flung out to centre field when Malloy dropped one just over Cattarello's head. He started to steal second and would have been caught had not the second baseman dropped the ball after touching him. Malloy was held there as Murray made a sweet catch on a fly from Osborn.

Cybulski, who turned out to be the best hitter of the day, drove one out over short that scored Malloy, but the hitter was left on as Angrignon fled out to Jannette.

Thomas Ties It Up
Thomas, Porkies' right fielder, tied it up in the sixth when he smacked one out over third that was good for one base. Chamberlain dropped one over second, and although Hammill fanned, Jannette hit to centre field. Thomas beat the throw in to the plate by a split second and Adamson took a spill as the heavy right fielder crashed into him. The two runners were left on as Cox struck out.

Porkies took a one run lead in the seventh when Cattarello was safe at first on a bunt, went to second on Wagner's Texas leaguer, and scored as two successive fielder's choices put Wagner and Schultz out at second.

The Macs were out to get a few in their seventh when Wood and Malloy were walked after Adamson had fled out to Chamberlain. Osborn's foul fly was caught by Wagner, but Cybulski got on to load the bags when Jannette threw wild. Angrignon drove hard to right field but Thomas was under it, to finish off the inning.

The First Squeeze
Porkies third run was made in the eighth. Chamberlain was safe at first as Malloy muffed a throw. Hammill hit what looked like a Texas leaguer, but Malloy backed up for it and Angrignon came in from centre field. Malloy didn't get there quite in time, and Eddie, backing him up on the play, tossed wild, to allow both runners a base. Jannette fanned; but Cox was responsible for a swell squeeze play. His bunt rolled down close to the first base line and Chamberlain scored on the play to first. Cattarello fanned to finish off the inning.

The crowd thought the ball game was all over when the ninth began. Wood was safe on first as the ball rolled out

in front of the plate after he swung hard. Malloy should have been out at first, but Jannette muffed the throw. Wood was out as Osborn drove one to short for an easy out at second. Cybulski triple tied the score and Angrignon's squeeze won it.

Well Handled Game
There were one or two minor arguments during the game, but on the whole Felix Gratton and Bill Burnes kept the game well under control.

In the fourth, Porkies had Murray and Thomas on first and second when Chamberlain drove hard out to third. Osborn picked it off neatly, then purposely dropped the ball, and played it to second and first, where the runners had held their bases, hoping for a double or triple play. Gratton ruled that the catch had been held long enough for a put out.

Karl Schultz, Porkies' catcher, made the prize catch of the day when he went right back to the backstop to take Gilbert's high foul fly in the second. He caught the ball almost against the boards. MacDonald's handling of a fly by Murray in the first, that went almost to the limit of the field, and Osborn's catch on a real liner from Chamberlain in the fourth were among the nicest plays made by the Macs on the field.

Sacrifice hits: Cox, Cybulski, Angrignon. Stolen bases: Malloy, Osborn, Quinn. Three-base hit: Cybulski. Two-base hit: Wagner. Runs batted in: Murray, Jannette, Cox, Cybulski 3. Hits off Cox 10 in eight innings, two out in ninth; off Wood 8 in 9 innings. Strike outs by Cox 2, by Wood 9. Bases on balls: off Cox 2, off Wood 3. Hit by pitched ball of Wood, Thomas in fourth. Left on bases, Porcupine 10, McIntyre 10. Umpires, Felix Gratton, Iroquois Falls; W. H. Burnes, Timmins. Time: 2:15.

Duck Season Opens Sept. 15 at Moosonee

The duck and goose shooting season at Moosonee does not open until September 15th, Game Warden Phil Bourdreaux informed The Advance, following the publication of a news article from Moosonee in which it was stated that the season opened September 1st.

The information as to the earlier season was obtained from a sticker used by the railway to advertise Moosonee, but the Game and Fisheries Act distinctly says that north and west of the French and Mattawa rivers, the open season for ducks and geese is from September 15th to November 30th. There is no second division north of the Canadian National, as there is in the case of deer and moose hunting.

Richardson Breaks Jump Record at Men's Track Meet

Dusky-hued Sammy Richardson of Toronto stole the spotlight at the Canadian track and field championships in Winnipeg when he cracked the Canadian broad-jump record in his third try after fouling the first two jumps. Here is Sammy in the air as he reached for the new mark. He jumped a distance of 24 feet 11 inches to top the former native record of 23 feet 8 1/2 inches held by C. D. Briscoe of Toronto. He also beat the open record set by the famous Jesse Owens at 24 feet 7 1/2 inches. Right shows Jack Wahlberg of Saskatoon leading Art. Clarke of Toronto and N. E. Purvis in the three mile event. Clarke won with Wahlberg second in time of 15:40.2.

Timmins Cricketers Win From Kirkland

Return Match Arranged to be Played at Timmins at the Coming Week-end.

The following is the report of the cricket match last week-end between Timmins and Kirkland Lake, as given in The Northern News by "Mid On."—A most enjoyable game of cricket was played on Lake Shore slimes Sunday between Timmins C.C. and a team from Kirkland Lake. The local side was gotten together in less than a week and although beaten showed enough form on the day's play to suggest, that with practice, they will be good enough to hold their own. A return fixture has been arranged for next Sunday at Timmins.

The visitors won the toss and elected to bat. The innings was opened by J. Baxter and L. Rice. T. Scringee and T. Scringee opened the bowling. The first two wickets fell quickly, but the third wicket stand by H. Allen and W. Place put considerable runs on the scoreboard. Another stand for the seventh wicket when T. Glaister became associated with W. Place yielded Timmins another 30 runs.

The partnership was broken when W. Place was caught by E. M. James off H. Haworth's bowling for a well-played 67, the high score for the day. This inning included two sixes and eight fours. The Timmins inning closed for 125 runs.

Kirkland Lake's inning opened disastrously. E. H. James being bowled by W. James before a run had been scored. At 1:30 when play was adjourned for lunch Kirkland had lost three wickets for 19 runs.

Lunch was taken at the Prince George hotel. At lunch P. Kitchen spoke on behalf of the Timmins team. In the course of his remarks he hoped Kirkland Lake would be able to form a club and that matches would be played at Timmins and Kirkland Lake and in time a strong cricket league would be formed in the northern towns. J. Simons replied on behalf of Kirkland players and said that there was no doubt that a club would be formed in Kirkland Lake.

After an enjoyable lunch play was resumed and the best that Kirkland Lake could do against the steady bowling of the Timmins team was to muster 41 runs.

So that the Kirkland players could have practice the Timmins team gave them a second inning, but although they made a better showing this time they did not succeed in passing the Timmins total, Timmins winning the match by an inning and 24 runs.

The complete score and bowling analysis is as follows:
Timmins—J. Baxter, 6; W. Rice, 2; H. Allen, 14; W. Place, 67; H. Wilkinson, 0; J. Stevens, 3; T. Glaister, 18; F. Kitchen, 4; W. James, 0; J. Pye, 3; P. Liddicoats, not out, 3 extras, 5. Total 125.

Kirkland Lake—First inning, E. M. James, 0; H. Tregoning, 14; T. Scringee, 1; H. Haworth, 5; R. Taylor, 2; T. M. Gresham, 0; J. Simpson, not out, 2; E. Thomas, 4; G. Madder, 0; J. Simons, 10; H. James 2; extras, 1. Total 41. Second inning—T. Scringee, 6; H. Tregoning, 7; H. Haworth, 3; J. Simons, 6; J. Simpson, 0; R. Taylor, 2; T. M. Gresham, 4; E. Thomas, 17; G. Madder, 8; E. M. James, 0; H. James, not out, 6; extras, 1. Total 60. Bowling analysis:

Timmins—First Inning
H. Haworth, 3 for 31.
T. Scringee, 2 for 19.
H. Tregoning, 2 for 29.
T. M. Gresham, 1 for 39.
E. M. James, 1 for 2.

Kirkland—First Inning
W. James, 3 for 10.
J. Stevens, 1 for 9.
W. Place, 4 for 5.
J. Pye, 1 for 8.
F. Kitchen, 1 for 7.

Kirkland—Second Inning
W. James, 1 for 2.

Local Girls Lose in Noranda; Final Here

Copper Town Wins by Narrow Margin Two Games Here Saturday if Necessary.

The Timmins W. S. A. girls' softball team, beaten by Noranda 15-13 yesterday, will meet the Quebec town team again here on Saturday at 3:30 in what should be one of the best games of the season. The narrow margin by which the Timmins girls lost out in the copper town on a strange diamond and after a hard long trip, indicates that they have an excellent chance of winning Saturday's game.

Should W. S. A. win, a second game will be played immediately, to decide which of the two goes down to North Bay to meet the winners there for the N. O. W. S. A. championship.

Flesherton Advance—Last Sunday while the Presbyterian service in the Baptist church was in progress the worshippers were surprised to behold the church doors swing open. It was a late-comer they conjectured. Their surprise turned to astonishment as a rugged goat entered. The newcomer stood for a moment calmly surveying the minister and congregation. Then he moved slowly and sedately up the aisle to the very front seat. As a hymn was being sung the goat was gently but firmly ejected, and the service continued.

Capped By England

E. R. T. HOLMES
Captain of Surrey's county eleven. E. R. T. Holmes, shown here in action at the wicket, played for England against South Africa this summer.

Surprises!
Things have become very much up in the Northern Ontario Women's Softball Association. But this time it isn't on one of the Sudbury's kicks. It's the teams and players themselves. For instance, many conceded Empire's representation of the Porcupine in the play-offs and not without reason since they won the league easily. Yet W. S. A. took the playoffs for first place and qualified to meet what everyone expected would be Kirkland Lake in the next round. But Noranda pulled a surprise in beating out the McCauley's of Kirkland Lake to represent Group C.

Following yesterday's game in Noranda with W. S. A., the Group C winners were supposed to come here Saturday, according to one of the few N. O. W. S. A. playoff programmes that have been around. But W. S. A. are trying to have the Noranda game here postponed until Monday night.

Time for a Meeting
Now that the hot weather is over for a day or so, maybe this hockey talk will be taken more seriously. The time to call a meeting of the old executive is just about now, to decide whether or not Timmins will be in the N. O. H. A. this year or not. The fans won't want a repetition of last year's performance, nor do the executive, who can hardly be called to account for the actions of some of the members of the team.

Dome has already got some pretty fine players in the camp; McIntyre's hockey ambitions aren't known yet but they still have some of the best on the j-b over there; what Timmins needs possibly more than anything else to get the game back on a basis that will leave the treasury at least breaking even, is a return to town of some of the Timmins boys who have drifted away to other places—Kirkland Lake, for instance. They've made it pretty clear that they want to come back, but they won't come unless there's some sort of guarantee that a Timmins hockey team will have a fair show.

Sports Editors Meet
Both Lou Marsh and Baz O'Meara, sports editors of the Toronto Star and the Montreal Star, were in the North at the same time a few weeks ago. They and some of these rabid professional-radio-hockey fans, met, and according to O'Meara's column in the Montreal paper a few days ago, there were words.

While they were sweating in the 90 degree heat, the talk turned to last year's Stanley Cup Series. "Lou," says the Montrealer, "made valiant attempts to explain just how the Maroons shamed the Ontario favourites, but it was no dice according to his recital of how the natives of those parts raised an incredulous eyebrow the longer he orated. Up around Kirkland Lake in the Foster Hewitt airport it is different. Your observer hit into a soiree one evening with a batch of keen observers who in spite of the humidity insisted on swinging the talk to hockey.

"There was only one dissenter in the crowd who disagreed with the general verdict that Maroons had out-smarted and outplayed the Maples. They had all tuned in to hear the games, and their verdict of most of them in the run of action as relayed by Foster Hewitt was that Maroons had the edge. The dissenter could not be convinced. 'How come that Toronto beat them so handily all season and then flopped in the playoffs?' he asked. 'Your observer ducked under his guard by answering with a question. 'How often did Leafs beat Maroons when the latter were at full strength?' Then chapter and verse according to the gospel of Gorman we endeavoured to carry our point. Still unconvinced the hardy dissenter remarked that he could not see the setup and wound up by wagering a hat that Leafs would beat Maroons next year no matter what they did with anyone else. It seemed a fair enough wager so I Wentworth and Co. miss the boat, someone is going to wear a fashionable

Two Big Events Will Wind Up Kiwanis Sport Events

Tickets Now on Sale for Admission to Swimming Meet on Wednesday, August 28th and Track and Field Meet on Labour Day, September 2nd. Big Crowd Expected.

Two big events will bring the programme of summer sports sponsored by the Kiwanis club to a close. The swimming meet on Wednesday, August 28th at the Matagami pool, and the big field and sports day on the cyanide on Labour Day, September 2nd, will not only show the fine results of the work but will give the boys a real opportunity to display their prowess.

Tickets are now on sale covering admission to both these interesting affairs. In the swimming events, only those who took part in at least two classes in the summer will be allowed to compete for the prizes. There are special age divisions for all those under 17, and special classes for beginners—those who have learned to swim this summer under the instruction of the Kiwanis supervisor. No boy may enter more than two events.

Track and Field Meet To-night
To-night (Thursday), Timmins boys journey to Schumacher to take part in an athletic meet in competition with the boys of the other town, the second such dual meet. All boys who have won or placed in any twilight track and field meet are expected to be on hand at McIntyre park at four o'clock.

Snob Hill Still Leads
On Monday afternoon Snob Hill boys took another game from the River Rats and so left their position as leaders secure. These games are far from perfect as yet but many boys are showing decided improvement in their game and with more seasoning will make good material for future teams. Phloplis was

the big gun for Snob Hill with four hits in five trips to the plate, while Richer pitched a steady game, striking out 10 and walking 7. His support was good, too, only two errors being charged to the team.

On Friday morning River Rats and Scorpions clash again, and a win for the River Rats will assure them a play-off berth, while the Scorpions must win to tie for second place.

On September 2nd two teams will play off for league championship.

Labour Day Programme
The sports day of September 2nd is worthy of note as it is certainly a full day. No time is to be wasted from 9 a.m. until about 7:30 p.m. in the evening. The programme will be announced later in this paper. However, for the benefit of those concerned, in open events (that is men 17 years and up) the following events are included in the meet: 100 yard, 220 yard, 440 yard, half mile, one mile, high jump, broad jump, and hop-step-and-jump.

District Business Men May Donate Tennis Tourney Cups

Hope to Stage New Ontario Tennis Tournament Here on Labour Day Week-End. Should Fill Long Felt Want of Northern Tennis Players.

Arrangements for the proposed New Ontario tennis tournament which the Timmins Tennis Club hopes to hold here on the Labour Day week-end are still going ahead, though it is not known yet what outside entries there will be. All tennis clubs in the North are asked to enter as many players as they wish in any of the events. Details may be had on application to Harvey Webb, secretary of the local club, or Lawrence Udow, chairman of the tournament committee.

Cups for the various events will be donated by Porcupine district people. It is expected and any person or firm wishing to place a trophy for annual competition for the whole North is cordially invited by the club executive to get in touch with the officers.

The need for a genuine Northern beater next summer up where men are men and there is gold in every mouth."

Why Not Build a Park?
This is the time of year when serious consideration should be given to re-making the park controlled by the Timmins Amateur Athletic Association. McIntyre has shown the whole North just how fine a ball park and football pitch can be made. Timmins has a better opportunity to make just as beautiful a park at much less expense. Perhaps some advice from an expert would be a good thing, but as a chap very much interested in sport in Timmins pointed out the other night, the soil is there and with a little grading, the place could be made into an almost perfect diamond and sport park. The ground, he said, should be ploughed and levelled as soon as possible—seeded and rolled in the spring. Doesn't sound like a very expensive proposition, and might supply some work for those on relief who'd like the chance of earning their food and rent money.

Moosonee and Iroquois Falls Quoted as Rivals

Last winter Iroquois Falls made a claim for a record low temperature, and though there was at first tendency to be skeptical as to whether the thermometer registered as low as was claimed by the Falls, a careful and very thorough investigation resulted in the claims of Iroquois Falls being upheld. Thus Iroquois Falls secured the reputation of having the lowest temperature registered anywhere in Ontario during the past winter. There was no doubt but that Iroquois Falls was entitled to the honour of having the lowest temperature registered in Canada last winter. Now, along comes The Toronto Globe to suggest that Iroquois Falls may be able to credit itself with the highest temperature recorded this year in the province. Iroquois Falls, however, will have to "go some" to compete in the matter of heat with Moosonee, for instance. As will be noted by an item elsewhere in this issue, Moosonee has already made a bid for the highest temperature record in this North this year. It would appear that Moosonee wins. Up to the present Iroquois Falls has made no bid for fame in the matter of summer heat, being content apparently to rest on its laurels of being the coldest spot last winter in the whole Dominion.

However, here is what The Toronto Globe has to say about it in an editorial article published yesterday:

Ontario tennis tourney, rather than the events played under that name in Muskoka, has been felt for a long time by the tennis players of the North and within a couple of years the tournament should be worked up to a point where it will be the most important tennis event of the year in Northern Ontario.

Entries should be made as soon as possible in order that the committee may make necessary arrangements.

Further results in the men's tournament now being played here have been Lawrence Udow defeated Joe Jacobs 5-7, 6-4, 6-0; Jean Lorraine defeated C. Charron, 6-4, 6-3.

In the second round of the ladies' singles Pearl Grant won by default from Jean Cranston and Anne Scott won by default from E. Elles.

"Of course, it had to come. Chicoutimi, away up the Saguenay River, issues its challenge to Iroquois Falls, in Northern Ontario. Again the Provinces are at odds. This time it is a matter of temperature. Last winter Iroquois Falls flaunted a record of 73 below zero. What had White River and Hornepayne to say to that? What had any place in Canada to say about it? There arose doubts; also general interest. An English paper telephoned to ask what kind of clothing the natives wore; and the telephone operator said she was wearing silk stockings, and that people were going about as usual.

"It is a long way from Iroquois Falls to Chicoutimi, and the story may only have reached the town on the Saguenay. But there was no prompt action. Chicoutimi sent out word of 129 "above." And what is Iroquois Falls going to do about that? White River, Hornepayne—and perchance little Moosonee away up on James Bay—will be chuckling. If an enterprising local temperature can send a thermometer away down, why can't it send it away up for last winter, but no doubt they are good, though maybe last. The upper reaches of the Saguenay know how to chill the whole neighbourhood.

"Again the doubters are busy about the Chicoutimi performance. A Toronto Observatory official says it just couldn't happen in that locality, but he may be no friend of the bonne entente. Let Chicoutimi stick to its guns—and its thermometers. Iroquois Falls did that, and the Dominion Meteorological Bureau finally "recognized" the 73 below zero. Meantime, people elsewhere are not envious either of Chicoutimi or of Iroquois Falls, but all are eager to see the Eastern town get "an even break."

Regina Leader-Post—From now on one is going to give no attention to any more new parties unless it be one designed to abolish parties altogether. What with the Conservative party, the Liberal party, the C.C.F., the Stevens party, a sort of hybrid National Government party, and on top of all this the Social Crediters and the Communists, one might as well confess to getting no sleep at all. We are drifting into a situation like that in France, or down Mexico way, with veritable hosts of political factions struggling for supremacy.
