Macs Play Wide Open Soccer to Win First Foster Cup Game

Change in Play Leaves Dome Far Behind in 4-1 Game. McIntyre Fields Better Team, with Players' Positions Altered. Joe White Scores Only Dome Goal Near End of Game.

When Dome and McIntyre mixed on Saturday night for the first game of the Foster Cup, there wasn't any doubt about which was the better team. The score was 4-1 for McIntyre and might just as well have been a lot more for the Macs, they so far outclassed the Dome.

The victors showed the Dome a new kind of play for the league—they open-

ed right up, and with an almost completely re-arranged team, they played circles around the Dome. Long, accurate passing and a hard shooting forward line made the difference, with the addition of Cyril Davis at left back.

The visitors didn't really get on to the new McIntyre system of play until late in the game, and by that time it was too late to do anything about it. Besides being puzzled, the Dome players were badly off their game, and although Baxter was up to form in the nets, the four that did get by were well nigh impossible to get.

Team Change Positions

Ed. Dunstan, moved to the position he played in the Old Country, left outside, really got a chance to show his form. Brother Reg was at inside right, and still the two played combination, though not as much as in former games. Rodgers, moved to left half from outside left, did a lot of fine blocking and his powerful kick fitted in nicely with the open game. Mair and Morrison, the rest of the half line were right up on their toes, so that Dome had all their time in making a hole big enough to get through. Then with Davis and McAdam for backs, the Macs fielded an all round better team than they have all season.

Macs Keep Pressure On

The Macs didn't let up a bit going into the second half, and Ed. Dunstan made it 2-1 on a hard shot from close in.

Dome began to make some nice efforts after the first five minutes, and Joe White made a nice try after a centre from Denham. A change around in positions seemed to pep up the losers, as Richmond went to outside right, Munro to centre and Woodley to inside right. Richmond got past Davis once, but McAdam got in the way of his shot. It was like that all evening. When the Dome would attempt to clear, about three times out of five, a McIntyre player would be hit hard with the ball, and when the Dome did get in for a shot, there always seemed to be a McIntyre man in the road.

Reg Dunstan made the third McIntyre tally about half way through the last half when brother Ed. sent an accurate pass over to him.

Joe White Gets Last Tally
Stewart made a pretty play for the fourth goal when he headed in a centre from Ed. Dunstan.

With just a few minutes to play, Crawford carried the ball up into Dome territory and Joe White let loose a bullet-like shot to give the Dome their only goal of the game.

Next Foster Cup event is to be at Dome on Tuesday night when the same two teams meet.

McIntyre—Brockbank, goal; McAdam, Davis, backs; Morrison, Mair, Rodgers, halves; Hampton, R. Dunstan, Stewart, C. Dawson, E. Dunstan, forwards; Bannerman, James, spares.

Dome—Baxter, goal; Barnes, Foster, backs; Lone, Crawford, Payne, halves; Denham, Munro, Richmond, J. White, Galbraith, forwards; Woodley, spare. Referee—R. Robson.

Three Good Rugby Teams Now Assured

Meeting Again To-Morrow Night at the Schumacher High School to Discuss Details.

Prospects of three good rugby teams in the district look bright, following a meeting at the Schumacher High School on Thursday when enthusiasts from Timmins, Schumacher and South Porcupine gathered to discuss the possibility.

It seems certain that there will be no lack of players, nor coaches, but it remains to be seen yet whether or not there will be sufficient financial backing and whether three good fields will be made available for the sport.

Further discussion will take place at a meeting in the Schumacher High School to-morrow (Tuesday) evening at seven o'clock, when a large turnout is expected. Anyone interested in the sport is invited to be present.

Tennis Tournaments Here are Near Finals

Pearl Grant Defeats Mrs. Brown in Ladies' Section to Enter Finals.

Rain spoiled the week-end tennis activities, since the finals in both men's and ladies' events were to have been played.

Just two more matches remain in the men's division. The winner of the Lawrence Udow-Fred Greenwood third round match will meet Jean Lorraine in the semi-finals. Bill Dunn and Mac Hertel have also a semi-final match to play. Results since Thursday have been: Second round—Fred Greenwood defeated Jim Brown 6-2, 6-3; Pete Nicholson defeated W. Weller, 6-2, 6-3; Harvey Webb defeated V. Daughney, 6-1, 6-3. Bill Dunn won from Jack Sauve by default. Third round—Bill Dunn defeated Jack Sauve, 6-3, 6-4; Mar Hertel defeated Harvey Webb, 6-3, 6-6, 6-1; Jean Lorraine defeated Pete Nicholson, 6-4, 7-5.

In the ladies' section Pearl Grant went into the finals by defeating Mrs. J. Brown, 4-6, 6-4, 1-5. The first two matches were played Thursday evening, and since it became too dark to play the third, it was left until Friday. Miss Grant's victory was a close one, and a surprise to most of the members of the club. She is playing an excellent game, and will probably meet Miss Anne Scott in the final match.

W. S. A.—Noranda to Play at Kirkland

N.C.W.S.A. Executive Says Winner Will Meet Cobalt to Decide Who Plays Kirkland in Northern Final.

Following the peculiar mixup in N. O. W. S. A. affairs, it has finally been decided by the executive that Timmins W. S. A. will meet Noranda at Kirkland Lake to-morrow afternoon in the final of the series between them. Saturday afternoon Noranda arrived here, despite a telegram stating that the game was postponed. W. S. A. won 5 runs to 3, to tie the round.

The winner of the final W. S. A.—Noranda game will meet Cobalt and the winner of that will meet Kirkland Lake it now appears, for Miss Marnie Borland, president of the N.O.W.S.A. received the following telegram this morning from North Bay, and is in agreement with the decision of the executive.

"In conjunction with you and on account of conflicting stories re protest, the executive feels if same meets with your approval that Kirkland Lake will meet winners of Noranda—W. S. A.—Cobalt series on September 4th and 7th, home and home games. Am submitting file on this case to P. W. S. U. for record.

Gladys Gigg, secretary, N.O.W.S.A. If W. S. A. wins to-morrow at Kirkland Lake, Cobalt girls will be here on Wednesday for the first of the playoffs. Return game in Cobalt will be played Saturday.

The whole trouble began when Kirkland Lake entered a protest over a game played on August 19th, in which Noranda used an umpire whose name had not been submitted to the N. O. W. S. A. for approval.

Now the whole thing seems to be straightened out in a manner agreeable to all the teams concerned.

Strong Resolution on Radio is Passed

(Continued from Page One)
calling for either a reduction in freight rates for transporting pulpwood, or for an increase in the dues on anything other than settlers' pulpwood at the Lakehead was agreed to by the association. The move would enable the settlers to come into competition at the Lakehead with firms whose entire business is the cutting and shipping of pulpwood to the United States, and who, it is claimed, pay only very small dues, in comparison to the settlers' costs.
