## Virginia Jubilee Singers Delight Kiwanis Club

Visitors 'Steal the Show' at Club Meeting. "Just One Number" Applauded to Four. Roe Fulkerson, noted Writer, Expected Here in January. Other Kiwanis Notes

The Virginia Jubilee Singers, visitors at Monday's Kiwanis Club luncheon, stole the show. Introduced to the club just before the business part of the meeting, they sang a song, but had to come back with more. After a part of the business had been done, the quartette were asked again if they would sing—just one number. Before they could sit down, they had done two—both very entertaining.

Messrs. Childs, Tail, Jones and Russell, with Miss Gaston accompanying at the piano, made up the part of the troupe who appeared at the luncheon. Their close harmony and soft, well-trained voices held the large number of Kiwanians present almost spellbound. Their offerings were "Crying Holy Unto the Lord," "O, Mona," "The Pie Song," and "Way Back Home."

Arrangements were made at the meeting to have a number of the local members travel to Kirkland Lake on Saturday for a game of golf in the afternoon and an inter-club meeting at night. The other club sent a cordial invitation a few weeks ago, saying that either Wednesday or Saturday afternoon would suit them.

Roe Fulkerson, editor of the Kiwanis magazine and a well-known writer, will probably pay a visit to

Timmins in January. The Kirkland Lake club wrote suggesting that they, with Timmins, Cobalt, New Liskeard and Noranda, invite Mr. Fulkerson to come North for the installation of officers early in the new year. His expenses on the trip would be shared by the five clubs. The Timmins delegate to the

London convention this month will be asked to interview the writer. Kiwanis International wrote regarding the recent visit here of Mr. Thomson of Owen Sound, lieutenant-governor of the Kiwanis district. Mr. Thomson had, in a letter to the International, stated that he had been very well received here and was impressed with the good work being carried on.

**Lad Will Go to University**  
P. H. Moseley, chairman of the boys' work committee, reported on a case that had been brought to his attention. A brilliant young student in Timmins, assisted in the past by the club, is ready for university and lacks the necessary funds. On enquiring, the chairman learned that there was money held in trust for the lad, following an accident on the Algoma Central years ago. Permission was obtained to have part of this money released immediately, so the lad may go on with his studies. The sum due the boy is nearly \$1500.

One of the fine potatoes produced by the Kiwanis Boys' Potato Club was passed around for inspection.

Mr. Kinkel, of Buffalo, father of R. P. Kinkel of the Buffalo Ankerite, was a guest at the luncheon meeting and spoke briefly to the members, stressing the belief that fraternalism of the sort shown by the Kiwanis Club is what the world needs to smooth out the present state of affairs. Canada and the United States, he said, should be the first nations in the world to show this co-operation.

R. W. Hopper, executive secretary of the Ontario Society for Crippled Children, will be the speaker at the next meeting of the Kiwanis Club.
