

Macs Soccer Team to Clean up All District Finals?

Macs Field Well but Lose Two to Smiths Falls Pitcher

McIntyre Baseballers Eliminated from Journal Cup Race in Double-Header Monday Afternoon at Smiths Falls. Big Bill Tennant Pitches 18 Innings for Winners and Gets Better Toward End.

The McIntyre baseball squad, after waiting down in Smith's Falls a full week, waiting for the delayed E.O.A.-B.A. series to be played, were eliminated from the Ottawa Journal Cup race when they took two beatings Monday afternoon. They lost the first game 8-3, and the second 6-2.

The Macs did slip up a bit, there's no doubt of that, but big Bill Tennant, star pitcher for the Railroaders, went through 18 innings of hard ball, allowing the heavy-hitting Macs only 10 hits. The locals just didn't have a chance against a hurler like that.

A published account of the games reads as follows:

To Tennant must go the credit for the double victory, for he assumed the iron man part of hurling the two games and instead of weakening seemed to gain strength as inning after inning rolled by, and held the heavy-hitting invaders to 10 scattered hits throughout the two games. His change of pace was perfect, while his control was the best he has displayed this year. He held his position like a real veteran and on several occasions was able to bear down when runners on the bases threatened to cut down the lead piled up for him by his mates.

Credit to Officials

Credit must also be given to Bob Elliott and the officials of the Town Baseball League who, stepping into the breach when the St. Lawrence League turned from the ranks of amateurs, formed the team which now sit as champions of the East. Little support was given the team during the season but, undaunted, they plodded on overcoming obstacles unnumbered.

In the first game of the bill Smiths Falls jumped into an early lead when they pushed one runner across the plate in their half of the first inning and added two more in the second, one in the fifth and four in the sixth.

McIntyre Mines collected their quota of runs in the third when a walk and three hits gave them three runs but from then on they were ineffective against the puzzling delivery of Tennant and their remaining hits were scattered.

Smart Fielding

On the field the visitors held much the better of the play, completing three snappy double plays and some classy fielding under the leadership of Malloy who besides figuring in all the doubles contributed a smart circus catch far back of second base.

"Inky" Wood, the ace hurler from the

North was treated badly and after two runs had been scored from his slants in the sixth, the bases were full and none were out. He was replaced by Callery who finished the game.

He allowed 10 hits, walked five and was charged with three wild pitches.

OTTAWA ROUGHRIDERS ADD WEIGHT—MEIERS BACK

"Tiny" Herman "Buddy" Meiers "Bunny" Wadsworth

The Ottawa Rough Riders of 1935 will have on their forward line two of the heaviest football players ever seen on a gridiron in Canada. Their combined weight is well over the 500 pound mark. Tacklers from Hamilton, Toronto and Montreal, will not find it so easy to go through that human wall of flesh. Both players are seasoned men and are supposed to be the heaviest football players in Canada. "Tiny" Herman tips the scale around the 260 pound mark while "Bunny" Wadsworth does it around 265. Both are policemen. Herman is a constable with the Royal Canadian Mounted Police being employed in the finger print division. Wadsworth is a constable on the Ottawa police force.

"Buddy" Meiers, who was the regular snap last year, and who was rated as one of the best defensive linemen in the Interprovincial Rugby Union, is back with Ottawa. Meiers is a product of the University of Michigan and his presence should lift a load of worry from Coach Hughes' shoulders. Herman, Meiers and Wadsworth are shown LEFT to RIGHT above.

McIntyre Takes Four Goal Lead in Dickson Cup Final

Game at Dome To-night Looks Safe for Powerful McIntyre Eleven, as Forward Line Re-arranged Again. Dome Gets Two Counters, One on a Penalty Kick, as Consistent McIntyre Attack Disorganized Team.

The best team McIntyre has fielded this year took an easy win from a weakened Dome soccer team on Tuesday night to get the big edge on the playdowns for the Dickson Cup. Their win of 6-2 leaves them with a big advantage for the last game of the series at Dome to-night.

The Macs did most of their scoring in the first half, and although they did not appear to weaken much in the second, their work at the net was not nearly so good as it had been. Jimmy Hendry at centre forward scored twice for the winners, Grassems netted a couple, and Roy and Ed Dunstan got one each. The Dome's first, late in the first half, was made by Joe White on a penalty shot and their second, early in the second half, was scored by Munros on a surprise play that left the Macs flat-footed.

New Mac Line Arrangement

McIntyre's forward line worked like a charm. The two Dunstan brothers moved to the left, Searle and Grassems on the right and Hendry at centre appears to be the best combination the Macs have struck yet. Each man stuck to his proper position and played it well.

The Dome didn't seem to be able to get going at all. Their usual combination plays failed as the Macs half line took the ball time and again, and their strong defence went to pieces under the tricky work of the Macs' newly-found line. Often it seemed that McIntyre was having all the luck, but Dome had their full share in the last half when, although the home team had possession of the ball most of the time and got it into scoring position with regularity, they failed to make a single point.

Grassems Scores First

Five minutes into the game, Grassems, a much-improved player in the past few weeks, drove one that left Baxter cold. Ed Dunstan started the play down the outside, came in toward the net and passed to brother Reg, who lifted the ball gently over to Grassems who was in perfect scoring position.

Chambers was the first of the Dome men to worry Brockbank. His hard, low shot knocked the McIntyre goalie to the ground, but he succeeded in saving. A few minutes later Searle made a perfect overhead centre to Jimmy Hendry at the net for the second goal of the game.

Mair and Morrison shone on the half line and made the Dome attacks look simple most of the time. Chambers did get one over to Galbraith that should have been good for a goal but the try sailed just over the bar.

"Hands" in Goal Area

As Dome mustered another attack, Morrison was called for "hands" in the goal area, and a penalty kick was awarded. Joe White made sure of it.

Just as the visitors appeared to be checking better and getting a sort of mass defence in action, Rodgers kicked one hard and true for the net from about 40 yards out. Baxter covered his net, got his hands on the ball, when Ed Dunstan carried him into the net, to make the Macs' third.

McCurdy missed a nice chance for Dome as Lone gave him a good cross. Grassems started the play that gave the Macs their fourth counter. He took the ball well down into the corner and passed back out to Hendry, who headed a long one just below the bar.

In the last five minutes, every McIntyre forward and a couple of halves had a chance at the distracted Baxter.

ball-crazy as a lot of towns down below were this year, but the day is coming.

Another Soccer Team?

Rumours persist that soccer will be a bigger sport here next year. The Macs have just about all the players they can handle right now but the need for Timmins and the Dome to

Softballers Will Settle Championship This Week

Fourth in Series is to be Real Final, Executive Decides. Game Starts at 2.30 and Will Go Until Dark, if Necessary. Both Teams Exude Confidence.

Take your choice in the final of the Journal Cup softball series. The game is called for 2.30 and will be played through to darkness, if necessary. There should be plenty of time to find a winner of the league's trophy, even if it has to go 15 innings.

This time, there'll be no shenanigans about pitchers. The two best bets, Fox for Friedmans and Sparks for Schumacher will in all probability be opposed to one another. Jerry Neddow will, as usual, be behind the plate for

ad strength, if they want to keep up with the Macs at all, is apparent. It may be that Timmins will have two teams in the league next year, though nothing definite has been announced yet. If that is to be the way of it, the two would probably have to combine for Dominion Cup and Foster Cup play-downs.

"Grudge" Postponed a Week

The big swim at North Bay is really going on, so they say. Now it's set for Saturday and Young and Nelson are both still in training at the Gateway City. The water was just 58 degrees last week and won't be much warmer this Saturday, it's expected. Nine miles in water of that temperature will be no fun but both swimmers are reported to have said that they really want to get this race over. Why such a potent "grudge" exists between the marathoners is still a mystery to most people, but grudge there is, if all the reports not only from North Bay but also from Toronto, are to be taken at face value.

Corachers Like the North

Charlie and Lionel Conacher, who were through the North not so long ago and stopped off near here to see Billy Birch, like the district and will be back next year, according to reports from Edmonton, where the two hockey playing brothers stopped over on an air trip around the country.

Charlie had a little story to tell about trolling for trout from a taxing airplane. He caught a four-pounder that nearly jerked his arm off, he says. Next year maybe he'll take a whirl at prospecting and if he does, he won't be the first professional hockey player to learn that tramping through the bush, trenching, digging, cutting down trees and so on is about the best way to keep in condition there is.

Billy Birch has a group of claims the other side of Foley O'Brien, has seen there all summer, feels fine and fit, and may live in Timmins this winter. He's not sure yet.

Fifteen-Year-old is the Yo-Yo Champion

Best Twenty Yo-Yo-ers in Timmins Contest for High Honours on Wednesday Afternoon.

Fifteen-year-old Jack MacLean, of 69 Commercial avenue, is the yo-yo champion of Timmins.

He displayed his talents for handling the "top" expertly yesterday afternoon at the cinema before a good crowd of youngsters and in competition with about 20 of the best yo-yoers in town. He finished off an exhibition that included all but the most difficult trick, by doing 105 consecutive loops. His nearest rival in this made 70.

Of the 13 tricks all the entrants were asked to do, only two boys, Earl Abraham, age 13, 119 Balsam street, and Henry Ruppel, 14, of 44 Sixth avenue, performed them all successfully. John Dore, aged 11, of 59 1/2 Wilson avenue, won second prize, Earl third, and Henry fourth.

A point system was used. A successful first attempt to perform a trick was worth three points, second attempt two points, and third attempt, one point. In the final "looping" contest, a point was given for each five loops. It was on this that Jack MacLean and John Dore built up their totals to get into first and second money.

One Pitcher Did It

After hanging around in Smith's Falls for seven days, the McIntyre baseball team finally did get its double-header for the Journal Cup played. The result did not make the Macs look like a very big team when one pitcher was able to beat them right through 18 innings.

Aside from the long lay-over (the Macs hadn't played a game since August 28th) the big reason why the boys didn't show up better is without a doubt because they didn't get strong enough competition in the Porcupine this year. At the beginning they had things all their own way, only toward the last did they get down anywhere near the level of the next best team in the league. The one exhibition game they had with Kirkland Lake wasn't enough.

Not many of the team were anxious to make the trip down east—they did it on their own time and for some of them at least, it wasn't much of a holiday.

Next year the story may be a different one. Porkies have stated quite openly that they'll field a team far better than this year's and the Hollinger boys are all full of hope that they'll be able to patch up the weak spots. Even Abitibi may be a lot stronger than they have been in the past few years.

Interest in baseball in the camp is on the up-grade now. It may be a few years yet before Timmins is as base-
