Cochrane Presbytery to Meet at South Porcupine

Event Wednesday and Thursday This Week. Seventeen Congregations to be Represented. Tennis Tournament at South End. Other News from South Porcupine and the Dome.

South Porcupine, Ont., Sept. 21st. Mrs. Thomas, who has been away on a buying trip to Montreal and Toronto, returned home on Monday, making the trip from Toronto by car in fourteen hours—surely a record for a lady driver!

The Rebekah Lodge held a very nice bridge party on Friday night in the parish hall. A fair crowd was present and the prizes given were even better than usual. Mrs. Mallon gained first prize; Mrs. Webb, second; and Mrs. McGuire, third. Mr. Verner carried off first honours for men; Mrs. Sky (playing as man), second; and Mrs. Farrell third. A pleasing note was added during the evening, when Mrs. Mallon (nee Rose Verner) was presented with a silver-plated dish from the lodge as a wedding gift, this being the first Rebekah function at which Mrs. Mallon has been present since her marriage.

Mr. Fred LaForest left on Saturday for a short visit to his parents in Campbell's Bay.

Mr. and Mrs. J. R. Hicks, with Dick and Robin, left on Friday to return, via Montreal to England. Mr. Hicks has been a popular member of the Tennis Club, and has acted as secretary during the season, and on Wednesday last a farewell party was given for them at the home of Mrs. Wilfred Deacon, Connaught Hill. A very pleasant evening was spent and Mr. Hicks was presented with a pen and pencil from the Club as a parting gift.

Mr. Tom Mahon left on Saturday for a visit to friends in Saskatchewan. Third, fourth and fifth form girls at

the High School enjoyed a hike and corn roast on Friday afternoon and evening, under the supervision of Misses McPhail and Lucas. They hiked to the rocks on the "Springs" road, and had a glorious time.

Another very nice bridal shower was given last Wednesday, for Miss Jean Alexander, who, as was mentioned last week, becomes a bride at the end of this month. Mrs. James Fell was hostess at her charming home on Main street and, over twenty guests were present at a social evening. A lovely set of red enamelled kitchenware was given to the bride-to-be.

The A.Y.P.A. literally illuminated the town last Wednesday night when thirty of their members had a jolly weiner roast by the lake. Mr. Helmer had kindly given them permission to use his field and had stacked up some roots which needed burning, for their fire. They certainly made a bonfire, and according to report had the "swellest time!" On Friday night ten of their members left by car to attend an inter-branch social evening at Iroquois Falls.

The Harvest Festival, of the United Church, will be held on Sunday, Sept. 29th.

Next Wednesday and Thursday (Sept. 25th and 26th) the Cochrane Presbytery will hold its annual meeting in the United Church. Delegates from seventeen congregations will be present, from Nakina in the West to Monteth in the South. Both laity and clergy will attend—the president, Dr. R. M. McLeod, of Rosedale, Toronto, giving a special address on Thursday evening

in the church, at which the public will be welcomed. It will be of especial interest to old-timers to note that Dr. J. C. Cochrane will be present at this Presbytery.

Miss Mona LaForest left on Saturday for Toronto, where she will attend the Ontario College of Education.

The Sewing Circle of St. Paul's issue a very cordial invitation to all to attend their social and dance on Thursday (26th) in the parish hall. Frank Sullivan's orchestra will supply the music. Timmings and Schumacher church-people are especially asked to come and support the affair.

Mr. B. Oxy leaves on Saturday for a vacation in points south.

Mrs. F. E. Wright entertained at a social evening on Friday at her home on Connaught Hill.

Brother Emil, nephew of Mr. G. Demers, of the Dome, who is a missionary at Providence, North West Territories, has been visiting Mr. and Mrs. Demers for a few days.

New Canadians Asked to Convene at Schumacher

Meeting Called for This Evening (Monday) at the Schumacher High School to Plan for Greater Friendship Between Citizens and for Athletic, Literary and Cultural Classes.

A special meeting is called for this evening (Monday) at 8 o'clock in the Schumacher High School, to which the representatives of the various groups in the community are very earnestly invited and their full co-operation and support solicited. The purpose of the meeting is to plan to further the proposals sponsored by the Schumacher Lions Club for the fostering of athletic, recreational, cultural and community progress under the recommendations made in regard to adult education. W. S. Blake, principal of the Schumacher High School, who is a member of the Ontario committee on adult education, has been studying the question for a considerable time and has well-defined plans and proposals, the chief purpose being to create interest and friendship between Canadians and the newer Canadians. He believes that this may best be accomplished by a better knowledge of each other and more frequent intercourse. Mr. Blake points out how much may be learned from the

older countries and the older civilizations. "We should take the best they have to offer us, and give the best we have to them," he says.

The plans now under way include meetings at the Schumacher High School on Wednesday evening of each week. At these meetings athletics, literatures, needlework and embroidery, dramatics, civics and citizenship, music, etc., would be studied and discussed. A part of the plan would include the holding of a fair or festival next Easter featuring what had been accomplished during the winter months. Similar plans had proved of great advantage and value in other towns and cities and in a cosmopolitan centre like Schumacher would be sure to be especially beneficial. To start the service going, to organize, form committees and draft a programme, the meeting is called for this evening, and the representatives of the various groups are specially urged to attend and do all possible to further the proposals now made.

cnt; Messrs R. Mitchell and A. Stanlake from Dome Extension; and Dome. Mr. Purdy High School principals Messrs Munroe and J. Fell Sr. from cipal, was also a guest, and Mr. J. Stovel of the Dome, took the seat of honour. After the wonderful supper the winners of the trophy (Dome) were each presented with medals, Mr. Stovel making the presentations. The recipients were:—Capt. 'Red' Doran, W. Baker, D. Lightbody, M. Baker, W. Murphy, L. Lillihoo, J. Murphy, R. Moyle, M. Rewagan, W. Rewagan, J. Procopio. Secretary Naish also performed his duties in a capable manner. At the close of the affair three hearty cheers were given for Mr. Stovel.

Mrs. McGuire, of Ottawa, is visiting at the home of Mr. and Mrs. T. Farrell.

Tennis Tournament
The tennis tournament among the High School pupils took place on Saturday (21st) on the Dome court. The cup winners, Miss Betty Gallagher and Master Fred Andrews, are a proof that sports and study do go together sometimes, seeing that both these young people are students of high ranking in their respective classes at school.

AUTUMN TEA BY LADIES' AID ON SATURDAY, SEPT. 28

Two events for the near future are announced by the Ladies' Aid Society of the United Church. The first is an afternoon tea—an autumn tea—to be held on Saturday afternoon, Sept. 28th, in the basement of the church. This will be a very pleasing event. The second event is the anniversary fair to be held on November 2nd. That is a date that should be kept in mind.

Nearly 800 Ladies at Fashion Display

Notable Event at Sam Bucovetsky's Store Thursday Night. Latest Modes Displayed by Charming Models.

Nearly 800 ladies from Timmings and district attended the autumn fashion parade at the Sam Bucovetsky store on Thursday night. Interested spectators lined the raised walk on which the mannequins displayed the 1936 creations.

Promptly at 8.30 the showing opened as Miss Miriam Bucovetsky, five-year-old daughter of Mr. and Mrs. Morris Bucovetsky, entered carrying the announcement "Evening Dresses." She was followed by her sister, Ruthie. The garments were superbly displayed by local young ladies. Those taking part were Miss Margaret McGillis, Miss Mary McAllister, Miss Hester Yuill, Miss Gilberta Poulin, Mrs. J. Rutherford, Mrs. Ojanen and Mrs. Lortier. The Hawaiian Serenaders accompanied the presentation with soft instrumental and vocal music.

The necklines of evening gowns this season are decidedly higher, the cowl and draped classic effect inspired by Grecian tradition taking a prominent place. Darker shades are retaining their popularity. All black is this year's most distinguished scheme.

National Styles Show Influence
National styles strongly influence many of the afternoon dresses shown: Chinese, Directoire, Egyptian, with possibly the Russian most easily identified. Moderns, too, so strongly favoured by Molyneux and Mainbocher, gave a marked contrast.

The absence of set-in sleeves is quite noticeable. One garment, reflecting so strongly the late Victorian era, might almost be termed "Mae West-ish."

The popular shades will undoubtedly be muted reds, greens, browns and mauve. Mannish, Alpine and Perky felt hats and smart new accessories were tastefully shown.

As usual in the North, knitted dresses and suits awakened much interest and quite justifiably too, for who could hold these intriguing knitted woollens with other than longing eyes? The dominating colour tones are Renaissance reds and greens, rust, ginger and brown shades.

Luxurious Furs
Coats, generously trimmed with fur, gave a distinct idea of the new silhouette—broad shoulders, slim waist and flared skirt. Sleeves take a decided trend toward flaring fullness.

A seal cape, worn over a fitted black coat, caused much comment and one particular swish swagger of brown mixture with raglan sleeves and belted waist also caused a stir. A jaunty brown masculine hat gave the sport touch.

Luxurious furs won the admiration of all, particularly a three-quarter length bunny wrap which, judging by the excited comment, might be termed the crowning glory of the entire show.

The presentation was brought to a close with the group appearance of all the mannequins. The young ladies taking part deserve unstinted praise for the able manner in which they presented the gowns, and their poise and grace throughout the entire showing.

Death of Austin Reid, of Connaught, Aged 8 Years

The sudden death of eight-year-old Austin Reid, son of Mr. and Mrs. Duncan Reid of Connaught, occurred at St. Mary's hospital last Wednesday. The little lad had been ill for only two days but the attack of appendicitis was too severe.

The funeral service was held at the family home near Connaught on Friday afternoon, Rev. Dr. Fraser conducting.

Burial was in the South Porcupine cemetery.

In addition to his mother and father, his brothers and sisters are left to mourn the boy. He was born at Connaught and was well known there for his bright and cheery manner. He had always appeared to be in the best of health.
