# Notworthy Banquet is Feature C.W.L. Meeting

Big Crowd at Event and Many Notable Addresses. Address by Mrs. Copps Wins Special Applause. Many Distinguished Visitors, Including Bishop Rheame.

(By P.M.S.)  
On Tuesday evening the C.W.L. League who are now holding a convention in Timmins this week, held a banquet in the Empire hotel. Over two hundred guests can be accommodated in the banquet hall, but so many were present that it was necessary for a number to wait until after some guests had eaten to be served. Many were present from Schumacher and South Porcupine. The tables were decorated in the C.W.L. colours of gold and blue, and a fine repast was served to the guests. During the serving of the banquet musical selections were played by Messrs. Archibald and Pospichel on the piano and 'cello.  
Mrs. Munn, as president of the C.W.L. in Timmins, acted ably as chair-lady for the speeches and toasts which followed the banquet.  
Father O'Gorman proposed the health of the King and the Pope, which was responded to by the singing of "O Canada" by all present.  
Mayor Richardson, of Timmins, welcomed the visitors present in a neat speech, saying he was glad to have them come to Timmins for their convention. He commented on his pleasure at noting their contribution of nearly \$300 to the Timmins Children's Shelter—a worthy work. He also praised highly the work of the Sisters in the hospital and mentioned that possibly the C.W.L. would assist that institution by helping with a nurses' home in the future.  
J. A. Bradette, M.P., spoke of his appreciation of the C.W.L.'s invitation to be present at this function, praising women's work in general and the society's work in particular, emphasizing their sphere in alleviating suffering, and offering an example of Christian life. "Society and men," said Mr. Bradette, "are whatever women want them to be."  
Father Martindale, of Schumacher, spoke at length on the Youth Movement in the Catholic Church, also the pressing need for the C.W.L. to promote study clubs and help to form junior branches of the League.  
Father Peichat, of Noranda, spoke in French, eulogising woman for her work in the world through the ages. "It goes without saying," said the Father, "that the man who could govern a woman

could, without any trouble, govern the world!"  
Mrs. Hobson, Schumacher, sang in a very sweet contralto voice "Sylvia," and on an encore being asked, sang "Sweet Mary."  
Father Murray, of Campbell's Bay, felicitated the Diocese on their first C.W.L. diocesan convention and expressed his appreciation of the invitation to him to be present. He spoke at length on the ideals of family life, and touched on the evils of divorce, separations and refusal of parental responsibility. "The family is the basic unit of society."  
Father O'Gorman said that the convention had been a great success—an outstanding one. He spoke of his pleasure in seeing again old friends from the Ottawa Valley, and fellow-chaplains of the Great War. He listed some of the accomplishments of the League with its 600 branches in Canada. Educationally, he had helped by offering scholarships. Over \$50,000 had been collected for service among the poor settlers in the West and suppression of sordid details in newspapers had resulted from petitions to the press.  
Mrs. Copps made one of the finest and best-rounded speeches of the evening. After greeting the distinguished guest of the evening—Bishop Rheame—she spoke of Rev. Father Theriault "for whom the silver bells of time will ring in jubilee to-morrow." She paid tribute to Mayor Richardson, assuring him that the C.W.L. "are behind him in the welfare of the citizens of Timmins." In tribute to J. A. Bradette, M.P., whose worthiness "was evidenced by the fact that in 1925—in Montreal—he brought before the Canadian Government the fact that Communism was being taught in schools within the Dominion." She was greeted in conclusion by a burst of applause.  
Other speakers were Mrs. O'Gorman, of Cobalt, Mrs. Hollands-Hurst, and Mrs. Hortie.  
His Excellency, Bishop Rheame, of the Diocese, was the last speaker of the evening. After paying tribute to the C.W.L. as being "a credit to the Diocese of Haileybury," his excellency paid a wonderful tribute to the lady speakers of the evening: "The men," said he, "have spoken long, but the women well!"

## Inquiry into Death of Joseph Charette

Jury Finds Accident Might Not have Been Fatal if Brakes had Been Good.

Two charges developed from the death of Joseph Charette formerly of Timmins, who was struck by a car near Cobalt on Sept. 16th and died as a result of the injuries received. A charge of reckless driving was laid against A. Korpi, formerly of the Porcupine camp, and a charge of having a car with defective brakes preferred against the owner of the car, John McGarry, of Cobalt. The cases came up last week-end at Cobalt but Magistrate Atkinson remanded them until after the inquest. The crown attorney suggested that there was a chance of the charge against Korpi being more serious, if the evidence at the inquest seemed to warrant it.  
The inquest into the death of Joseph Charette, who was one of the pioneers of Timmins, resulted in the jury bringing in a verdict to the effect that they were of the opinion that if the brakes had been in good working order the accident might not have proved fatal.  
The evidence at the inquest is summarized as follows in one despatch from Cobalt:—  
"The only eyewitness to the fatality, Ernest Harris, of Cobalt, gave evidence as to the happenings. He stated that he had just come over the top of the hill at the rock cut at Mileage 105 and had seen Charette walking along the road. It was still light enough to see. When he caught up to him he called across the road, offering Charette, who was carrying two baskets, one containing tomatoes and the other cucumbers, a ride.  
"Charette had started across the road, but had stopped to let a southbound car pass. He had then taken a few steps and started to run. Just at that moment Harris heard the car driven by Korpi come alongside and it had hit Charette just about four feet from and opposite to the driver's seat of the wagon. It had carried him some distance and then gone on for a considerable distance further. He had pointed out the approximate spots to Provincial Constable Stromberg the following morning.  
"The car seemed to be travelling at a moderate rate of speed and appeared to slow up as it hit the man. He had heard no horn and thought that he would have heard one had it been blown. He had run down to where Charette lay and had noticed no movement. Mr. P. Martin had come up and he had stopped him and ask him to take the man to the hospital. Then Korpi and Joe Legree had come up and Korpi had stated: "I hit him and

## Jos. A. Legris Continues as Candidate in Temiskaming

The Northern News of Tuesday had the following:—Joseph A. Legris, K.C., local barrister, who has been the stormy petrel of the various Liberal conventions held in the past 16 months, continues in the field as an Independent Liberal in the present Dominion election and nothing has happened to

make him change his mind on that point as yet, he told The Northern News in an interview yesterday.  
"Mr. Legris was in Matachewan on Sunday holding a meeting in furtherance of his candidature. He has been conducting a quiet campaign on his own behalf, he said, and while he has to depend largely on his own platform efforts, he expressed satisfaction at the results so far. Previously Mr. Legris had said he had been receiving support in unexpected places.  
"Asked by The Northern News if there had been any developments in the political situation over the weekend in Temiskaming, Mr. Legris said not as far as he is concerned. He was still in the fight, he stated definitely, adding that there was nothing else to report as yet. He was making plans for meeting the electors in different parts of the riding, Mr. Legris said.  
"Rumours that a candidate for the

The field to-day remained at four, Conservative, official and independent Liberal, and C.C.F.
