

A. W. Pickering Wins Final Match for Handicap Trophy

Defeats J. Perry in Sixth Round of Elimination Competition. Golfers Get Fair Weather for What May be Last Games of Season on Timmins Links.

A. W. Pickering won the laurels in the final competition at the Timmins Golf Club for 1935 when he defeated J. Perry in the final match for the handicap trophy this week-end.

In the final match, an 18-hole affair, the winner was four up with three to go. In the first nine Pickering was two up. He was playing a nice game, making four par holes of the last six played.

The golfers had fair weather for the real wind-up day of the season. Warm sunshine, tempered by a cool breeze brought out many sportsmen of the district for what they realized might well be their last match of the season. In addition to the handicap event, many a season-long discussion was settled on the links.

Results for the last round of the handicap trophy, played during the past short while, have been:

Fourth Round
E. L. Longmore won from W. H.

Pritchard.
J. Perry won from Dr. O. J. Stahl.
Dr. H. H. Moore won from W. Laidlaw.
R. Eddy won from F. Graham.
A. W. Pickering won from A. R. Harkness.
Father O'Gorman won from A. H. Wohlrab.
J. E. Ashton won from J. Grady.
J. T. Jackson won from W. O. Langsdon.

Fifth Round
Perry won from Longmore.
Eddy won from Dr. Moore.
Pickering won from Father O'Gorman.
Jackson won from Ashton.

Semi-Finals
Perry won from Eddy.
Pickering won from Jackson.
Play for the Handicap Trophy takes more time than any of the others, since there are no flight divisions. It is straight elimination.

Call in the reserves! Every Boy Scout in Timmins will be hard at work on Saturday; many of them will be working hard all week in preparation for the year's biggest drive for funds—Apple Day. Every Scout, every patrol, every troop co-operates in the selling of Ontario-grown apples. The profits are to be distributed among eight troops of the town and the local association.

This is an important week in another way. Boy Scouts are specifically named in an Order in Council of the Dominion of Canada as an aid in Fire Prevent Week, October 6th to 12th. They are expected to see that their own homes are properly cleaned up and made as "fire safe" as possible. Then they are expected to warn others of dangerous conditions or report them to the Fire Chief. It's a big job but not too big for Timmins Scouts.

An extract from a letter of J. Grove Smith, Dominion Fire Commissioner, to Scouts:

"During the past fifteen years, no less than 500,000 fires have taken place in Canada. Property valued at over \$610,000,000 has been destroyed and almost 7,000 lives have been sacrificed to the flames. Sixty per cent. of those burned to death were boys and girls under 15 years of age. Of the total number of fires, over 300,000 occurred in homes. Every ten minutes, day and night, a fire breaks out somewhere in Canada; every minute property worth \$76 is destroyed by fire and, on the average, one person is burned to death and four are injured by fire every day in every year."

Eaden-Powell's Message
For those who have not read the farewell word of Lord Eaden-Powell of Gilwell when he concluded his Canadian tour not long ago, here it is:

"One of the things I like best in your splendid country of Canada (besides your mighty locomotives and their scintillating whistles) is, of course, your Mounties.

"Next time you see a Mountie, have a good look at him. Look him well over as he stands there—smart in his King's uniform, strong, alert and brave, a fine specimen of a real MAN. You can feel safe when he is around, and you know he is ready to do his duty at any moment even if it means risking his life to save or protect others.

"Well, you can't do better, as a Scout, than try and imitate him, making yourself a young Mountie, smart in your uniform, strong, brave and ready to do any duty that is ordered, never minding whether it is difficult or dangerous; and be prepared to help other people at all times and to do your duty to God and to the King.

"I heartily wish you success and good luck.
"Yours fraternally,
"Eaden-Powell of Gilwell, Chief Scout."

Somehow or other, copies of this message fell into the hands of the Mounties. They're just as pleased as the Scouts.

The second Timmins Troop of Boy Scouts held its weekly meeting in the basement of St. Matthew's Church on Tuesday, Oct. 1st. Several of the boys passed tests. Arrangements were made for a supper to be held next Tuesday.

First Timmins Troop held its weekly meeting on Friday evening. Inspection gave the Eagles a lead of two points. The Scoutmaster discussed Apple Day and asked that every Scout do his very best to make it a success.

Two new games were introduced which the boys enjoyed very much.

Owing to the fact that the Sixth Timmins, who used the hall on Thursday night, had forgotten to clean up after the meeting, the boys were forced to waste some of their time.

The Eagles are now in possession of the Honour Banner their total number of points being forty-two.

Convicted at Sudbury of Giving Bribe to Officer

Mike Wewozor, of Sudbury, who was being described in the evidence as being known since 1914 as "Mike the Joker," was convicted by a jury at the fall assizes at Sudbury of attempting to bribe Corporal H. S. Traves of the R.C.M.P. by offering him a wrist watch for his wife. The jury was out only 20 minutes before bringing in the guilty verdict. Mike claimed the offer of the watch was only a gesture of friendliness. On the stand the accused admitted after some questioning that he had been in jail before on a similar charge.

H. R. Valin, Barrister of North Bay, Died Last Week

An outstanding barrister of North Bay for the past 20 years and a well-known resident of that city since childhood, Hyacinthe R. Valin, son of Judge J. A. Valin and Mrs. Valin, North Bay, and secretary-treasurer to the board of guardians to the Dionne quintuplets, died at the family residence at about one o'clock, Thursday morning, October 3, in his 49th year. He was a brother of George J. Valin, K.C., Sudbury.

Mr. Valin was a charter member of the Ezylyfe Canoe Club and actively associated with the Elks and the North Bay Bar Association. Early in the spring he assumed the position of secretary-treasurer to the Dionne quintuplets board of guardians, which post will be temporarily assumed by his brother, George J. Valin.

Unmarried, he is survived by his parents and one brother.

THAT TIGER OUTFIELD

By Jack Sordis

The Goose

"Goose" Goslin, veteran Detroit Tigers left fielder, took a prominent part in that ninth inning rally yesterday afternoon when it looked as if Detroit might come through with the, tieing or winning run. He got a fluke single near first to put Gehring on third. During yesterday's game he took flies from Damares, Hack, Galan and Herman.

Still Room for More Wolf Cub Leaders

All Qualified Asked to Assist in Plans for Boys from Eight to Twelve Years of Age.

Last call for Wolf Cub leaders! If you're interested in boys at all—particularly boys from 8 to 12 years of age, you'll be interested in the Wolf Cub movement. Timmins men and boys have made the town Boy Scout consensu; the effects of the big job undertaken last year can be seen already. But there's another big job ahead and that is to give every Timmins boy a chance to belong to one of the finest boys organizations there is—the Wolf Cubs.

Experience is not a necessary qualification—Timmins Scouters have arranged training classes for all those who will enter Wolf Cub leadership this fall. All the local association asks is that applications from prospective leaders should be turned in to Bert Rowe, Box 1056, on or before Wednesday of this week. Inquiries are asked from both men and women.

Case of Damage Settled Out of Court Last Week

The case of Drummer Rogers of the Porcupine District Pipe Band, who was to have sued Burton Transportation Company of Cochrane at the assizes last week, was settled out of court to the satisfaction of Mr. Rogers, it is understood.

The drummer, who was with the local band at Cochrane for the First of July celebration there, had his ankle severely injured and claimed damages on that ground.

SMALL BABY LOSES LIFE WHEN AUTOMOBILE UPSETS

Fernand Latarte, eight-months-old babe, suffered fatal injuries when a car driven by his father was ditched on the Ferguson highway, 30 miles north of North Bay on Tuesday. The car, bearing nine persons, including the dead child's parents, all of La Sarre, Que., was ditched when the brake on a front wheel seized when approaching a bridge. The babe was the only one of five children and four adults injured.

Shower Given at Home of Mrs. Young Last Week

On Monday evening September 30th, at the home of Mrs. Thomas Young, Balsam street north, Mrs. E. Ellefsen was the guest of honour at a miscellaneous shower given by Mrs. Frank Rankin. There were about 20 guests present and the evening was spent in playing cards. Miss M. Kemp and Mrs. C. Bowker were the door prize winners. After refreshments had been served the recent bride was presented with many beautiful and useful gifts.

Stern Sentences at the Court at Amos Last Week

Sentences ranging from 20 years in penitentiary to three months in jail were imposed by Judge Laliberte at the closing of the criminal assizes for Abitibi at Amos last week.

Tony Petroff was sentenced to 20 years when convicted on a charge of attempted murder, while Jose Zaus was given 15 years and Steve Chomich four years on similar charges.

Severine Bergeron was sentenced to five years on a charge of wounding with intent to maim, and her son, Rosaire Bergeron, was sentenced to three years on a similar charge, while Marie Jeanne Bergeron received three years on a charge of arson.

Sentenced also were Paul Emile McGeech, attempting a grave offence, three years; Philippe Trudel, perjury, one year in jail. Other sentences of three and four months were imposed on a number of other persons found guilty on lesser charges.

Seniors Get 11-1 Victory as Juniors Blank Teck Team

Local Age-Limit Players Have Big Edge on Kirkland Opponents but Play in Senior Game Indicates a Real Battle for Local Park This Saturday Afternoon.

Kirkland Lake, October 7.—(Special to The Advance)—Batting a thousand after their first out of town invasion two Timmins interscholastic grid squads, seniors and juniors, were winners by decisive scores over teams from the local high schools here Saturday afternoon at Community park.

Timmins Juniors earned a 16-0 shut-out in the opener of the gridiron double bill and the seniors walked off with an 11-1 triumph in the nightcap.

Have Weight Edge
Great pull in the weights in their favour and plays that clicked better was the measure of a junior win about which there was no question; but in the senior game the play was really close enough, despite the score, to give promise of a real test this Saturday when the same teams meet in Timmins.

Both of the visiting brigades played really smart football. The juniors scored one of their touches when the man they played outside on their kicks, Joe Delmonte, galloped through and fell on the ball which a tackle-ringed local half was waiting his chance to snatch and return in the only possible relief.

The Old Inside Works
Then in the senior game McKenna dusted off a play that many an interscholastic quarter has forgotten—when he called for Everard to tap an onside to Andruchuk. It went for a touchdown.

The junior game saw a pretty booting duel as Hallett and Hatton exchanged kicks twice pulling through the kicker's stiffest test, a return kick to relieve tight spots.

Ferrari, who did the iron man by playing both games, scored a pair of touches in the first game, Delmonte's try and Hatton's convert from placement made up the scoring.

In the senior game Everard kicked one singleton, Andruchuk went over on that onside kick and McKenna climaxed a lengthy march down the field with a quarterback sneak for five points. Kirkland's singleton came on Assad's kick to the deadline. For Kirkland Lake in the senior game Brady, Henderson, Grisdale and Gill stood out.

R. Spencer Awarded Damages of \$1,712.95

Case at Fall Assizes in Connection with Auto Accident Last Year.

Damages of \$1,712.95 were awarded Roderick Spencer at Cochrane last week in a suit against the estate of Charles Roach. An accident occurred on New Year's Day, 1934, in which Spencer sustained a fractured kneecap when the Roach car, driven by Stewart Brown, collided with the Spencer car at the corner of Pine street and Second avenue.

The jury found the defendant 65 per cent. negligent, and the plaintiff 35 per cent. negligent, rendering a decision in favour of the plaintiff for 65 per cent. of the total amount claimed. It was found that the defendant, whose car was being driven east on Second avenue, was negligent in that the car was speeding, and there was failure in observing the usual precautions at an intersection. The plaintiff was negligent, the jury agreed, because he knew a car was coming from his right and should have made sure he could cross in safety.

W. O. Langdon appeared for Spencer and Dean Kester for the Roach estate. The trial occupied part of two days.

At the same assizes E. C. Brewer was granted a divorce on statutory grounds.

Jews Here Observe "Day of Atonement"

Holy Day, Observed for Thousands of Years, Being Kept in Timmins Today. Jewish Stores Closed.

To-day, "Yom Kippur" the Day of Atonement, as observed by those of the Hebrew faith for thousands of years, special services were held in the Cedar street Synagogue and all orthodox Jews held the time from sundown yesterday until sundown to-day as sacred. Meditation, a survey of the actions, good and bad, of the past year, and resolution to right wrongs in the coming year are time-honoured customs on this most sacred day of the Jewish year.

Jewish places of business in Timmins which have remained closed since Saturday evening will be re-opened tomorrow morning.
