## Remembrance Day Event at South Porcupine H. S.

Interesting and Inspiring Occasion on Friday Last. Address by Principal Boyce of Schumacher. Mr. Blake, of Schumacher H. S., to Speak to South Porcupine Men's Guild. Other South End and Dome News.

South Porcupine, Nov. 9th. Special to The Advance.

At a meeting of the Tennis Club last week it was decided to put on a dance in the High School on Nov. 29th for the purpose of extending the present court next season and possibly making another court adjoining.

We are sorry to learn that Mr. George Campsall, of Golden City (Bob's Lake) is in hospital here suffering from injuries sustained when he was hit by a car on the highway near his home. We understand he has a bone broken in his ankle and an injury to his arm. He was crossing the highway when hit.

Dr. McLaren left by car on Friday for Ottawa upon hearing of an accident in which two of his sisters were injured. The 'Montreal Star' gives the following account of the accident, and

as many of the older residents here know the McLaren family well, and will be sorry to learn of the affair we are giving it in full.—Spencerville, Ont., Nov. 6th.—One woman was critically hurt and three other women suffered serious injuries when a tire blew out on the car in which they were driving on the highway near here to-day, causing it to careen into a ditch and turn over. Miss Elizabeth McLaren, most seriously hurt, suffered a broken leg, several broken ribs and a back injury. Her condition was described as critical. Mrs. W. Bruce Smith, of Ottawa, suffered a severe injury to one eye, and a broken arm. Miss Nellie Delahaye, of Pembroke, Ont., received a scalp wound and several broken ribs. Mrs. P. L. Nesbitt, of Ottawa, sister of Miss McLaren, and driver of the car was the

least injured, suffering from shock and bruises. All were taken to hospital in Ottawa.

Miss Agnes Frawley, of Timmins, is the guest of Mrs. King, Golden City, for the week-end.

Miss Elizabeth Doyle, of Iroquois Falls, is spending the week-end here with her cousin, Mrs. D. A. McLellan.

Miss Verne Laforest, who was holidaying in Toronto for the past few weeks, returned home on Monday.

Mrs. T. Kingston, of New Liskeard, came to town on Friday to "take in" the Armistice dance with Mr. Kingston, who is with the engineers on the waterworks extension.

Mrs. Flood, of Connaught, spent some days in town this week visiting friends.

Miss Shaw is spending the week-end in Kirkland Lake.

Latest reports of Mr. G. McIntosh are that he is as well as can be expected after operation on Thursday.

The Armistice dance which is an annual affair put on by the O. E. S., was one of the nicest dances ever held on this occasion, and as these dances always rank very high in social esteem, this is high praise. Many lovely gowns were seen, and many of our recent brides were present. The hall was very nicely and suitably decorated with flags and bunting and the ladies of the Eastern Star excelled even their own previous excellence on the lunch provided.

Mrs. J. D. Thomson, of Main street, was the lucky winner of the door prize—a radio lamp.

Over twenty Girl Guides are out today selling poppies for the "Legion." They are being provided with hot chocolate and sandwiches at intervals in the parish hall by Mr. Parsons.

On Sunday (tomorrow) the Dome Guides and Brownies are to hold a special Armistice Day service in the community hall at the Dome with Dr. Fraser conducting. In the evening the Town Guides will attend an Armistice service in a body at the United Church.

Miss Marjorie Jamieson, who has been visiting her aunts, Mrs. Honer and Mrs. Jamieson, since school started, left on Saturday for her home in Owen Sound.

At a Sunday School executive meeting (United Church) held at Mrs. Coffey's home on Thursday, it was decided to hold the annual Christmas tree entertainment this year on December 18th.

An Adult Bible Class meets on Sunday at 11 a.m. in the United Church.

Dr. Fraser tells us that they are plan-

ning a meeting of the Men's Guild for Tuesday, Nov. 19th, and wants to make the announcement as widely known as possible. Mr. Blake, principal of the Schumacher High School, intends to give an account of the "League of Nations," with discussions and questions to follow the lecture. As this is a topic of vital interest just now, and as Mr. Blake is conversant thoroughly with his subject, all men of any creed are invited to attend.

The Remembrance Day programme held at our High School on the afternoon of Nov. 8th at 2:30 p.m. was a very touching and beautiful one. We feel that when "Remembrance Day" is made "just another holiday," it needs something like this to remind the present young generation of the solemn feelings our older ones have at this time. A number of parents and friends attended and several were much moved by the memories brought back to them. The whole audience opened the proceedings by standing and singing "O Canada" (Betty McIntosh at the piano). Archdeacon Woodall then read a portion of the 2nd Chapter of Isaiah and a prayer for "Our King and his Dominions." Louis Actis, in a very able way and with quiet dignity recited "The Spires of Oxford." Eino and Vieno Kautto and Wilmer Pera give a musical selection of various patriotic airs which were well played and well received. "The Victoria Cross"—a reading by Rudolph Desjako—came next. Edyth Rapsey sang very sweetly "In Flanders Fields," accompanied on the piano by Catherine McPhail. Omer Clusiau gave an exceptionally fine rendering of "The Immortal Legions." Betty Gallagher recited beautifully "For the Fallen." Mr. C. Kemsley (High School Board) then introduced Mr. P. Boyce, principal of Schumacher Public School. Mr. Boyce first praised the quiet and respectful attention of the pupils to the programme. He emphasized that two points of education were "to think and to obey"—both points he was sure had been thoroughly instilled into those present. He told of his experiences as a soldier—of his "joining up" at the early age of sixteen—of his gunner's life in the filthy mud of Flanders.

—of his memories of terrified Belgian women and children in the air-raided sections—of the mutilation of little Belgian children—of the aftermath of the war on the minds and bodies of the men who shared that dreadful time. "Twenty years have passed" said Mr. Boyce "and still they cannot adjust

themselves to the normal life of a man. They have been shown hell and then pulled back." "Don't ever let anyone tell you that the war was not worth while—it was, for those men stood—a wall between us who are here, and untold horrors." "When you buy a poppy on remembrance of the dead, remember the living, those men here and everywhere in Canada who fought for you, and respect and honour them."

Wilmer Pera thanked Mr. Boyce on behalf of the pupils, teachers and parents for his address. Mr. Purdy asked Dr. Fraser to address the students. He told of one of his most poignant memories of the war. He was Scoutmaster of a troop of boys, one of whom at the age of sixteen was allowed to join the forces. He was stricken overseas with spinal meningitis and died, and was brought back to Canada for interment. And in a quiet cemetery was laid to rest, with his Scout pals (with whom only a few short months before he had hiked and played) standing round in pathetic farewell. "Not the glory of war" said Dr. Fraser—"is the note of this programme it is what comes after, and the need for us all to strive and work for Peace." With a note to his pupils to remember the two minutes' silence on Monday, Mr. Purdy closed the proceedings and the National Anthem was sung.

We hear that Bobby McWilliams left on Saturday for Gravenhurst to receive medical attention in the Sanitarium there. We regret to hear this news, and hope to hear that he will soon be on the road to recovery. Both our other town boys, Charlie Armstrong and Neil Montrose, who are in this institution have improved so much while there that we feel sure this must give much encouragement to Bob and his parents.

We are very glad to announce that Mr. Fred Kenning arrived safely in Pembroke, and is feeling much improved in health. He is in the Cottage hospital there. His many friends here were very sorry to hear of his illness and wish him a speedy recovery.

The Rebekahs are putting on a Whist Drive in the Parish hall on Friday of this week (Nov. 15th.)

HOME LEAGUE OF S. A. TO HOLD SALE OF WORK, NOV. 28

A sale of work has been announced by the Home League of the Timmins Salvation Army to be held on Thursday, Nov. 28th, commencing at 2:30 p.m. in the S. A. hall.

## Ford's Historic Museum Pictured to Lions Club

Feature at Club Meeting on Thursday was a Description of the Ford Museum at Greenfield, Mich. Programme for Lions for Next Quarter Announced.

The great museum at Greenfield Village, Michigan, where Henry Ford has brought together such a wonderful collection of objects indicating the progress of the United States in architecture and engineering, was the subject of an address to the Timmins Lions club on Thursday evening by Dr. O. J. Stahl.

Whole buildings, moved with infinite care to the place, will preserve forever the beauty of some early American forms of architecture. Actual equipment used by Thomas A. Edison, Steinmetz, Luther Burbank and Henry Ford himself is to be found there. Whole rooms and structures have been transported from their original sites to Greenfield, where the display occupies more than 200 acres. Mr. Ford has made a particularly fine collection of the things connected with his great friend, Thomas Edison. It was through the meeting and consequent friendship of these two men that the Ford motor industry was so successful.

Plan for Boys' Band

Wm. King reported for the committee in charge of the boys' band being sponsored by the Lions Club and stated that a fine beginning had been made. Plans are under way to provide necessary funds.

The song offered by a quartette composed of Father McManus, S. G. Fowler, Carl Herrington and Wm. Wren was well received by the members.

Ben Spence, a new member of the club, was given a hearty welcome. Visitors were Geo. Senior of Sudbury, Les Mackey of Timmins, and A. C. Vanwart of Kirkland Lake.

The programme for the next three weeks was announced by Lion Wm. Wren as follows:

On Nov. 14th George Gedge will give a talk on mining in South America.

On November 21st, Dr. "Joe" Kelly will present a series of motion pictures from the Department of Public Health having to do with the structure and care of the eyes, as well as the diseases that sometimes attack them.

On November 28th, an expert on bird life who will be in town at the time has promised to address the club.

## J. Thomas Returns from Visit to Old Country

Jack Thomas returned some days ago from his visit to his native land, Wales, and to other parts of England. He had a very pleasant holiday and enjoyed both the trip and the visit. What impressed him most about the visit to the Old Country was the amount of building activity at the present time. He says that the demand for masons, bricklayers, carpenters, seems to exceed the supply. One of the commonest signs is that saying that these workmen are wanted. There is also a very brisk demand for machinists. The number of new buildings, now in progress of erection, is very impressive. Mr. Thomas says. He adds that a visitor absent for a few years from the Old Country is sure to be fairly astounded at the way most towns and cities have expanded and the number of new buildings that have been added. Mr. Thomas thinks that present activities in the Old Country indicate a boom there in the immediate future.

Period costumes are dresses all covered with dots.

Shakespeare lived at Windsor with his merry wives. He wrote tragedies, comedies and errors.

The people of India are divided into castes and outcasts.

Norway's capital is called Christianity.

Lipton is the capital of Ceylon.

The natives of Martha's Vineyard live on fish and summer visitors.

Tennyson wrote a most beautiful poem called "In Memorandum."—Boston Teachers' News Letter.

## Christmas Cards

Canadian Artists Series

Remember your friends with these cheery bits of holiday spirit. These prints created by Canada's foremost artists are suitable for framing after they have carried your Christmas greetings. Etchings and colourful oil paintings of Northern winter scenes and other seasonal subjects are included. Folder styles with appropriate verses and greetings. All reflect exceedingly good taste.

from 5c to 25c each
