Westinghouse

Dual-automatic REFRIGERATORS

Without Paying Another Cent
Until March 1936

— 24 MONTHS TO PAY —

Here is a plan you can't resist. Just think of it! Make your dream of Westinghouse ownership come true—AND NOT AN INSTALLMENT DUE TILL NEXT MARCH.

Decide right now to solve your food preservation problem once and for all—in the way that will save you money and add to your joy of living for years to come. Think how appreciated it would be for Christmas.

Westinghouse alone offers all of the vital advantages which insure completely satisfying refrigeration, climaxed by the Five-Year Warranty on the entire sealed-in mechanism (on all standard models).

BOY SCOUTS IN TIMMINS

The meeting this Thursday night for Cub leaders' training course will be the last of the schedule. During the whole series there has been an average attendance of about 12 young men and women, so that Timmins Cub packs will be fairly well provided for when they commence operation on a big scale. Those who have followed the interesting lectures are enthusiastic about the work and it is expected that the Cubs will make great progress this winter.

Harry Stevenson, who has been a member of the "class" has already begun to organize a pack in connection with the First Timmins (Hollinger) group. Meetings will be held in the Scout headquarters at the Hollinger hall on Friday evenings at 6:00 p.m. Any boys in the Hollinger townsite who are not already associated with a pack in Timmins are cordially invited to attend any of the meetings to make application for membership.

Patrol leaders from all Timmins and Schumacher troops will meet at Hollinger hall headquarters on Wednesday evening at seven o'clock. Morse signalling with flags will be the feature of the evening.

Sixth Timmins troop had a very enjoyable skating party last Tuesday evening. After a fine evening on Gillies lake, the boys were taken to the home of their Scoutmaster, F. J. Anglin, where they had refreshments.

A number of the Cubs in town are working on their Jungle Dances these days and will be ready within a short time to give the new Cub leaders an opportunity of seeing the dances well done. The boys are getting along well

with the splendid feature. The usefulness of Scouts in the community was graphically demonstrated on Remembrance day. No better guards could have been obtained for that square at the cenotaph where those who were in the parade massed for the service. The townspeople were more than pleased with the Scouts' fine appearance and the polite manner in which they held back the crowd. The Cubs were a decided attraction in the parade and will no doubt be called on often on patriotic occasions.

The mouth-organ band being organized by the First Timmins troop is making fine progress and will soon be able to give a recital it is expected. Tests in Morse Code and first aid were among the major activities of the troop at last week's meeting. On Saturday the Scouts had an interesting and exciting paper chase.

The fire in the Hollinger hall basement, which fortunately did no more than "smoke" damage to Scout headquarters, made it necessary for the Second Timmins troop to hold its weekly meeting on Tuesday in St. Matthew's parish hall. Two new Scouts were invested. Arrangements were made for a church parade on Sunday.

About That New Hat to Cost About \$75 or More

The Northern News last week says: "Sam Kalamber, operator of the club at Prospect and Kirkland, has inspired a Schumacher citizen to the height of lavish display, according to The Porcupine Advance of Timmins. Sam showed the Schumacherite one of the \$50 beaver hats he always wears. Now the resident from the home of the McIntyre is going to go him one better with a \$75 lid."

Miss Jean Pearce of Toronto was a visitor to town over the week-end.

Baldwin Sustained in British Election

Ramsay MacDonald and Son Meet Defeat. Safe Majority for Government. Many Notables Among the Defeated.

There has been much interest in Timmins and district, indeed throughout Canada, in the results of the British election contest last week. All the returns are not available yet, but there is no doubt of the return of the National Government under the leadership of Hon. Stanley Baldwin.

Despatches from London, England, over the week-end, say that the National Government, strongly Conservative now in complexion, and pledged to support international action against any war maker, won the British election Thursday with a safe majority in parliament. Its majority passed the necessary mark of 308 seats in the counting to date.

Labour headquarters, in admitting a clear-cut government victory, said it expected the government majority to be between 200 and 250 seats. Labor made gains, but not as much as expected. It will have a stronger voice in parliament than in the last session, but never enough to upset the government.

The defeat of Sir Herbert Samuel, leader of the main branch of the divided Liberal party, left David Lloyd George, former Liberal leader, in a stronger position with a chance to unite the Liberal units.

The main government casualty was J. Ramsay MacDonald, former leader of the Labour party, who brought it to the height of its power as prime minister. His son also lost.

Of six Anglo-Canadians, two were defeated, two elected and two had to wait until ballots were counted.

Beverley Baxter won Middlesex Greenwood with a majority of 21,823. Bartle Bull, son of W. Perkins Bull, of Toronto, won out in Middlesex-Enfield as a Conservative, defeating W. Mellor, Labour, by 5530 votes.

Among the defeated were many big names. Some of them were: Viscount Duncannon, son of the Earl of Bessborough; Randolph Churchill; Oliver Baldwin, son of Stanley Baldwin; A. F. Townsend, Social Credit leader; Sir Malcolm Campbell, speed king.

Anthony Eden, minister for League of Nations Affairs, won safely, as did Lady Astor, Megan Lloyd George, Winston Churchill, James Maxton and Jack McGovern, fiercest of all M.P.'s.

The following table shows the difference in political complexion of the old House and the new:

Party	At Disso- lution	To- day

News and Notes of Timmins Girl Guides

Annual Bazaar to be Held on Dec. 6th. Doings of the Rangers and the Brownies of Town.

The weekly meeting of the Timmins Girl Guides was held on Friday evening. Captain Cranston took the attendance and inspection. Helen Landers read out the marks. Horseshoe was formed and the flag was raised by Peggy Gedge assisted by Jean Cowan and Kathleen Starling.

Betsy Dodge took the Tenderfoot Guides. Captain Cranston took the rest of the Guides in Second Class work. After this a circle was formed for Campfire. The date of the annual bazaar has been set as Dec. 6. The Guides are asked to get as many orders for doughnuts as they can.

On Armistice Day a reception was held for the South Porcupine and Dome Guides at the Hollinger Hall. Games were played and then lunch was served. A very delightful programme was arranged by the Rangers. There were dances by Mary McLean, Grace Lawrence and Kathleen Wilkinson. Lieutenant Rapsey gave a solo, as did Peggy Bellamy. Mrs. Bissett of South Porcupine also gave a solo. A quartette consisting of Dora Kelly, Kathleen Wilkinson, Peggy Bellamy and Helen Landers sang three numbers. The Guides wish to thank all the ladies of the I.O.D.E. and Auxiliary of the Canadian Legion who helped the Guides serve lunch. They also wish to thank Mrs. Wilkins for playing the piano for the various dances.

There will be a Court of Honour for the Patrol Leaders commencing at 6:45 p.m. next Friday. The meeting was brought to a close by the singing of "Taps."

Rangers
The Rangers met with the Guides. They joined the Horseshoe for the raising of the flag and then went to their patrol corner. Here Mrs. Traver took them in their Second-Class work. Many of the tests were passed by Dora Kelly, Gilberte Mignault and Helen Landers.

At the next meeting Captain Cranston will give the Rangers their first lesson in Astronomy.

Brownies
The Brownies held their meeting in

the basement of St. Matthew's Church on Friday evening. The meeting was opened by the making of the Fairy Ring. Some Second-Class work was taken by Brown Owl-in-Training Habib Marjorie Booker is to be the Tawny Owl of the pack. The meeting was brought to a close by the Grand Pack Howl.

Funeral of James Andrews at Moorewood Last Week

A despatch from Moorewood, near Ottawa, last week says:—"The funeral of James Andrews, a resident of Moorewood for a number of years, who died suddenly at his home on Thursday, was held on Sunday from the family residence to the United Church. Mr. Andrews was a native of Manchester, England, and was in his 72nd year. He had made many friends in this vicinity who were shocked to hear of his sudden death. He was a member of the United Church, taking an active part in the affairs of the community. His widow, the former Miss Margaret Helen Evans, survives. Service was conducted by the minister, Rev. G. H. Smith, while the choir attended. Chief mourners, in addition to his widow, were three sons, Thomas and Robert, both of Ottawa; William, of South Porcupine, Ont.; one daughter, Mrs. Harry Poppewell, Moorewood. Many beautiful floral tributes were received by the bereaved family. The pallbearers were James Parkins, W. Steen, Frank Jervis, Emerson Faulkner, Ford Steinberg and Orrin Dillabough. Interment was made in the family plot at the church cemetery, where the graveside service was also conducted by Mr. Smith."

Kansas Republican:—"The country is not wholly wicked; there are communities where people still hide the cards when the preacher calls.

Interesting Event Held at Golden City

Public Meeting Under Auspices of the Cochrane Presbytery of the United Church of Canada.

Under the auspices of the Cochrane Presbytery of the United Church of Canada a public meeting was held in the school house at Golden City on Friday night when a good number were present.

Dr. Cochrane, of Toronto, Superintendent of Missions, was expected to be present as the chief speaker, but owing to pressing calls in other parts of the field, regretted his inability to attend.

In his absence the speaker for the evening were the Rev. J. R. Fraser, D.D., of South Porcupine, and Mr. J. Higginbotham, of Timmins, the Rev. M. Tait, of Schumacher, leading the meeting in prayer.

The Schumacher quartette party was also a feature of the evening, delighting the company with their fine singing.

Mrs. J. Higginbotham, Timmins, rendered solos with pleasing effect. A vote of thanks was moved by Mr. Higginbotham after which Rev. M. Tait closed the meeting in prayer.

Some Days Without Sub-Zero Weather

So Says the Weatherman in Regard to the Next Few Days. May be Some Rain.

There will be no more sub-zero weather for the next couple of days at least, the weatherman predicted confidently this morning as he said "comparatively warm." Snow, if the wind is anywhere but in the south, is due to fall within a short time. If the wind is in the south, the precipitation will probably be rain.

Saturday's early morning temperature of two below zero is the low mark for the season. Yesterday the weather moderated and to-day it is expected the mercury will rise above the freezing point for a good part of the time. Temperatures have been: Thursday, max. 38, min. 14; Friday, max. 17, min. 0; Saturday, max. 19, min. 2 below; Sunday, max. 27, min. 14; last night's minimum, 19; eight o'clock this morning, 29.

Montreal Star:—"Don't forget that you are a part of all the people who can be fooled some of the time.

Gillies Lake Porcupine May be Steady Producer

Has 75,000 Tons of Ore of Average Grade of \$16 Available. Mill will be Able to Handle 100 Tons per Day After Dec. 1st. Mining Plant Installed.

With 75,000 tons of ore of an average grade of \$16 a ton easily available; a plant capable of taking care of 100 tons of ore daily; and a large quantity of high-grade ore for the amalgam barrels, Gillies Lake Porcupine Gold Mines appears to be in the way of becoming one of the district's steady producing mines.

The proving of a body of ore between the 300-foot level and the 500-foot level which has a known length of 900 feet and which varies from five to thirty-five feet in width is the most important recent development underground at the mine. Originally known as veins numbers eight and ten, it has been discovered that the two are in reality one vein. Stopes have been opened into the vein from the 500-foot level and it is from there that the mill feed will be taken in the immediate future.

Some of the assays of ore taken from the vein have been spectacular. Values of over \$600 to the ton have been had, but the \$16 a ton average quoted above does not take into consideration those samples containing visible gold. The Advance was told.

Work Under "Hill"
Number eight vein has been explored nearly to the eastern boundary of the property. There is still some work to be done toward the western boundary

which is under the "Hill" district of Timmins.

Exploration of another body of ore lying under Gillies lake will be carried on after the new year. The Advance learned. This work will be carried on from the 900-foot level.

The new machinery at the surface is very nearly completely installed. Although provision has been made in many parts for a much greater daily average, the cyanide plant with the flotation equipment will be capable of taking care of 100 tons per day after December 1st. The new crusher will take care of 250 tons of rock a day; the capacity of the ore bin has been increased to 150 tons. A new ball mill having a capacity of 125 tons a day is now in operation so that with the 60-ton ball mill that has been in operation for some years, the capacity of the milling equipment is somewhat more than 175 tons. The two small Kennedy mills will not be used.

Classifiers were shipped late last week and should be placed in the mill within a few days.

The grade of ore run at Gillies Lake Porcupine for the past three months has averaged \$20 a ton. No production report for October has yet been released.

Membership Drive for Lancashire Club

Annual Meeting Decides on Extension of Activities. Officers Elected for ensuing Year.

A drive for membership in the Lancashire Social club will be conducted within the next few weeks, it was decided at the annual meeting of the club on Friday evening. The closing date at which members may join for the coming season was set at December 14th. On December 2nd, a whist drive with a free social evening afterwards will be held at the Hollinger hall, it was also decided at the meeting.

Officers of the club for the coming year are: G. Gibson, president; J. Topping, vice-president; A. Treff, secre-

tary-treasurer; members of the ladies' committee, Mrs. Gibson, Mrs. Treff, Mrs. Topping, Mrs. McCann and Mrs. Wharton.

Whist Drive, November 22, Auspices of Pipe Band

The Porcupine District Pipe Band has had a number of pleasing and successful whist drives that have been much enjoyed by all attending, so there will be special interest in the announcement by the Pipe Band of the whist drive and dance to be held in the Hollinger Recreation Hall, Timmins, on Friday evening of this week, Nov. 22nd, commencing at 8 o'clock. Refreshments will be served during the evening. The Porcupine Pipe Band is noted for the value and attraction of the prizes given at their whist drives and this time the prizes are again worthy of particular attention. These prizes are now on display.

People acting in a group can accomplish things which no individual could ever hope to do. Come and help make someone's Christmas just a little brighter.
