Timmins High Loses Again to Fast Iroquois Falls Team

Locals Led First Period but Falls Power Plays in Second Period Prove Too Much. Final Score 4-1.

Timmins High and Vocational school lost its second straight game in the N.O.S.S.A. hockey race to Iroquois Falls High School on Friday night at the local arena. Although Timmins had a 1-0 lead at the end of the first period, the Falls lads got down to work in the second to score three and added another single in the third.

It was a fast game on hard fast ice and was played before a good sized gallery.

The first period saw the local team take full advantage of being at ease in the arena and B. Sullivan slipped through the Falls defence about three minutes into the period to get the first and only goal of the night for Timmins. After that, play evened up and although the Falls did try hard to get the tieing counter before the bell rang, Hitch, in the local net was invulnerable and the Morrison-Panchuk defence did well in keeping the Falls sharpshooters out of the danger area.

Therault, Chapman and B. Sullivan on the first line combined nicely on many a play but they found Anderson a tough man to beat after that first goal.

M. Sullivan, Lavalee and Benson of the second line looked good and although they tried hard, they found it hard to make a hole in the powerful Falls defence.

High School 'A' Wins Tuxis Tied with 'B's'

Thursday Night Games in Junior Kiwanis League Great Contrast.

Two games in the Kiwanis junior league, played on Thursday night were as opposite as two games of hockey could be. In one High School 'A' team defeated the Scouts by a score of 13 to 0. In the other High School 'B' and Tuxis tied at one counter each.

Tuxis took the lead in their game with a goal five minutes into the first period. McIvor carrying the puck. Not until twelve minutes of the final period had elapsed did Baker get through to tie the score. Tuxis had more opportunities to take advantage of their opponents' having players in the penalty box, for during the game Capps, McIvor, Black and Johnson spent two minutes each out of the game.

High School 'B'; goal, Carrier; defence, Gallagher, Karko; centre, Baker; wings, Doucet, Sauve; spares, Cecchi, McGe Denouin, Capps, Horne.

Copper Miners Win Again From Kirkland Lake 7 to 4

Lajoie and Genois are Big Scorers in Meeting of Two Southern Section Teams. Kirkland Tries to Make Comeback in Third Period.

Noranda, Jan. 19.—(Special to The Advance)—A last-period comeback wasn't enough to give Kirkland Lake a victory here tonight when Noranda reached out and took a three-point lead in the gold loop of the N.O.H.A. They had a four-point lead in the game. The score was 7-4.

A total of 18 penalties was handed out during the 60 minutes when Kirkland made every possible effort to even up after a bad first period, when Noranda drove in four counters to Kirkland Lake's one. Lajoie, with assists from Genois, got three of those four goals. Ab MacDonald and Binnie got the other, while Hodge and Armstrong did the only tallying for Kirkland, near the end of the period.

In the second, play looked even at the beginning and Dudgeon and Moose Porter combined to reduce the Noranda lead to two. Genois scored for the home team and Ab MacDonald and Binnie gave the safe edge of four.

Kirkland looked much better in the third, and although Cooke scored on an assist from Scott, Ab MacDonald evened it up for the period.

Noranda: Goal, Evand; defence, Horner, Fortin; forwards, Lajoie, Genois, Chipman; spares, Binnie, Marshall, Ab MacDonald, Coughlin.

Kirkland Lake: Goal, Porter; defence, Moose Porter, Wright; forwards, Scott, Campbell, Cooke; spares, Armstrong, Dudgeon, Armstrong.

Two Rinks Continue Wins in Both Main Curling Events

Field Narrows Down in Local Bonspiel. Father O'Gorman and S. R. McCoy Win Steadily in Hollinger Cup and President's Event Matches.

With Father O'Gorman and S. R. McCoy's rinks the only ones left in both main events as prospective double winners in the local bonspiel now under way at the curling club, play for the Hollinger Cup and the annual President's event is running along smoothly, with few postponements. The ice has been kept all through the event and the curlers have been a happy lot indeed.

First round was completed in the Hollinger cup event when S. R. McCoy won from G. F. Black. The result was the same when the same two rinks met on Friday night in the first round of the President's event. McCoy won out then by a single rock in the eleventh end. The last game attracted a good deal of attention at the club on Friday and showed some excellent curling.

Second round results in the Hollinger cup event will bring that competition to the eight's. Just one game remains to be played in the round: Richardson vs McCoy. Results of the other seven games were as follows:

Todd won from Pickering
Dodds won from Lang
Father O'Gorman won from Arscott.
Munroe won from Harkness
Eyre won from Carson
Lowe won from Langdon
Hill won from Jamieson

In the President's event, the first round was completed when Ramsay won from Lake and McCoy won from Black. Results of second round games played now have been:

Pickering won from Lang
Fitzpatrick won from Walker
Jamieson won from Belanger
Rinn won from Dodds
Ecclestone won from Todd
Father O'Gorman won from Harkness
Black vs Ramsay and Caldwell vs Langdon are the only two games unplayed in the round.

Spider McKinnon is Back at Lake Shore

Still Simon Pure, Says Local Hockey Player Who Tried Out with Kansas City.

Hector (Spider) McKinnon came back to Timmins this week-end, not only for a flying visit. He's in Kirkland Lake now—left on the noon train—and will referee a game there to-night in the Mines League. Lake Shore telephoned a couple of times, immediately the news got down to the Teck mine that he had returned from the South. Spider starts work there to-morrow morning.

He's still a Simon pure. Spider says, for although he tried out with the Kansas City Greyhounds, he didn't sign a contract, despite all the fuss they made about the Northerner, down where Porky Levine tends goal.

The experience Spider had in the "higher" ranks of hockey didn't do him a bit of harm. He'll likely be back with the Kirkland Lake team in the gold loop of the N.O.H.A. next season.

SPORT-ORE

From All Levels :-:

With Wednesday night's game in Kirkland Lake, the N.O.H.A. schedule was half completed. From all present indications, it will be South Porcupine and Noranda for the play-offs; that much has been granted for the past two weeks.

It shouldn't worry Timmins hockey fans a great deal. After the great battle the lads put up last Wednesday, Timmins people should be turning out in greater numbers than ever before. They have been able to see a great improvement in the team over last year's aggregation and surely realize that a first-class team can't be built up in a year. They get their money's worth from any of the team's home games. The club hasn't quit, shows no intention of quitting; nor should true hockey fans.

The busy season for the local team is on again. To-night they meet Porxies in South End. On Wednesday night Kirkland Lake is here, and that night be a win for the lads. On Saturday, Timmins goes on the road for the second time, to visit Kirkland Lake and Noranda.

Kib MacDonald III

Kib MacDonald, according to a report in the Northern News, is out of the picture for a while, but will be back within a few weeks. So if Noranda's first forward lines appears to lose a bit of its scoring power in the next couple of games, that will more than likely be the reason. Kib got some sort of stomach disorder and has been ordered to take a rest to restore order. He was in Kirkland Lake hospital for a few days but is back in Noranda now. In the meantime, Ab, the other half of that swell combination, is doing his darnedest to keep up the family record.

Advertising Again

The O.H.A. is apparently letting at least the intermediate teams in on the advertising business again. This is from a Mail and Empire report: "Midland British Consols swamped Penetang Spencer Foundry team 24 to 3 in an O.H.A. intermediate 'A' hockey game at Arena Gardens here to-night before 700 spectators."

1.25

The Schmeling-Louis bout, if it comes off next summer will do well, no doubt. Perhaps the Brown Bomber could arrange to give a million-dollar gate a little more for their money than the one minute and twenty-five seconds in which he disposed of the heretofore little publicized Charley Retzlaff.

Tuxis Takes First Intermediate Game

High School Defeated Again in Kiwanis Junior League. Game Played on Open Air Rink.

High School's hockey team took its second defeat of the season in the Kiwanis Intermediate league in a game played Friday night against the powerful Tuxis aggregation. The score was 7-2.

Tuxis' lead was never threatened. They pounded home four goals in the first half of the first period, before High School's defence got properly organized. Hatton and Dewar got two each.

In the second High School made a bid for a comeback but Kallenchuk was the only one to beat Hensby in the Tuxis net. The school held Tuxis scoreless until well on into the third, after Kallenchuk had added another to the school's total. Then MacLean broke away for a couple and Easton got the final tally near the end of the game.

High School; goal, Fisher; defences, Elms, Peterson; centre, Kallenchuk; wings, R. Lake, Horwitz; spares, Millett, Killeen, Randall, Murray.

Tuxis; goal, Hensby; defence, Mowbray, Dunn; centre, Hatton; wings, Dewar, Easton; spares, Pope, MacLean, Black, Hornby.

Schumacher Blanks McIntyre Surface

Fresh Air Hockey League Away to Good Start on Tuesday Night.

Schumacher Town had little trouble in disposing of McIntyre Surface in the first game of the new Fresh Air Hockey League which went into action on Thursday night at the open air rink in the McIntyre town. Surface couldn't get a single shot past Loughran in the Schumacher nets, while Schumacher came through with five counters.

Play was fast throughout but the Town took the lead right from the first with two goals, one by Mira and the other by Phillips. The second period saw Surface brace up to a surprising extent and they held the Town scoreless for the full 20 minutes. In the third, Town broke away again, Smith got two and Calverley one.

Penalties were handed out during the game by Referee Leo Osborn to Sparks, Calverley, Mira and Genples of the Town team and to Preece (2) for McIntyre Surface.

McIntyre Surface: Burnett, goal; Preece, Adamson, defences; Smith, Downey, Sullivan, forwards; Staples, Leck, Villeneuve, Hazelwood, spares.

Paper Town Hockey Team Has Three Wins, Has No Losses.

Iroquois Falls, Jan. 18.—(Special to The Advance)—In a fast clean game of hockey, the Iroquois Falls Cubs defeated the Porcupine Red Wings by a score of 4 to 2, to keep their place at the head of the district juvenile hockey league. The Falls juveniles won all three of their games.

The Cubs scored their first goal on an easy shot but the Red Wings came back to tie the score when Cunningham broke through. Capyk put the Porcupine team ahead but the Cubs rallied and Carrier and Helkie counted to make the end of the second period score 3-2 for the home team.

Porcupine tried hard to get ahead in the third but had bad luck at the net. With three minutes of play left, the Cubs raised their total to four.

Dawson, Hardy, Ronholm and Carrier were best for the Cubs, while Pecore, Capyk, Cunningham and Andrews stood out for the losers.

"I'd just like to meet him—once," said Albert grimly.

"My biggest purse? It was the time I fought Jarvis. My share was \$7300. Boy, if I had that \$7300 now, I'd fly right out of here, take that wad of dough home and toss it in my wife's lap. I'd say 'here's 7300 bucks; hang on to it.' And if I asked a year later, 'where's the \$7300?' she'd have every dollar there."
