

Timmins Juveniles Beaten in Overtime

Ansonville Cubs Powerful Juvenile Team Has More Stamina.

Tied at two-all at the end of the third period, Ansonville Cubs took a 6-2 win from the Timmins Tuxis in a juvenile district league game played here on Friday. The Ansonville team did still better with Schumacher's juvenile entry on Saturday when they won 8-3, to keep their position at the top of the league.

The Friday game here was a good one from any angle. The local lads were the more tired at the end of the third and didn't quite have the stamina to keep up the pace in the ten minutes of overtime that was played.

Hatton got the first goal for the locals in the first period and Cavanagh

made it 2-0 with the only goal of the second. Putting on the pressure in the third, the Ansonville team scored twice, Carrier carrying the puck. In the overtime, Ronholm got two, Carrier and Dawson one each.

Ansonville: Goal, Watt; defence, Dawson, O'Meara; centre, A. Ronholm; wings, Carrier, Helky; spars, Millar, Brown, Maracchini.

Timmins Tuxis: Goal, Dunn; defence, McGowbray, Charbonneau; centre, McLean; wings, Dewar, Hatton; spars, Hornby, Easton, Pope, Benson. Referee: D. Auger.

BADMINTON CLUB DANCE TO BE HELD FRIDAY, FEB. 21ST

Owing to the death and funeral of the late King George V. there was no regular monthly dance held by the Porcupine Badminton Club last month. The February dance of the club will be held on Friday evening, Feb. 21st.

Ski Jumping Events Attract Hundreds to Exciting Sport

Porcupine Ski Club Holds First of Season's Meets and Public Turns Out on Perfect Day to Enjoy the Fun.

They came by car, by bus, by dog team, walking and skiing to yesterday's big meet at the Porcupine Ski Club's jump out the sand claims road. No more perfect day for the sport could have been ordered. Bright sunshine, a moderate temperature and very little breeze made conditions for the sport ideal.

Timmins proved itself to be skiminded in a big way. Gasps of astonishment greeted the first few jumpers who took off from the 60-foot tower. Both senior and junior jumping events were carried off without a casualty; although many entrants failed to land right side up, no broken legs or ankles were discovered after the cloud of snow

cleared. In the senior jumping T. Klaven was first with a distance of 161 feet on two jumps, an average of 80 1-2 feet for each; G. Gauthier was second and G. Pryor was third.

In the junior jumping G. McLean took the first place with 128 feet on two jumps, an average of 63 feet, the same distance at which the junior jump at the Toronto Ski Club was won on Saturday; F. Baderski, second, made 127 feet on his two, but lost out because of style in landing; G. Theriault was third.

The nicest jump of the day was made by P. Klaven in the senior class who leaped 87 1-2 feet. He showed fine

style and made a perfect landing, but lost out in his second attempt.

Elsie Richardson, only one of the fair sex who took the junior jump, made 59 1-2 feet, regarded as a fine mark. She showed plenty of courage in making the attempt too and even though she took a bad tumble, came up smiling.

In the slalom race, made in 42 seconds, R. Klaven and H. Klaven were tied for first place, with B. Klaven third.

Another jumping contest will be held within the month, it is expected, club officials said to-day.

The skiers' clubhouse was a popular retreat for those who became a little chilled. Hot coffee and sandwiches were served from early afternoon until after dusk.

Events Well Handled

The events were run off smoothly enough. Commencing about half past two, the senior and junior jumping contests kept the interest of the hundreds of spectators until four o'clock when the sky became clouded, the temperature dropped quickly and most of the spectators started home.

Excepting an occasional stray dog, the track was kept clear without difficulty and the jumpers were given every opportunity to display their skill.

The crowd got more thrill out of the jumpers who missed than those who completed their leaps standing up. It appeared certain sometimes that the young men and women who took part in the events would be hurt. Skis twisted along in a tangle of skis and harness, gave the spectators many a bad moment. But always the jumpers were able to get up and walk away with little more than bruises.

Ambulance Brigade There

"Just in case," a good squadron of St. John Ambulance Brigade men was on hand and should anything have happened, either to onlookers or participants, first aid was right at hand.

The affair was a credit to the officers and members of the club. Well conducted, speedily run off, it has made a real place in winter sport for Timmins people. Mothers and fathers in plenty were on hand to see their sons and daughters at play, and they'll be back again another time to see any event as good.

Dalton's ran a fine bus service and took all who were at the bus station until 2:30 out to the jump, picking them up again from four until half-past four.

Reports Unfounded as to Rev. Fr. Theriault's Mother

His hosts of friends in town and district will be pleased to know that the radio reports as to the serious illness and death of Rev. Fr. Theriault's mother at Rimouski were without foundation in fact. After attending the funeral of Noah Timmins at Montreal, Father Theriault went to visit his mother at Rimouski. She was ill with a cold but not seriously so, and on receipt of the news of the burning of St. Anthony's Church Rev. Father Theriault hurried back to Timmins. There is the sincerest sympathy with Rev. Father Theriault in the loss of St. Anthony's handsome church, to which he has devoted the best years of his life, but there is pleasure at the thought that reports of his mother's serious illness were unfounded and that he has not this additional sorrow at this time of loss and anxiety.

SPORT-ORE

From All Levels

With Evans, their regular goalie, laid out for a week and a half at least, Noranda's hockey team doesn't seem to be a bit weaker than before. Courtney, who substituted here on Thursday night was either very, very lucky or else he's one of the best guardians in the league. He is the third good goalie to turn out with Noranda this year. Roach was the other one and for the one game he played, he too did a good job.

Taylor Off the Job

Al Taylor, standby defenceman of the senior Porxies, and familiarly known as Cyclone, wasn't with his team on Saturday and Sunday when the South Enders went south to try their luck against Kirkland Lake and Porcupine. He received bad news from home last week and had to leave suddenly. But he'll be back shortly, it's expected. Porcupine supporters were just a little worried over what their team would do without the steady influence of the big fellow.

All Cleared Up

Sportore was all wrong about the Nickel Belt teams, the Sudbury Star points out. It appeared at first, in a Star story that any team in the Nickel Belt was as good as any team in the Maritime senior league, which has produced more than one Allan Cup aggregation recently. Then it came out, in another Star story, that no Nickel Belt team could make a good series with the gold loop winner, because it would have to draw on the other teams of the Nickel Belt league to make one good senior group of puck chasers. This was when there was some agitation in Sudbury to have the winning team of the Nickel Belt go on in the N.O.H.A. playoffs.

Now it's all cleared up. What the Star really meant was that no team in the Nickel Belt league, qualified to go in the O.H.A. should it win the N.O.H.A. championship, would be powerful enough to be sure of a win over the gold belt representatives. The difference is this: imports. They have so many imports in Sudbury this year that it would break up any Nickel Belt team should it be forced to qualify under O.H.A. players' rules.

Here, according to the Star, is the correct view of the situation:

"Clubs competing in the N.O.H.A. senior play-downs are allowed four O.H.A. imports, and in addition are allowed to use four players transferred within the jurisdiction of the N.O.H.A. giving clubs the right to play eight outsiders. But these eight are eligible only in the N.O.H.A. The club which will eventually represent the Nickel Belt in the N.O.H.A. senior play-downs is not considering this latter angle of the eligibility rule.

"They are laying the foundations for a team which can qualify under O.H.A. rules and will be welded together as such a club. Why create an 'eight-

import' team to play in the N.O.H.A. and then be obliged to wreck the team for O.H.A. competition? Other Northern Ontario clubs who are building on this 'eight-import' N.O.H.A. eligibility rule will find, to their sorrow, should they go out of the N.O.H.A., that they have but a skeleton of their powerful Northern championship team.

"We feel confident that the Nickel Belt champions, when they are eventually declared, will 'take' South Porcupine or Noranda, if allowed to play a full-strength team, but six or seven men is the most any club can qualify under O.H.A. rulings, and as such would be handicapped."

A few mathematics: there are five teams in the Nickel Belt league; not counting the Sudbury juniors; with a minimum of ten men on a team, that makes fifty hockey players. "Six or seven is the most any club can qualify under O.H.A. rulings." That means, on the face of it, that only two or three on each team are not imports—this year's imports, for the O.H.A. allows four to a team. Say an average of two and a half players per team (even though hockey players are hard to divide). That leaves seven and a half imports per team, or a total among the five teams of more than 47, which sounds like a deuce of a lot of hockey talent.

The avowed idea of the Nickel Belt is to produce a team that will go places in Canadian hockey. At that rate of "finding" talent, they should have little difficulty next year.

The darn trouble is that every once in a while some bunch of small town fellows get together and turn out a whiz bang team!

Canadiens Win Over High School Team

Score Seven Goals to win in Friday Game of the Intermediate Kiwanis League.

Canadiens blanked the High School entry in the intermediate Kiwanis league fixture played on Friday night at the ball park, with a score of seven goals.

The High School lads tried hard all the way through but found themselves outclassed by the powerful Canadiens. Brazeau scored three times in the first period and Martin got the fourth. Auger, Martin and Brazeau divided the second period scoring honours.

Canadiens: Goal, Lavigne; defence, Savard, W. Martin; centre, Auger; wings, Barabrie, Brazeau.

High School: Goal, Fisher; defence, Murray, Peterson; centre, Kallenchuk; wings, Horowitz, Killeen.

Ottawa Journal:—In New York the trial of officers of the steamship Morro Castle is in its final stages. Charged with criminal negligence, their trial has been in progress since November 12. The ship was burned September 8, 1934. Nobody is in any hurry.

Provincials After Places Out of Town

Constable Pretorius Raids Places Past Town Boundaries. Other Police Court Cases for Tuesday.

Provincial Constable J. Pretorius has the leading cases in police court for to-morrow, having conducted some raids on places just outside the town limits. As a result of these raids, Mrs. Barette, of 26 First street, Goldale township, will face a charge of selling liquor, as will also Malcolm Arsenault, of Mountjoy township, while Lucien Bigenet is charged along with Arsenault's case, the charge against Bigenet being that of keeping for sale the raids were made around midnight Friday.

The town police add to the docket by one drunk, one speeder (the first this year), one for parking on the sidewalk on Second avenue, as well as one vagrancy case adjourned from last week, and one reckless driving case and one case of a boy of 15 found drunk on street, both remanded from last week. In addition there are three assault charges, Roland Pilon laying information to the effect that Eugene Guinard, Barnaby Beaudoin and Oscar Beaudoin assaulted him with intent.

In juvenile court the two boys who took an express parcel from the delivery rig will also be called.

Mary Bertrand, who was picked up for the Quebec provincial police, is charged with vagrancy.

KING GEORGE ENJOYED THE HUMOR OF THE SITUATION

(Sault Ste. Marie Star) Sir Harry Lauder, the famous Scottish entertainer, sang for the King and Queen at the Palace theatre in London one night and later visited them in the Royal box.

After leaving their Majesties Lauder met a friend just outside the door and said to him: "Good night, George." "Good night and good luck to you, Harry," he heard from behind. Turning, he saw the King had followed him out. The monarch laughed heartily over Lauder's confusion.

Oldest European Discovery Against Stomach Troubles and Rheumatism Acclaimed Best by Latest Tests

Since 1799 thousands of people have regained their normal health after years of suffering from stomach troubles of all types, such as constipation, indigestion, gas, and sour stomach which are the basic factors of such maladies as high blood pressure, rheumatism, periodic headaches, pimples on face and body, pains in the back, liver, kidney and bladder disorder, exhaustion, loss of sleep and appetite. Those sufferers have not used any man-made injurious chemicals or drugs of any kind; they have only used a remedy made by Nature. This marvellous product grows on the highest mountain peaks, where it absorbs all the healing elements and vitamins from the sun to aid HUMANITY in distress.

It is composed of 19 kinds of natural leaves, seeds, berries and flowers scientifically and proportionately mixed and is known as LION CROSS HERB TEA.

LION CROSS HERB TEA tastes delicious, acts wonderfully upon your system, and is safe even for children. Prepare it fresh like any ordinary tea and drink a glassful once a day, hot or cold.

A one dollar treatment accomplishes WONDERS; makes you look and feel like new born. If you are not as yet familiar with the beneficial effects of this natural remedy LION CROSS HERB TEA try it at once and convince yourself. If not satisfactory money refunded to you. Also in tablet form.

Try it and convince yourself with our money-back guarantee
