British Consols to Meet Timmins To-morrow Night

Toronto Team Makes Trip North as Senior Hockey Season Draws to Close in the Porcupine. Teams Should be Just About on a Par.

Toronto British Consols, mercantile league team, will be in Timmins to-morrow night to meet a team of seniors here, the majority of whom will be chosen from the senior N.O.H.A. entry. It's possible that an odd South Porcupine senior will be used to bolster the team. The Advance was told yesterday.

Kirkland Wins the Round for Juniors

Noranda Won Sunday Game but Did Not Have Enough Margin to Offset Previous Match.

Noranda, Feb. 25.—The Noranda kid did not quite turn the tables on their Kirkland Lake visitors on Sunday night's game and while they scored a margin of two goals it was not enough for them to qualify for a meeting with New Liskeard. Winning by 5-3 Noranda had to concede the round to the Kirkland youngsters by the score of 10-8. The three hundred fans who lined the rink must all have gone away satisfied with the three periods of play for those boys on both sides gave everything they had, perhaps too much, for experience teaches how to conserve energy.

putting up a real battle. This year's Consols and the local seniors should be just about on a par, judging from the way things went last year. It's the last big game of the season, so far as is known now, and it's expected that a big crowd of Timmins fans will turn out to see the fun.

Consols have already done a considerable amount of touring this year around Ontario, taking on anything from senior to intermediate "B" teams. They will play to-night in South Porcupine against the senior Porkies.

right through from his own blue line.

First Period
Noranda — Cuthbertson (Courteau) 13.
Kirkland Lake—McDonald (Leak and L'Heaux), 15:32.
Noranda—Courteau, 19:48.
Penalties — Courteau, Gibbs and Woon.

Second Period
Noranda — Courteau (Cuthbertson), 2:32.
Noranda—Courteau (Stewart), 8:44.
Noranda—Courteau, 12:23.
Kirkland Lake—L'Heaux, 13:58.
Penalties—Miller, Millst., Courteau, Gould, Leak and Woon.

Third Period
Kirkland Lake—Dickinson (Hallett), 14.
Penalties—Courteau and Woon (2).
The teams were:
Noranda—goal, Newton; defence, Miller and Gould; centre, Courteau; wings, Lachance and Stanger; alternates, Stewart, Maloof and Cuthbertson.

Kirkland Lake—goal, Adams; defence, Millett and Woon; centre, Gibbs; wings, Hallett and Dickinson; alternates, McDonald, L'Heaux, Leak and Culhane.

Referee—Gerry Legrave, Noranda.

A handicap to the home team was the behaviour of Stanger and Maloof, who evidently smarting under the inactivity of being kept by Coach O'Leary in the box too long for their liking quit cold and left their confress to play most of the game without their support.

BOWL ALONG

What is the secret behind those moustaches that adorn the faces of the railroaders?

The biggest secret is, the gentleman with jet black hair and a ginger moustache.

They must believe that where there is hair, there is strength.

It is doubtful if any of them could lift a peck of potatoes.

What has potatoes to do with bowling? Henry says, "lots!" and it's about time his team started throwing some around.

Yes! Henry, your team had a great chance last Friday to sneak up on the Power.

With their captain back, the railroaders were able to get somewhere, although he didn't do much himself.

Yes! Bill, you are falling again, but there is no excuse for Bert.

What happened last Friday, Pete?

To-night should see some good or bad bowling. Gambles will match up with the Power, and will have to be at their best if they wish to tighten the league up some.

The Advance will be the guests of the T. & N. O. and they are hoping to give the railroaders the coal shovel for a while.

Yes! Army, if it's not your score they omit, it's the totals of another team, and it's round and around, it goes.

Alfie was like a jack rabbit last Friday. Be more careful to-night of your actions!

George must have seen more red than what was on those bedroom slippers his teammate wore.

The printers must be going in for softball this summer the way that line man is practising that underarm throw. Well, forget about the summer. Ossie, the snow is still on the ground.

—the most popular of all indoor sports

Bowling is not a fad. Like any other national game, it is here to stay. Its health-giving qualities are endorsed by medical men and enjoyed by everyone.

Come in to-night and bowl on Brunswick Alleys. Surroundings are clean, equipment is modern and cozy.

MONTREAL SKIERS SWEEP DOMINION CHAMPIONSHIPS

To his Ontario and Quebec provincial ski-jumping championships, 19-year-old Percy "Punch" Bott of Montreal added the Canadian Crown when the Dominion championship events were staged at the Toronto Ski Club slide near Toronto. Montrealers took all three first places and eight of the first ten berths to give the Quebec metropolis almost a clean sweep. Celius Skaavaas, ace of the Toronto club jumper was fourth. A huge crowd of spectators watched the thrilling events, the first Dominion championships staged in Toronto. Top left above shows Percy "Punch" Bott, No. 32 whose two jumps of 114 feet plus perfect style won him the championship. Runner-up was his teammate J. C. Riddell, No. 14 top right. Below is shown R. Denton of McGill University just leaving the slide. His jumping earned him third position.

Many from Here to Attend Bourkes Ski Meet, March 1

T. & N. O. Makes Low Rate and Provides Special Train for Return Trip. Timmins Jumpers Have Good Chance in Events.

At least 25, and probably a good many more Timmins skiers will leave here at 6:25 on the morning of March 1st to go to Bourkes, where they may look forward to a fine day's skiing and some worthwhile competitions.

At Porquus Junction another 25 members from Iroquois Falls will join the party on the trip south to the farm centre. How many will be at Bourkes from the Sesekinika ski club or from Kirkland Lake nobody at this end of the line knows, but it seems certain that Bourkes will be the big centre for sport in the North this week-end.

Anybody may go; in fact local ski club officials say "the more the merrier." Fresh trails, new hills should be a big drawing card to Porcupine skiers and the Bourkes district is well known for its good skiing activities.

The return trip may be made either by the train that passes through Bourkes at 7:15 p.m., arriving here at 10 o'clock, or on a special being provided by the T. & N. O. passing through Bourkes at 10:20 and arriving here about 1:30 a.m.

The Porcupine club will be well represented in the jumping and racing events. A number of the Klevans will be there for the senior jumping and George McLean is expected to do well in the junior event. Bergs Klevan won the senior jump here a couple of weeks ago in competition with some of the men who will appear at the Bourkes tourney, though it is expected competition will be somewhat keener this week.

Return fare to Bourkes for the meet has been fixed by the railway at \$2.70. Skis may be taken in the coaches at no extra charge.

British Golfers Start Training for Walker Cup

British amateur golfers, who have never won the Walker Cup from the United States, are going "all out" to capture the international trophy this summer.

Critics at London, England, blamed Briton's repeated failures in this competition to the fact that golfers on this side of the Atlantic go about their advance training too casually. In fact, Lawson Little, the husky Californian, twice winner of the British amateur championship, drew gasps of astonishment when he "tuned up" for his daily matches by whacking out 50 or 100 practice balls.

Now the top-flight amateurs already are going into training for the Walker Cup matches in the United States, at the Pine Valley Club, Clementon, N.J., Sept. 2-3. One of them, Harry Bentley of Lancashire, has gone to Belgium to take a six-weeks' course under Henry Cotton, the former British open champion. Others are practicing long hours daily at local clubs.

Some front-rank clubs are considering a plan to have every club professional take charge of the two leading amateur players in his club and play with them for a year without pay.

Curlers to Try for Van Italie Trophy

Four Timmins curlers left on the noon train for Kirkland Lake where they will take part in the Van Italie trophy competition, known as "the Diamonds" among the clubs of the T. & N. O. Curling Association who are permitted to take part in the annual affair.

S. A. Caldwell skips the Timmins entry, with J. R. Walker vice-skip, J. M. Belanger second and Armand Des-Roches lead. Play will likely begin to-night in the round-robin series, or tankard play.

Golden Miller Favoured to Win Grand National

Miss Dorothy Paget's nine-year-old bay gelding, Golden Miller, is gradually becoming the hot favourite for the 1936 renewal of the four and a half mile Grand National Steeplechase at Aintree March 27. The Miller, winner in 1934 but a disappointment in 1935, was quoted to-day at 11 to 2, slightly lower than last year's price of 6 to 1.

Next in the betting comes Major Noel Furlong's last year's winner, Reynoldstown at 19 to 2. Others at the low end of the odds list include: Belted Hero 100 to 6, Delaneige 18 to 1, Frovovative 28 to 1 and Avenger 28 to 1.

To-day's callover for the Lincolnshire Handicap at Lincoln, March 25, showed Law Court and Prior Joint favourites at 100 to 8. Screamer at 100 to 6 and Oer at 25 to 1 were also favoured in the books for the one-mile event which opens the English flat racing season.

Junior Porkies Defeat the Timmins Seniors 5-4 Here

District's Blanket Entry, A Strong Team. "Red" Hamill Scores Winning Counter. Porkies Come From Behind to Score Three in Last Period.

South Porcupine's powerful junior N.O.H.A. entry battled to a 5-4 win over the Timmins senior team here last Tuesday night. The game showed the tremendous strength that is packed into the blanket entry from the district and was also the last that will be played before the junior N.O.H.A. play-downs with Kirkland Lake.

The Timmins senior team that met them was no set-up. It was practically the same team that made such an impressive showing in the N.O.H.A. senior group. Vall and Fasano were the only "regulars" that were missing.

Porkies' "Power Play"

One of the outstanding points of the game was the Porkies' "power play." As soon as Timmins got a penalty the entire South End team moved into the Timmins defence zone and had the locals in a jam. All the Porkies' goals were scored on this kind of effort.

Each team scored once in the first canto while Timmins counted two to the Juniors' one in the second. The last period saw Porkies score twice while Timmins tallied but once.

The game was clean, only 11 sentences being meted out, and they were only for minor accidents. Three Milers on the line-ups all got penalties in the first canto along with Lamoureux and Wilkes. The second frame saw Carson Miller get his second trip, being accompanied by Hanberry and Villeneuve. Lortie, Villeneuve and Greatrex were the offenders of the last time out.

The game opened fast and Porkies moved in, Doran having several shots at Christianson before the pressure was relieved. Young and Lortie gave the crowd a thrill when they broke away with Tremblay and after working in close, Lortie was outgassed by the cagey Myers in the Porkies' nets. While Lamoureux was warming the bench Lortie broke away again and his shot hit the goal post.

Young Scores the First One

Just as Lamoureux returned Joe Miller took his place and the Porkies' power play kept worrying Christianson. Carson Miller snagged the disc in front of the Timmins nets and passed it out to Jack Young who raced away to deposit the puck in the Porkies' nets for the game's first score.

Carson Miller was chased and Porkies put on the pressure again and were rewarded for their fine efforts. Hanberry scored the goal when he stopped Hamill's rebound from the back boards and put the puck where he thought it should have gone in the first place.

A Goal a Minute

The second canto saw plenty of action right at the start. Porkies went one up in the first minute of play before Wilkes returned from serving time for trying to rough up Mike Miller near the end of the first period. Hamill scored the goal on passes from Mike Miller and Hanberry. A minute and a half later Jack Wilkes made up for the goal that had been scored in his absence when he slapped in Joe Miller's pass in front of the Porkies' nets.

The Timmins team's second line, Young, Tremblay and Carson Miller, were swarming around the Porkies' goal but didn't seem to have any "breaks." Young was in front of the nets several times and before he could rifle one in he would be knocked out of the play.

Auger Puts Seniors Out in Front

Auger took Leo Lamoureux's pass in front of the nets midway through the second to put Timmins one up. Delmonte gave Lortie the hip as he was passing and Harry Boyd chased Villeneuve for the offence.

Porkies put on five forwards in an attempt to regain the lead but Christianson was playing a heady game and getting a few lucky breaks. Wilkes broke away near the end of the frame and it looked like a goal until he let the puck get away from him.

Tremblay Gets a Beauty

The third period opened with the Timmins "pepper line" trying hard and before the lines were changed Tremblay treated the fans to a neat bit of stickhandling. Going in behind the Porkies' nets he took the puck out to score the nicest goal of the night. He gave Myers no chance after stickhandling through five Porkies in front of the goal. Leo Lamoureux had to leave the ice when he stopped a high stick with his head.

Maki gave the Porkies the little bit of encouragement that they needed five minutes later when he knocked in Hamill's pass. Porkies were playing five forwards when that goal was scored and Lortie was in the cage.

Three minutes later Maki scored again after Hume had brought the puck down and was skated into the corner. Maki picked up the loose puck at the blue line and peppered it in before Christianson knew where it was.

Hamill Wins the Game

Hamill scored the last goal, knocking in Doran's rebound. Villeneuve was chased and Timmins put on the pressure but couldn't get the equalizer. Lortie missed a fine chance in the dying moments.

Porkies: Goal, Myers; defence, Delmonte and McKay; centre, Miller; forwards, Hanberry and Doran; subs, Maki, Hume, Villeneuve, Hamill and Wilson.

Timmins: Goal, Christianson; defence, Joe Miller and Lortie; centre, Lamoureux; forwards, Wilkes and Auger; subs, Young, Tremblay, Carson Miller and Greatrex.
