

Spring Style EDITION

ONCE AGAIN Mother Nature has turned the wheel of the weather cycle and Spring is here: Spring with its gentle rains, forerunner of beautiful flowers and--let's not forget--forerunner too of the beautiful things to wear in this the most joyful of seasons. There is something about the new spring clothes and accessories that will give you a feeling of lightness and happiness after a winter of heavy things. This spring designers seem to have outdone themselves in the originality and becomingness of their creations. You will agree too when you see the showings in the Timmins shops. You'll be thrilled at the glamorous feast Dame Fashion has set before you
