

South Porcupine Looks to Juniors and Victory

Many from South End, as Well as from Timmins and Schumacher, at Toronto for Games. Interesting Meeting of Men's Club. Other South Porcupine News.

South Porcupine, March 25th. Special to The Advance.

The main topic of conversation this week (apart from the Irish Sweepstake) is the hockey match to-night between our Porcupine Juniors and West Toronto. Those who have heard directly from the boys themselves say that the youngsters are not boasting nor over-confident but think that they can "take them." They will certainly get lots of rooting from the crowd that took the special train yesterday in order to be at the game, and that will help considerably. We understand that the following relatives of the team went—Mr. Doran, of the Dome and son, H. H. Bert; Mr. and Mrs. Dan Miller and Mrs. Nimmela. Fifty-four South Porcupine fans were on the train making 177 altogether from Schumacher and Timmins. Two extra coaches and two pullmans were attached to the train enroute to accommodate the number of passengers. Some of those going were noted.

Mrs. F. Rich. Miss Lang spent some years in South Porcupine during her school-days and will be remembered as a particularly intelligent student, gaining in 1922, highest honors in the Inspectorate at the Entrance examination here. On Tuesday night she was entertained at the home of Miss Valerie Rapsey and as many as possible of her old classmates met to renew old acquaintance and enjoy a social evening. Miss Shaw, her former teacher and Miss Burns, were both present. Also Misses D and S. Stotnick, Miss Levinson and Miss T. Roy, old classmates. Since leaving South Porcupine Miss Lang has graduated from a High School in Chicago with senior matriculation honors and is now employed as secretary for the Skokie Country Club of Chicago.

Mr. Hortie, of Golden City, who has been for many months an inmate of Halleybury Sanitarium is now home for the summer months.

Mrs. Hedley Varker left on Tuesday to spend the summer with her parents in Philadelphia.

Mr. and Mrs. Shanks left on Tuesday for a few days holiday in Toronto.

Owing to the poor state of the ice at the Dome curling rink, the semi-finals and finals in their games schedule are to be played on South Porcupine ice, by the courtesy of the South End Curling Club.

Diamond drilling is to begin this spring on the South Shore Gold Mines

Golden City—and a shaft sunk. We hear to-day that a little Polish child (boy) of Commercial avenue, died this morning of pneumonia.

The Ranger Guides are to hold a skating party next Saturday night at the rink, to be followed after by a social evening.

The choir of the United Church are busy practicing special Easter music, and are also endeavouring to raise funds to assist the church and choir by preparing a concert to be given later. Next Wednesday afternoon, April 1st, a tea is to be held at the home of Mrs. Webb, Dome Extension, from 3 to 6 p.m.—also for the purpose of assisting the choir.

A most successful evening was the verdict given on the meeting of the Men's Club held in the United Church last Thursday. The affair was well attended and after an excellent supper the guest speaker, Mr. Dean Kester, of Timmins, addressed the gathering. His topic "Crime—an Asset" interested the men greatly. He gave in detail the thrilling story of one of the most notorious crimes of the last century, which has been a legend among Scottish folk for over a hundred years—the murders by Burke and Hare. He told that after the crimes were punished, legal reforms followed and incidentally the medical profession benefitted by the exposures made with regard to the murders.

Miss I. Kaufman, who left for Toronto on Tuesday, will register with the Wellesly hospital as an intending probationer, before her return.

Police Court News

Three drunks on Tuesday enriched the coffers of the township by three fines of \$10.00 each.

An array of articles were put on exhibition notably a pair of Romeo slippers which figured very prominently in the case which followed. A mirror, two clocks, a Rolls razor and a fountain pen were also shown.

Two men were jointly charged with the theft of the above articles from a room in a Schumacher hotel on March 22nd.

The owner of the articles testified that he had seen these two men coming down the stairs of the hotel, and suspecting that the slippers he saw under one man's coat were his grabbed them, found they were his property, biffed the second and smaller fellow on the nose and shouted for two companions to go and fetch the police, as he couldn't go himself and hold the thief. Then the mirror fell out of the man's clothes and he felt his case was cinched. The police came, took man and slippers to the police station and went after the second runaway who, upon being traced to his boarding house, was found to have the other articles in his possession.

Both pleaded not guilty but the man who stole the slippers said he didn't

Nine-Year-Old Lad Laid to Rest Monday

Funeral of Robert James Whaley on Monday. Service Conducted by Rev. Bruce Millar.

The funeral service for Robert James Whaley, nine-year-old son of Mr. and Mrs. James E. Whaley, was held from the home at 164 Elm street, south, on Monday, March 23rd, and was largely attended by the lad's friends and the friends of his parents. Rev. Bruce Millar conducted the brief ceremony. Burial was at the Timmins cemetery.

Funeral services were: F. N. Whaley, E. Urquhart, A. McArthur and W. P. Murdoch.

Floral tributes were sent by: father and mother; grandmother, Asa, Mabel, Lena, Simeon, and Curtis, Flint, Michigan; Uncle Fred, Aunt Marion, Bill and girls; Bill, Irene and Helene; Grandpa and Grandma, Rhoda and Elvin; Elsie and Andy, Mary and Wilf; Ray, Wilma and Pat McWhinney, Nancy Jane Cooper; Bert, Nevada and Harold; Marion, Gordon and Ann Watt; Mr. and Mrs. McCarthy, Lola and Gerald; Lois Urquhart; Olga Holland; Moneta School; Sunday School; Northern Lights Chapter; Golden Beaver Lodge; the Richardson family; Mr. and Mrs. Thos. Platts and family; Mr. and Mrs. Burns and family; Dan and Betty; Mr. and Mrs. McDivitt; Amanda and Scotty; Garry Moore; Campbell, Ruby and Jean Angus; The O'Callaghans; Ralph and Helen Cleland; Ida, Walter and Ken; Mr. and Mrs. A. Allen; Mr. and Mrs. J. F. McNamara and family; Mr. and Mrs. W. H. Phillips; Mr. and Mrs. Robb; Bill, Rheta and Billy; Mr. and Mrs. W. Adams; Mr. and Mrs. Hocker; Mr. and Mrs. Stanley; Mr. and Mrs. H. L. Traver; Monty Arthurs.

know how they came to be where they were.

"They didn't walk down the stairs after you, did they?" said the magistrate.

As the men's character had no previous smirches and as the police testified favourably in the men's defence the magistrate let them off on suspended sentence.

"You will pay all costs, keep the peace for two years under a \$200 bond, and abstain from intoxicating liquor during that time," said his worship.

For keeping liquor (beer) for sale and selling it, a man got three months hard labour. He was proved to be the catspaw of another man and had no place to go and nothing to eat when the beer selling proposition was made to him.

However, he was guilty and the magistrate had to sentence him. The shack in Deloro which was the scene of the "crime" was made public.

L.O.B.A. Social Tuesday Night at Hollinger Hall

The L.O.B.A. announces a social evening to be held in the Hollinger hall on Tuesday evening, March 31st, commencing at 8.30. Members are invited to bring their friends, and all have a happy evening.

Many Questions at Council of Township

Relief, Roads, New Sub-Division and Other Matters Dealt with at Township Council Meeting.

South Porcupine, Ont., March 26th, 1936. Special to The Advance.

A council meeting was held on Monday night in the council chambers with Reeve Gallagher in the chair and a full council. It was a very long session as many minor points had been laid over in the reeve's absence which needed attention. A second special meeting on Tuesday afternoon had to be called in order to complete the business. Max Smith, in the absence of Mr. F. C. Evans, who is in Toronto, acted as clerk for both meetings.

Many relief cases were dealt with, reports to be made on persons desiring relief and correspondence dealt with concerning sanitarium relief patients. A deputation of unemployed on relief was again present, the Finnish Club asking 5 cents extra per person, per day for keeping the men.

Relief was requested for a family of seven.

The Hollinger plans for sub-division near Timmins on the main road were approved.

Mr. Arnott applied to have a hydrant removed to the edge of a sidewalk and the application was granted.

Street lighting for Schumacher is to be looked into for improvement.

A poll tax was refunded to a man proved to be supporting his parents.

Further information is to be obtained before certain slot machines games are to be allowed once more in the township.

Discussion also took place concerning the town grader.

Gray's Shows applied for permission to occupy the Moneta Grounds from June 1st to 6th, 1936 and obtained it.

Dr. Harper spoke of certain plans for a hospital. This was laid over.

Two by-laws Nos. 33 and 34 concerning watering works were passed finally and signed by the reeve.

Discussion regarding office help was laid on the table until Mr. Evans returns from Toronto.

Mr. Thomas Kingston, who has been superintending the new waterworks installation and sewage plant, was appointed at this meeting to the position of engineer for the township.

Council approved of the Lions' Club Street dance to be held in Schumacher in June.

Meeting adjourned.

FIVE PEMBROKE MEN FACING CHARGES FOLLOWING RIOT

Resulting from the recent riot of relief workers, in which Mayor Cockburn and other officials were held prisoners at Pembroke town hall for some time, and a large window was smashed, summonses were issued on Saturday for five men to appear at police court and face charges of rioting.

Big Contract with Mine Co. Undertaken by Barney Sky

The Northern News, of Kirkland Lake, has the following paragraph in its issue of Tuesday of this week in reference to the activities of Barney Sky, of Timmins, whose work has been largely in Kirkland Lake and district recently:

"Barney Sky, Northland contractor, whose latest completed job in this territory is the new Woolworth Building, is starting construction of camp buildings, shaft house and other accommodation for the Lakeside Kirkland Mines. The company has purchased a plant and equipment for \$45,000 from Lake Fortune Mines, Que., which will be moved in here. Toronto and London finance is interested in the development. De-watering will start at once to be followed by diamond drilling, development and shaft sinking. The E. B. Knapp Syndicate is operating the property. Mr. Sky is a member of the board of directors. Lakeside Kirkland is a successor to Queen Label Gold Mining Ltd."
