Nominate Your Choice for the Carnival Queen

Queen will win Valuable Diamond Ring. Other Prizes Offered by Schumacher Lions in Connection with Big Community Carnival on June 23rd.

Every time you buy a ticket for the big Schumacher Lions Carnival to be held on June 23rd, you not only have a chance to win a couple of return trips to Europe or a number of other big prizes, but you have a voice in electing the Queen of the day, and give her a chance of winning the diamond ring offered by the Lions.

blank for that purpose appears in to-day's Porcupine Advance. Secure your candidate's signature on the blank and she'll be entered in the contest. Even if she shouldn't win, she may be chosen as a lady-in-waiting to the Queen, in which case she'll share the honour of the day and receive a wrist watch into the bargain.

Rules Are Few

Here are the rules:
1. Any young lady is eligible—regardless of the town in which she lives.

2. Nominations must be made on an official blank appearing in to-day's Porcupine Advance and in the issues of April 17th and April 30th.
3. All nominations must have the personal signature of the contestant.
4. Nominations close on May 1st at 8:00 p.m., and must be in the hands of J. A. Hawkins, Box 93, Schumacher, by that time.
5. Votes may be secured in three ways: (a) The nomination blank entitles the contestant to 2500 votes. (b) For every ticket to the Schumacher Lions Carnival and Street Dance sold, a contestant is entitled to 500 votes. (c) When a book of six tickets is sold, the contestant is entitled to an additional 500 votes, provided the receipts are accompanied by the special coupon printed in to-day's Advance. This coupon will be published in every issue of the Advance until June 17th.
6. Contest closes at noon on June 22nd.

The more books of tickets handed in by a nominee or for her by anyone else will, of course, decide the winner. A book of tickets is in this way worth 3500 votes; 500 for each of the six tickets, and 500 additional votes for handing in the Advance coupon with the book. Money has to be turned in to the Lions for only five of the six tickets in the book. The other may be kept by the seller.

Barrie Examiner: Fergus cannot have a very big relief problem. They have engaged a woman as relief officer at the munificent salary of \$150 a year.

Flowers Blooming in Gardens at South End

Believe It or Not! Flowers Also Blooming at the Dome. Much Interest in Moose River Mine Accident. Hugh Boyle Helps Out in Diamond Drill. Other News of South Porcupine and the Dome.

South Porcupine, April 22nd, 1936. Special to The Advance.

This wintry spell of weather since Easter has retarded the flood situation—if any. The snow is gradually disappearing although there seems to be a lot yet in the bush—and the water is getting away nicely. Flowers are in bloom in both Dome and South Porcupine gardens—believe it or not! Crocuses in bloom appeared the same day last week in the gardens of Mrs. Fell at the Dome and Mrs. Fell of Main street, town. Their little blue and yellow blooms are pushing up through the snow. Alas! for the tulips that braved the season and sought the sun—they perished untimely, but are being immediately succeeded by others! Spring is coming.

Everybody in town has been sharing in the general suspense and final thrill of the rescue of the entombed men in the Moose River mine. Several people in town have heard of, or known personally—Dr. Robertson of the Sick Children's hospital and have been praying for his safety. Dr. Smith—taking charge of Dr. McLaren's practice here this week—worked with him

at one time. It was thrilling to know that Schumacher men were helping in the work at Moose River and the following extract from a Toronto paper will also interest those of our town-people who remember the Boyle Brothers when they were doing diamond drilling in the Porcupine:—"North Bay April 20th—Hugh Boyle, manager of the Canadian Longyear Ltd., was responsible for saving more than a day's time in getting diamond drills to the rescue workers at Moose River, N.S. On Wednesday diamond drill contractors in Toronto reached Mr. Boyle in Haileybury by long distance telephone. They wanted two diamond drills or information where they could be found. Mr. Boyle told them where six diamond drills could be located out of New Glasgow, N.S., and where two others were within a reasonable distance of the disaster."

Friends of Mrs. S. A. Jones, of Commercial avenue, will be glad to hear that she is much better and able to be around again after being quite ill. Her daughter, Mrs. Harrison, of Toronto, visited her over the week-end and her sister, Miss Walton, also of Toronto,

FIRST DOME GIRL GUIDES

is paying her an extended visit until she is completely restored to health.

Mr. C. V. Gallagher left on Tuesday for Toronto on business.

Mr. George Morgan, of Toronto, son of Mr. C. B. Morgan, is up visiting his twin-brother Jim, for two weeks.

The Young People's Society of the United Church is planning to produce a play in the High School on Thursday, May 7th. It will be real comedy—under the title of "Here Comes Charlie"—and there will be no slow minutes, we are assured. The cast will include Mrs. Rosburgh, Don Miller, Mrs. Savel and Mr. Thieson, and in the intervals Mrs. Stanlake will sing and Miss B. Cameron will entertain by step-dancing. A dress rehearsal for children will be held at 6 p.m. on Tuesday, May 5th.

A meeting of the Dome Athletic Association was held on Sunday in the Recreation hall at the Dome. This was the annual meeting called to elect officers, allocate funds, etc. The only change in the administration is that Jack Nelson is replaced on the committee by H. H. Co-tain. It now stands President, John Fell; vice-president, W. H. Johns; secretary-treasurer, A. Reid, committee, W. Wattam, W. M. Lean, W. Kellow, H. H. Co-tain. The football team has been training for the past three weeks under the tutelage of Mr. James Fell.

Mr. Milas Clarke and Mr. Covey, of the T. and N. O. staff, were present on Saturday last at the Railway Telegraphers' meeting at Haileybury.

Four new log houses are being built by Finns on O'Brien avenue and one large frame dwelling is to be erected on the same street by Mr. Vilnesse.

Mr. Jock Nicolson, of Porcupine, left on Wednesday for Toronto.

Next Tuesday (April 28th) the ladies of St. Paul's Sewing Circle are holding a novel bargain sale in their hall. A tea will be served from 2:30 to 6 p.m. and in the evening a whist drive will be held at 8 p.m. The "bargains" will be articles of sewing, etc., which the ladies will sell.

Don't forget the choir concert at the United Church to-night (Thursday).

A large mass meeting of Finns and others was held on Sunday in the Farmers' Hall Main street. All the speakers spoke in Finnish but we understand the meeting was called to protest the discrimination alleged by a certain section of the Finnish people against some of their men in getting jobs in some of the mines here. It was alleged that to obtain work in certain mines it was necessary to produce a card of membership in a certain society—thus producing a grievance among those who held no such cards of membership. The real grievance was that these cards had to be paid for and that constituted "graft." We understand however, that the publicity given at this meeting and brought to the notice of the employers of labour has put an end to the practice criticized, which clears the matter up completely.

The winner of the new suit at Clark's Men's Wear with ticket No. 1140 was Mr. J. Martineau.

Police Court News

Four drunks owned up to being so at Tuesday's court and paid the usual fine. One, however, protested. His case was heard at length. The policeman testified that he went into the Central hotel here and saw this man and another in an inebriated condition and ordered both to go home. One went, but the accused argued the point—moreover he used "language" over it. So the constable took him to jail. The accused protested that he was not drunk, he staggered because he had injured his foot. However he was adjudged guilty and paid his fine. For keeping liquor for sale a woman on Bruce avenue, who needed an interpreter was found guilty and sentenced to three months hard labour without the option of a fine. Her liquor was seized and her house made public for one year. For driving without an operator's license a man paid \$10 and costs.

There is to be a vote taken by the ratepayers of the Township of Tisdale on a by-law to be prepared concerning the renewal of the franchise to the Northern Ontario Power Co.—to supply light and power to Tisdale. Further details will be forthcoming later.

Plans were presented at the last council meeting for a new sub-division north of Gillies Lake which were approved.

Modern Bus Service from North Bay to Montreal

The Colonial Coach Lines Limited have all arrangements made to operate a modern bus service between North Bay and Montreal, the service to begin about June 19th. The buses will accommodate 29 passengers and will be equipped with reclining chairs and all modern conveniences. A franchise has been granted for the service by the Ontario Government. The Colonial Coach Lines have done extensive advertising of the service in the States, the attraction of the Dionne quintuplets being featured in the advertising. The schedule is expected to last until Labour Day and if it proves profitable will be resumed next year.

The First Dome Mine Company of Gori Guides met at headquarters in Community hall for their weekly meeting. Patrol drill and inspection taken by the Lieutenant, was followed by a general discussion of the work already undertaken and First Class requirements.

Margaret Munro gave her Patrol a nicely done chart illustrating "further knowledge of Guide Laws" Mar-jorie Costain had a thoughtfully planned chart illustrating "Health Laws" for decoration of her Patrol Corner.

Fifteen Guides received their 1st year Service Stars.

Mr. Uren continued Ambulance work (the Guides had a thorough review of bandaging practice).

Second Class Review was gone over by the other Guides.

The Company discussed the idea of making an afghan for the use of their Guides at camp. The afghan would be made of knitted squares, each Guide knitting an ounce of wool, and the squares joined into one to complete the afghan.

June Countryman, Elsa McDonnell and Joyce Eames passed tenderfoot and will be enrolled next meeting.

Horseshoe and taps closed meeting.

Brownies

Regular Pack meeting of the First Dome Mine Brownies was held on Monday in the Community hall.

The meeting opened with a new ceremonial in which the Tweenies are changed into little white kittens by a mischievous Boggart. Following the Magic Charm and Fairy Ring the kittens become Tweenies again with the help of Brownie Magic.

Health rules were sung, and then the Sixes went into Corner homes to record attendance and Fairy Gold.

Fairy Gold was taken to buy a set of knitting needles and wool for each Brownie, and they will all learn knitting.

Pack Leader Joyce Huges took Second Class knots and Senior Sixer Elaine Leiterman demonstrated table laying to a group.

Brown Owl continued Semaphore practice with the seven Brownies who will try 1st class tests in two weeks with an association group of examiners present.

A lively game and a nursery rhyme game were much enjoyed.

Birthday songs were sung for Jean Munro and Gladys Kellow.

Brownie Squeeze closed meeting.

Chicago Tribune: "Not one man in a thousand has the luck to get a wife who's willing or able to take him philosophically, and not argue, oppose or reform him."
