nection with the Dominion plan. One big difference between the Canadian and American plans, he said, is that in the United States, the government guarantees all loans made for building under the plan. In Canada, the government loans 20 per cent while the loan company is expected to look after the remainder. Efforts are being made to have the Dominion government guarantee loans here. In Canada, the rate of interest is set at five per cent, which is considerably different from the usual six and eight per cent. charged. Hence, the loan and insurance companies have not appeared anxious to do business. These difficulties are now being ironed out to the satisfaction of all and construction has already begun a swing upwards in the larger centres.

The dinner was given by the George Taylor Hardware Company, distributors throughout the North for Canadian Johns-Manville products. J. L. Fulton, local manager of the hardware company, was chairman for the occasion. During the evening in addition to those mentioned previously, G. Mahwinney, recently appointed district salesman in Kirkland Lake, was introduced.

The dinner, provided by the ladies of Arbutus Chapter, Order of the Eastern Star was delicious and was well served.

Annual Banquet of the Sons of England

Pleasing Event on Thursday Evening, St. George's Day.

The ninth annual banquet of the local lodge of the Sons of England, held on Thursday night in the Hollinger hall, was a fine testimony to the growing strength and popularity of the organization. One hundred and fifty guests attended and enjoyed the dinner, the entertainment and the dance to the full. It was without doubt the best affair the Sons of England have had here in commemoration of the birth of England's patron saint, St. George.

Following the dinner, prepared and served by the Ladies' Auxiliary to the Canadian Legion, two minutes' silence for the late King George was observed, then Chas. Barkel, president of the society, proposed the toast to King Edward VIII.

In toasting the lodge, District Deputy Bro. J. Goode outlined the aims of the Sons of England and the benefits that accrue to members through the organization. To this toast, Austin Neame replied, remarking that the day marked three great anniversaries in British history: the birth of St. George, the birth of Shakespeare, and the victory of the great naval battle of Zeebrugge.

Percy Youlten proposed the toast to the Supreme Lodge and traced the formation of the society from 1874. Stan Nichols, vice-president, replied briefly.

Daughters of England Toasted
 W. A. Jenkins outlined the aims of the sister organization, the Daughters of England, when he proposed a toast to them. Mrs. Hallam responded and pointed out the many ways in which the Daughters of England have been a useful society.

In proposing the toast to the guests, A. Tomlinson said that the Sons of England membership was not limited just to English-born people but is open to any in Canada who are of English descent. Cliff Caesar, responding, spoke of the society as a tie between all parts of the Empire.

Mayor J. P. Bartleman complimented the lodge on the spirit of co-operation it shows in community affairs. Dr. S. L. Honey gave the historical background of England from the point of view of the country's honour, progress and power.

Fine Entertainment
 Fred Kitcher was master of ceremonies for the entertainment that followed. Between the numbers of the dance programme, a fine "vaudeville" show was staged. Six pupils of Mrs. Burt gave the first number, a Dutch dance, in which they appeared in pretty Dutch costumes. Tommy Nixon, magician, appeared next on the programme and, as usual, provided some real fun. Two more of Mrs. Burt's pupils went through a soft shoe dance routine that particularly pleased the audience and made an encore necessary. Two solos by Mrs. Reg. Webber, "Land of Hope and Glory," and "Desert Song," were well received. Comic songs by Walter Avery, Bert Hammond and H. Allan added fun to the evening. Mrs. Chulak's solo, "Burlington Bertie," was another popular selection, as was Miss Peggy Bellamy's group of popular songs.

Charges Arise from Bicycles on Walks

Three Men to be in Court as Result of Using Sidewalks for Wheeling. Relief Officer Assaulted.

Three men will face charges at police court to-morrow for riding bicycles on the sidewalks. While all recognize the difficulty of using the roads for wheeling these days, the safety of the public has to be first considered. All are endangered by bicycling on the sidewalks and the Timmins police have taken action to protect the public in this matter, previous warnings not resulting in the stopping of the practice of this improper use of the sidewalks.

Another interesting feature of police court this week will be the trial of two men on charges of assaulting I. E. Dunn, relief officer. The two men, Amade Godin and Aurilian Plamondon, were refused relief and an argument developed in which they are alleged to have attacked the relief officer. Police were called and the two men were locked up. Contrary to reports at the time the relief officer was not seriously hurt. The relief officer was acting under the rules of the council, but it is understood that the men had been misled in the matter as to what they were entitled to in the case.

Traffic cases will also feature the court. There is a reckless driving charge, several cases of improper parking, one of parking on the sidewalk, one of failure to stop at an intersection, and two of defective lights.

One man will be charged with begging on the street.

There are five common drunks, one being a second offender.

D. Merchoff has charges against four men of assault, as noted by an item elsewhere in this issue.

Juvenile court will have more than the usual number of boys before the judge. A boy of ten and another of 12 are charged with the theft of a quart bottle of milk from Nora's dairy. There are ten boys charged with doing damage to the curling rink through throwing stones.

Two Chimney Fires This Morning, but No Damage

Two chimney fires this morning, one at 62 Lakeshore road at 11:05 and the other at 26 Rea street at 11:55, were put out by the fire department. In neither case was damage done.

Winners of the Valuable Prizes in the L. O. L. Draw

Winners in the L.O.L. 2552 draw, postponed from March 27th and held on Friday evening at the I.O.O.F. hall, were as follows: 7-tube radio, value \$105, H. Palmer, Vipond, series 10, ticket 16; 5-tube radio, value \$65, E. Briggs, 24 Rea avenue, series 46, ticket 9; cedar chest, value \$18, Mr. Stadlerbauer, 55 Cedar street north, series 35, ticket 32.

The draw was made at one of the regular Friday evening dances at the Oddfellows' hall when a large crowd was in attendance. Round and square dancing was on the programme.

Double Wedding at South End Saturday

Event Unique in Annals of the Porcupine. Two Sisters Wedded on Same Afternoon.

South Porcupine, Ont., April 25th, 1936. Special to The Advance.

An unique event in the annals of the Porcupine took place on Saturday afternoon in St. Paul's Anglican Church, when the two daughters of Mr. and Mrs. Herbert W. Gooding of Crawford street were united in marriage at the same time Archdeacon Woodall.

The singular event called forth a crowd of friends, neighbours and well-wishers who packed the church to the doors and flowed over into the porch and steps of the edifice—a crowd unequalled in the church for any event. The church was prettily decorated with ferns, palms and spring flowers, and Mrs. Reynolds officiated at the organ, playing the wedding march as the procession entered the church.

The older daughter, Kathleen Maude (Kay), entered first on her father's arm. She was beautifully gowned in bridal white with tulle lace, with a Juliet cap of tiny orange blossoms from which hung the regulation bridal veil. She carried a shower bouquet of arum lilies and talisman roses, tied with streamers of silver ribbon. Preceding her was her maid of honour, Miss Irene Varker, attired in pale pink silk net with ruffles, pink hat and white

accessories. She carried a shower bouquet of sweet peas and iris. With her was the other bridesmaid, Miss Iner Brown, of Timmins, who wore pale blue silk georgette, with white accessories, white tagel straw hat, and carried an identical bouquet with the maid of honour. The bridegroom—Mr. Alfred George Hawes—was waiting at the altar with his best man, Mr. James Matthews. Mr. Hawes is the son of Mr. and Mrs. Wm. Hawes, of Newcastle-on-Tyne, England. The next bride followed on the arm of Mr. Walter Hadden, who has known the bride for many years. She was Margaret Annie, second daughter of the Gooding family. She was robed in bridal white satin cut on close fitting lines, and had her wedding veil caught in a chaplet of orange blossoms. She carried a duplicate of the first bride's bouquet, white arum lilies and dark red roses tied with streamers of silver ribbon. Following her was Miss Iris Webb, her maid of honour, dressed in pale green satin cut on long close-fitting lines, with white picture hat and white accessories with shower bouquet of pink sweet peas. Two sweet little flower girls, June and Barbara Allen, the five and four year old daughters of Mr. and Mrs. Allen, of Dome Extension, came next, carrying baskets of spring flowers, daffodils and narcissi. They looked charming in point d'esprit net (white) over pink taffeta with large pink organdie hats, with the little dresses cut on long lines. The bridegroom of Margaret—Alfred George

Salter—was waiting with his best man, Mr. Isyram Jones, at the left side of the altar.

The ceremony was performed in duplicate for each couple, the Archdeacon finally pronouncing the blessing on both together.

Mr. George Haddon of Hoyle and Mr. Montgomery of town acted as ushers at the church. The brides' mother was attired in amethyst satin with beige lace and wore a shoulder knot of purple pansies.

After the wedding the guests over 70 in number repaired to the Empress hotel where the wedding dinner was served.

Out of town guests included Mr. and Mrs. Hewitt, Mr. and Mrs. G. Haddon, Mr. and Mrs. Wm. Sharp, Mr. A. G. Long and family and Mr. and Mrs. Al Whyte, all of Hoyle.

Many beautiful gifts have been presented to the young people who will live in town—Mr. and Mrs. Hawes at the home of her parents, and Mr. and Mrs. Salter in the Laforest apartments.

A big reception at the Farmers' hall, Main street, took place on Saturday night. We offer best wishes to both couples.

D. J. Pomerleau, District Representative for the Department of Agriculture of Ontario for this wide section of the North, was the guest speaker at the Kiwanis Club luncheon to-day.
