

# Noted Clergyman Will Visit South Porcupine

## Rev. Bryan Green, B.D., to Come as Guest of Archdeacon Woodall. Special Meetings at St. Paul's During Week-end. Other News from South Porcupine and the Dome.

South Porcupine, May 13th. Special to The Advance.

We mentioned in a recent column that a nephew of Archdeacon Woodall was in Toronto from England on a mission specially devoted to the youth of the city—the Rev. Bryan Green, B.D. His party, consisting of himself, Mrs. Green, Mrs. Rogers and Mr. Boyd Alexander are going to visit Archdeacon and Mrs. Woodall at the Rectory here. Mrs. Green and Mrs. Rogers are expected to arrive on Saturday (16th). The following programme has been arranged for them by the Archdeacon.

On Sunday, May 17th, there will be a special celebration of the Holy Communion at 8 a.m. when the congregation will welcome to their first communion those who were confirmed last Sunday, and a blessing will be asked for the special services to be held by the visitors.

At 10.30 a.m. the Sunday Schools will meet, the Junior classes in the Parish Hall and the Senior classes in St. Paul's Church, together with the Bible Class and members of the A.Y.P.A. and any others who wish to attend. The meetings will be addressed by Mrs. Green in the church and Mrs. Rogers in the Parish hall.

At 11.30 a.m. Mrs. Green will address the Sunday School of the United Church.

At 7 p.m. St. Paul's Church will welcome the members of the Eastern Star Chapter and Archdeacon Woodall will preach the sermon.

On Monday afternoon a meeting for women only will be held in the Parish hall under the auspices of the Women's Auxiliary and the Sewing Circle at 2.30 p.m. to which all women are heartily invited. This meeting will be addressed by both Mrs. Green and Mrs. Rogers, and an opportunity will be given for social intercourse at the close of the speeches.

On Tuesday the Rev. Bryan Green is expected to arrive. His stay will be a short one owing to the pressure of engagements. But one service will be held on Tuesday night (19th) under the auspices of the A.Y.P.A. when he will address the gathering in St. Paul's Church. An overflow meeting will be held if necessary in the Parish hall and the address given by Mr. Boyd Alexander.

Both will speak especially to young people, but all are invited to attend. The success attending the Rev. Bryan Green's mission in Toronto has been outstanding, and South Porcupine is

exceptionally favoured in being visited by a speaker who is creating such a religious revival both here and in the Old Country.

Miss Smythe is back again from Stroud and has resumed her duties at the local hospital.

Mrs. Young (daughter of Mrs. Parsons), of Lakeview, is in hospital recuperating from operation.

Mr. and Mrs. W. E. Moore, of Edmonton, who have been spending a few days as guests of Mr. and Mrs. Ray Anderson, of Connaught Hill, left on Tuesday for home, taking with them Herbert, son of Mrs. Anderson, for a short holiday.

Mr. and Mrs. Sakeld, from the West have taken up residence with Mrs. Robert Turner at Lakeview. Mr. Sakeld is in the horse-trading business.

Mrs. Thomson is supplying at the public school for a day or two in place of Miss Joan Naish who is sick.

Two new houses are in course of erection on Main street next to Mr. Owen's house.

Mrs. Rachel Jones, of Owen Sound, who is a sister of Miss B. M. C. Shaw, came up this week to stay the summer with her sister at "the Cabin," Golden City.

We hate to boast, but this week tulips are in bloom beside a row of daffodils in a local garden. And they are being chilled today by a snowstorm!

Next Monday the election for the Northern Power and Light by-law is to take place in Tisdale. Notices elsewhere.

On Saturday afternoon the South Porcupine Girl Guide committee are sponsoring a tea to be held at the home of Mrs. (Dr.) Harper. They would be delighted with a large attendance.

Once more we would direct your attention to the dance being held by the South Porcupine Fire Dept. at the High School on May 22nd.

The Men's Club of the Anglican Church were responsible for a most successful social congregational evening on Tuesday night. In spite of the C.W.L. card party at the High School over forty people were present at this affair. The refreshments were served and supplied by the Men's Club. Miss B. Sinclair gave two readings during the evening which met with a good reception. Professor T. Nixon, of Timmins, proved to be an excellent entertainer with slight-of-hand tricks. Mrs. R. Bulmer rendered a delightful piano solo, and Mr. Tom Williams sang a tenor solo well, and gained an enthusiastic encore. Mrs. F. Reynolds accompanied him on the piano. A new "autograph" competition game was played and Miss Joan Naish won a box of chocolates as a prize.

Miss Eileen Whetham has accepted the position of bookkeeper at Feldman's store.

Miss Ursula Christie is taking the place of Mrs. Cameron in the S.E. Pharmacy while she is away sick.

Mrs. Helmer's mother in Shawville is very seriously ill. Latest reports are not favourable.

His Lordship, the Bishop of Moosonee was the guest of Archdeacon Woodall over the week-end. On Sunday night, before a crowded congregation he administered the rite of confirmation to fourteen young people of the Anglican Church. On Monday he returned to Cochrane accompanied by the Archdeacon, who had been asked to speak to the Community Club of that town. This club meets weekly in the basement

of the Anglican Church and seems to be filling a great need in Cochrane. All classes and creeds are welcomed and we hear that it is coming along splendidly. The Archdeacon spoke of the early days at Hudson Bay and his own pioneer experiences in the North.

On Wednesday Mr. C. P. Walker accompanied the Archdeacon to Iroquois Falls to attend the induction of the new Anglican rector.

Mrs. Hedley Varrier, returned from Philadelphia this week.

### Ambulance Brigade Sponsor Grand Concert on May 27

Many are looking forward with keen anticipation to the grand concert to be presented in the United Church, Timmins, on Wednesday evening, May 27th, commencing at 8.15 p.m. The event is under the auspices of the St. John Ambulance Brigade, Timmins Division. The programme, which will be one of special interest, will be presented by the Timmins Glee Club, under the direction of Mrs. A. J. Wilkins, L.R.A.M. Tickets are now on sale at various stores in town or may be secured from members of the Timmins Glee Club. No one should miss this event. It will be a pleasant evening and all attending will also be helping that worthy cause, the St. John Ambulance Brigade.

### CHILDREN'S HEALTH CLINIC AT SCHUMACHER, MAY 15

The Children's Health Conference will be held in the basement of the public school, from 3 to 5 p.m. All mothers with their babies and pre-school children are invited to attend.

### Pupils of Mrs. Burt in Dancing Recital

Special Features of Annual Event to be Held This Evening and Friday Evening.

This evening (Thursday) and tomorrow evening the annual dancing recital by the pupils of Mrs. H. Burt will be held in the Ukrainian Prosvita hall, corner Fifth Avenue and Elm street. Those who like attractive dancing and those who are pleased with graceful children will find this event of special interest. Through the part taken during the year at various events by pupils of Mrs. Burt the skill of these youngsters is well known in the town and district and there should be general interest in the occasion when all these talented pupils are together to present a programme of dancing numbers, with costumes featured according to the dances and the periods represented. The programme for the evening will be a varied one. Some of the numbers on the programme are—Scaut dance; Sailors' Hornpipe; Tot's Minuet; Waltz Trio; Irish Jig; Jack of Jingles; Novelty; Highland Fling; Tamboourine Dance; Gypsy; Minuet; Waltz Tap Duo; Butterfly Novelty; Toe Dance; Dutch Clog; Narcissus; Song and Past Tap; Russian Dance; Spanish Dance; Group Tap; Fast Tap; Military Company; Finale.

Mayor J. P. Bartleman will formally open the dancing recital by the pupils of Mrs. Burt.

The First Dome Mine Brownies held their regular weekly Pack meeting on Monday at six o'clock.

The Magic chain led into the Fairy ring where Brownie and Six songs were sung. A new ceremonial was practised. Three Tweenies, Doreen Hooking, Mona Richardson and Esther Collins, were enrolled by Brown Owl Letterman.

They passed through the gates which opened as they repeated the law, promises, and motto—and they found themselves in Brownie Land. Here beside the toadstool totem of the Pack, they repeated their promise again to Brown Owl, who tied on their neckerchief and pinned on the Golden Badge. The Pack welcomed them.

Mamie Richmond was made Sixer of the Sprites and Gladys Kellow her Secondar.

Test work was taken up. Nine Brownies were taught to sew on buttons toward second class Golden Bar. Pack Leader Mary Curtis took the new Brownies for a lesson in the crosses and saints of our flag. Pack Leader Joyce Hughes was in charge of book carrying and skipping with another group.

Brown Owl reviewed Semaphore, directions and first aid with seven Brownies, who will be examined next meeting by an examiner from the local association. These Brownies hope to win their Golden Hand Badge (1st class) at that time.

A dancing game was played. Mrs. Stark playing the piano.

In Pow-wow ring Brown Owl spoke about "Lending a hand"—emphasizing that this was the real sign of a Brownie.

Brownie Silence, was followed by the Squeeze into which was put a wish that the newly enrolled Brownies would be "good" Brownies.

On Sunday, May 24th, Dome Mine Guides and Brownies will march from the bus stand to join the South Porcupine Guides and Brownies in attending service in the Anglican Church.

Girl Guides

Horseshoe formation opened the regular meeting of the First Dome Mine Girl Guide Company; Lieutenant Letterman in charge. Rose Patrol Colour Party, Marjorie Costain, Violet Hedges, and Dorothy Andrew, took Flag Break. As the flag unfurled the Company stood at salute and then sang "God Save the King."

Patrol drill followed with roll call by leaders, and inspection.

The lively game of "Treasure" was much enjoyed.

Patrol work was then carried on. Marjorie Costain taught second class Morse. Guest Guide Mrs. Stark took flouting for second class. Lieutenant over the Health Proficiency Badge work with nine Guides.

Tenderfoot was reviewed in a relay, with points counting in Inter-Patrol Competition.

Patrol Log Books have been begun and these will provide an interesting account of Patrol activities.

Snowdrop Log Book is in charge of Margaret Burton; Rose Patrol Log being written up by Violet Hedges.

Marching was practised to piano music.

Horseshoe, flag lowered, Guide Prayer and "Taps" brought the meeting to a close.

Ambulance lecture, Thursday under Mr. Uren, "Practice in Artificial Respiration."

Country dance instruction, Saturday, with Mrs. Stanlake.

### News of St. John Ambulance Bgde.

The usual Brigade practice was held Monday 11th at 10.30 a.m. in the Brigade hall, 10 Birch street south, with quite a large number of members being present. Supt. T. H. Richards in charge. The class practised artificial respiration and fractures of the lower limbs the members taking a great deal of interest, especially in artificial respiration, which is hard to perform and takes lots of practice for any one to perform correctly. As the summer months are now approaching and we find from past experience that more people are asphyxiated in the summer months, through swimming and poisonous gases from motor exhausts, we are concentrating upon artificial respiration for the next month or so. We would like to see as many members as possible take up this respiration, for we never know when we will be called upon to practice our skill upon some person or other. It's well worth the time and patience which any First Aider spends to learn this and have the satisfaction to find that his efforts have been successful in restoring the breathing to some asphyxiated person.

The usual class was held in the evening, 7 o'clock p.m. with another large attendance. Artificial respiration was practiced under the guidance of Corp. M. Madden, then the members were put through their paces and questioned on the controlling of hemorrhage. This took up an hour of the boys' time. Then the boys indulged in a little recreation. The Brigade now has two table tennis tables and equipment, and the members take a great deal of interest in these games.

The following is a list of duties for the week commencing May 17th.

Monday—Brigade Practice, 10.30 a.m. and 7 p.m.

Tuesday—Competition Practice, 7.30 p.m. Supt. T. H. Richards.

Wednesday—Home Nursing, 7.30 p.m. Nurse Midday.

Thursday—Cadets, 7.00 p.m. Cadet Officer B. Ash.

Friday—Competition Practice, 7.30 p.m. Corp. M. Madden.

Saturday—Whist Drive, 8.00 p.m. Amb. Officer G. Gibson.

Monday practices to consist of roller bandaging and artificial respiration. All members are asked to be present at these practices.

—First Aider.

### UNCONTROLLABLE TAXES WERE ONCE CONTROLLABLE

(Financial Post)

The Minister of Finance in his budget address stated that 62 per cent of Canada's revenues went to pay for "uncontrollable" expenditures as against 19 per cent in 1913-1914.

Every dollar of the expenditures now classified as "uncontrollable" was at some time or another controllable by some Dominion administration.

Once a debt has been assumed the interest on it becomes uncontrollable, but the "uncontrollable" interest is the result of a controllable expenditure.

Future Ministers of Finance will classify as "uncontrollable" the interest on every dollar borrowed by this Government.

The use of the phrase "uncontrollable expenditures" should be avoided by ministers of finance. It is misleading.

### Think the Next Few Days May be Better

Moderate Temperatures and a Fair Amount of Sunshine Predicted.

It's been a remarkable week of weather so far in the Porcupine but present indications are that it will settle down now to be fine for the next few days, the weatherman said this morning. He predicts moderate temperatures and a fair amount of sunshine. A drop of 45 degrees in less than 24 hours was the big feature of the weather on Tuesday and Wednesday. Shortly after noon on Tuesday, the thermometer soared to a new high for 1936—76 degrees. By noon the next day it had fallen to 31.

Rain on Wednesday from three to eight o'clock in the morning was 25 inches; from then until 10.30 another .09 inches fell; then it turned to snow and three-quarters of an inch of the white crystals brought back a semblance of winter.

Temperatures have been: Monday, max. 50, min. 33; Tuesday, max. 76, min. 35; Wednesday, Max. 37, min. 31; last night's minimum was the low for the week, 28; eight o'clock this morning, 35.
