

Firemen's Dance Enjoyed at South End on Friday

Very Pleasant Event, but Crowd Not as Large as Hoped. Mrs. Curboy Honoured at Event on Tuesday. Guides and Rangers Attend Church. Other News of South Porcupine and the Dome.

South Porcupine, May 27th, 1936. Special to The Advance.

Mrs. James Armstrong entertained on Tuesday evening, 19th May, in honor of Mrs. Curboy, who is leaving shortly for a visit to Scotland. The guests were all of Scotch extraction and planned a pleasant surprise when they presented Mrs. Curboy with a gift of a lovely pair of gloves as a memento of the party. The hostess served a dainty lunch and a pleasant social evening was enjoyed by all.

Mrs. P. Maxwell-Smith left for Toronto on the noon train on Friday. She is visiting her daughter, Miss Petronella Maxwell-Smith for a week.

Mr. and Mrs. W. W. Wilson accompanied by Mr. and Mrs. Solly Sky

spent the week-end at Seseiknika.

Mr. Austin Walker has been confined to his home with a very severe cold.

Mr. George Woods, of the Dome Extension, is leaving on Thursday's (today's) train and sailing on Friday for England. He is to stay for a three month's vacation.

Mr. Bill Blakeman has returned to town from Matachewan where he has been employed for some time.

Mrs. Mark Ford has also returned to her mother's home after her recent operation in the Tisdale hospital.

Master Allan Hogg, of Schumacher, was a visitor at the home of his grand-

parents, Mr. and Mrs. E. E. Davis, of Golden City.

Miss Minerva Bannerman, who is teaching at Hislop, near Matheson was a visitor to her home in Golden City over the week-end.

Miss M. Wenger (matron of the Tisdale hospital) is on the sick list and is quite seriously ill. She is a patient at the hospital. We hope she will soon recover.

We understand that Mr. and Mrs. W. Lowery, of Main street and family, are leaving town this week, and are making their home near Gravenhurst. We sincerely wish them success in their new home.

Mrs. John Newman, of Golden avenue was rushed to Tisdale hospital for an emergency operation on Saturday. We are very glad to report her as recovering nicely.

The firemen's dance which took place

at South Porcupine High School on Friday was a very pleasant affair indeed. Many of the young people who were there say that the orchestra (Mr. Andy Congiano's) was absolutely perfect and a not too crowded floor made dancing ideal. While this was splendid from the dancer's point of view we wish it had been more crowded, as it was not as great a success financially as we would have wished. The dance was held to enable the firemen to raise funds for the big day they are planning on July 1.

On Sunday, May 24th the Guides, Rangers and Brownies, of Dome Mines and the town combined together and attended a service at St. Paul's Anglican Church. They met at the Parish hall under the direction of Mrs. Letterman, of the Dome, Miss Winifred Naish of town, and Miss R. McCulloch, who was in charge of the Rangers. Several of the committee also attended, we understand. The service was taken by the Ven. Archdeacon Woodall, who read the regular Guide service and gave a most beautiful sermon. Empire Day is a special "Guide" day all over the British Empire.

Mr. Edward Pullin is recovering slowly from his recent operation. He is still a patient in Tisdale hospital.

Mr. Ernie Beauchamp, of Connaught Hill, has returned to the Tisdale hospital, where he is now a patient. We sincerely wish him a speedy recovery.

Mrs. Robert Stark who was leaving for Quebec this week, has postponed her departure owing to the serious illness of Miss M. Wenger.

Mr. Charles B. Morgan accompanied by Mr. Cochrane, of the "Two-in-One" Mine arrived in town on Tuesday evening on the Toronto train. They left at once for the mine.

Mr. Billy Greer, whose home is in Schumacher, is a patient in the Tisdale hospital. He has had a serious appendix operation.

The Choral and Dramatic Society of South Porcupine which was recently formed in this town will on the second Tuesday in June adjourn until September. This society is under the direction of Mr. Hale of Timmins.

In Tuesday's court before Magistrate Atkinson there appeared five persons accused of being intoxicated. These all pleaded guilty and the usual ten dollars and costs were imposed. Then followed a case of accused charged with having liquor in a public place, but as the home in which the accused lived was in a private house and yet used by

other boarders to reach their room a decision was not reached. This case was remanded for judgment next Tuesday. An assault case was also remanded for a week as the prosecutor did not turn up. One accused of driving with no markers to the car was fined ten dollars and costs. Two cases of reckless driving came next. Both pleaded guilty—ten dollars and costs or ten days each. One case of reckless driving whilst under the influence of liquor received a sentence of twenty-five dollars and costs and license suspended. There was one case for the Juvenile court. A girl of thirteen appeared for not attending school. On promising to go to school regularly and her mother promising to see that she did attend this case was put on suspension. This closed the court for the day.
