

Local Golf Club Looks Forward to Biggest Season

Schumacher Turns Tables on Last Years Champions

Opening Softball Fixture Sees Neddow Pitch Improved Schumacher Team to Four Run Victory.

The Porcupine Men's Softball League opened on Monday evening without any special celebration. The league, now in full swing, will provide three games every week. Friedmans, last year's champions, dropped an 8-4 count to Schumacher, the other finalists last year. The game, expected to be a fast affair, was a lot slower than most of the fans expected and both teams showed that they need practice yet before they are in best shape. Friedmans especially showed a looseness in the field. Wild pegs proved disastrous to them. Schumacher presented a well-balanced aggregation that worked well together for their first game.

After being three runs down in the first inning, Schumacher came back nicely to lead 7-3 by the end of the third canto. "Chippy" Studor was bad medicine for the village boys in the first inning. With Giallardo on, he drove a homer. On a combination of a muffed fly and a bad throw-in, Dainton rounded the bases for Friedmans' third tally.

Not until the second inning could Schumacher count. Their break came when Godin let one pass with Calverley on third. Robertson scored on Neddow's safety and Sparks' double scored Carbone before the Schumacher boys could be contented.

Neddow Pitches Well

Under Neddow's careful pitching, Friedmans went scoreless in the third while Schumacher added four more to their total through a series of errors and wild pegs. A triple by Coleman scored J. Neddow and the lanky first-baseman scored himself as Giallardo threw wild. Calverley and Robertson got around helped by a series of errors.

Both teams scored in the fifth to end the count. Friedmans got theirs as a gift. Studor walked and was sacrificed to second. Wild pegs enabled him to reach third and eventually home. As he intended to return the compliment Studor's error let Carbone stop safely on the initial sack for Schumacher. Errors pushed him the rest of the way around, to end the scoring.

The score:
Friedmans 3 0 0 0 10 0-4
Schumacher 0 3 4 0 10 0 x-8

Batteries: J. Neddow, D. Neddow; Godin, Boucher.

Schumacher: J. Neddow, catcher; D. Neddow, pitcher; Coleman, 1st; Brandon, 2nd; Robertson, 3rd; Anderson, s.s.; Carbone, 1st; Calverley, c.f.; Sparks, r.f.

Friedmans: Godin, catcher; Boucher, pitcher; Morin, 1st; Studor, 2nd; White, 3rd; Giallardo, s.s.; Dainton, 1st; Webb, c.f.; Ray, r.f.; Kobald, r.f.

The draw which was to have been held on Monday has been postponed until Monday of next week.

Hollinger Ties Maces; Play Dome Saturday

Dome Home Games at McIntyre Grounds While Field Being Rebuilt.

The first game in the local soccer league schedule, played at the ball park on Saturday evening, gave the fans a sample of the kind of keen competition that may be expected between Hollinger, McIntyre and Dome this year. Hollinger's team, appearing as a unit for the first time, failed to score, but neither did they allow the McIntyre to make a single tally.

On Saturday of this week Dome meets Hollinger at the McIntyre field. Dome's own new football field will not be completed for a few weeks and in the meantime they have been granted the privilege of using the McIntyre grounds.

SPORT-ORE

From All Levels

When another baseball season rolls around, the Timmins people who are interested in the sport will have to get together earlier to decide what's to be done about it. The cause of this year's failure of the northern group to develop even into a three-team affair cannot apparently be laid at any one person's door. It appears to have been largely a series of misunderstandings from beginning to end. But leaving decisions until April ranks high in the reasons why Timmins has no team.

It would probably be quite a job to find another centre in United States or Canada of 20,000 people that does not support at least one baseball team. Certainly there is not a town with the payroll Timmins has that is without a team.

There's nothing to be done this year except for Timmins fans to go over to the fine McIntyre park and watch an occasional game between the Maces and Porkies. In all probability games will also be arranged between McIntyre and some of the Kirkland Lake teams as exhibition features. There should be no trouble in getting a crowd out to see them.

Ball-Crazy Boston

Fred Dwyer, of Schumacher, who has been in the United States for a visit, says Boston is baseball-crazy. The big stadium there is packed for almost every game. Five million dollars is the sum of money Tom Yawkey of Boston has sunk in the Red Sox to date and although he's not looking for a very big return on his money, he is expecting a pennant this year. The game Fred saw was between Boston and Washington Senators and went 11 innings. He got his money's worth that time.

Back to Sport Here

Len Godin wasn't back from England more than a day when he was right back into local sport. He'll be seen this year as catcher for Friedmans. And after his performance in the season's first game, his recent proximity to the good old English game of cricket doesn't seem to have done his ability in handling a ball any harm.

Brydge to Kirkland Lake

Bill Brydge, who was reported at one time to have been interested in coaching the Timmins senior hockey team next season, won't be available for the job, according to a report from Kirkland Lake. He's to take over the job next week of managing the Lake Shore

Two Softball Games to Show Strengths

Three New Teams Appear Within Next Couple of Days in Men's Softball League.

The four teams that have not yet appeared in the Porcupine Men's Softball League will go into action within the next couple of days. The McIntyre team, reported to have been very much improved, meets Tuxis Grads, still a mystery team, Friday at 6:15 on the cyclade. Then over the week-end, Westinghouse, a new aggregation that includes stars of last year's Dome team along with several Timmins men, meets Palace Theatre, composed in the main of the players from last year's strong Moneta team.

Both games will be significant, since they will tell much in regard to the relative strength of the teams. The cyclade has been in fair shape during the past couple of days and good crowds are expected to be on hand.

Opening of Cricket Season at Ball Park

Invite all Cricketers of the Porcupine to be Present when Picked Teams Meet.

The first cricket match of the season is to be played this week-end at the ball park here, it has been announced by officials of the Timmins Cricket Club. The teams will be picked from players who appear at the pitch and a cordial invitation is extended to all in the Porcupine who are interested in the game not only to attend but to take part.

The pitch was last year located on the cyclade but the club was forced to move this year to the ball grounds while Hollinger park is under construction. It is understood that provision will be made in the park for a fine new pitch.

Ottawa Journal:—So many nations in Europe are going about with chips on their shoulders one almost is made to wonder where they get all the chips.

Ladies Golf Section to Open To-morrow

Luncheon, Hidden Hole Contest and Bridge are Afternoon Activities.

A good season of activity for the lady members of the Timmins Golf Club is now being planned by the committees in charge, it was learned this week. The official opening of the ladies section to-morrow afternoon will be marked by a luncheon at 12:15 to which all members have been invited; golf and bridge will be played during the afternoon.

A special effort will be made this year to make the game as interesting for those who play nine holes as well as for those who prefer 18. The hearty co-operation of all members has been asked right from the beginning in order that plans may be successfully carried out.

To-morrow's golf competition will be a hidden hole contest.

Riding Donkeys Backwards Big Sport in Cairo, Egypt

Riding donkeys backwards beneath the pyramids of Giza is one of the sports of Cairo residents.

The riders sit backwards and the donkeys go forwards—sometimes. A race in this fashion was recently staged at the Mena Gymkana, big annual social event.

They have camel races, too, at the Gymkana. But backwards donkey races seem to be the best fun. In these events the sovereignty of the wishes of the donkey in regard to direction and speed is recognized.

It is much more fun to sit the wrong way on a donkey and know you are allowing him to take you rather than sit on the right way and realize much the same thing.

Besides, when sitting backwards it is possible to see where you have been and how your friends are getting on.

Golfers Enjoy Opening of Local Season This Monday

John Knox Announces Plans for Improvements to Course Including Installation of Complete Watering System. Eighty Attend Dinner at Clubhouse.

One of the finest days of the spring made the official opening of the golf course on Monday an entirely successful affair. Fifty-two golfers took part in the mixed doubles competition and a dozen or so more played the course the same afternoon.

John Knox, president of the club, drove the ball that marked the beginning of the season's first club competition.

Two were tied for the low net score, Mrs. Langdon and Mr. Cuthill, and Miss Young and Mr. Wohlhab each had scores of 62. First in the low gross was Mrs. Fogg and Mr. Ashton with a 97. Second in place in the low gross saw another tie between Mrs. Darling and Mr. Johnson, and Miss Mulvihill and Mr. Wookey with 108.

Following were the results: (the first figure is the gross, followed by the adjusted handicap for the two players, then the net).

Mr. Knox, Miss Martin	123-51-72
Mrs. Sandwith, Mr. Irving	124-42-82
Miss Farr, Mr. Fogg	113-42-71
Miss Cathers, Mr. Kemsley	119-44-75
Miss E. Anderson, Mr. White	112-44-67
Mrs. Gillie, Mr. Dougherty	124-45-79
Mrs. Lake, Mr. Campbell	111-39-72
Miss Garrow, Mr. Widdifield	111-44-67
Mrs. Robson, Mr. Millar	129-40-89
Mrs. Sullivan, Mr. Wookey	120-47-73
Mrs. Darling, Mr. Johnson	108-34-74
Mrs. Lewie, Dr. McClinton	134-51-83
Mrs. Dye, Mr. R. Langdon	110-34-74
Mrs. Langdon, Mr. Cuthill	112-50-62
Mrs. Denny, Mr. Douglas	127-48-79
Mrs. McClinton, Mr. Lowe	109-39-70
Miss Mulvihill, Mr. Wookey	108-38-70
Mrs. Burke, Mr. Brady	118-42-76
Miss Young, Mr. Wohlhab	104-42-62
Mrs. Douglas, Mr. Pritchard	118-38-80

Mrs. Young, Mr. Sandwith 122-46-76
Mrs. Pickering, F. Graham 108-37-72
Mrs. Knox, Mr. Lake 114-35-79
Mrs. Irving, Mr. Hall 118-48-70
Mrs. Ward, Mr. Woodbury 122-50-72
Mrs. Fogg, Mr. Ashton 97-28-69

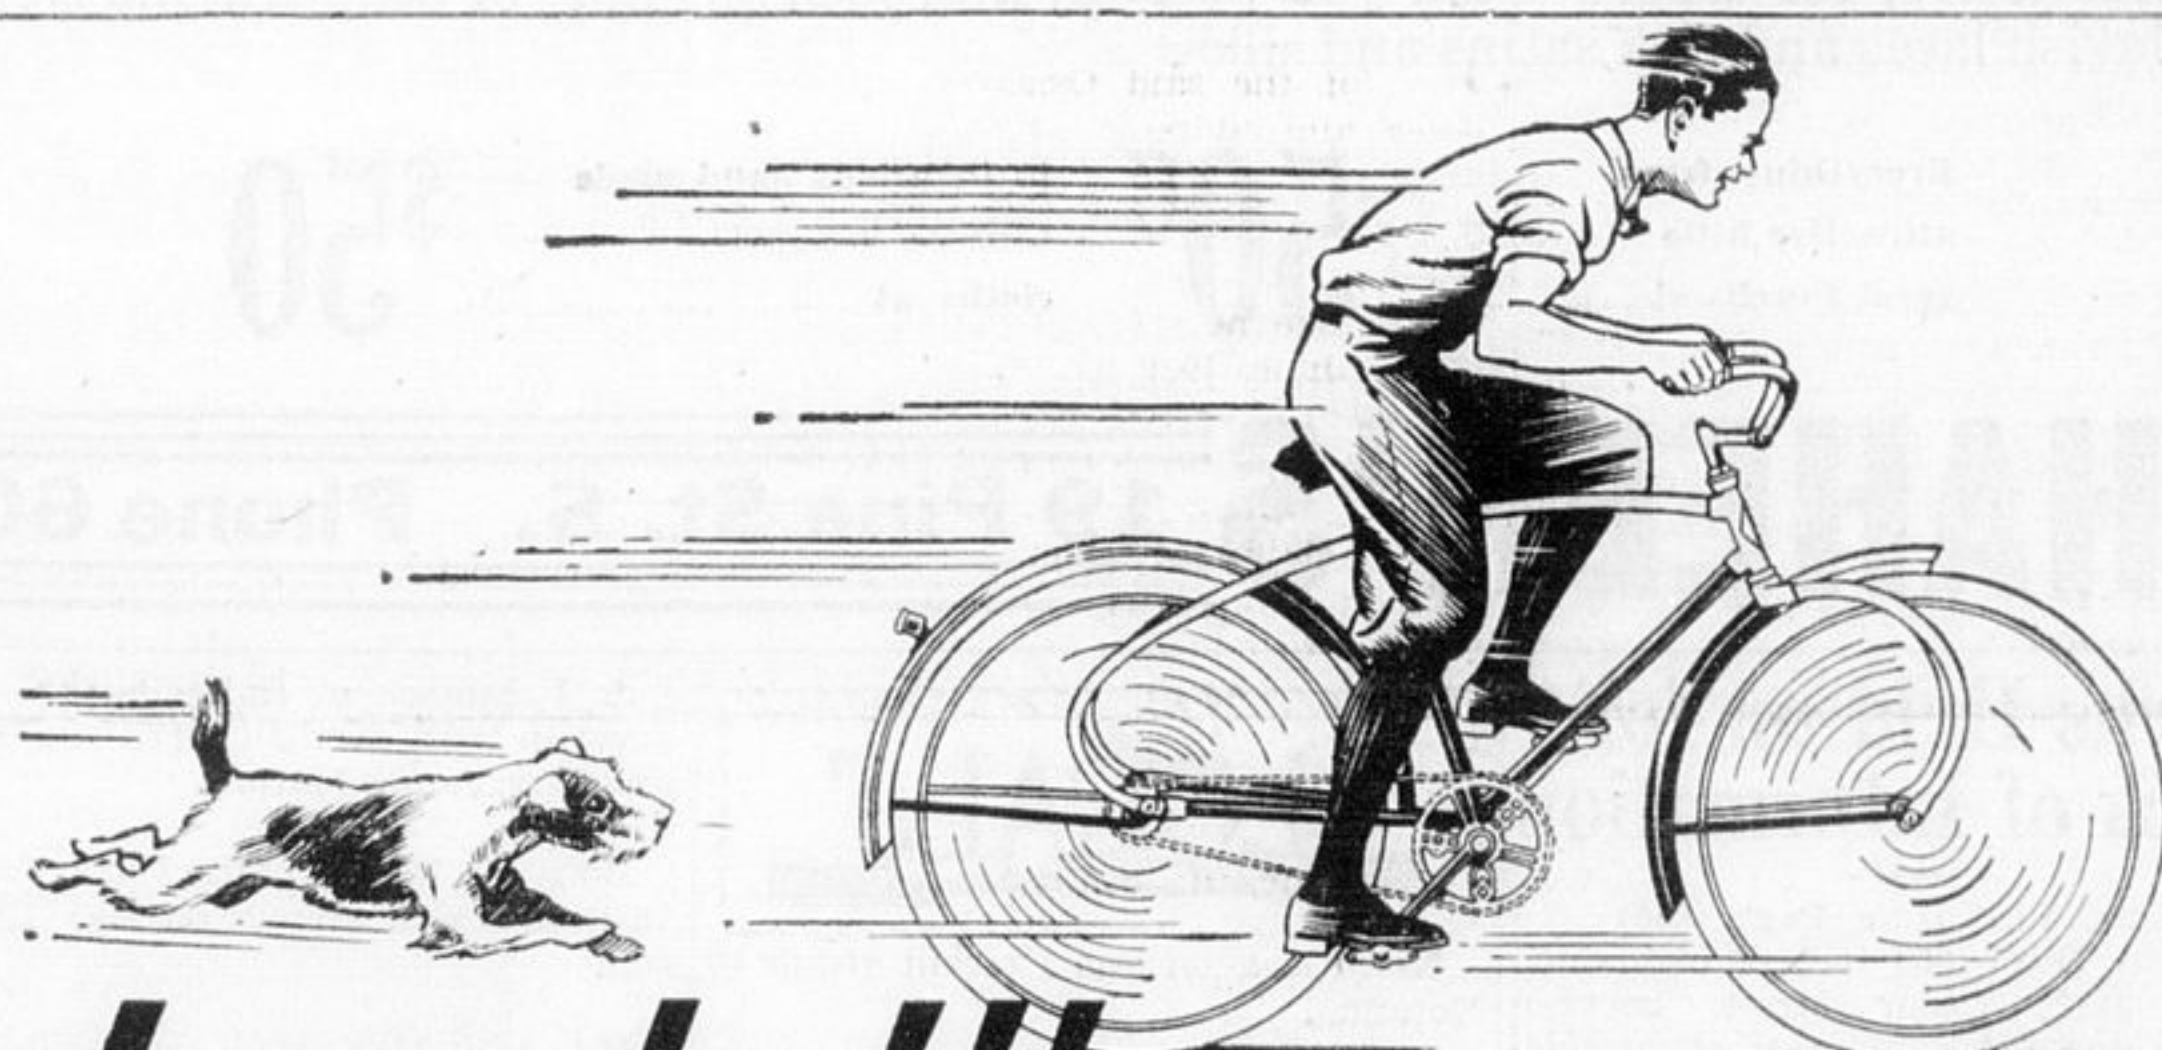

Eighty members of the club attended the dinner at six o'clock at the clubhouse when Mr. Knox presented the day's prizes and announced plans for the improvement of the course. A complete watering system will be installed and will be ready for use at the beginning of next season. Work will be begun this summer.

The president also praised the work of Gordon Irving, whose interest in the club has gone far in obtaining recent improvements.

Postponed Soccer Game to be Played To-night

To-night McIntyre and Dome football teams meet at the McIntyre grounds in the second game of the league schedule. It was postponed on Tuesday but arrangements were immediately made to have it played this evening, beginning at six o'clock.

Toronto Telegram:—Never rains but it pours. It is revealed that the gloomiest weather on record here came while people were making out their income tax returns.

Look !!! It's Streamlined The New C.C.M. FLYTE

HERE, boys, is the most exciting news that you have heard for years—C.C.M. have made a brand new kind of a bicycle, the likes of which you have never seen before. A streamlined bicycle that has all the speedy lines of the new motor cars. It is called the "Flyte" and it looks as swift as a swallow.

The wonderful new "Flyte" has the advantages of the other well known C.C.M. bicycles, but in addition it has a streamlined frame and streamlined front fork (both made of chromol aircraft tubing)—streamlined saddle and special streamline enamelling effect.

The boys who ride "Flyte" bicycles this Spring will enjoy the thrill of their lives, because the "Flyte" is the smartest thing on two wheels and will be the talk of every group of boys in town.

When you go to buy a bicycle this Spring ask the dealer to show you the new "Flyte", and remember it has the famous

C.C.M. Triplex Hanger (the power plant of the bicycle) that makes a C.C.M. so easy to ride. It has the sure-acting, powerful Hercules Coaster Brake and strong wheels with Endrick steel rims and rustless steel spokes. It has the C.C.M. straight-line drive and easy-running ball bearing Gibson pedals. It has Dunlop "Fort" Tires, C.C.M.'s super-Chromium plating and C.C.M.'s baked-on enamel finish. All the working parts are of special hardened steel, uniformly tempered by C.C.M. to give long and trouble-free service.

In these and many other ways the new and exciting streamlined C.C.M. "Flyte" is the smartest thing out this Spring.

The price of the "Flyte" is a little more than some of the conventional styles of C.C.M. bicycles because the cost of manufacturing is a lot more, but it is well worth every cent of its price. The price is \$48.50.

Ryan Apparently Carried Along in Crime Recently

Out on parole since August last year, helped by the police and sporting circles in Toronto, holding a good position and making a decent living, while other better men were hard pressed, "Red" Ryan, who died from wounds received in a battle with police when he and a companion since identified as Harry Checkley, staged a hold-up at the liquor store at Sarnia, Ont., on Saturday, has apparently been carrying on a series of crimes since his release. The police evidently did not keep close watch on him, giving him a chance of real freedom and trusting him, as advised by so many.

Investigation since the death of Ryan in his last crime at Sarnia shows that he has been connected with crime practically all the time. The car in which he travelled to the Sarnia crime was stolen a couple of months ago. The Sarnia crime showed the earmarks of long planning, even if it was bungled badly. The police have found that Ryan had in his possession both dynamite and nitroglycerine for illegal use. Comparison of the fuse used connects the explosives with other recent crimes. Ryan and his gang are now believed to be the guilty parties in several recent burglaries and hold-ups.

The automobile used in the Sarnia murder-holdup by "Red" Ryan and his confederate was stolen in Toronto on April 5, and was apparently used in a series of crimes by the gang. The car, "E-4598", is owned by the British American Motors, and was

stolen from a parking lot. The letter "E" had been painted out to read the letter "L" on the plates. Another set of stolen plates found were the markers A-768. They were also stolen on April 5, from a car owned by the Metro-Motors, Parliament street.

The police are baffled over the finding of a third set of Province of Ontario plates in the car. They were "F-5593." It was reported last night these numbers had not been issued by the Highways Department.

Ryan and his associates in crime were apparently following out the method of George Little, bank robber shot by Inspector of Detectives John Chisholm some weeks ago. Little was using a stolen car. He had Quebec license plates on it. When the police checked up with the Quebec Highways Department, they learned that the plates had been secured under a fictitious name. A special apparatus was on the front and rear of the car whereby bolts could be quickly loosened and license plates switched to prevent police detection in the escape from the scene of a crime. Little is recovering in the Western hospital from bullet wounds inflicted when shot by the inspector.

Plan to Organize South African War Veterans

Recently The Advance announced that the South African War Veterans of the North would hold their annual banquet at Kirkland Lake on Saturday, May 30th. It was noted that several S.A. War Veterans reside in Timmins and district. A. C. Brown, prominent barrister and solicitor of the North, being one who never misses the annual re-union if there is possibility of being present, regardless of the expense of time or effort. There certainly appears to be a strong bond of friendship and comradeship between the men who fought in South Africa in the days of long ago. This comradeship naturally finds expression in a desire for a permanent association of all South African War Veterans in Ontario. At Brantford recently a movement was launched with the idea of merging all South African War Veterans into one body. In this connection it is noted that in an address some days ago at Brantford, Col. C. E. Morgan, organizer of the Springboks Association (South African veterans), said the aims of Springboks are embodied in the following resolution, which will be submitted to all known South African War veterans' associations: "And whereas it is needful to correct these conditions, therefore be it resolved that the veterans of the South African war of Hamilton and Brantford districts together assembled, do agree to organize without delay a Dominion-wide federation of all Boer War veterans in Canada, through their existing organizations, and as individuals where such organizations do not exist, to appoint committees to study the problem and all its phases and to report a future meeting."
