Work of The Lions Reviewed at Banquet

(Continued from Page One)

he would accomplish great things during his reign.

"Fundamental Purpose Is Harmony"

"The fundamental purpose of any Lions Club is harmony," said Fred Waino, "and with this thought in mind we now have a boys' band." There is a proposal for legislation to make it necessary for each town to support at least one band, he said, but remarked that this is not necessary so far as Timmins is concerned, since the council grants aid to its own bands and the Lions Club is now looking after the boys, "without an appeal to anything but public sympathy." There are now 32 boys in the band and 70 more on the waiting list. In the group of 32, eight different nationalities are represented. Within a few short months, he predicted, the band will make its first appearance.

Mr. Connell told the Lions something of the Ottawa Lions 80-piece boys' band which will represent District A at the International convention band concert.

Dr. Roy Weston gave much of the credit for the success of the Schumacher club's work to the excellent co-operation obtained from the township of Tisdale council and the school boards, Lions Clubs, Dr. Weston said, are a steady influence in the general confusion that appears to be spreading throughout the world.

A Vision of Public Service

The founder of Lionism, F. H. V. Ball said, had had a vision of public service in 1914 when he felt sure that the efforts of a group of men would be much more effective than individual efforts. From this idea the Lions Clubs had been born and have to date produced a tremendous effect on life within the communities and sections in which they exist. Members of the Lions are like cogs in a great wheel, Mr. Ball said, who see each year some new work started, some new job done. "Our monument is community work. We do not build for the immediate present, but with an eye to the future," he concluded.

In proposing the toast to the ladies, Charles Yates referred to the earlier days of the Porcupine when women had accompanied their husbands North in the true spirit of comradeship, had given up homes in organized communities and had come here to stay and create new communities. The same

spirit dominates the women who are helping to build the North to-day, he said.

Mrs. Ball replied briefly to the toast, expressing on behalf of the ladies their pleasure at being present.

Show Courage in Facing Roads

In moving a vote of thanks to Mr. Thompson and Mr. Connell for their addresses, William Wren said on behalf of the local clubs that they appreciated the messages they had brought and appreciated their courage in facing Northern Ontario roads.

Charles W. Arnold of the Schumacher club seconded the vote of thanks.

To Cecil Grant, Joseph Disley, Fred Hall, William King and F. H. V. Ball, Mr. Connell presented insignia that make them "master key members," in recognition of their work in bringing new members to the club. This select group of Lions has its own functions at the Lions International convention. The little golden tokens represent the highest honour in Lionism.

During the evening George Hale sang two tenor solos, "You Will Remember Vienna," and "Only Thee." He played his own piano accompaniment for both solos and was at the piano during all the singing during the evening. Dr. Jos. Kelly and others kept the company busy and happy between courses by leading the songs.

Those seated at the head table were: Dr. and Mrs. Russell, Mr. and Mrs. Ball, John Connell, William Thompson, Mayor and Mrs. J. P. Bartleman, Mr. and Mrs. A. H. Cook, Dr. and Mrs. Weston, and Robert Connell of Toronto.

Following the banquet a dance was held in the dining room of the Empire, at which Gordon Archibald and his orchestra supplied the music.

Conklin Shows Conclude Week's Showing at Timmins

Conklin's All-Canadian Shows concluded their week's showing at Timmins on Saturday night. This year this ever-popular show in Timmins was considered as better than usual. The weather was against the show all the time it was here, but despite this fact good crowds attended. There were many new and novel rides that attracted special attention this year, while some of the sidishow features were also particularly popular. The aerial work of the four young ladies was the outstanding special at the Conklin Shows this year, and each performance attracted a large crowd and caused many thrills. Conklin's, as usual, showed here under the auspices of the Timmins Branch of the Canadian Legion and that worthy organization will net a neat sum for its relief work as a result of the visit here of the Conklin Shows.

Born—to Mr. and Mrs. Azariel Tremblay, 30 Sixth avenue, on May 28th—a daughter.

Eastern Star at South End Observes Birthday

Bridge Party Marks Fifteenth Anniversary of Establishment of Chapter. Funeral of John Rintamaki. Whist Drive at Dome Community Hall. Other South Porcupine and Dome News.

South Porcupine, Ont., May 30, 1936. Special to The Advance.

The Dome Community hall was the scene of a very nice whist drive on Tuesday last. Some very good prizes were on exhibition in town for this event. It was a pity that more did not patronize the affair, as an exceptionally nice time and lunch was reported. Those winning prizes were:—ladies 1st, Mrs. Wm. White (silver cake basket); 2nd, Mrs. J. Johnston; 3rd, Mrs. H. Blood (cut with Mrs. Thomas); gent's first, Mr. Frank Blair (clock); second, Mr. J. Sharp; third, Mr. H. Richmond (cut with J. Whyte).

Mr. and Mrs. Lowery and family left on Friday by car for Katrine (between Burk's Falls and Emsdale on the Ferguson Highway) where they intend operating a poultry farm and small tourist camp.

Dr. Somerville is building a new home on Rea avenue next to Mr. Max Smith.

The Dome Ex. Bridge Club met at the home of Mrs. W. Allen last week and the honors went to Mrs. Jay, Mrs. Webb, Mrs. Libby and the door prize to Mrs. Curtis.

Mr. and Mrs. Olsen, of Kirkland Lake who have been on vacation here at the home of Mrs. John Johnson, O'Brien avenue, left on Friday for home taking Mrs. Johnson back with them for a short stay.

Little Garry Mansfield was hit by a car on Monday on Bruce avenue. Fortunately he suffered nothing worse than a few scratches and bad bruises. The fender of a car knocked him down, but the driver stopped and did everything possible for the little chap. He is quite recovered and none the worse to-day.

The O. E. S. held a very lovely bridge party on Thursday evening in the Masonic hall. A large number of guests were present to celebrate the fifteenth anniversary of the inauguration of the Chapter. A lovely cake with fifteen candles was placed in a prominent position in the hall, and after the cards the candles were lighted and the lights turned off in the hall. This cake had been donated, and at the exceptionally delicious lunch which finished the evening's festivities all were tendered a piece of it. The prize winners at bridge (and the prizes were really beautiful) were: ladies, first, Mrs. Wm. Christie; second, Miss Corinne Carlson; third, Mrs. A. Shanks; men, first, Mrs. W. H. Johns; second, Mrs. John Costain; third, Mr. G. Gilgras. The door prize was won by Mrs. Fred Laforest, and the cushion by Mr. Ted Smith.

We are glad to report that we saw Mr. Frank Evans last week-end in Toronto and that indications now point to a speedy return to health. If he continues to progress he will be back in South Porcupine by the end of June.

Mr. Jim Boyle and son, Walter, visited friends in South Porcupine last week-end. Mrs. Boyle accompanied them from Toronto but stayed in Cobalt for the holiday.

Great rejoicing in Golden City to-day over the pouring of the first gold brick from the Pamour Mine! The officials invited the Reeve and Corporation of Whitney to be present at the ceremony. At the United Church service on Sunday last, the Rebekahs attended in a body. Mrs. Stanlake, whose glorious

Official Opening of the Pamour Mill

(Continued from Page One)

the McIntyre, "Your mill is a picture." He too praised those who had made a mine of what formerly was "just a farm."

J. H. Stovel, general manager of the Dome, had flown back from New York in order to attend the official opening and had been greatly impressed by the progress of Pamour, he said.

"It's the prettiest little show I've seen in my life, to start with," with the comment of John Knox, general manager of the Hollinger.

Another celebration at the opening of another mill in the eastern section of the camp should soon come along Mr. Lafontaine, mill superintendent of the Coniaurum, believes.

"It's a big show," C. E. Cook, general manager of the Paymaster said, "and above that I've seen a wonderful cooperation between wonderful men. Lots of Porcupine mines started from nothing and will end up with a better show."

"It's the biggest of the little mines," R. P. Kinkel, general manager of the Buffalo-Ankerite said, "I delight in the success of this undertaking especially since it's been under way only a short time."

There will be another mine in the Porcupine within a short time, E. Hibbert of the Noranda, predicted. Quite a bit of money is being spent at Hallnor, adjoining Pamour, he said, and results so far have been good.

H. L. Roscoe, general manager of the Noranda mine, placed much of the credit for Pamour's beginning on Oliver Hall of Quebec Gold.

H. S. Patterson, general of the Bank of Nova Scotia said he hoped to be in the Porcupine next year on another such occasion.

N. C. Urquhart, Toronto broker referred briefly to the growing Porcupine camp and felt sure, he said, that many more new mines would be established within the next year or so.

People More Important Than Mine

"The people here seem more important to me than any success I may have had in any mine," said S. C. Thompson, vice-president of Noranda, in referring to the fine spirit with which the men had undertaken the job of making a mine.

A. W. Bromley, electrical and mechanical superintendent of Pamour expressed his pleasure in working with Mr. Macaulay, T. W. Wearing, mill superintendent said he's "had a lot of fun watching the mill grow." C. G. McLachlan, plant superintendent at Noranda, said "You can always get things done when you're working with people who back you up." J. R. Bradford, plant engineer at Noranda said that his department had been only too pleased to co-operate in any way with the Pamour men.

Under the Moose Pasture

William Meen, representative of the old guard, formerly of the LaPalme company, from whom Pamour took over

part of its property said he's always had the idea there "was something underneath this moose pasture."

During the evening the Pamour orchestra entertained the gathering with a number of selections that gave a proper North Country atmosphere. Wilson Thomson, of Timmins gave two of his own poems, one of the mucker's side of the story and the other shift boss' side that brought round after round of applause.

Others who attended the banquet in addition to those already mentioned included: H. W. Chadbourne, Leo H. Timmins, F. M. Connell, A. L. Willsworth, G. H. Rainville, T. N. Hay, Senator Raymond, J. H. C. Waite, W. S. Waiton; from Hollinger, A. H. Wohlrab, Capt. Young, E. L. Longmore, M. E. Williams, W. H. Pritchard, Thos Blackman; from McIntyre, H. G. Skavlem, D. E. Keeley, S. A. Wookley, W. F. J. Cosser, Robert Robinson; from Dome, R. E. Dye, J. E. McCrea, J. J. Jordan, Charles Kemsley; from Noranda, O. Hall, D. Climpkin, A. L. Sharpe, Dr. P. Price, Dr. A. Bell, H. Chittenden, L. A. Wickwire; from Coniaurum, Mr. Lafontaine, Mr. Cleland; from Whitney, Zack Hart, Mr. Rotondo, I. P. Wilson, C. Dillon; from Timmins, Geo. Lake, Mr. Cameron, J. N. Sisson, C. Caesar, W. S. Jamieson, N. A. Arthur; from Pamour, C. A. Anderson, S. D. Cooke, C. D. Stevenson, S. M. Connolly, Dr. Empy, F. Pearson, H. McIntyre, H. Steers, A. Donnelly, Louis Aro, L. G. White, L. Sagima, W. D. Carmichael, T. P. Cowie, W. McNevin, H. Young, A. C. Coombes, Jas. Linklater, Dan McLellan, D. Carlson, H. Williams and K. Esdale.

Popular Young Couple Married Here Recently

Grace Alma, daughter of Mr. and Mrs. Wilson Campsall, was married on May 23rd to Benjamin Osburn Passmore, son of Mr. and Mrs. Fred Passmore, of Timmins, in a quiet, but pretty ceremony. The bride's sister, Olive, was bridesmaid, while Albert M. Baker was groomsmen. Rev. Bruce Millar performed the ceremony. Mr. and Mrs. Passmore will make their home in Timmins.

Closing Banquet of Young People's Soc'y

Interesting Toast List at Excellent Banquet Prepared by the Fireside Club.

On Thursday, May 28th, at 7 p.m., the activities of the Y.P.S. were brought to a fitting close for the season when some 30 participated at the banquet so ably prepared by a Fireside Group of the United Church.

The president of the Young People's Society, Roy Hardy, acted as toastmaster for the evening. The following were the toasts and those proposing and responding:—

1. The King.
2. The Y.P.S., proposed by J. Roach and responded to by Roy Hardy.
3. The toast to "The Ladies" was ably given by Bill Bird, and responded to by Miss Dorothy Taylor.
4. Miss Isabel Andrews proposed the toast to "The Church." P. T. Molesley responded, tracing the history of the church and pointing out the work there was to be done by the young people.
5. Rev. Bruce Millar proposed a toast to the president and vice-president of the Y.P.S., who gave unstintingly of their time and talents in helping along the Society.

H. Burt was presented with a small gift as a token of appreciation for his work in conducting the play recently presented, "Sunshine Lane."

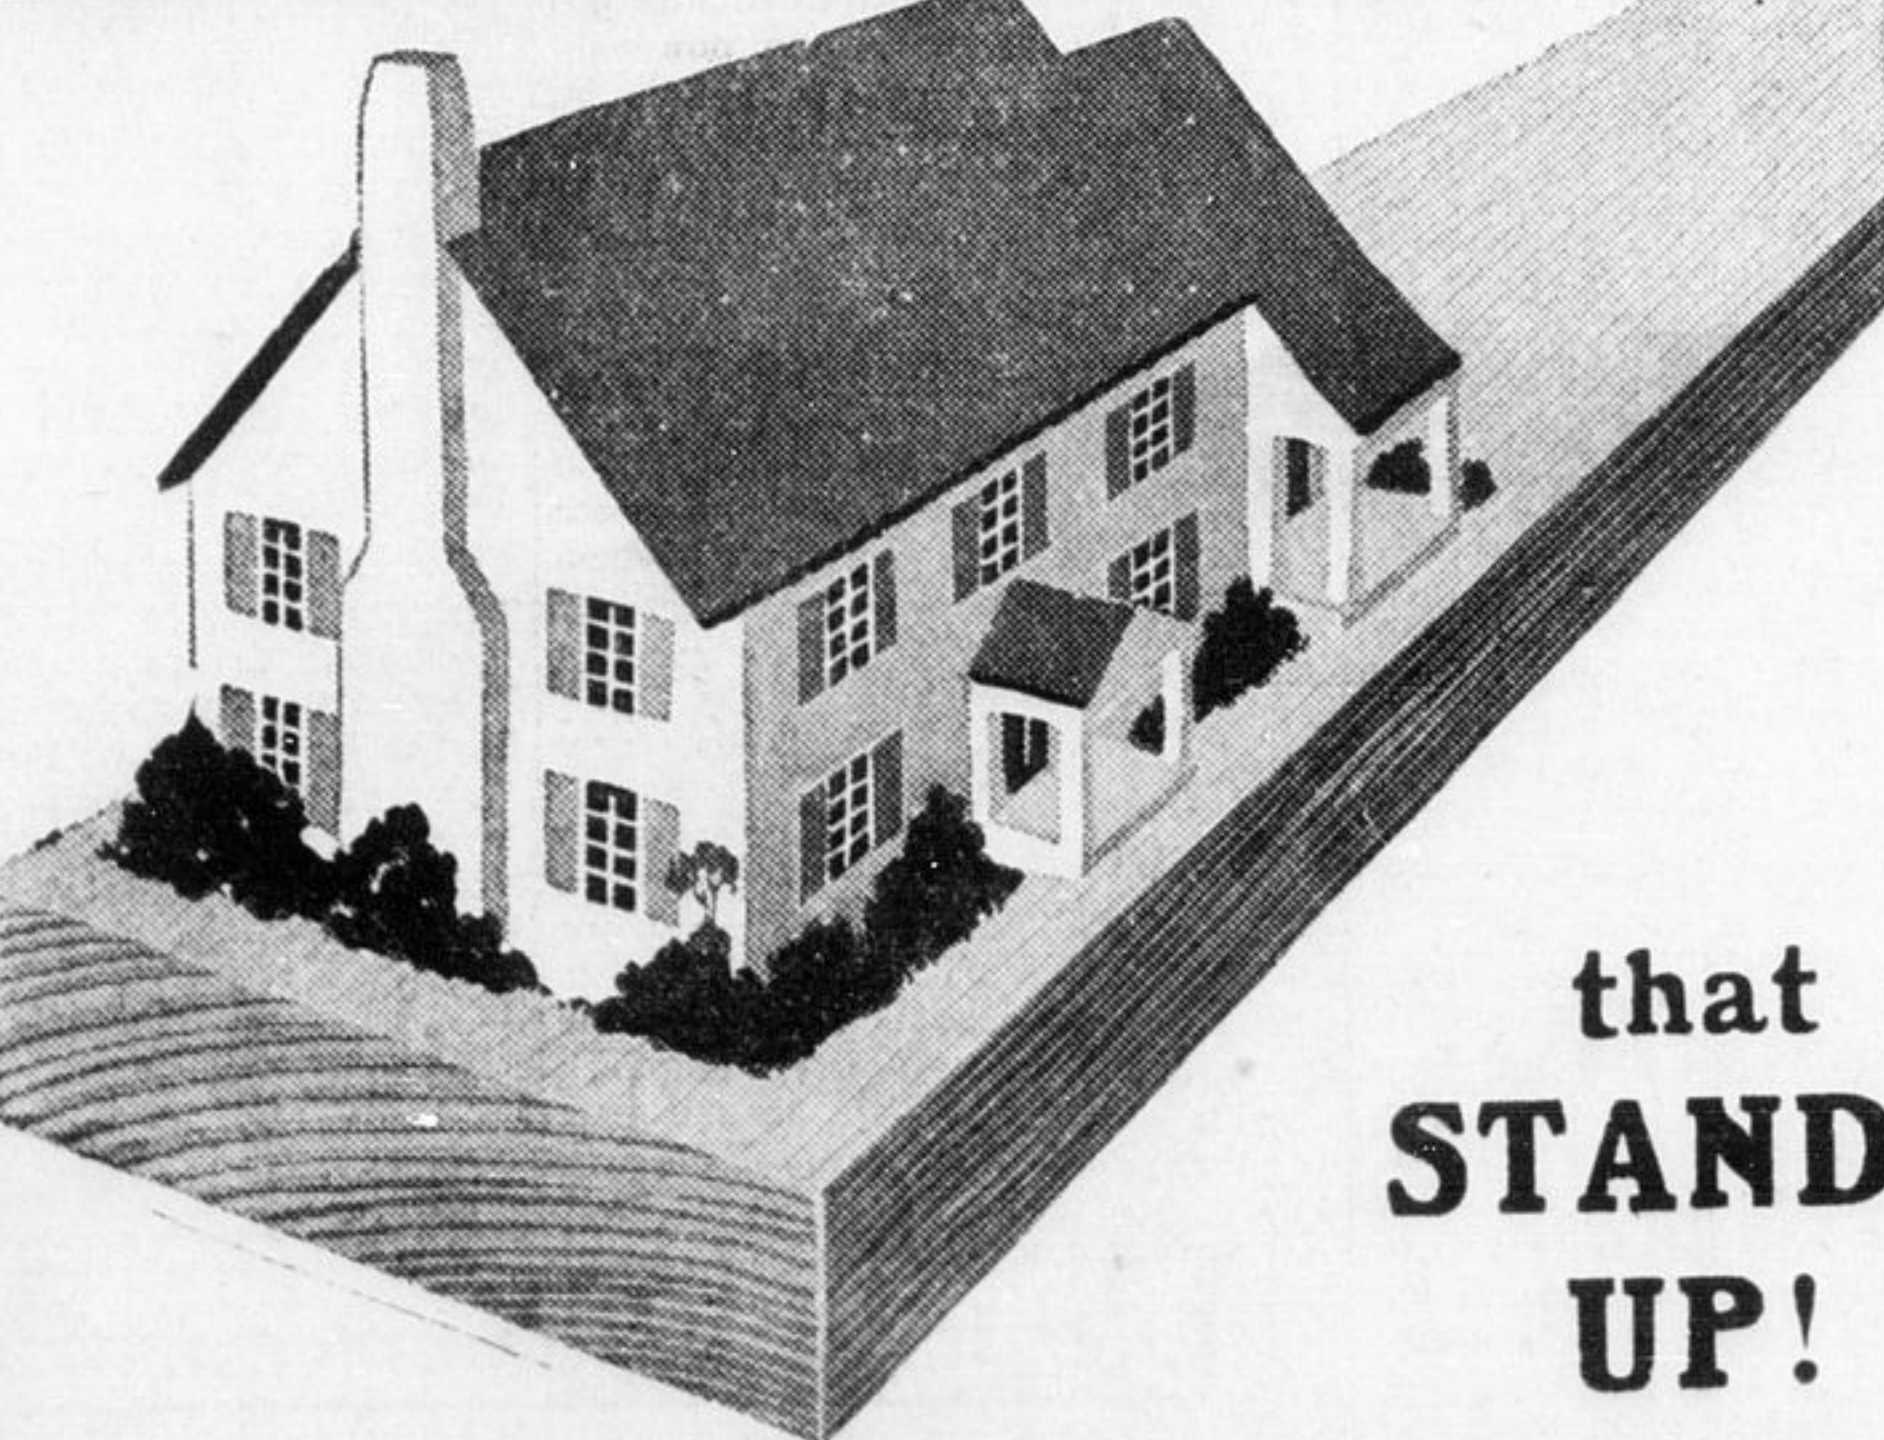

Miss Marion Garrow was also presented with a small gift, being the best ticket seller in the Society.

During the evening several songs were sung, led by Rev. Bruce Millar, with Miss Laura Shaw at the piano.

The Advance newboys were the guests of the Conklin Shows on Saturday afternoon and were taken through all the various features of the big show as well as given rides on all the various devices. The boys report both the management and the shows as better than ever.

LUMBER

that STANDS UP!

Every Piece Carefully Graded

We'll fill your lumber requirements in any quantity for any type of new building or remodeling from the most complete stock in the camp. Feldman has long been a name identified with the type of lumber that "stands up" to its claims of "the highest quality at lower prices."

We have recently added to our large stock of building materials, a complete line of O.P.W. "CANADA BRAND" Pure Paints, in a full range of colours.
