Wishart made a cross to Chambers at the net for the tying goal. The Dome had had the play for a long time when the counter was made. When White passed to Wishart, the round was nearly tied, but Brockbank was able to keep his net clear.

Scores at the end of the first half was McIntyre 1, Dome 1, giving the Macs a one-goal lead on the round.

Dome opened the second half with a real attack but a few minutes after the opening whistle had blown, Tommy Searle picked up the ball at a point about 20 yards out from the Dome net, carried it in himself and shot hard for the right hand corner of the net. The ball came just under the bar and put the Macs one up.

Joe White Ties Score Again
It was only a minute or so later that the Dome had a chance to tie the tally once more. The Macs fouled in their penalty area and Joe White was selected by Dome to take the free kick. The ball travelled along close to the ground and found an open corner. The score was tied again.

After that Dome put everything they had into the game. It was a fine clear from Cockburn to Paynter that finally put the ball at Willie White's foot for the goal that tied the round. White had time to make sure of his shot.

Billy Hampton it was who tied the game again and put the Macs one in the lead for the round. Billy Rodgers centred the ball and Hampton was right at the net to make it good. It was a fast play and one of the nicest of the evening's seven goals.

During the next ten minutes there was plenty of up and down the field play. White and Tierney for the Dome, found both Brockbank and Baxter right on their toes.

The Dome mustered all the pressure they could in a last final effort. The backs came up well past centre field in the last attempt, but they couldn't get the one goal they needed to tie the round. Finally Ed. Dunstan broke away with the ball and played up, with Billy Hampton going with him. Ed passed to Billy just at the right moment and the Macs were sure of the game. Hampton's goal made the score 4-3 for the Macs.

Dome made a last effort but appeared to be in too much of a hurry to accomplish anything.

McIntyre: goal, Brockbank; backs, McAdam, Davis; halves, Mair, Phillips, Morrison; forwards, Ed Dunstan, Reg Dunstan, Hampton, Searle, Rodgers; spares, Jimmy and Charlie Dawson.

Dome: goal, Baxter; backs, Barnes, Foster; halves, Munroe, Joe White, Cockburn; forwards, Wishart, Willie White, Chambers, Paynter, Tierney; spares, Galbraith, Lone.

Referee, Pat Larmer; linesmen, Ban-nerman, Richmond.

Chambers Ties Score
It was only after a long struggle that

Macs Take Round 5-3 as They Beat Dome 4-3 Saturday Night

Fans See Dome Tie Dominion Cup Round but Fail to Hold Pace as McIntyre Scores Four Goals to Win Right to Represent District.

McIntyre will represent the district in the Dominion Cup series. That was definitely decided when the Macs won the second game of the Dome-McIntyre series by a score of 4-3 on Saturday night at the McIntyre park. It gave them the round 5-3, and gave them the privilege of meeting Lake Shore in the third round.

A two-goal lead on the series. That happened just about ten minutes after the game had begun. The Dome were on the attack from then on. They had the better of the play until half time at least, but they just weren't able to muster that scoring punch they needed—at least when the Macs succeeded in tying it up every time.

Dome had tough luck all the way through. Even the most enthusiastic McIntyre supporter admitted that during the game. It was up and down all the way through. At one time the Dome had tied up the round but they tired after the big effort and the Macs were able to get out in the lead again. The fans got plenty for their money in the way of goals.

Willie White almost tied the game a few minutes after the Macs got in their first goal but Brockbank recovered in time to save the tally. Play went up and down the field quickly. The Macs had a kick on a foul within the Dome penalty area but Mair missed the net. Chambers missed a fine chance as Willie White gave him an accurate cross. Brockbank made a great save as Paynter shot a long dangerous one that came just underneath the bar.

Since the Macs had got a one-goal lead in the first game of the series, the first goal, scored by Billy Rodgers on a cross from Ed. Dunstan, gave the Macs

Walter Grant, Len Godin Are Injured

Both Hurt in Friday Night Softball Game Now Recovering.

Walter Grant, manager and pitcher for Friedmans softball team, who was injured on Friday night at the cyanide, is reported to-day to be getting along nicely. Eight stitches were necessary to close the cut in his jaw, received when he crashed into a Palace player at first base and fell heavily to the ground. He was taken to St. Mary's hospital immediately and was kept there over night, since it was feared he might have broken ribs as well as the cut. On Saturday he was able to go to his home.

Godin Strains Knee
Len Godin suffered a strained knee when, in the third inning Wilkes slid for the plate. Len took a peg from Morin at first base and tagged Wilkes out. He went to the bench for a few minutes but went back into the game and finished it. Saturday morning his knee was badly swollen and although it is better now, he will be forced to take it easy for a little while.

A benefit game will be arranged in the near future.

Wadsworth Wins in Fourth Over Ricks

Semi-Final Stops Early too as Bawmle Beats Mahoney.

Len Wadsworth won his bout at the end of the fourth round last Friday night at the Timmins arena when Smiley Ricks of Winnipeg couldn't continue because he had hurt his hand. The fight was not nearly as impressive as some of Len's fights here have been, though it was no fault of his own. His opponent was a much heavier man and when Wadsworth put on the pressure he crumbled.

Wadsworth landed only a few solid blows but he had Ricks down for three counts, completely out once, only to be saved by the bell. The fixture was to have been a ten-round affair.

The semi-final between Jack Bowmle of Detroit and Bill Maloney of Toronto was another fight that stopped early. Scheduled to go eight rounds, it finished shortly after the start of the third round. Bowmle took the crowd's fancy when he entered the ring all greased. Maloney had no chance against the falling fists of the 118-pound Italian. Two preliminary bouts ended in a win for Giuseppe over Stan Bailey and a draw between Telino and Abrams.

Gun Club to Open New Club This Week

Interest Grows in Shooting as Season gets Under Way. Visitors Invited for Wednesday Night.

The new clubhouse of the Timmins Gun Club, now ready for occupancy, will be officially opened on Wednesday night of this week when it is expected most of the members will turn out as well as a good number of visitors.

The new season has already been enthusiastically begun but there is still room for many members. The facilities offered by the clubhouse should attract a good many more local men who are devotees of the sport. It is hoped that prizes may be provided for Wednesday night's shoot.

Scores at the last shoot were:

	1st	2nd	3rd
A. Johnston	19	18	
J. Amm	10	15

McIntyre and Porkies Will Play Twelve-Game Schedule

Two Temiskaming Baseball League Teams in the Porcupine Open Series at McIntyre Park This Wednesday Afternoon.

The T.B.L.'s 12-game, two-team schedule for the northern group will allow fans in each end of the camp to see at least on ball game a week. This McIntyre and Porcupine set-up may sound a bit weak at first glance, but it's beginning to look now as if there'll be some tight old ball games when the boys get into action.

Kirkland Lake teams will appear in the Porcupine at least twice during the next couple of months, it is probable, in exhibition features.

Here's how the league officials figured it out the other night at a meeting:—

Wednesday, June 17th—Porcupine at McIntyre.

Friday, June 26th—McIntyre at Porcupine.

Monday, June 29th—Porcupine at McIntyre.

Friday, July 3rd—McIntyre at Porcupine.

Wednesday, July 8th—Porcupine at McIntyre.

Wednesday, July 15th—McIntyre at Porcupine.

Friday, July 17th—Porcupine at McIntyre.

Friday, July 24th—McIntyre at Porcupine.

Wednesday, July 29th—Porcupine at McIntyre.

Wednesday, August 5th—McIntyre at Porcupine.

Friday, August 7th—Porcupine at McIntyre.

Wednesday, August 12th—McIntyre at Porcupine.

Porkies Use Four Holly Men

Porkies have been granted permission to use Louis Romualdi, shortstop; Reg. Dorey, pitcher or first baseman, heaviest hitter in the league last year; Lefty O'Donnell, pitcher; and Walt Coleman, left fielder and home run expert, all of

last year's Hollinger team. In addition to those Porkies are understood to have a few new men, including some senior calibre ball players from the South.

McIntyre's team has also been improved, with the addition of three Americans, Stapleton, McShane and Tadmam, and two from Southern Ontario, Sturgeon and Quinn. Last year's McIntyre team is there, almost to a man, and Norm Hann, shortstop, who was forced from play about the middle of last season, is back in uniform.

So the first game, this Wednesday at the McIntyre, should be a contest worth seeing. And on Friday, Porkies get a home game.

May Be Exhibition Games

On June 23rd, McIntyre entertains Lake Shore as a special feature of the Lions Summer Carnival programme. On July 1st, there is a chance that a Kirkland Lake team will appear at South Porcupine to play Porkies. Wednesday, July 22nd has been left open since McIntyre may have another home game with a Kirkland Lake team then.

Those who have been suggested for umpiring jobs this year include: Lloyd Chambers, Johnny Monaghan, W. H. Burnes, and John Gagnon.

The home team must give the visitors the field at 4.30, since the visitors must allow the home team the time from five o'clock until 5.15, at which time the games will be begun. It is planned to start all games sharp on time this year.

TELL IT TO THE JUDGE!

This one comes from Whitby, Ont.: "Who rules Canada?" asked Judge J. A. McGibson of an Oshawa foreign-born man who appeared in county court seeking naturalization.

"Heppurn," came the immediate response.

"He only thinks he does," replied the judge.

SPORT-ORE

From All Levels

"They look a lot stronger than I thought they would be at first," said the Solomon of the McIntyre the other day, while discussing the chances of the Porkies senior baseball team. He didn't say who he thought would win the first game—on Wednesday at McIntyre park—but he did go so far as to predict that it would be a good battle. Porkies have some of the heaviest hitters in the league now that they've taken a few Timmins men. McIntyre has most of their best hitters of last year and some unknowns who are supposed to be top notchers into the bargain. Given a nice warm day, the baseball season should get off to a rousing start.

Sports for All

This June 23rd sports day being sponsored by the Schumacher Lions Club in celebration of King Edward VIII's birthday, should attract every athlete in the Porcupine. They seem to have put something on the programme for almost everybody. And for those who like to watch good sport too. The youngsters get their chance in the morning, and the high school boys and girls and those who compete in open events have the afternoon. One event in particular on the afternoon programme is expected to attract a good deal of attention—the relay race between teams from the high schools of the district. Each member of the team will run a quarter of a mile. Entries are expected from Timmins, Schumacher and South Porcupine schools.

Who'll Do It This Year?

No move has yet been made by anyone in town to carry on the work begun last year by the Kiwanis in providing supervised summer sports for the school boys of Timmins. It's likely that the Kiwanis have all they can handle in the building of a summer camp at Barber's Bay where a good many of the needy boys of the town will have an outing such as they never had before. It's hard to estimate just how much good was accomplished in last year's supervised sports. The work may have prevented a dozen drownings; may have set a dozen boys on the right path. It should be carried on by someone.

FINED \$500 AND LOSES CAR IN KIRKLAND LIQUOR CASE

Found to be in possession of 14 gallons of undiluted alcohol, Robert Rae, formerly of Toronto, was fined \$500 and costs by Magistrate S. Atkinson in Kirkland Lake police court last week. A six month hard labour sentence was the option. The automobile in which the liquor was found, together with the liquor itself, was ordered confiscated.
