### Traffic Case Fought by Falls Motorist

Other Driver Agreed to Pay Damage Done, but Charge Later Laid. The Motor League is Helping.

Iroquois Falls, Ont., June 20th, 1936. Special to The Advance. As a member of the Iroquois Falls and District Motor Club, affiliated with the Ontario Motor League, W. H. Osborne enlisted the aid of the League in fighting a reckless driving charge preferred under unusual circumstances following a collision between cars driven by Osborne and W. Leonard Watkins, Emsdale, near Burk's Falls May 31. Osborne will return with witnesses to Burk's Falls to fight the charge, differing in that respect from many motorists who pay fines following such charges rather than meet the expense of returning to the point at which the accident occurred.

According to Mr. Osborne he was following the car driven by Watkins when the latter swung off onto a side road, swinging back in front of Osborne's car without warning, with the result that the cars collided. Watkins, who had no driver's license, admitted he was responsible and agreed to meet the cost of repairing Osborne's car. Proceeding to North Bay Mr. Osborne had the car repaired there, and mailed the account of \$16.32 to Watkins. On his return to the Falls he was served a summons, sworn out by Edward Skeritt, owner

of the car driven by Watkins, to appear at Burk's Falls, June 9th, on a reckless driving charge.

The matter was taken up with the Motor Club here, with the result the Ontario Motor League ascertained Watkins had no driving permit and a counter charge was laid. Mr. Osborne, with other occupants of the car at the time, as witnesses, was asked to fight the charge, at Burk's Falls Friday, defended by E. W. Smith, member of the law firm of Phelan and Richardson, Toronto, Motor League Counsel.

J. G. Reid motored to Toronto some days ago with Mr. and Mrs. J. Kavelman, en route to Belleville, Ont., with his parents.

Mr. and Mrs. G. L. Cameron and family spent the last week-end at their summer cottage on Nellie Lake.

P. Smith, E. O'Donnell, Baron Livesey and Jos. Laroche spent last week-end trout fishing at Perry Lake.

Miss E. Rae visited with her parents, Mr. and Mrs. W. W. Rae, at Seseokinika Lake last week.

Mrs. J. V. Stevens has returned from Berwick, Nova Scotia, where she has been visiting with her parents.

Mr. and Mrs. E. W. McDermid and children spent the last week-end at their summer cottage at Lake Seseokinika.

G. D. Adams and Percy Burton spent the last week-end at Mr. Adams' cottage at Lake Seseokinika.

Mr. and Mrs. P. Harrower, Duparquet, visited at Monteth and Iroquois Falls over the last week-end with Mr. and Mrs. H. Johnston and Mr. and Mrs. P. J. Redmond.

Mr. and Mrs. J. Kavelman motored to Toronto some days ago, where Mr. Kavelman was to attend an I.O.O.F. convention.

Mrs. C. S. Jessup motored to Toronto recently with Mr. and Mrs. Jack Kavelman, en route to Kitchener and Detroit, where she will visit with relatives.

Miss I. Merkely was called to Montreal recently by the serious illness of her mother.

Mr. and Mrs. J. Armstrong and Mr. and Mrs. R. O. Shaw-Hamilton motored to Kapuskasing last week.

J. Harding, of the Ontario Fire Marshal's office, made an official visit to the Falls and Ansonville last week. At Iroquois Falls he inspected the townsite and mill with Fire Chief T. H. Wilkes, later making an inspection of Ansonville with Chief P. Bellanger.

### Death of T. Dumitru at Hospital Here Yesterday

The death of T. Dumitru, aged 50 years, occurred yesterday at St. Mary's hospital, following an illness of a week. The funeral service is to be held tomorrow afternoon from Chenier's funeral parlour. He is survived by a wife and family in Roumania.

### Iroquois Falls Cars Need More Licenses

District Cars are Inconvenienced by Failure to Provide Plates at Falls. Other Falls News.

Iroquois Falls, Ont., June 22, 1936. Special to The Advance.

District motorists have been greatly inconvenienced recently by the failure to get car licenses locally, for the second time this year. J. A. Mongeon, issuer, ran out some time ago, and only a part of the number of plates requested were forwarded with the result that the supply again ran out. Last year it was necessary to drive or send to Matheson as no issuer was appointed locally. An office was opened at Ansonville this year. A local man who has not driven his car since 1934 was suddenly called out of town last week by the illness of a relative and found he was faced with having to drive out of town with a 1934 license. Local municipal and provincial police, aware of the circumstances, have been permitting motorists with 1935 licenses to drive in town providing they register.

The executive of the Cochrane District Firemen's Association met at Cochrane Wednesday, June 17, to discuss plans for the July 1 meet at Kapuskasing. Brigades represented were Iroquois Falls, Spruce Falls, the new Spruce Falls Paper Co. entry, Timmins, Ansonville, Schumacher, Cochrane, Montrock and Kapuskasing. For the events the brigades were drawn in the order named. T. H. Wilkes, Chief and Al Kerr, represented the local brigade.

Mr. and Mrs. W. Brydge and baby daughter, Heather Anne, and Mrs. J. R. Spence, spent last week in Toronto.

Mrs. R. W. Sterns, Dr. and Mrs. R. S. Laidlaw, and Booth McDowell returned Friday by motor from Toronto, where they attended the United Church conference as delegates of the local church.

Frost Tuesday morning injured many of the less hardy flowers and vegetables transplanted out by optimistic gardeners.

An inch and a half of rain fell locally Tuesday and Wednesday, creating numerous mud holes in the already bad roads and raising lake and river levels to an unusual high for this time of year.

Wallace Shows, brought to the Falls under the auspices of the local fire brigade, will be in the Falls all week.

The local band has commenced its periodic outdoor practices. The band has improved much under the leadership of Albert Delean. The 1935 grant of \$25.00 by the town council has been doubled this year.

Horace Jones, district superintendent, R. A. M., accompanied by members of Abitibi Chapter No. 223, R.A.M., paid an official visit to Kirkland Lake Chapter No. 251, Wednesday evening. Those making the trip included G. L. Cameron, F. K. Ebbitt, H. C. McEwen, Ed. Black, A. A. Howard, Kasper Leckner, J. R. Spence, G. D. Adams, A. R. Armstrong, E. J. Botting, J. Kincaid, Mayor and Mrs. G. L. Cameron left by motor Saturday on a three weeks' trip through the United States and the Maritimes to Mr. Cameron's parental home in St. Mary's, Nova Scotia.

"Tommy" Wilson, son of Mr. and Mrs. G. S. Wilson who is taking the medical course at Queen's University is spending the summer as junior interne at Kingston General hospital.

As a direct result of the amateur broadcast over station CKGB last Sunday, by Iroquois Falls and Ansonville amateur artists, sponsored by the Ansonville Board of Trade, Maurice Gellins and Rosaire Soucier, singers have received the offer, through L. E. Fortin, of the Board of Trade, of auditions at a station, CFRB, Toronto.

The members of the Papermakers and Mechanical Staffs of the Abitibi Power and Paper Company had charge of the work at Friday's meeting of Abitibi Lodge No. 540, A.F. and A.M. Visitors from Timmins, South Porcupine, and Matheson were present for the occasion.

A very nice banquet was served following the meeting, by the ladies of the Eastern Star.

A verdict of accidental death due to a fractured skull incurred by falling into the basement of the T. and N. O. station at Porcupine Junction was returned by the jury at the inquest into the death of T. Pakas, who died in the Anson General hospital here. The inquest was held in the court house Thursday evening, Coroner W. J. Grummett, presiding. The jury strongly recommended that the T. & N. O. commission install a gate inside the door, since the steps led away from the door direct rather than from a landing inside the door. Provincial Constable Allan Stringer, who investigated, testified Pakas had smelled strongly of liquor.

G. Foley spent Thursday in Smooth Rock Falls on Abitibi Power and Paper Co. business.

Mrs. F. Staples returned Saturday from Toronto where she was called by the death of a friend.

Dr. and Mrs. H. M. Young and family left by motor Saturday for Montreal.

### Legislators Visit Iroquois Falls Mill

Party of Members of Provincial House Included Iroquois Falls in Their Itinerary.

Iroquois Falls, Ont., June 22nd, 1936. Special to The Advance.

The party of members of the Ontario Legislature touring the North visited the Falls Friday morning, arriving by special train at 7:25 a.m. from Timmins.

Mayor G. L. Cameron welcomed the party, headed by W. G. Nixon, member introduced by John Rowlandson, M.P.P., for Temiskaming South. Those of the party who wished to make the trip were shown through the Abitibi Power and Paper Company pulp and paper mills guides explaining the process of converting wood into paper from the time the wood leaves the water until the paper is loaded into cars for shipment. The guides included D. H. Parker, Abitibi mill manager, A. R. Mobbs, assistant manager, G. J. Thistlethwaite, A. T. Hurter, Mayor G. L. Cameron, F. K. Ebbitt, A. Neill, A. A. MacDougall, T. H. Wilkes, L. Baarts, Leon Charlebois, and J. A. Mongeon, reeve of Calvert Township. The party left at 9:50 en route to Noranda, where they were due at 2 p.m.

### Youth Congress Report Given Here

(Continued from Page One) Ask Strengthening of League

In the end, the congress decided that economic monopoly, international rivalry in finding raw materials are the prime causes of war. They decided that Canada should take an active part in any move toward greater international co-operation and that the nation should insist that the League of Nations be re-organized in a manner that would ensure constant vigilance. Canadians should decide by referendum whether or not the nation should take part in war. The same status granted South Africa in this regard should be granted Canada by the Imperial government. The repeal of the Military Service Act (conscription) was also regarded as necessary, as was the ceasing of militia activities of all kinds. A national Peace Day should be observed, it was advised.

### Canadian Youth Act

In regard to youth in the Canadian economy, the congress drew up a proposed Canadian Youth Act which is to be presented to Parliament next January. Salient points of the act include the establishing of a commission having one-third of its members representing farming and labour, one-third elected by youth organizations, and the remainder representatives of social service, consumers' associations and other special branches. Smaller councils should be organized on the same basis in each district. Vocational and technical education should be encouraged, needy boys and girls in secondary schools should be assisted when able to show their worth. Scholarships and bursaries should be established for the needy students at the higher places of learning.

Public works should be undertaken to employ the youth of the land usefully, in the positions they hope to attain in later years and to give them experience. Young sons and daughters of farmers should be assisted in establishing themselves on the land. Special attention should be given to rural centres in the establishing of recreation and cultural places. Youth, according to the Act, would mean all those between the ages of 16 and 26.

Money to be used in carrying out the terms of the Act should be raised through taxation on those in the higher income "brackets."

### The "Bill of Rights"

In a Bill of Rights of Canadian Youth, it was pointed out that there are 300,000 young people of Canada now out of school and unemployed and that thousands more are each year leaving the schools with no prospect of employment. Canadian youth is proud of those who came out to hew a wonderful country from the wilderness, and proud of the older generation who have carried on in spite of severe handicaps. But, the bill said, youth is "righteously indignant" that the best is not being made of a solution to the nation's problems. They asked for work at reasonable wages, for the abolishing of slums, for education for all. "If private initiative cannot do it, we want the government to do so," the bill said. In unemployment insurance, in travel, in exploration, culture, knowledge of themselves, peace, freedom and justice, the bill predicted a new feeling throughout the country in an attempt to better conditions. "We pledge our-

## PAY-DAY SALE OF Dresses

You will find just the dress you want in this assortment, fine materials cut loosely. Just the thing for hot summer days. Prices most moderate. Original styles.

### seives to labour and sacrifice ourselves" in the cause, the bill concluded

### The Timmins Organization

In introducing Mr. Barnett, Roy Hardy, chairman of the provisional executive committee, outlined the purpose of the proposed "Council of Young People's Organizations." He told of the need in Timmins for a common meeting ground for all nationalities, all beliefs in fellowship of an athletic sort, a social sport and a cultural sort. There is a danger of a racial prejudice developing that should not exist, he said, and a community centre would be an effective means of bringing young Canadians together.

There is a misconception of the organization abroad in Timmins, he said. "We are not a political organization, have no political leanings, and don't intend to have."

The building of a community centre is the immediate end of the council but later on there are a large number of activities that might be undertaken, Mr. Hardy said. The sending of a delegate to the Youth Congress had merely been an idea through which it was hoped to get all the young people's organizations co-operating.

Although the date of a general organization meeting has not yet been definitely set, it is possible that it may be left until the fall, when young people's organizations once more become active. Already a large amount of preliminary work has been done, so that when the time comes for a general meeting, things should be so arranged that an immediate beginning can be made on the activities of council elected from representatives of recognized organizations in the town.

### Iroquois Falls Club to Protect Own Boats

Non-Members Using Boats at Lakes to be Prosecuted. Other Club Business.

Iroquois Falls, Ont., June 20th, 1936. Special to The Advance.

The decision to prosecute non-members using club boats on various district lakes, and particularly at Perry Lake, was reached at Monday night's meeting of the Iroquois Falls and District Rod and Gun Club, following complaints of members that the oars have been hidden repeatedly by non-members in order to ensure they access to the boats week after week. In future the boats will be locked and a sign erected notifying the public of the fact. Much discussion preceded the motion since many members hesitated causing trouble, but the opinion of the majority was that the club annual membership fee of \$1.00 was so small that anyone wishing to use the boats should join the club.

G. L. Cameron, chairman of the Fish Committee, reported 400,000 pickerel fry had been planted this month in Seseokinika, Reid, Wilson and Mortimer Lakes. It was decided to ask the local Game and Fisheries Department overseer to check the report pickerel planted in Wilson migrated to Frederick-house Lake and were unable to return because of a falls in the joining creek. Jos. Beaudoin, chairman of the Property Committee, reported two new boats were ready for Perry Lake and that the boat at Perry would be repaired and taken to Reid Lake.

The secretary reported a paid up membership of 199, an all-time record for the club. Unless special circumstances warrant it no meeting will be held in July or August.

### Special Dancing This Week at the Riverside

Special arrangements at the Riverside Pavilion for dancing have made it possible for Timmins young people to take advantage of the holiday to-morrow. There will be dancing to-night, to-morrow and Wednesday nights. New records have recently been set up at the Riverside. The former record of attendance, made a couple of years ago when 711 people attended a dance, has been broken twice this season already, with highs of 733 and 712.

### Iroquois Falls Masons at Cochrane Wednesday

Iroquois Falls, Ont., June 22, 1936. Special to The Advance.

The Masonic Festival of St. John the Baptist June 24, will be marked by the annual meeting and installation of officers of Cochrane Lodge, No. 520, A.F. and A.M. The work will be done by Abitibi Lodge No. 540 Past Masters, J. R. Spence, A. R. Mobbs, G. D. Adams, A. R. Armstrong, F. E. Wood, Chas. McMillan, W. J. Grummett, Thomas Mills, F. K. Ebbitt, L. R. Newman, H. C. McEwan and D. H. Parker, with R. W. Bro. J. R. Spence, D.D.G.M., as Installing Officer. F. K. Ebbitt, Iroquois Falls will be Master of Ceremonies and R. H. Holmes, Smooth Rock Falls, organist. Claude Bolton, Smooth Rock Falls, will be installed as Master. The occasion will also mark the last official visit of District Deputy Grand Master J. R. Spence. About 24 cars, carrying 65 members will make the trip from the Falls and will be met at the entrance to Cochrane by V.W. Bro. Mayor R. R. Mitchell, and a committee, who will escort the visitors through Cochrane, pointing out the various points of interest such as the golf course, hospital, schools, etc.

### Longest Days of the Year are Here Now

Probabilities are that Weather Now will be Generally Fine and Warm.

Saturday, Sunday and to-day are the longest days of the year, when, with clear skies, the North gets 16 hours, 3 minutes of sunshine. The sun rises these days at four o'clock, and sets at three minutes after eight. Twilight is long. It is possible to read out of doors until after 9.30 p.m. On Tuesday, Wednesday and Thursday, the sun rises a minute later but sets still at the same time. Up to the end of the month, the days are just four minutes shorter than to-day.

The probabilities are that the weather will now be generally fine and warm. The cool north-west winds that have been keeping the North's temperature down are just about through now, the weatherman believes. Thunder showers are likely to occur at any time.

Temperatures have been: Thursday, max. 65, min. 45; Friday, max. 72, min. 46; Saturday, max. 69, min. 54; Sunday, max. 61, min. 47; last night's minimum 41, eight o'clock this morning 55. Yesterday afternoon's showers brought .02 inches of rain.

Try The Advance Want Advertisements

### Man Fined Last Week Not Well-Known Local Man

In the last issue of The Advance in the report of the police court there was a mention of Eugene L'Heureux fined \$50.00 and costs as a second offence drunk. This is not the Eugene L'Heureux who lives in the Mountjoy Government Road. The Advance was informed Saturday, but an older man giving the same name. The young man, who is employed in a pressing parlour in town, always conducts himself like a good citizen, and naturally would not like to be confused with the man using the same name who landed in the police court a second time on a similar charge.

### Man with Several Names has Several Charges to Face

Donald Earle MacNeill, with four or five aliases, is liable to have as many charges as that to face at Noranda and Rouyn. MacNeill was arrested by Staff Sgt. Turnbull of the Quebec provincial police after he had escaped from custody following a previous arrest by a special constable. After the escape of the prisoner Staff Sgt. Turnbull took personal charge of the search for the escaped man and eventually located him near Senneville. MacNeill had taken to the bush after his escape from the constable but ever there he was not safe from the staff-sergeant. MacNeill is said to be wanted for both fraud and forgery and on charges in the two provinces. Rouyn is one place where his activities have led to court action. He is also reported as wanted in similar way at Larder Lake, Ont. He is said to have used the names of Duncan MacFarlane, Donald Marshall, R. T. Freeman, and Robert MacDougall.

### Suffered years bad headaches and Constipation!

Quick relief from FRUIT-A-TIVES and troubles have not come back.

"For many years I suffered from severe headaches and constipation. Then I read of Fruit-a-tives and tried them. They brought quick relief. Now I am never bothered as I used to be, for I know Fruit-a-tives can always make me fit and healthy."—Mrs. P. Longway, Guelph. Fruit-a-tives are the discovery of a famous Canadian doctor. They contain concentrated extracts of nature's fruits and herbs. They tend to induce normal function of elimination organs and tend to tone up the entire system. A fair trial of Fruit-a-tives will convince you.

# Big USED CAR Clean-Up

Join the happy crowds to-morrow with a car of your own. A used car purchased from this firm, will give you many carefree miles. Listed below are a few of our outstanding buys.

- Pontiac '31 Special Sedan**  
This car is absolutely the cheapest transportation obtainable, must sell at \$250
